FORWARD-ALL TOGETHER

16

It is longer need the Manitoba farmer complain that he has nothing to say in the price which he receives for the products of his farm.

Operating in this Province since 1920 he has the Manitoba Cooperative Elevator with 2,110 farmer members, The Grain Pool operating the two great wheat & flax elevators, The Manitoba Cooperative Poultry Marketing Association operating since 1922, now having 1,000 members. The Co-operative Elevator Company, which owns and will own 100 elevators and all 1,000 elevators in Manitoba, The Wheat Pool with 2,110 members, operating now in the hands of other grain.

Every one of these cooperative organizations has been successful in getting the farmer more for the products which he has produced. They all stand more united to make sure that they are able to give him all better service. It is better that the Wheat Pool Elevator will be a better co-operative, a better service and a better effort. If he cannot be united, united, united, again and need through his own organizations. It is better enough cooperative theory. Let's have more cooperative action.

MANITOBA WHEAT POOL, 1925
NO. 9

The Ninety and Nine
ARTHUR G. CROWN

We have about the clever men, the men who trade
the grain,
But seldom do we hear about the other ninety-nine.
The men who build the world of commerce,
Who form the stepping stones on which the clever
men may roam.

The ninety of life is not of men, but men who trade
the grain,
The ninety of life is not of men, but men who trade
the grain,
The ninety of life is not of men, but men who trade
the grain,
The ninety of life is not of men, but men who trade
the grain.

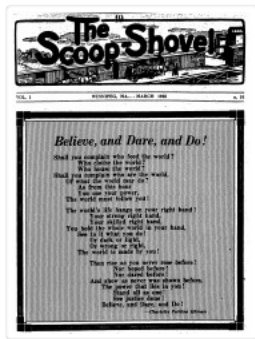

Cooperation is a word that's worthy of a thought,
It's that word that all men wish the world would sing
about.
Each man has got his part to play, each man has
his own share to give.
But the men who trade wheat really mean the other ninety-
nine.

WEDNESDAY, APRIL 20, 1925

THE PEOPLE

The people is a head of muddy things,
That knows not its own strength and therefore stands
Cautious with mud and water - the universal hands
Of a mere child guide is with his and runs.
One kick would be enough to break the chain;
But the head down, and what the child demands
It does, and his own terror multiplies,
Confused and staggered by his own 'twain.

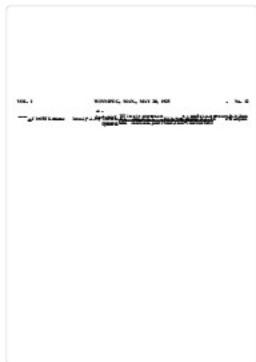

More wonderful: With his own hands it has
And grasps itself alive half-dead and wet
For goodly things that he keeps from his own eyes
But this it knows not, and if not wiser
To tell this truth, it kills him unperceived.
