History / Biographical:

Verda Joan McDonald (nee Peden) was born in Brandon, MB on May 2, 1934. She was the middle daughter of Bill, a school principal, and Phyllis Peden. McDonald attended school at King George, Alexandra (now Betty Gibson), Earl Oxford and Brandon Collegiate Institute.

In 1951, McDonald enrolled in the Bachelor of Arts program at Brandon College. A fellowship program from the local YMCA enabled her to teach gym and swim programs after school and on Saturday for a small salary, which enabled her and some other students to finance their education. She graduated in 1955 with a Bachelor of Arts degree. During her graduating year, McDonald served as Lady Stick for Brandon College; the title of Lady Stick was an elected position and an honour, and gave McDonald and the person elected Senior Stick, Frank McKinnon, the responsibility of leading the student council for that year. In 1956, McDonald obtained her Bachelor of Pedagogy degree, also from Brandon College, which allowed her to teach grades 1 to 12 in Manitoba.

Verda married her college sweetheart, Dick McDonald, on August 25, 1956, and the couple moved to Dauphin to teach at the Dauphin Collegiate and Technical Institute for two years. They returned to Brandon in September 1958, and Verda proceeded to teach at Brandon Collegiate, Neelin High School and Vincent Massey until December 1960.

When Dick finished his degree at Brandon College and started teaching, Verda stayed at home to raise their three sons, Rick, Paul and Daren. During this time she began her many years of volunteering within the community. She served seven years on each of the following three boards: The Brandon Schools Instrumental Music Association; The Brandon University Alumni Board; and The Board of Fairview Nursing Home. She became President of each board during her term.

McDonald supported her husband throughouet his teaching and financial career, as well as his strong involvement in the Artillery Reserve Army with the 26th Field Regiment where he served as Commander and later Honorary Colonel. Both McDonald and her husband maintained strong ties with Brandon University and have contributed generously to funding campaign and scholarships. The Sports Wall of Fame in the Health Living Centre on the Brandon University campus is named in their honour.

In addition to their involvement with Brandon University, the McDonald's were members of the Kinsmen, K40 service club, gold and bridge clubs and enjoyed many years together in Brandon. They enjoyed going on cruise ship holidays and visited many countries together.

Since Dick's death in September 2015, Verda has tried to maintain her involvment in university activities. She continues to reside in Brandon, MB.

Keystone Centre development and construction fonds

http://archives.brandonu.ca/en/permalink/descriptions4854

Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Collection
Accession Number: 22-1998

GMD: textual records

Date Range: 1957-1974; predominant 1970-1974

Physical Description: 36 cm

History / Biographical:

The idea of the Keystone Centre was first mentioned in 1958, at a meeting of the board of directors of the Manitoba Winter Fair. The Manitoba Winter Fair wanted a new facility because the old Wheat City Arena had a leaking roof and a deteriorating west wall. The old facility also had limited space and the Winter Fair felt it needed more space for expansion. The Provincial Exhibition of Manitoba also had problems with their facilities, such as old barns and poor display areas. The idea of the Keystone Centre was put on hold until 1969, when the boards of the Provincial Exhibition and the Manitoba Winter Fair joined together as the Provincial Exhibition Association of Manitoba and the Wheat City Arena was sold and demolished. The original estimate for the cost of the Keystone Centre facilities was \$4.5 million and funding would be proportioned so that the federal and provincial governments would each put in one-third of the money, with the rest coming from local donations. The financial campaign for the Keystone Centre began in 1970, and construction began in November 1970. The grand opening of the Centre was in March 1973, and coincided with the Royal Manitoba Winter Fair of that year.

Custodial History:

This fonds was accessioned by the McKee Archives in 1998. Prior custodial history is unknown.

Scope and Content:

Fonds contains many folders full of correspondence, financial statements, meeting minutes and other documents relating to the development and construction of the Keystone Centre from 1970-1974, including those from the Keystone Executive Committee, as well as the Building Committee. Fonds also contains one folder that pertains to the Brandon Area Agricultural Development Survey from 1959. This folder contains the names and locations of all farmers in the Brandon area in 1959. The Brandon Area Agricultural Development Survey was created in 1959, in order to make farming in the Brandon area more profitable. The survey was aided by Doane Agricultural Service from St. Louis, Missouri, who had success creating agricultural development programs in the United States. Fonds also contains folders from the Provincial Exhibition with correspondence, pamphlets, estimates, and studies from the 1960's. There is also one folder belonging to the Manitoba Winter Fair, which contains correspondence and financial statements relating to the Wheat City Arena. Fonds also contains information pertaining to the proposals made in the 1960's, for the building of the Keystone Centre, as well as one folder about the Keystone campaign from 1970-73. There is also one folder about the opening of the Keystone Centre, which contains newspaper clippings and guest lists. Finally, the fonds contains information about a court case involving Albert Bobyk and Robert Stewart. Stewart was the project manager for the Building Committee and Bobyk worked on the Keystone Center. The fonds includes a report about the trial of the two men who were charged with fraud involving their work on the Keystone Centre.

Manitoba Women's Institute collection

Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Collection
Accession Number: 8-2002

GMD: textual records
Date Range: c. 1935-1980's

Physical Description: 64 cm

History / Biographical:

The first Women's Institute in Canada was created by Mrs. Adelaide Hunter Hoodless in Stoney Creek, Ontario, on February 19, 1897. The Women's Institute was created to unite rural women with the hopes that this would help women improve their homes and communities. The motto of the Women's Institute became, "a nation could not rise above the level of its homes." The group was to be non-partisan and non-sectarian to allow for maximum participation. The Women's Institute became one of the very few ways for rural women to meet and share ideas and problems with others. The Women's Institute spread throughout Canada and reached Manitoba in 1910, when Morris and Valley River, Manitoba, formed Women's Institute branches. The Women's Institute branches in Manitoba were known as Home Economics Societies until 1919, when they became branches of the Manitoba Women's Institute. The Home Economics Societies specialized in community service work. At first, the groups concentrated on home management and child care, and eventually they became involved with social and political issues. In addition to community work, the Women's Institute branches also invited many guest speakers to their meetings and promoted education and the dissemination of information to rural women on subjects such as canning, growing fruits and vegetables, dental hygiene and rural electrification. The Manitoba Women's Institute continues its work today.
