History /

Biographical:

The Brandon Art Club was founded in November 1907, and operated in an art studio on the top floor of the Brandon College Women's Residence. The club appears to have been the creation of Miss. H. Hancock, who became the Director of the Department of Art at Brandon College c. 1907. The club moved to larger facilities made available at the First Methodist Church; the organization remained there until sometime during the Great War when the club relocated to St. Paul's Presbyterian Church and then in 1921, to the Prince Edward Hotel. The club's first public art exhibitions were held at the Prince Edward Hotel. Art classes were held for the first time in 1928. In 1968, the Brandon Art Club merged with the Allied Arts Center, which had been formed in 1959. The Allied Arts Center was located at 1036 Louise Avenue. In April 1984, the Allied Arts Center was moved to new facilities at the Arts Center of Western Manitoba located at 638 Princess Avenue. In 1989, it was renamed the Art Gallery of Southwestern Manitoba, and began to function as a "professional, regional art gallery." The Art Gallery of Southwestern Manitoba relocated to 2-710 Rosser Ave. c. 2001.

History /

Biographical:

The forerunner of Manitoba Pool Elevators (MPE), the Manitoba Wheat Pool was created in 1924 as a mechanism to allow for the co-operative marketing of wheat by Manitoba producers.

1924 as a mechanism to allow for the co-operative marketing of wheat by Manitoba producers by the United Farmers of Manitoba. The Manitoba Wheat Pool was initially intended to be a provisional organization until the establishment of an interprovincial Pool, but when Alberta and Saskatchewan established their own permanent Pools the United Farmers decided to do the same. The Manitoba Pool was different from the SK and AB Pools in that the municipality was the primary unit of organization; members belonged to their municipal Pool associations first, rather than having direct membership with the central Manitoba Wheat Pool. Manitoba Pool Elevators was established in 1925 as a subsidiary of the Pool in response to local members complaints about the unfair business practices of privately owned elevators. The private elevators also slowed up the shipment of grain to the Central Selling Agency employed by the Wheat Pool, acting as a barrier between the local Pools and the Manitoba Wheat Pool. Once established MPE quickly began to build new elevators and acquire privately owned elevators.

MPE's approach to marketing grain promised to stabilize the market price of grain and ensure a fair market price to producers. Initially the Manitoba Wheat Pool was very successful. However, in 1930, the Manitoba Wheat Pool found itself burdened with an unsold surplus from the preceding year that had been bought from the farmers at a price that was significantly higher than any possible return during the Depression. As a result, in 1931 the Manitoba Wheat Pool's Central Selling Agency defaulted on its bank loans. Despite attempts to save the organization, it was forced to declare bankruptcy in November 1932. The financial difficulties of the Wheat Pool had little to no effect on the Pool Elevators, and so this former subsidiary organization became the main Manitoba Pool organization. This change meant MPE had to reorganize, which they were able to do with funds from the provincial government. The company was successful enough in subsequent years that it was able to finish repaying the Manitoba government a full year early in 1949.

MPE did not limit itself to grain handling; they wished to enrich the lives of rural families through education and to provide economic stability through diversification.

MPE established a lending reference library for members and a traveling library for rural families in 1926. With the passing of the Public Libraries Act in 1948, the province took over responsibility for providing rural families with books. MPE decided that since their traveling library would no longer be needed when rural libraries were established, the best course of action was to donate their library to the Provincial government. They also established and supported programs that educated young people about agriculture and ag business.

Subsidiary companies that dealt with course grains, livestock, packing and fertilizer were established by MPE to streamline and stabilize business for its members.

1961 marked the high water mark for the number of local associations within Manitoba Pool Elevators with 225 local associations. After this date the associations began to amalgamate and consolidate. Improvements in rural roads and rail systems and increases in the size of farms and mechanization of farm labour meant that fewer elevators were needed to service all members and regions. These changes led to an organizational restructuring of Manitoba Pool Elevators in 1968. Membership became direct, and the main unit of organization became the central office. The central office administrated the Pool through districts, which were further subdivided into sub-districts. The locals which were formally the main organizational unit came under the immediate direction of the sub-district they were located in. Local association could opt out of this system if they wished, but by 1975 all but 29 associations had become part of the new structure.

In 1998 Manitoba Pool Elevators merged with the Alberta Wheat Pool to form Agricore Co-operative, Ltd. In 2001 this organization merged with the United Grain Growers to become Agricore United, and in 2007 AU was taken over by the Saskatchewan Wheat Pool; the new company is currently known as Viterra.

Custodial History:

The bulk of this fonds was accessioned in 1975, when the forerunner to the McKee Archives at Brandon University, the Rural Resource Center, was founded. The original mandate of the Rural Resource Center was to house the records of the Manitoba Pool Elevators. Previous to this, most of the fonds was stored at MPE's head office in Winnipeg. Many accruals to this collection have since taken place, with some of the larger ones being received in 1997, 2001, and 2002.

Scope and Content:

Fonds contains records dealing with every aspect of the Manitoba Pool Elevators organization, from the events leading to its formation in the 1920's, to its amalgamation as part of Agricore beginning in the late 1990's.

Fonds includes records of the local co-operative elevator associations established in the period 1925 - 1968 under the Co-operative Associations Act including: organizational papers; minutes of executive boards; minutes of shareholders annual meetings; financial statements; correspondence; membership lists; and miscellaneous documents.

Also to be found are: documents related to the Royal Commission re the Manitoba Pool Elevators Limited ca. 1931; miscellaneous reports and submissions documents (1925 -1952); central office papers consisting of annual reports, circulars to local co-operative elevator associations and documents related to various other activities of the Manitoba Pool Elevators organization. Fonds also contains documents pertaining to the Manitoba Co-operative Poultry Marketing Association Limited and its successor, the Manitoba Dairy and Poultry Co-operative Limited, and related agencies.

Other items in the fonds (dating from the 1890's to 2001) include: books acquired for the Manitoba Pool Elevator Library, including a complete run of both the Scoop Shovel (MPE's first newspaper) and the Manitoba Cooperator; photographs; slides; audiotapes; and reel-to-reel videos.

Finally, the fonds contains a small number of miscellaneous items such as banners, and company issued briefcases.

This fonds is organized into four series, (A) Local Association records, (B) Central Office Records, (C) Subsidiary Companies and Co-operatives, (D) Commissions, Committees and Inquiries

History /

Biographical:

Joseph Henry Hughes was born in London, Ontario on April 14, 1857, son of Joseph C. Hughes and Jane McAndless. His family farmed in Middlesex County until they retired to Brandon, MB. Hughes received his education in Middlesex County then went on to attend the Toronto Normal School in 1874. He taught for only a short time in 1875 before going into business as a general merchant in Iderton, Ontario.

Hughes moved to Brandon, MB in 1882 and from 1882 to 1906 was engaged in the lumber business with yards in Rat Portage and Brandon and later with mills on Rainy River. His business partner was T.H. Patrick from 1882-1896. T.T. Atkinson was a partner in the business from 1882 until early 1888, running the company's lumber camp in the Rainy River Valley. Atkinson was replaced by a Mr. Kennedy in 1888. After disposing of the mills in 1901, Hughes & Company operated as a lumber dealer until 1908 when the lumber business was sold to Rat Portage Lumber Co., whose operations in Brandon were located on 10th Street between Rosser and Princess Avenues.

Thereafter, Hughes & Company focused on real estate, owning most of the property between 10th and 11th Streets, Rosser and Princess Avenues. The company built rental property and residences in Brandon, including the Strathcona Block on 10th Street and Hughes (Lorne) Terrace on Lorne Avenue. During this period Hughes & Company was also involved in insurance and farming, buying farmland in south eastern Saskatchewan and Manitoba for lease and sale.

Hughes was a city alderman for four years, dedicating himself mostly towards improvements to the city pertaining to electrical generation, water supply and the development of the streetcar franchise. In 1911, he resigned from City Council to stand as a successful candidate for mayor. He held this position for only one year, 1913-1914. During this period Hughes, along with other prominent citizens, set up the Patriotic Fund to help look after the dependents of those going off to fight in World War I. Hughes served as chairman of the project until his death in late 1917.

In addition to his role as a prominent city businessman, Hughes was also deeply involved in the First Methodist Church, and a member of the Independent Order of OddFellows (I.O.O.F.) and the Masonic Lodge.

Joseph Henry Hughes was survived by his wife Anna Maria Hughes, whom he married in 1893, and their daughters: Alma and May (Mrs. Wilfred C. Hughes and Mrs. Charles Leemnnis) and Ruth, and their sons Percy and Harley.

Upon J.H. Hughes' death in 1917, management of the company was taken over by Willard C. Hughes, who died in 1964. Following his death the company was administered on behalf of Alma Hughes by Barry Hughes, a Winnipeg lawyer and distant relative. The company remained active in real estate and property management, as well as farming and oil, until the early 1990s when following the death of Alma Hughes and her daughter Anna, the company was liquidated.

Custodial History:

The records in the Joseph H. Hughes fonds were held in two locations prior to their donation to the McKee Archives. Family related records, including paintings by Anna Hughes, music scores, photographs and various parchments, were stored at the family residence, Lorne Terrace (133-137 Lorne Avenue Brandon, MB). The balance of the records, being the records of Hughes & Co. as the firm came to be known, were stored on the fourth floor of the Alexander Block, also known as the Hughes Block, on the west side of 10th Street just south of Princess Avenue. In the early 1990s a decision was taken by Barry Hughes, who had succeeded Willard Hughes as the President of the company, to sell Hughes & Co. Hughes directed Joe Perry, the Brandon manager of Hughes & Co. to donate the records of the Hughes family and Hughes & Co. to Brandon University. Perry supervised the transfer of the records from Lorne Terrace and the Alexander Block to Brandon University. Initially the records were located in the Physical Plant H-Hut, they were then transferred to the Brandon University Steam Plant. The family records were transferred to the Archives in 1997, while the company records remained in the Steam Plant until January 2007 when some of the records were transferred to the Archives. The remainder of the records were moved to a storage facility on 20th Street.

History /

Biographical:

Errol Black was born on September 8, 1939 in Brandon, Manitoba. He was the son of Thomas Alexander Black, who immigrated to Canada from Limerick, Ireland in 1929, and Roberta Jean (nee Groat) Black, a native of Chatham, New Brunswick. Black attended King George Elementary, Earl Haig Junior High, Brandon Collegiate Institute for Grade 10, and completed high school through correspondence courses for Grades 11 and 12. He left school in 1956 to work a variety of jobs in Brandon, Calgary and on the west coast. He spent a short time in the Royal Canadian Navy. Errol Black undertook post-secondary education at Brandon College (1963-1965, graduated with a B.A.), the University of Alberta (1965-1967, graduated 1973 with an M.A. in economics) and Warwick University (1975-1977). Black taught economics at Brandon University from 1970 until his retirement in 2002. Following retirement he was granted Professor Emeritus status in 2003.

Errol Black has published three books, as well as many articles and reports in leading academic journals. He has a longstanding interest in the history of organized labour and working-class politics in Brandon. These remain important themes in his research and writing. He served on the Executive of the Brandon University Faculty Association for many years, and was President of the Manitoba Organization of Faculty Associations for two years. Black is also a member of the Brandon District Labour Council, a founding member of the Manitoba branch of the Canadian centre for Policy Alternatives, and a board member of the Brandon Regional Health Authority (2000-2006). He was elected to Brandon City Council in 1998, and for a second term in 2001. In 1999 he was the federal NDP candidate for Brandon-Souris.

Black married Margaret Millard from Waskada, MB in 1961, with whom he had three sons: Sean, Dennis and Tom.

Custodial History:

Accession 17-1997 was originally owned by Jim Davis, brother to Communist activist Stanley Forkin. Taimi Davis, Jim Davis' wife, mailed the collection from her residence in Ontario to Errol Black in 1994. Professor Black donated the collection to the McKee Archives. Accession 02-2003 was donated to the Archives in November 2002 by Errol Black. Accession 15-2003 was donated to the Archives on April 30, 2003 by Errol Black. Accession 17-2003 was donated to the Archives on July 15, 2003 by Errol Black.

Scope and Content:

The collection consists of a number of accessions. Accession 17-1997, dating from 1935-

1936, consists of twelve of the thirteen issues of the "Unemployed Worker," published in Brandon in the 1930s. The "Unemployed Worker" was the organ of the Brandon Unemployed Workers' Council. This Council, like its counterparts in other communities, was created by Canadian Communist Party militants. The "Unemployed Worker" covered the activities of the Unemployed Workers' Council, the plight of Brandon's unemployed, efforts by the city's unemployed to improve their lives, and City Council decisions, specifically those regarding relief policy.

Accession 02-2003, dating 1917, 1936-1939, 1970-2002 (predominant 1970-2002), contains extensive correspondence from former Brandon University Economic Professor Don Wheeler to Errol Black. In addition, the accession contains an important body of correspondence received by Professor Black from Taimi Davis written by Pat Forkin and his wife Pheobe Forkin to family members in Canada during the years 1936-1939, while Pat was a Moscow based correspondent for the Canadian Communist Party Clarion. The accession also contains personal correspondence of Errol Black dating from ca. 1970, drafts of papers, newspaper clippings, pamphlets related to labour and labour political matters. Two publications of note include: "Labour in Brandon" published by the Brandon and District Labour Council and a student guide to labour law written by George MacDowell. The accession also contains several documents related to Black's involvement in the provincial Industrial Adjustment Committee.

Accession 15-2003, dating 1930-2002 (predominant 1930-1939; 1971-2002), contains extensive clippings from the Canadian Communist Party publications "The Worker" and the "Daily Clarion" from the years 1930-1939; twenty-one personal and family photographs (b/w 3x5) of the Forkin family of Brandon, many of whom were active in the Canadian Communist Party; various historical photographs (b/w 8x10) related to the history of labour in Brandon, Manitoba; personal files containing correspondence, letters and opinion pieces to various newspapers, course outlines, research materials and draft publications, arbitration awards and documents related to Black's involvement with the Manitoba Organization of Faculty Associations (MOFA).

Accession 17-2003, dating 1970-2002, contains correspondence, a manuscript of an autobiography written by Black's father Tom Black, research files, letters to the editor and draft publications by Errol Black.

Accession 3-2011, dating 1909-2010, contains an extensive record of newspaper clippings often of Professor Black's correspondence with the Brandon Sun from the early 1970s through to 2011. Clippings relate to civic issues, labour relations, social justice, economic questions. Documents (membership cards, cards of thanks, stamps) of various kinds, and photographs of Professor Black, family members, and various labour related events including parades and rallies, appear throughout these clippings. Collection includes miscellaneous files relating to the 75th Anniversary of the Winnipeg General Strike including the Brandon Sympathetic Strike of 1919, the Brandon Greys Baseball team, the Assiniboine College BMHC lobby campaign, Brandon and Area Environmental Council, the Brandon East NDP Constituency Association. Editions (1925-31) of the Sons of England - Official Organ of the Sons of England Benefit Society - published in Oshawa, Ontario, and copies of documents related to the Commission of Inquiry (1928) into labour issues at the Brandon Mental Hospital are included. Collection also contains extensive correspondence associated with Professor Black's activities as a department member, scholar, and activist in the Department of Economics at Brandon University. Collection contains as well research materials related to the Brandon labour movement, strikes at A.E. McKenzie Seed Company 1940s, cd roms containing research materials - clippings and images - for Labour Council Anniversary book (2006), and civic politics in Brandon. Records also contain research materials on various members of the Forkin family - in particular the Pat Forkin, Tom Forkin, and Stephen Forkin (aka Jim Davis) - who were active members of the Canadian Communist Party during their adult lives. A collection of family photographs and six tape cassettes containing accounts of the experiences of single unemployed men during the Great Depression and the funeral of Stephen Forkin (Jim Davis) and correspondence from Taimi Davis the widow of Stephen Forkin (Jim Davis)

JOHN CRAWFORD AND PRAIRIE COLLEGE:

Although Brandon College was officially created in 1899, its roots go back much further to the late 1870's and early 1880's. It was during this time that Reverend John Crawford built Prairie College which was located in Rapid City, Manitoba .

Rev. John Crawford was born in Castledawson, Ireland. While he was at boarding school in Belfast he was converted to the Baptist faith. His later education took place at Edinburgh University, Stephany College, and Regent Park Baptist College, all of which are located in Great Britain. He became a pastor in London, England, which is where he met his wife, a prominent and cultured lady.

Crawford felt that his calling was in the backwoods of Canada, so he soon moved his wife and family to a farm near Toronto where he continued to preach. He was asked to join the faculty of the Canadian Literary Institute, a Baptist institution located in Toronto. He accepted the position and taught there for several years. The CLI, as it was commonly known, was a Baptist theological college. It was renamed Woodstock College in 1883.

In 1879, Crawford saw the need for Baptist preachers in the newly opening territories of Western Canada. He felt that a self-sustaining college was the answer. Young men could work the land and gain religious education to prepare them for the ministry at the same time. He chose Rapid City, Manitoba as the site for his new college, because it was then recognized as an integral hub of the Northwest. It was also on the proposed transcontinental railway route. The students would build the college and cultivate the land. The Ontario Baptist Convention, while shying away from giving him official approval for the proposed college, did allow Crawford the liberty to canvass the Baptist churches in order to raise up to \$2000 for the venture.

Crawford secured the help of Reverend G.B. Davis, a student at Woodstock and a graduate of Morgan Park College, Chicago, to teach and help train the students. In the summer of 1879, Davis and nine students reached Rapid City. During that summer they cultivated the land and built a two-story college building out of local stone. The following spring, Rev. John Crawford sold his house in Toronto for an estimated \$4000 and moved with his family to Rapid City to take up residence at the new college.

The newly formed Prairie College opened in the fall of 1880 with 15 missionary students. Rev. Crawford was the Principal, Rev. Davis was the Vice-Principal, while Misses Emily and Fanny Crawford were teachers. Although the school was a success missionarywise, it did not do well financially. In 1883, Prairie College closed, partly due to financial troubles and partly due to the Ontario Baptists deciding that one Baptist Theological College in Canada was enough, and it was located in Toronto. The students at Prairie College were urged to finish their education in Toronto . This college would soon be known as McMaster University.

S.J. MCKEE AND RAPID CITY ACADEMY:

After the closing of Prairie College, Rev. Crawford left for the United States. However, Rev. Davis still saw a need for education in Rapid City and began to build another school. The Rapid City Academy opened in 1884. Because Davis accepted a pulpit in Moose Jaw soon after, he prevailed upon his brother-in-law, S.J. McKee, to come and take charge of the academy. McKee accepted the position, and the school flourished under his guidance.

In 1890, McKee decided that the school would do better and reach more people if it was located in Brandon, Manitoba, where the railway had eventually gone through. He moved the Academy, and it was housed in various buildings in the city, until he found a permanent resting spot on the third floor of the Stewart Block on Rosser Avenue and Ninth Street.

BRANDON COLLEGE:

During the 1890's the Baptists began to reconsider their decision of having just one theological college. With the settlement of the West, the Baptists were looking to increase their congregation. It was thought that higher education for potential ministry students would greatly help the Baptist cause. Rev. A. J. Vining, who was the Baptist Superintendent of Missions for Manitoba and the Northwest at the time, strongly advocated a Baptist College in Manitoba.

In 1898, Vining interviewed Mr. William Davies, a prominent Baptist, in Toronto. Davies agreed to pledge \$3500 a year for five years towards the establishment of a college in the West. His sister, Mrs. Emily Davies agreed to add \$1500 to this amount. These pledges encouraged the 1898 meeting of the Manitoba Convention in Winnipeg to begin organization of a Baptist College to be located in Manitoba. A five member committee was chosen to consider the benefits of a Baptist college in Manitoba. Their report was to be read the following summer at the Portage La Prairie Convention.

At the 1899 meeting of the Convention, the five member committee recommended:

1. "That we proceed to inaugurate a movement for the establishment of a denominational school at once.
2. "That we extend a call to Dr. A.P. McDiarmid to act as Principal.
3. "That we appoint a committee of twenty-one directors.
4. "That at present the question of the site be left with the President and Board of Directors but that no site be considered permanent till endorsed by this Convention at a regular or special meeting.

On July 21st, 1899 it was resolved:

1. That we proceed to establish and develop an educational school at Brandon.
2. That the school be known as "Brandon College".
3. That the quorum of the Board of Directors be fixed at eleven.

Because S.J. McKee already had a thriving academy in Brandon, and he was a staunch Baptist, it was decided to merge Professor McKee's Academy with the newly formed Brandon College. The classes would take place in the Stewart Block, the site of the Academy. S.J. McKee was hired as professor in Classics, Mental Science and French, while also acting as the unofficial vice-principal. He also had a position on the Board of Directors. Arthur W. Vining, Howard P. Whidden, J.B. Beveridge, and Miss Annie Beveridge rounded out the first faculty of Brandon College.

The 1900 Brandon College Calendar states:

The College aims at not only the mental culture of its students, but at the development of right character. It recognizes the supreme importance of surrounding the student during the period of college life with positive Christian influences, and to keep before him distinctively Christian ideals. The transcendent worth of character is kept in view in molding the life of the College, while the best possible intellectual training is sought. Though Christian, the College is in no sense sectarian. Students of all denominations will enjoy equal privileges. In every department the professors and teachers must be members of some evangelical church; in the Theological Department alone it will be required that they shall be members of the Baptist denomination. The College in all its departments is open to students of both sexes. The faculty will have watchful regard to the best interests of the students in every respect. Those whose conduct and influence are found to be injurious to the welfare of the College will be dismissed if milder disciplinary methods fail to effect reform .

While the school would be run by the Baptists, it was always non-sectarian and co-educational. Students of all denominations were invited to attend Brandon College. The development of a person with the right character was as important as the mental culture of the students. Classes commenced on October 2, 1899. There were 110 students, 81 men and 29 women. Thirteen of these students had plans to enter the ministry. It soon became apparent that the building Brandon College occupied was far too small for its increasing numbers. Plans were drawn up in early 1900 to build a spacious college on the west edge of Brandon. Hugh McCowan was hired as architect and T.M. Harrington of Winnipeg was asked to build the school.

A charter creating Brandon College was written. This Act briefly defined the purposes, jurisdiction, and administrative framework of the College. The "Act to Incorporate Brandon College" was approved by the Province of Manitoba and assented to on June 1, 1900. It granted the Baptist Convention authority over all College affairs. This authority included the appointment of the College Directors and professors, the creation of rules and bylaws, as well as control over the school's curriculum. While the Board of Directors had control over financial matters, all Board decisions had to be approved by the Convention .

The cornerstone for the new building was laid on July 13, 1900 by Mrs. William Davies. The College commenced classes in the new building, located at 270-18th street, on October 2, 1901. It cost approximately \$44 000 to build. There was residence for 70-80 men as well as a dining room, kitchen, science laboratory, reception room, office, library and nine classrooms. The College consisted of an Academic Department, and Arts Department, a Theological Department, and a Business and Stenographic Department.

The Commercial courses were discontinued in 1916 due to financial difficulties during the war. In 1922, the Business Department of Brandon College was discontinued because the College could no longer afford to keep it operating.

The Academic Department consisted of Grades 9 through 12. Although it was a large and popular aspect of Brandon College, it began to decrease in size with the advent of secondary schools. Up until the early part of the twentieth century, most public schools stopped at around grade eight. After that, there were Normal schools that students could go to to become a teacher. Many students wishing to attend secondary school came to Brandon College, where a full secondary course was offered. By the 1920's and 1930's however, collegiates were becoming more commonplace. Students often didn't have to travel as far to receive a higher education. By the early 1930's most of the Academic Department had been discontinued because of lack of need and finances. By 1932, only the Grade Twelve course was still in operation.

Although one of the main intents behind building Brandon College had been to prepare students for the Baptist ministry, the Theological Department was always one of the smaller

departments. By 1915, the Board of Directors had assumed authority over all College operations. However, the Baptist Union still maintained control over theological education, through the Committee on Ministerial Education created in 1908. In 1916, the department was curtailed considerably because of the war. An Educational Secretary, hired in 1919, managed the teaching of theology at Brandon College. The Educational Secretary also controlled the College Maintenance Fund, which was specifically set aside to ensure the financial health of theological education. The Baptist Union's residual power over theological education led to the creation of the Brandon College Commission in 1923. This joint commission of the Baptist Union and College Senate examined several instructors, including Harris MacNeill, for alleged improper Biblical interpretations. These claims stemmed from Fundamentalist Baptists, who believed that the theological students at Brandon College were being taught by Modernists. The Commission found little evidence to support these allegations, and the instructors were later exonerated of all charges. Even with this decision, the College had to discontinue the Theological Department in 1927 due to lack of funds.

The College's financial situation was very poor when Dr. Evans assumed control in 1928. The support from the Baptists was shaky, especially since the Fundamentalist-Modernist argument during the early 1920s. The Baptist Union Educational Committee recommended the Arts department be maintained as a significant training course for Christian leadership. The Committee wanted the re-establishment of the Department of Theology. In 1933, in an attempt to regain Baptist support, Rev. Ross C. Eaton was hired as Lecturer in Bible to help bring religious study back to the College. In 1934, John B. McLaurin was hired as Acting Professor in Theology. Dr. F.W. Pattison gave a Practical Theology course, while Dr. Evans made plans to increase the religious department even more. In 1935 Dr. C.B. Lumsden was appointed Professor of Theology, and in 1936, Rev. E.M. Whidden was appointed Head of the Department of Theology.

In 1905, plans commenced for the building of a Women's Residence to adjoin Brandon College. On May 24th, 1906 Mrs. A.P. McDiarmid laid the cornerstone for what was to become known as Clark Hall. The building was named for C.W. Clark, a Winnipeg doctor who gave \$30 000 of the \$40 000 dollars needed to build the residence. Dr. Clark gave the money to Brandon College because he believed that women should have every chance to receive higher education. On October 18th of the same year, Clark Hall was officially opened, with room for 50 women.

With the expansion of the women's department came programs that were geared towards young women of the era. A Music and Art Department was added to the College as was an Expression and Physical Culture Department. The heads of these departments were Abbie Helmer Vining, H. Hancock, and Gertrude Trotter. Miss Ernestine R. Whiteside was hired as Lady Principal and teacher of German and English.

With the rise in immigration during this time came the chance of expansion at Brandon College. There were large numbers of Scandinavian settlements in Manitoba, and it was thought that introducing a Scandinavian Department at the College would entice prospective Swedish missionary students. The students would return to their settlements after being educated by the Baptists, and it was hoped that they would spread the Baptist word among the Scandinavian settlers. Mr. Emil Lundquist was hired in 1907 to head the newly formed Scandinavian Department.

Physical fitness was stressed at Brandon College. Students were encouraged and expected to exercise. It was thought that a healthy body helped to create a healthy mind. There was more behind this ideal than simply healthy minds though, at least for the women students. During this period in history, it was often believed that women were not physically capable of learning to a great extent. It was thought that studying created too much of a stress on the female body, often leading to illness or permanent invalids. Before a girl was accepted to Brandon College, she had to furnish a letter from her doctor stating that she was physically able to go to school and study. As well, women were subjected to the "Clark Hall Line", a daily two mile walk which was

mandatory to all women. No matter what the weather was like they would pair up and, in a long line, walk down the streets of Brandon to the edge of the city. This line was often the cause of much amusement for the men of Brandon College. There were plenty of other sports offered at Brandon College for both men and women in an effort to keep the students physically active. This belief in physical fitness led to the development in 1908 of what was to become an annual College Field Day.

In 1908, the Baptist Convention of Manitoba and the Northwest Territories became the Baptist Union of Western Canada. This change reflected a restructuring of the Baptist organization. The Union had a meeting every three years that consisted of delegates sent from Baptist churches throughout western Canada. The Baptist Union Board carried on the affairs of the Union and met semi-annually. Each year the Board created a budget based on the needs of the Union, then allocated funds to Provincial and Conference Boards. These other Boards had the responsibility of financing their local institutions and projects. The Baptist Union was not in direct control over these expenditures. If the budget was not raised, the Union had to incur the provincial deficits. This situation of mounting debts continued for several years.

Principal McDiarmid's title was changed to President McDiarmid in 1910. There is no document explaining this change, but it follows a trend in other colleges and universities during that period when the head of the school was known as the president.

Up until 1910, the College had been loosely affiliated with the University of Manitoba. The Baptists refused to accept the University of Manitoba model of a higher institution, and they continuously sought to get a separate University charter that would give Brandon College degree-granting privileges. It was because of the Baptists' firm belief in the separation of church and state that they could not accept the University of Manitoba model, as it would place the College under state control. The college could not secure a charter of its own, so it was decided in 1910 that Brandon College would affiliate with McMaster University.

Brandon College was in debt following the construction of their first two buildings, and it became increasingly clear to the College Board that they could no longer rely solely on funding from the Baptist Union. In order to carry out their financial campaign and increase their administrative efficiency the Board felt it should control the College. In 1911 the Baptist Union was confronted with a proposal from Brandon College stating:

...in our confirmed judgment the work of the College should be under the immediate and unfettered direction of its own Board of Directors and Senate—that its Board of Directors, subject to the expressed general policy of the Baptist Union, control its business administration, and that its Senate should have direction of its education policies and work, viz., the determination of its courses of study, its curricula, its instruction, its examinations, etc.

It appears after this date that Brandon College was much more in control of its curricula and courses of study. However, the school still relied almost completely on the Union for financial support.

World War One began in 1914 and affected Brandon College greatly. Students were very patriotic to England, reflecting the ideals and propaganda of the time in their thoughts and actions. Classes shrunk as men enlisted, and military drilling in front of the College buildings became a commonplace scene. This was due to the fact that in 1915, a Canadian Officers Training Corps unit was established at Brandon College. A Brandon College platoon was organized as part of the Western Universities Battalion, the 196th.

Over thirty Brandon College men were killed during World War One. After the cessation of hostilities in Europe, the students at Brandon College began fundraising to build a memorial gymnasium to honor their classmates who died during the war.

Brandon College began to consider expansion in 1920, when an extension fund campaign

was started in an effort to raise money to build a science building. Meanwhile, Dr. Whidden was involved in a continuous effort to maintain the College financially. That year, Mr. William Davies died, and in his will he left \$100 000 dollars to Brandon College, on the condition that people in the west could match the amount dollar for dollar.

Contributions to the College increased substantially with the 1923 arrival of Dr. Sweet, the new College President. He quickly gained the confidence of the Board of Directors, the faculty, the students, the community, and the Baptists. The motto of Brandon College up to this point in time seemed to have been "Speaking the Truth in Love". But with the arrival of Dr. Sweet the motto appears to have been changed to "Education Crowned by Reverence".

After the Stock Market crash in 1929, the financial situation of the College grew even worse. The Great Depression severely limited charitable contributions for both Brandon College and the Baptist Union during the 1930's.

In 1931, the Baptist Union indicated by resolution that Brandon College would be closed at the end of the 1930-1931 school year unless the College could find a way to pay its own maintenance bills. The final announcement from the Baptist Union Board stated:

'RESOLVED that the Board of Brandon College be requested to endeavor to continue the College in operation until the close of the current College year, and that in view of the inability of the Baptist Union to make provision for adequate financial support, that the College cease to operate at the end of the current College year.'

It was at this time the businessmen of Brandon, through the Brandon Board of Trade, began to get involved in the College situation. An organization called the Brandon College Citizens Campaign submitted a by-law that would raise \$20 000 for the College for at least five years. The by-law had to be accepted by 60% of the ratepayers before it would be instituted. Despite a huge campaign effort, the by-law was rejected, mainly by the large working-class society in the city who did not see the need for higher education and who resented not being hired to do contract work there. After the by-law failed Brandon citizens raised \$20 000 on their own to keep the school open for at least another year.

By 1937, the College was still financially unstable, and although the Western Baptists supported the institution, they could no longer afford to help with the costs. In 1938 the Baptist Union passed a resolution withdrawing completely from any financial responsibility for Brandon College.

BRANDON COLLEGE AS A NON-DENOMINATIONAL SCHOOL:

The citizens of Brandon began to look for ways to keep the College open. A delegation of 60 representatives from towns in southwestern Manitoba asked Premier John Bracken and the Minister of Education for assistance to help keep Brandon College open as a Western Manitoba Arts College under the direction of an independent Board and on a non-denominational basis. The Brandon Board of Trade created a Brandon College Committee. Its members looked into ways the College could be saved. A.E. McKenzie was one of the central figures in this fight to save Brandon College.

In July, McKenzie put up an offer of a \$100 000 endowment for Brandon College. Shortly after that he upped the endowment to \$300 000. The provincial government agreed to give the College \$15 000 annually on the condition that the city of Brandon raise that amount as well and the \$300 000 endowment was accepted. In September, McKenzie increased the endowment to \$500 000 dollars, \$100 000 of which would be revenue-bearing at 3%, which would raise \$3000 a year for twenty years. Brandon was disappointed that the provincial government only offered \$15 000, as they had originally asked for quite a bit more. However, they set about on a campaign to raise their share of the funds so that Brandon College could open for the fall term.

open for the first term.

In September of 1938, Brandon College reopened under the affiliation of the University of Manitoba. A provisional Board of Directors, consisting of Dr. J.R.C. Evans, Mayor F.H. Young, A.E. McKenzie, N.W. Kerr, K.C., E.M. Warren, H.O. McDiarmid, M.D., A.G. Buckingham, K.C., F.R. Longworth, and R.B. Alexander, was responsible for the administering of the affairs of the college. These men were all prominent Brandon citizens who had been involved in the fight to save Brandon College. They tried to complete the campaign to cover financial obligations and assure permanency of the college. The provincial government said that they would raise their support from \$15 000 to \$22 500 per year if Brandon could pass a by-law guaranteeing support of the college.

On April 17, 1939, Bill 104 received assent as an Act of the Provincial Legislature incorporating Brandon College Incorporated. On June 6, a Brandon Bylaw was passed that approved the levying of one mill on the dollar from taxpayers for the next twenty years to help support Brandon College. This Bylaw assured that Brandon taxpayers would raise \$5000 during the first year that it was levied, and this amount would increase during subsequent years as Brandon grew and prospered. On June 13, the Board of Directors approved recording of the Bill as the Charter of Corporation. The A.E. McKenzie endowment was authorized by Bylaw #5 of the corporation on December 19.

With the outbreak of World War II in 1939 came the resurrection of the C.O.T.C. at Brandon College in 1940. Enrollment went down as young men and women joined the Armed Forces to go overseas. In order to keep the college out of debt, Dr. Evans created the War Emergency Fund in 1941. This fund raised \$15 000 from 1941 to 1946. Scholarships were restarted at the college to help boost enrollment. Many of the scholarships were contingent on the recipient being a resident student in order to help raise residence numbers.

In 1945, the A.E. McKenzie Trust of 1939 was canceled, and 90% of A.E. McKenzie's stockholdings were transferred to the control of the Province of Manitoba. The A.E. McKenzie Foundation was established using the annual declared dividends from the 90% of the stock. This foundation was administered by the Minister of Education of Manitoba, the President of Brandon College, and a third person to be decided on by both parties. The annual grant of \$10 000 from the foundation would be increased by \$4000 if a Social Science Chair was established at the college.

In 1946 that Brandon College hired its first Director of Public Relations. This man was Walter G. Dinsdale, a 1937 Brandon College graduate. A Guidance Committee was created in 1948. It was also during this year that Brandon College became an associate member of the National Conference of Canadian Universities. A Social Science Department was added in 1948, and the Biology Department was reorganized. In 1949 a Department of Political Science was created.

The Board of Directors passed a resolution in 1949 to create a committee to hire a director for a financial campaign. The campaign went poorly. Brandon College, although not in the same position as it had been a decade earlier, was still not secure financially. The citizens of Brandon, having been through the Depression and the war years, did not have much left to give to the College.

In 1951, the Federal Government provided the first of an annual fund of \$8 000 000 to be divided between Canada's universities and colleges based on enrollment figures. During this first year, Brandon College received \$18 000 from the government.

Education was first offered at Brandon College in 1952 with the co-operation of the Department of Education and the University of Manitoba. In 1953, Brandon College became an associate member of the Association of Universities of the British Commonwealth.

The mortgage that had been assumed from the Bank in 1939 was paid off in 1954. It was

the mortgage that had been assumed from the Baptists in 1939 was paid off in 1954. It was also during this year that Brandon College received its first new building since the 1922 Science Building. An "H-Hut" was moved onto the property and placed behind the Science Building. It was redecorated and used for student functions, a library, and a recreation area.

The Board of Directors increased from twenty one to thirty six in 1955. The provincial grant of \$22 500 was raised to \$50 000.

In 1957 the Brandon College Faculty Association was formed. This marked the beginning of the end of the 'family' structure of the college. A salary schedule was created in 1957 for the Arts and Science Departments. In November of 1958, the Expansion Committee of the Board of Directors was authorized to proceed with all aspects of expansion. By 1959, a new Arts and Library building was being planned.

On Thursday, July 23, 1959, Dr. Evans died suddenly while on holiday in Robson, British Columbia. Before he died he had managed to secure funding and plans for the new Arts and Library building and Lecture Theatre. The Manitoba Government granted \$500 000 and the Canada Council \$102 000 towards the building of a new Arts and Library Building and Lecture Theatre.

The new Arts and Library Building and the J.R.C. Evans Lecture Theatre were officially opened on January 6, 1961 by Mrs. John G. Diefenbaker (Olive Freeman, Class of 1923). It was also during 1961, that Brandon College welcomed its first overseas student. As well, J.E. Brodie, the former president of Great West Coal made a \$200 000 gift to Brandon College, and gave \$50 000 to the Expansion Fund.

The next several years were full of expansion for Brandon College. The Men's Residence, Dining Hall and Heating Plant were opened in 1962. In 1963, a Women's Residence and the Music Building were opened. A Gymnasium was opened in 1965.

The Board of Directors changed dramatically in the early 1960's, becoming more influenced by the distribution of funds from government sources. Legislation in 1966 revised the Brandon College Act to reduce the number of members on the Board of Directors from thirty-six down to twelve. Seven of these twelve would be appointed by the Lieutenant Governor-in-Council, and three would be appointed by the Brandon College Corporation. One member would be elected by the Alumni Association, and the College President would be a member ex-officio.

BRANDON COLLEGE BECOMES BRANDON UNIVERSITY:

1967 was an important year for Brandon College. Not only was a new Education Building opened, but the College ceased to exist. This was because a university charter had been granted to Brandon College. On July 1, 1967, Brandon College became Brandon University. Dr. John E. Robbins was appointed to be its first president. The university would enjoy a certain amount of freedom from the financial hardships it had endured over the past 68 years. As well, the university would no longer have its curriculum dictated to it from other institutions as it had during affiliation with McMaster University and the University of Manitoba.

Custodial History:

The records have been located in a number of areas around the University including Clark Hall, the old Science building, the A.E. McKenzie building, and "the trailer", which was a very old addition to Clark Hall and has now been removed from campus. The records are now in the S.J. McKee Archives located on the Brandon University campus.

Scope and Content:

The fond consists of minutes, reports, correspondence, invoices, printed material, clippings and photographs. The collection spans from S.J. McKee's personal papers from Rapid City Academy in the 1880's through to the decision to grant university charter to Brandon College in 1967. It is a very interesting source for the history of Western Canada.

Several different themes emerge in the fond. A very central theme concerns Baptist higher education in Western Canada, higher education in general, the development of curriculum in Canada, and the Baptist Western Movement. The development of religious higher education, especially Baptist training, is well-documented.

Areas such as student associations, student life on campus, and women's education are detailed in the collection. There is a very detailed look at the social aspects of college life, especially the difference between the genders in the realm of higher education. These themes can be found in the various Clark Hall scrapbooks and "Saturday Books" written by the lady principal.

An economic theme is prevalent for much of the early history of Brandon College due to various financial restraints that the College and Western Canada faced. These themes are especially noticed in the Bursar and Registrar records.

The administration of the corporation can be followed closely through the minutes and certain correspondence from the Board of Directors. A more in-depth look at the people involved in the running of an institution of higher learning can be found in the various personal papers of the presidents of the College.

There are also several military files, dealing with the creation and operation of a C.O.T.C. regiment on campus during both the First and Second World Wars. The fond also provides a glimpse of how the wars affected daily life on campus and their after-effects on the College.

The fonds also examines the effects that affiliation with other universities can have on curriculum, regulations and other aspects of College life.

Biographical:

A.E. McKenzie was born in Wilcox Lake, York County, Ontario in 1870 to F.B. and Maria (Carley) McKenzie. His family came to Manitoba in 1883. He was educated in Brandon, Manitoba and graduated from the Collegiate Institute at age 21. In 1897 he founded the Brandon Seed House. McKenzie was present at the cornerstone-laying ceremony of Brandon College on July 13, 1900. From that moment on, he was very involved in the College, first as an interested businessman, and later as a member of its Board of Directors. In 1902, McKenzie married Laura Bell in Port Arthur. They had two daughters, Marjorie Bell and Kathleen. In 1906 the Brandon Seed House was incorporated and from then on was known as the "A.E. McKenzie Co. Ltd.."

McKenzie became a member of the Brandon College Endowment Committee in 1918. The following year he was on the Finance Committee. By 1925, McKenzie was a member of the Board of Directors. In 1928, he was part of a syndicate that advised the Baptist Union that they were developing an endowment plan to provide continuing financial support to the College and talked the Union into providing \$10 000 towards the accumulated deficit.

In 1931, McKenzie organized the Brandon Board of Trade to help save Brandon College when the Baptists said they could no longer afford to keep the College. After the By-law failed, he helped to organize the Brandon Citizen's Campaign to raise enough money so that the College could open the following year.

When the Baptists withdrew support in 1938, McKenzie was one of the central figures on the Brandon Board of Trade that decided to save the College from closure. A representative delegation from Southwestern Manitoba of over 60 men descended upon Premier Bracken's office to try and convince him to help the College. On June 12, 1938 McKenzie said he would set up a \$100 000 endowment to Brandon College. He subsequently raised this amount to \$300 000. On August 1, 1938 the Board of Trade launched a campaign to raise \$15 000 to match what the government was prepared to offer the College. McKenzie was asked to provide Brandon College with \$3000 personally. In September of 1938, McKenzie upped his endowment once more to \$500 000. The fund raising worked however, and the charter establishing Brandon College Incorporated was assented to on April 17, 1939. On June 6, 1939 a by-law was again presented to the citizens of Brandon, and fortunately it passed.

In 1941, McKenzie received an honorary L.L.D. from the University of Manitoba. The A.E. McKenzie Foundation was created in 1945 by the provincial government, who had assumed 90% of the A.E. McKenzie Co. Ltd. stock.

On September 25, 1964 McKenzie died at the age of 94. He never retired, but worked full time until two weeks before his death. The funeral was held in the J.R.C. Evans Lecture Theatre. The Arts and Library Building at Brandon College was completed in 1960, and is known as the A.E. McKenzie building, in honour of the man who contributed so much time, effort and financial help to the College during a crucial period in its history.

Custodial History:

Records were accessioned by the McKee Archives in 1998. Prior custodial history is unknown.

Scope and Content:

A.E. McKenzie's records in the Brandon College fonds are very useful from an administrative point of view. Because McKenzie was so involved in Brandon College from the very beginning until his death in 1964, it is easy to understand how the College Administration arrived at decisions. There is correspondence between McKenzie and various regarding College and Board of Director business. There are Brandon College financial statements and letters regarding the A.E. McKenzie Foundation. The records contain newspaper clippings, pamphlets and lists of names of members of various Brandon organizations. As well, McKenzie has letters regarding Building Expansion in the 1940's and minutes of Board of Director meetings. There are also several photographs. One photograph is the 1919 graduation picture of Zoe Hough. Another is tentatively identified as Frances Wolverton, also of the Class of 1919. There are two more photographs of unidentified young women.

History /

Biographical:

In 1988, Sheila Doig was the Rural Liaison Coordinator for the Manitoba Action Committee on the Status of Women. That winter, she travelled to Crystal City, Manitoba, to meet with a group of women that included Verna Menzies. At the meeting, the women were concerned about the efforts of Prime Minister Brian Mulroney to amend the Constitution so that Quebec would sign on. They believed that the amending document, The Meech Lake Accord, would jeopardize women's rights under the Charter of Rights and Freedoms.

Thus began a chain of events that resulted in the formation of The Westman Coalition for Equality Rights under The 1987 Meech Lake Accord. The group became known simply as The Westman Coalition. During the years 1988-1990, these women—almost all grassroots rural women with no special training in things constitutional—met with and lobbied politicians, other feminists, and the public in order to change Meech Lake or defeat it.

There were many high points to this campaign. Sheila conducted an extensive tour of rural and northern Manitoba, recruiting women to express their concerns in writing to Ottawa. The Coalition presented briefs to the Manitoba hearings and to the Charest Commission. They were only permitted to appear at the latter after they picketed the hearings in Winnipeg and demanded that women be heard. They were courted by the national media for comments, and became adept at handling interviews and public appearances.

After much turmoil, in June 1990, Meech Lake was defeated in the Manitoba legislature by Elijah Harper on behalf of Aboriginal peoples, who had largely been left out of the constitutional debate. The Coalition was there to support him and to show the face of women, who also felt that they had not been heard.

This should have been the end of Canada's constitutional debate, but Prime Minister Mulroney was determined to succeed where others had failed, and so a new process (the Charlottetown Accord, as it became known) was soon under way to bring Quebec into the fold by amending the Constitution. This time there was endless consultation with the public, and the women scrambled to respond to the many commissions and hearings. There were the Spicer Commission, the Manitoba hearings, the Dobbie/Beaudoin committee and so on. Finally, there were five (and later, six) constitutional conferences to be held around the country. Ordinary Canadians would be invited to apply to attend, and they would be chosen randomly.

The women were invited to 5 of the 6 conferences. Just a coincidence of random selection? Or a consequence of their high profile in the debate? They thought the latter. In any event, Terri Deller, Kady Denton, Paula Mallea and Sheila Doig all attended at various venues and advanced the position of women on equality rights and on the other issues on the table.

A high point of this second campaign was the visit to Brandon of Marcelle Dolment from Quebec City. As one of the few vocal feminists in Quebec who opposed the new Charlottetown proposal, she was a precious ally. She came to meet with the women, forge solidarity, and show that French and English, Quebec and The Rest of Canada, were capable of meeting and

coming to agreement.

Sheila conducted another rural tour in 1992, and also attended the Annual General Meeting of the National Action Committee on the Status of Women, where she felt she was given short shrift.

The women were discouraged on many fronts during this campaign. They were out of pocket many thousands of dollars, and the promised funding from the Secretary of State for the Status of Women was finally denied. As well, despite herculean efforts to put their position to politicians and the media, the women felt again as though they were not being heard.

By this time, the Coalition had developed a position on all of the salient issues under the Charlottetown process: property rights, distinct society, an interpretative clause, equal representation of women in the Senate, the economic agenda and the Canada Clause. In the summer of 1992, Canadians were finally shown the text of the Charlottetown Accord and were told that they would be voting on it in a referendum, even though the text was not in its final form.

The women waged a final campaign asking people to vote "No" to the Charlottetown proposals. Politicians, business leaders, many academics and constitutional experts were saying that "No" would mean immediate Quebec separation and the breakdown of the country. The same had been said of Meech Lake. The women of the Coalition did not believe that the country was so frail, and they were proved right. On October 26, 1992, the country voted "No".

Secretary of State finally came through with funding to cover the Coalition's many expenses, thanks largely to the efforts of M.P. Lee Clark.

Sheila Doig was awarded the prestigious Governor General's Award in Commemoration of the Person's Case for her work on behalf of rural women. Paula was given the Manitoba Human Rights Award for her work on the constitution.

All of the women who were involved in the Meech and Charlottetown campaigns felt that their lives had been changed by the experience. Like ordinary Canadians everywhere, they did not believe that they could have any real influence over constitutional affairs, much less national politics. They knew nothing about constitutions or the law of the Charter, but they educated themselves on the issues, and became articulate and incisive advocates. They were fearless in front of Prime Ministers and news anchors. They entered corridors of power that they had never thought possible. They were, then and now, a force to be reckoned with.

The Westman Coalition became Women for Equality (WE) after the Charlottetown campaign. They met for many years every week to discuss the issues of the day. Then, as various members dispersed, the group waned. A new crisis threatening the equality rights of women, however, would surely revive what was once a powerful grassroots lobby.

Custodial History:

Paula Mallea was using the records in accession 9-2004 to write a book on the Westman Coalition on Equality Rights ("The Fight for Women's Rights: Meech, Charlottetown and Manitoba women" published 2005). Once she was finished with the records, her husband, former president of Brandon University John Mallea, delivered three boxes of records to the Archives in 2004. A small number of photographs were donated later.

The records in accession 4-2011 were originally in the possession of Shiela (Doig) Kingham. They were given to Terri Deller who donated them to the McKee Archives in 2011.

History /

Biographical:

The Brandon Ladies Auxiliary #112 of the United Commercial Travelers of America received its charter on October 30, 1937 at their first meeting, which took place in the Rose Room of the Prince Edward Hotel in Brandon, Manitoba. At this time the membership of the Ladies Auxiliary #112 consisted of 27 Sisters. Brother Ernie Tatton, Grand Counselor at the time, presented the Ladies Auxiliary with their Bible in May 1938. Winnipeg Auxiliary #48 gave the Brandon Auxiliary their Bible Book Mark and Saskatoon Auxiliary #23 gave them their gavel.

Initial meetings were held in the Rose Room of the Prince Edward Hotel on Saturday evenings, when the Brothers would meet after their weekly travels. Meetings were then moved to the Kelly Block on 8th Street. Here the Sisters would meet downstairs and the Brothers upstairs. Meetings were usually followed by dancing, singing, and lunch downstairs. Meetings were held in the Masonic Temple, the Knights of Columbus Hall, the Orange Hall, the Oddfellows Hall, and eventually in the UCT Hall. Throughout all the location changes, a social hour was still held with the Brothers.

The Brandon Auxiliary always performed the ritualistic and floor drill work. Originally, patrols only joined the Officers when Brandon Auxiliary was hosting a Grand Session. Patrols, with matching outfits, soon became a part of the floor work at every meeting. Officers were required to wear the proper attire. Capes were introduced in 1940 and white shoes, stockings, and dresses in 1941. Membership swelled over the years and 50 years after being inaugurated the Brandon Auxiliary could claim 136 Sisters.

The Brandon Ladies Auxiliary #112 was always very active within the larger community, especially with fundraising and charitable donation. Initially the Brandon Auxiliary supported the Red Cross by sewing and knitting. The Brandon Auxiliary also supported the Canadian Cancer Society at this time by making dressings. Rummage sales and teas were used to fundraise at the time. Teas were used in conjunction with the wives of the Steam Plant to purchase equipment for the first school in Brandon that taught developmentally delayed children. The Brandon Auxiliary also did fundraising teas, Walk-a-thons, bazaars, and raffles for the Camroc workshop, which was built for older handicapped students.

Bingo games were used to raise funds as well. Other projects of the Brandon Ladies Auxiliary include:

1. Builders of Women – provides help to needy girls and women and gives a scholarship out at the Festival of the Arts. In 1969 the Ladies Auxiliary refurnished the third floor of the YWCA.
2. Cancer – assistance with the annual canvas, ride and run events, putting on an event with a speaker and film, and a survey of sisters who had their annual pap test.
3. Handicapped Children – purchase of equipment for the handicapped classes at George Fitton School and the COR Enterprises (formerly Camroc) workshop. One sister was a volunteer for their swimming and bowling classes, among other things.
4. The Three Benevolent Funds
5. May E. Tisdale Educational Fund – donated to this fund every year, usually in memory of deceased sisters.
6. Brandon General Hospital Special Equipment Fund – every year a sum was included in the Ladies Auxiliary budget to purchase special equipment for the Brandon Hospital.

Civic Service donations included the Mental Health Centre Christmas gifts, three Christmas hampers for needy families, Canadian Diabetes Association, Manitoba Heart Fund, and Brandon Figure Skating Club.

In 1962, the Auxiliary's 25th birthday, their first Dessert Party and Bake Sale was held. This had the stated objectives of growing and working together as a group and raising money for the organization. This became an annual event. Sisters who had attended for 25 years were honoured at the Auxiliary's 36th birthday celebration. Every birthday after that, sisters who had attended for 25 years were guests at the dinner and presented with a corsage and a gift. Sick and bereaved were also remembered at these functions. In the 1980s the Ladies Auxiliary continued to support the UCT Brandon Council #448 in the Annual Travellers Day Parade, Grand Sessions, and other functions.

In the early 1990s the United Commercial Travelers voted to allow women to join the Councils. This marked the beginning of the end for the Auxiliaries. However, ladies who had no connection to a Council could join an Auxiliary now whereas before only a wife, sister, or granddaughter of a Council member could join.

The final Grand Auxiliary Sessions were held in Brandon in May 2003. By this point only three auxiliaries were still active across Manitoba, Saskatchewan, and Alberta and all had difficulty

recruiting new members. Most of the membership at this time was elderly and unable to take office or work at teas and other such events. Calgary and Regina's Auxiliaries were down to less than twelve members. Brandon still had more than 90 on the membership roll but only about 20 attended meetings regularly and it was becoming difficult to fill Officer positions.

The final Dessert and Bake Sale was held in October 2002 and was the 40th such event. With the demise of the Grand Auxiliary in 2003, it was decided that Brandon would continue to operate; however, after a year it was decided that Brandon would no longer operate as a formal auxiliary. Monthly luncheons would now be held with December being a Christmas Party supper. The last formal meeting was held in the Parkview Seniors complex on March 22, 2004.

The money in the Grand Auxiliary's account was distributed to the three remaining auxiliaries based on how much had been contributed over the preceding ten years. Brandon received \$2,500 and had about \$5,000 in their account. When formal meetings were discontinued it was decided to donate \$5,000 to the "A Bed for You, A Bed for Me" campaign of the Brandon General Hospital. Approximately \$1,100 was given to their Chairs from Mentally Challenged and Builders of Women to use as they pleased.

All members on the membership roll were contacted and asked if they wished to remain members. Several decided not to but 50 members remained. Each member under 80 paid a \$5 membership fee in April or October. Beginning in 2004, \$1 was collected from every member that attended a luncheon to pay for stamps and cards sent to those who were ill, lost a loved one, turned 80, etc. Fundraising is limited to selling Riverview Curling Club Lottery Calendars for which the Ladies Auxiliary #112 received \$4. In 2005 \$128 was collected and \$25 donated to five different charities.

In 2006, sisters of the Auxiliary still worked at the Fairview Daffodil Tea for Cancer, put on the January birthday party at Hillcrest Place, worked the Big Craft Sale at the Keystone Centre in October, worked with the Salvation Army Kettles at Christmas, and sold carnations for multiple sclerosis and daffodils for the Cancer Society. Luncheons held averaged about 20 members and 25 at Christmas.

Custodial History:

Records were created and collected by the members of the Brandon United Commercial Travelers Ladies Auxiliary #112. The collection was donated to the S.J. McKee Archives in March 2007.

Scope and Content:

Collection consists of records that document the origin, activities, and ultimately the disbandment of the Brandon Ladies Auxiliary #112 of the Order of the United Commercial Travelers of America. These records were created and accumulated during the nearly 70 year existence of the UCT Ladies Auxiliary #112.

The collection consists of the minutes of their meetings from November 1939 to November 1991, photographs of the members, and sign-in books from October 1937 to March 1991. It also contains the account ledger from April 1972 to March 1997. Several scrapbooks containing photographs and newspaper clippings related to the activities and members of the Ladies Auxiliary and the United Commercial Travelers, spanning the nearly 70 lifespan of the organization, are also included in the collection.

Both the United Commercial Travelers Council #448 and the United Commercial Travelers Ladies Auxiliary #112 were very active in raising funds for various charitable organizations. Money was raised for the Brandon General Hospital, as well as for George Fitton School to assist with their special education program. Organizations such as the Red Cross, the Canadian Cancer Society, special needs organizations, United Way, the Multiple Sclerosis Society, and several other organizations all received the benefits of UCT fundraising. Scholarships were also given out. Teas, dessert and bake sales, sewing and knitting, rummage sales, Walk-a-thons, bazaars, and raffles were all used to raise money for charitable donations.

Collection also contains various artifacts including a gavel, the original charter of the Ladies Auxiliary #112, nomination balls, officer's badges, a Bible, and the cloth used for the draping of a deceased member's charter. Also included is a handbook detailing the rituals carried out by the United Commercial Travelers of America.

Notes: History/biographical information provided by Sister Bernice Nerbas of the UCT Ladies Auxiliary #112. Copies of their history are found in the collection. Description by Joseph Dauphinais (October 2013).
