Hilt Friesen fonds

<http://archives.brandonu.ca/en/permalink/descriptions14374>

Part Of: Hilt Friesen fonds
Creator: Hilt Friesen
Description Level: Fonds
Accession Number: 1-2019
GMD: graphic
Date Range: 1972-1980
Physical Description: 735 colour slides

History /

Biographical:

Hilton "Hilt" Friesen was born on September 19, 1932 in Steinbach, MB. He owned an independent furniture business in Winnipeg before opening a hobby store in Elmwood. He was an active member of the Winnipeg Model Railroad Club and an amateur photographer who documented historic buildings, especially those relating to railways, around the province. Hilt Friesen died on July 23, 2008 in Winnipeg, MB.

Custodial History:

The 35 mm slides in the collection were taken by Hilt Friesen. His widow gave them to Morgan Turney who then passed them on to Gordon Goldsborough of the Manitoba Historical Society. Goldsborough gave them to the McKee Archives in January 2019.

Scope and Content:

Fonds consists of 735 colour slides. The slides primarily depict railway subdivision stations along the Canadian National Railway (CNR) lines in Manitoba, but there are also stations from Saskatchewan. Additional subject matter includes grain elevators, steel through truss bridges, railway bridges, brickworks, signs, trains and buildings (the Prince Edward Hotel, Cumming & Dobie Coal). The images were taken by Friesen as a result of his hobby interests in railways and photography.

Notes: History/bio information taken from the Manitoba Historical Society website.

Alf Fowler collection

<http://archives.brandonu.ca/en/permalink/descriptions4794>

Part Of: RG 5 Western Manitoba Manuscript Collection
Creator: Davidson & Gowen
Description Level: Fonds
Accession Number: 6-1999
GMD: graphic
Date Range: 1912
Physical Description: 105 b/w photographs

History /

Biographical:

Alfred Fowler was born in 1903, in Toronto, Ontario. At the age of 23 he began working for Canadian National Railways (C.N.R.) in the company's telegraph accounting department. He remained employed there for 45 years, with the exception of the years 1940-45 when he served with the Royal Canadian Artillery during World War II. During his service he was stationed at Shilo, Manitoba, where he met his future wife, Elsie Bowen. They were married late in 1944, and in 1945 returned to Toronto. Fowler remained in Toronto until his death in 1969. Throughout his life, Mr. Fowler was an ardent amateur photographer.

Custodial History:

All 105 prints in this collection were created by Davidson & Gowen, a photography business located in Brandon. It seems likely that they were created for display and/or for commercial sale as part of the November 7, 1912 "Harvest" edition of The Brandon Sun. Alfred Fowler acquired a copy of the Davidson and Gowen prints during his stay at C.F.B. Shilo during the Second World War. In 1946 Alfred Fowler left Brandon returning to his home in Toronto. With the death of Alfred in 1969 the collection passed to his wife, Elsie Fowler. Elsie died in 1987, also in Toronto. Her estate passed to her nephew, Byron Forsyth, a Brandon resident. Byron brought the collection back to Brandon and in 1999 donated it to the McKee Archives.

Scope and Content:

The prints concern various subjects in Brandon, Manitoba c. 1911-1912 including Brandon residences, store fronts/businesses, streetscapes, churches, the Brandon Fair, parks, hotels, institutional structures (ie hospitals, City Hall) and rail yards (both Canadian Northern and Canadian Pacific) in the city. These images provide a visual record of Brandon in the years just before the Great War.

Notes: CAIN No. 202647. All addresses listed for photographs in the Fowler collection were derived from Henderson's Directories (1911, 1913).
Location Copy: Copies of the photographs are in the green binder on the reference shelf in the reading room. Negatives for CPR photographs have been placed with 6-1999.10 (CPR Railway depot).
Storage Location: RG 5 photograph storage drawer.

Edward Walker fonds

<http://archives.brandonu.ca/en/permalink/descriptions4888>

Part Of: RG 5 Western Manitoba Manuscript Collection
Description Level: Fonds
Accession Number: 24-2006

GMD: graphic
Date Range: 1896-1920; predominant 1896-1910
Physical Description: 55 glass plate negatives
(52 at 5x7; 3 at 3X5)

History /

Biographical:

Edward Walker was born in Lymm, Cheshire, England in 1836. He emigrated to Canada at age 59 in 1895, from Stockport, England. Walker came to Canada with three of his children - Dora, Daisy and Theo - and settled in Millwood, Manitoba. In childhood, Walker was a victim of polio and walked with the aid of two canes throughout his adult life. Walker was a professional photographer. Once in Canada, he also took out a homestead at N.W. 18-19-229, though it appears that his son Theo did most of the work required to gain title to the property. In addition to his work as a photographer, Walker was appointed post-master for Millwood in 1901, and operated a small store. Edward Walker retired as postmaster in 1920. He died in 1923.

Custodial History:

The Walker fonds arrived at the S.J. McKee Archives as part of the Lawrence Stuckey Collection in 2001. While the circumstances are not known, it seems evident that Stuckey acquired the Walker negatives in the course of his professional career as a photographer and collector.

Scope and Content:

Fonds contains a variety of images of Millwood, Manitoba and the surrounding agricultural community, its people, and life produced by Edward Walker in the course of his work as a professional photographer. These images were produced from gelatin dry plate negatives, a process introduced around 1880, to replace the wet collodion process in which a photographic solution was applied to a glass plate just prior to exposure. Edward Walker's pictorial account of life in and around Millwood Manitoba circa 1900, is an important photographic legacy of pioneer life on the upper reaches of the Assiniboine Valley.

The village of Millwood was located in the Assiniboine River valley close to the Manitoba-Saskatchewan border just a few miles northwest of Binscarth and a similar distance southwest of Russell. It came into existence in 1887, with the construction of the Manitoba and North-Western Railway, a road that ran diagonally through the new West from Prince Albert, North West Territories to Portage la Prairie Manitoba.

Notes: Description by Tom Mitchell.
Storage Location: 2006 accessions
Storage Range: 2006 accessions
Related Material: Several prints were located with the Walker Negatives. These were created by Lawrence Stuckey and have been located with the Lawrence Stuckey collection and identified as "Edward Walker" prints.
