Series Number: 5

Date Range: 1900-1967

The Brandon College Senate was created in 1900 under "An Act to Incorporate Brandon College." At the time, however, the Senate was not given a clear policy mandate. The Act stated: The Professors in said College, together with three members of the Board of Directors nominated by the said Board for that purpose, shall constitute the Senate, to whom shall be entrusted the reception, academical superintendence and discipline of the students and of all other persons within the said College.

Despite general authority over the discipline of students, measures to enforce discipline and the power to appoint or remove professors rested with the Baptist Convention. As a result, the Senate remained largely ineffective until 1910 when the Board re-defined their function as follows: The Senate be composed of the Council of the College together with three members appointed by the Board of Directors. That this body shall be responsible for all matters that concern the determination of the curriculum, the recommendations to the Board regarding appointments of instructors in subjects otherwise specifically assigned to individual members of the several faculties.

These new powers provided the Senate with a rational boundary of authority including some control over the curriculum, but its main function was still recommendations to the Board on matters concerning faculty. There are no known documents regarding the Brandon College Council, which existed from 1910 to 1915. Affiliation with McMaster was a contentious issue with faculty. Courses had to correspond with those in McMaster, effectively eliminating the Brandon College Senate from its authority over academic matters.

In 1915 the Senate was re-organized following the "Act to Amend An Act to Incorporate Brandon College." With this reorganization the Senate assumed a more direct role in the selection of faculty and tutors. As well, the Senate became a stronger advisory body of the faculty.

The Brandon College Senate remained relatively unchanged until 1939 when, under by-law 1, the Board defined the Senate functions as:

Power to regulate instructions and to determine the methods and limits of instructors.

To prepare a calendar of the College for publication.

To recommend to the Board the establishment or abolition of, or any changes in departments, chairs, lecture-ships, bursaries, scholarships and prizes, and generally have charge of all matters of an academic character, but shall not have any power to incur any expenditures or liabilities on behalf of the Corporation until specifically authorized by resolution of the Directors, nor shall their powers be construed as authority to engage teachers for the Corporation.

Along with these functions the Senate was also the body that possessed the binding authority to deal with all academic grievances.

The Senate under the new Charter and by-law 1, consisted of the President, Chairman of the Board, seven members from the faculty (including President and Registrar), and six members from the Alumni. The Registrar was to act as Secretary.

The Senate was changed once more in 1959. This change led to a more significant role in the administration of Brandon College.

#### History /

#### Biographical:

The Brandon College Dean was the head of the College in the absence of the President. It was created in 1925 after the sudden passing of Dr. Sweet. Dr. Harris MacNeill, who had been Dean in Arts up until that time assumed the position of College Dean. The duties of the College Dean were as follows:

1. In the absence of the President of the College he shall exercise the functions of the President in relation to all "inside" College matters; it being understood that frequently it may be necessary for him to exercise his personal judgment apart from anything that may be specified in this memorandum.
2. With respect to matters of special importance arising unexpectedly he shall consult with the Chairman of the Board, or by telegram with the President, or both.
3. All questions arising that have a direct connection with the "business" aspects of College affairs shall naturally be referred to the Chairman of the Board, or the President, or both.
4. In the absence of the President he shall preside at all Faculty meetings, Committee meetings of which the President is Chairman, and shall attend meetings of Committees of which the President is an ex-officio member.
5. In the President's absence he shall preside at the regular Chapel Exercises and at special College gatherings in the Chapel at which the President would naturally be expected to preside.
6. He shall also keep in touch with the work of the several departments of the College and shall consult frequently with the Heads of such departments.
7. While the Lady Principal and the Resident Master are responsible for the detailed administration and discipline of the College life and activities of Clark Hall and Brandon College respectively, the College Dean shall have the absent President's responsibility for the general discipline of the College in respect of the students' relation to Courses of Study, Corridor, Campus, etc.

8. That the President when absent may be kept in touch with the work of the Institution it is desirable that the College Dean keep him informed of the more important happenings and problems with College life.

9. Throughout the Session the College Dean shall be Registering Head of the Arts Department.

The position of College Dean continued until 1952. In 1952 the position became known as the Dean of Arts and Science. In 1963, another change occurred, with the two departments going separate ways. From that time on there was both a Dean of Arts and a Dean of Science.

History /

Biographical:

The Brandon College Alumni Association was created in the spring of 1912. The Arts Class of 1912, the Theological graduates and also the Ad Eundem graduates met together with old graduates who were in the city. It was decided to form an Alumni Association of Brandon College open to all Arts and Theological graduates, past, present and future, as well as those admitted Ad Eundem. An executive was elected, Reverend J.C. Bowen of Winnipeg being appointed President, and J. Dempsey, Class of 1912, Secretary. The matter of drawing up a constitution was left to the executive.

A meeting was held by the executive on November 21, 1912 in order to discuss membership into the Association. A resolution was eventually passed that approved the basis set down the previous spring: All Arts, Theological and Ad Eundem graduates were to be admitted into the Association.

The Alumni Association was created by students in order for graduates and former students of Brandon College to maintain contact with the College and each other and to promote the College's interests.

The Alumni Association's activities included: publication of the quarterly Alumni News, mailed to all members and associate members; administration of the Alumni-contributed \$17 000 J.R.C. Evans (Memorial) Student Loan Fund, providing interest free loans to worthy students; representation on Brandon College Board of Directors; contributions to College expansion; organization of Association branches in major cities and of social events for Alumni members.

## Biographical:

The first organization involving the students of Brandon College was created in 1899 or 1900. It was entitled the Literary Society. This society was run by students and faculty to cultivate literary and musical gifts and to provide training in public speaking and in the transaction of business. In 1901, a College branch of the Y.W.C.A. was formed as well as a Students' Missionary organization. A College branch of the Y.M.C.A. followed in 1902. The Brandon College Athletic Association was created in 1904 to direct the affairs of the various athletic games.

The first idea of a Student Council-type organization began in 1906 with the creation of the Students' Committee. This committee was created in order to develop a worthy College spirit and to promote a worthy College life.

"A committee of five students shall be appointed annually early in the college session whose office it shall be to confer with the Resident Master on matters pertaining to residential life, and with the Faculty on matters pertaining to the general life of the College. This committee shall consist of five members, three resident and two non-resident. In matters relating to the residence the three resident students alone shall act. This committee shall represent the Student Body in any matters in which that body may wish to confer with the Faculty, or may of its own motion confer with the faculty on any subject thought to be of interest in promoting proper College life."

In 1909 the Debating Society was created for training in public speaking. A Publications Committee was created in 1910 to publish the new student magazine, *The Quill*. The Students' Committee became known as the Student Council in 1915. Also in 1915, a Committee on College Activities was formed. This consisted of the President, two faculty members and two students. It was appointed by arrangement of the College Council each year to regulate the various activities of College life. It became known as the Functions Committee in 1921.

The 1920-1921 College Calendar is the first calendar that mentions the Brandon College Students Association. It states under the heading of Student Organizations that:

"The Literary and Debating Societies, the Athletic Association, the Y.M.C.A. and the Y.W.C.A. are integral parts of the Brandon College Students' Association, and are managed by committees appointed by the Association."

1921 saw the formation of the Students' Christian Movement which replaced the Y.M.C.A. and the Y.W.C.A. Under the Students' Christian Movement group, students held weekly devotional and educational services, and conducted Bible and mission study classes.

The 1936-1937 College Calendar shows that a change took place that year in the student council. Instead of just five students of the College being elected to the Council, there are now two separate councils. The calendar states that:

"The students of the men's and of the womens' residences appoint annually a representative committee of five, whose function it is to consider the interests of College life from the point of view of the residence body, conferring with the Faculty when necessary."

Although these groups of five were known as the student council, there was a Student Executive of the Brandon College Students Association that was a separate entity. It consisted of the Senior Stick, the Lady Stick (since 1923), the heads of various boards, and the class presidents. This governing student body continued until 1966 when it underwent an extensive reorganization. During that year, the positions of Senior and Lady Sticks were abolished so that the elected student president could be a man or a woman. This president would be assisted by elected 'sticks' from each faculty of Arts, Science, Education and Music. This form of government continued until 1967, when Brandon College became Brandon University.
