### History /

#### Biographical:

This is an artificially created body of records dealing with four firms acquired by A.E. McKenzie Seed Co. Ltd. An administrative history for each company can be found below.

#### Custodial History:

See fonds level description of custodial history of A. E. McKenzie Seed Co. Ltd.

#### Scope and Content:

Included within the sub-series are financial records, correspondence, merger documents, miscellaneous documents and records. Not all of the companies contain the same categories of information. This series is sub divided into each of the major companies acquired by McKenzie Seeds throughout its years of operation. The sub-series include: (1) Brett-Young/Sabetha Seed Companies; (2) Steele Briggs Seed Company; (3) Pike and Co.; and (4) McFayden Seends.
