History /

Biographical:

A \$3.9M, 13,600 square-foot physical plant was opened on 07 April 2010. Located south of the steam plant on 20th Street by Darrach Hall, the building replaced the old Physical Plant occupying the World War II H-Huts. The new building serves as the hub for many campus operations, providing services from security and technical support, to building maintenance, deliveries, grounds keeping, cleaning, and capital project management.

Custodial History:

Photograph is part of a series of campus images commissioned by the McKee Archives and Communications in the lead up to Brandon University's 50th Anniversary celebration.

Scope and Content:

Photograph shows a work space inside the new Physical Plant building located on the west side of 20th Street, just north of Louise Avenue. The woman in the background is Stacey Harper, Physical Plant Office Assistant. The man in the background is Brent Cuvelier, Carpenter.
