History /

Biographical:

These records were produced between 1987 and 1988, the researching and writing period for *The Wheat City: A Pictorial History of Brandon* monograph. Published in 1988 by Western Producer Books (Saskatoon, Saskatchewan), *The Wheat City* is a 117-page soft cover book, containing black and white images.

Western Producer Books pitched the book's concept to Fred McGuinness in the fall of 1987. This book was part of the publisher's "city series" which focused on smaller cities such as Medicine Hat and Prince Albert. It was estimated that the book would contain a 6,000-word introduction followed by approximately 80 archival photographs of Brandon spanning from early settlement to the late 1950s/early 1960s.

Brandon University history major Pam Svistovski worked as McGuinness' research assistant and McGuinness obtained images for the book from his own personal collection, the Brandon Sun, Lawrence Stuckey, the Archives of Manitoba, and the Western Pictorial Index.

#### Custodial History:

Records were collected and created by McGuinness during the writing phase of the monograph *The Wheat City*. The materials were donated to the SJ McKee Archives by the Estate of Fred McGuinness circa 2011. The Archives accessioned the records in 2015.

History /

Biographical:

The Franklin Cooperative Elevator Association Ltd was located in Franklin, Manitoba. The association was formed and incorporated on May 19, 1927 under certificate # 68 of the Cooperative Association Act. The first provisional meeting was held on June 27, 1927 with R.A Storey as Chairman and O. Douglas as Secretary. There was a meeting held after the incorporation meeting and the first board of directors was elected on June 28, 1927 with R. A Storey as Chairman and E.A White as Secretary. The cooperative was run by an elected board of directors.

The Franklin Cooperative Elevator Association was a part of the Manitoba Pool Elevators Ltd which was a subsidiary elevator company of the Manitoba Wheat Pool. Manitoba Pool Elevators was incorporated on April 9, 1925 with 1,000 000 capitol stocks being sold for \$1.00 per share. Manitoba Pool elevators ran on the principal of local ownership through the cooperatives.

The Franklin Cooperative Elevator Association was involved in issues on a local and provincial scale. An example of local concerns was that in October 1948, it is on record that it was a bad crop year with a delayed harvest because of inclement weather. The elevators become plugged up and as a result grain had to be shipped to oppositional elevators. In 1952 the Franklin Cooperative Elevator Association built a forty five thousand bushel annex building and later that year issues arose over cost overages in its construction. The cooperative was also concerned about provincial matters such as on Sept 18, 1952 a strike was arranged by the workers of Manitoba Pool. It was averted when a settlement was reached in Winnipeg.

Custodial History:

Records in accession 10-2013, were delivered to the Archives of Manitoba on March 20, 1970 by Bob Douglas, son of Oliver Douglas. Those records were deaccessioned by the Archives of Manitoba in January 2012 and transferred to the McKee Archives later that year. All other records were donated to the McKee Archives by Manitoba Pool Elevators.

#### Scope and Content:

Fonds consists of ledger books containing minutes of monthly meetings as well as annual general meetings for the Franklin Co-operative Elevator Association. The first meeting had thirty members in attendance. From incorporation the cooperative had a list of objectives they wanted to accomplish including building or acquiring, and payment of a grain elevator and building documentation. They also needed to be licensed under the Canadian Grain Act. The ledger books also contains a list of bylaws. Records also included membership rosters and contract numbers for shipping grain. Auditor's year-end financial records are also included in the fonds. Attendance records from 1958 to 1963 have been recorded.

## MPE A 187 Katrime

<http://archives.brandonu.ca/en/permalink/descriptions8524>

Part Of:	RG 4 Manitoba Pool Elevator fonds
Description Level:	Sub-series
Series Number:	MPE A
Item Number:	187
Accession Number:	9-2013
GMD:	textual records

Date Range: [1940] - July 1999

Physical Description: 12 cm

History /

Biographical:

Manitoba Pool Elevators was established in 1925 as a subsidiary of the Pool in response to local member complaints about the unfair business practices of privately owned elevators. The Katrime Elevator appears to have been established in 1940; no records in the Manitoba Pool Elevator fonds mention the Katrime elevator before 1940. In 1969 the Katrime Pool joined the Manitoba Pool.

The Katrime local was operated by a board of directors elected from the members of the Katrime elevator. Regular meetings took place sporadically throughout the year, often before and after harvest. An annual meeting for the local took place every November, at which members were chosen for the board of directors and members were selected to attend the annual Manitoba Pool convention. Occasionally in October or in the Annual meetings in November the board of directors would ask the head office to compose a letter to the rail companies to thank them for keeping the elevator supplied with cars throughout the harvest season. This would change through the 1970's and into the 90's as congestion became a problem for the railcars.

In 1998 Manitoba Pool Elevators merged with the Alberta Wheat Pool to form Agricore Co-operative Ltd. In 2001, this organization merged with the United Grain Growers to become Agricore United, and in 2007, Agricore United was taken over by the Saskatchewan Wheat Pool; the new company was known as Viterra. The fate of the Katrime elevator is unclear. There is no mention in the included records regarding the merger to Agricore or the closing of the elevator.

Custodial History:

Records in accession 9-2013, were deposited at the Archives of Manitoba in 1971, with a fourth minute book being deposited in 2011. The records were deaccessioned by the Archives of Manitoba in January 2012 and transferred to the McKee Archives later that year.

Scope and Content:

Fonds consist of the minutes of the board of directors of the Katrime elevator. Meetings discussed pool business, including membership into the Katrime elevator co-operation and a list of new members is usually included in the minutes. In addition to membership another main topic of the meetings was the salary of the agent including the agents home and expenses. In 1953, the building of a new elevator, which eventually expanded to include new offices and storage sheds was a topic of discussion. Local annual meetings generally discussed the report of the auditor and any unsold surplus, but no details were recorded. A note on the content of the minutes: there is generally mention of a lengthy discussion of a topic but there is no explanation of what was discussed. Also, at each annual meeting there is a discussion of the annual convention and the resolutions adopted from this convention, however there are no details on what the resolutions were.

Katrime Co-operative Elevator Association Limited Organizational papers: 1961 Directors' Resolution, 18 October 1961 Corporate Name: Rural Municipality of Westbourne.
