History /

Biographical:

The structure of the Manitoba Pool Elevators from its beginning in 1925 until its restructuring in 1968 placed importance in the principle of democracy. The company was run from the local associations, the central office acting as a hub that facilitated communication between all the locals and between the locals and the selling agencies. The central office was not powerless, but important decisions or by-laws could not be made without the consent of the majority of the locals.

After the restructuring of MPE in 1968 the central office took on more responsibilities. It became the top of the administrative structure and instead of members belonging to their local elevator, they were now direct members of MPE. This administrative structure continued until the 1998 merger with the Alberta Wheat Pool to form Agricore.

Scope and Content:

Series B consists of an artificially assembled collection of Central Office records. It has been divided into the following sub-series: (1) Central Office minute books; (2) Documents; (3) Local Association Minutes; (4) Local association financial statements; (5) District and Sub-district records; (6) Circulars; (7) Annual reports; (8) Speeches & Addresses; (9) Correspondence; (10) Broadcasts; (11) General Reports; (12) Indexes; (13) Summary of Association Operations; (14) Acquisitions; (15) Inter-provincial Committees; (16) Historical Topics.

History /

Biographical:

These files were created from 1899-1967. They include almost all of the financial records from this time. Before the creation of the Bursar position in 1910, the files were probably created by Dr. McDiarmid and Dr. McKee. After 1910, it is assumed that it was primarily the Bursar's responsibility to update the ledgers. As well, various committees were involved in the creation of these ledgers, such as the Refund Committee and the Library Committee.

Scope and Content:

Many of the Ledgers in this collection contain clear information about how Brandon College raised and spent its money. There are General Accounts Ledgers that give an overall view of the College's finances, as well as Financial Reports from 1910 through to 1969. There are several ledgers entitled Cash Receipts and Disbursements and Petty Cash.

Some interesting files from a researcher's point of view are the Student Accounts Ledgers. Dating from 1899, these ledgers contain information regarding each student that attended Brandon College. The ledgers record the tuition, board and other students expenses, how it was paid and who it was for. There are also Book Accounts. These two books describe the books students had to buy for their classes. There is a book of room deposits, as well as a list of students by their hometown and denomination.

The Miscellaneous file is probably the most interesting one in the collection. There is a ledger created by Sadie Northam in 1898. The book contains expenses from what was possibly the Dining Room, as the purchases are mainly large amounts of groceries. The collection also includes the minute book from the Refunds Committee from 1914 to 1923. This committee heard appeals from students who desired some or all of their money back from the College. A very intriguing article in the miscellaneous file is that of the COTC Day Sheets. This ledger runs from March through April of an unknown year, although it most likely was 1915 or 1916. It has a list of students that were in the COTC and has columns for each day that they had drill practice. They COTC drilled twice a day, and the Day Sheets mark if the student was present for drill, and if he was not, what his reason for being absent was. It also contains a list of duties for the duty officer, as well as some memorandums.

There are two books in this series that record the Staff salaries from 1918 to 1921 and 1926 to 1928. There is also a ledger from the Brandon College Institute, Session 08. There is no date on this ledger, and it is not quite certain what the Institute was, as there is no other mention of it. Although the collection has been divided under various headings, it must be noted that there is considerable overlap, especially between the General Accounts, Cash Receipts and Disbursements, and the Student Accounts Ledgers.

The series has been divided into six sub-series, including: (1) General accounts ledgers; (2) Financial reports; (3) Cash receipts and disbursements ledgers; (4) Petty cash ledgers; (5) Student accounts ledgers; and (6) Miscellaneous ledgers and minute books.
