History /

Biographical:

The minutes were created by the summer fair Board of Directors and the various committees and sub-committees associated with the Board.

There is ample evidence in the minutes of the Provincial Exhibition of Manitoba that the administrative structure was largely one by committee. By 1903, there were at least nine separate committees. These committees were Grounds and Buildings, Sports and Attractions, Public Comfort, Advertising and Printing, Privileges, Gates, Finance, Excursion and Transportation, and Prize List. Of these committees only Public Comfort, Privileges, and Excursion and Transportation were comparatively short-lived. These committees are not mentioned after 1903, 1920, and 1925, respectively. The remaining six committees all survive in various forms to this day.

In 1908 there is mention of a Speed committee, which dealt with the racetrack at the fairgrounds. This committee was in existence until the early 1970s, when racing, along with the condemned grandstand, was discontinued. By 1915 there is mention of a Reception committee that continues on until the mid-1970s.

In the 1920 minutes several committees are mentioned. The committees included Concessions, Grandstand, Accommodation, Police/Security, and Wild Birds and Animals. The Wild Birds and Animals is not mentioned in further minutes, but Grandstand and Accommodation are mentioned into the mid 1950s. Both the Concessions and Police/Security are mentioned until the late 1970s.

In 1925, there are several new committees mentioned. They include Heavy Horse, Light Horse, Beef Cattle, Dairy Cattle, Sheep, Swine, Farm Boy's Camp, Poultry, Grains and Grasses, Horticulture, Dairy Competition, Machinery Row, Natural History, Fine Arts and School Exhibits, and Livestock Parade. The enormous expansion of committees is a reflection of the expansion of the exhibition. Almost all aspects of farming now had its own committee, and an effort to help young people continue in farming was made with the forming of camps for farm boys. All of these committees were long lived, although not necessarily with the original title. From approximately 1930 to 1940, all of the Cattle were lumped together, but by 1950 a Commercial Cattle committee was mentioned, and by 1974 there was also a Special Agriculture Display and Exotic Breeds. By 1979 there were Steer Show and Bull Sale committees. Around 1930, a Calf and Colt Competition committee was also added.

In 1930 there is mention of a Dining Room committee, but it is not mentioned again. In response to changing society, a Car Parking committee was created around 1935. This committee remained under various titles through to today. Another short-lived committee, Grandstand Gates, is mentioned from about 1935 to 1940. For some time there was also a Band Competition committee. It is mentioned from 1940 to 1945, and then not again until 1979.

In 1950 there was a Dogs committee, but no further mention is made of this committee. From 1955 to 1960 there was a separate Fire committee, until it was amalgamated with Police/Security. In 1955 two new committees are mentioned. These are the Trade Fair and Homecraft committees. While the Trade Fair is not mentioned after about 1960, the Homecraft committee seems to have been in existence until the mid 1970s.

A 4-H and Junior Activities committee was formed around 1960 to take the place of the Farm Boy's Camp. This committee continued the exhibition's attempts to keep young rural people interested in farming.

In the minutes for 1970, two more committees are mentioned. They are the Food and Beverage and the Bees and Honey committees. While one would suppose that the Food and Beverage Services committee was a new title for the Concessions committee, the Concessions committee is also mentioned. The Bees and Honey committee is mentioned until about 1974 in committee minutes.

By 1974 three more committees are mentioned in the minutes. They were the Baby Fair committee, which was a netting zoo, the Expansion Project and Grants committee and the

committee, which was a petting zoo, the Expansion, Project and Grants committee and the Midway committee. While the Midway and Baby Fair committees lasted until at least the late 1970s, the Expansion, Projects and Grants committee is not mentioned past the mid 1970s. Also mentioned in 1979 are the Pork Congress, Family Fair, Entertainment, and Exhibitor's Lounge committees.

GMD: textual records

Date Range: c. 1984 - 1985

Physical Description: Approximately 1 m of textual records

History /

Biographical:

These records were produced between 1984 and 1985, the researching and writing period for the book *The Pride of the Land: An Affectionate History of Brandon's Agricultural Exhibition*. Published in 1985 by Peguis Books (Winnipeg), *Pride of the Land* is a 222-page soft cover book, containing hundreds of pictures, and 50,000 words of text.

BU faculty members Dr. Kenneth "Ken" Stephen Coates, Assistant Professor of History, and Mr. Fred McGuinness, Lecturer in Journalism, authored the book. Assisting the writers was a research team of four BU history students, which were referred to as "The Pride Team": Diane Fowler, Rob McGarva, Bruce Stafeld, and Byron Williams.

The Pride Team was tasked with collecting and synthesizing exhibition documents and other materials in city, provincial, and federal records spanning 100 years. Many local newspapers and committee minutes were consulted.

The authors cover 103 years of Brandon Fair history, starting with the first fair in 1882 followed by the development of other agricultural fairs and exhibitions in Brandon, specifically The Royal Manitoba Winter Fair, The Provincial Exhibition of Manitoba, and the Ag-Ex livestock show.

Custodial History:

Records were collected and created by McGuinness, Coates, and The Pride Research Team during the process of the creation of the book, *The Pride of the Land: An Affectionate History of Brandon's Agricultural Exhibition*. The materials were donated to the S.J. McKee Archives by the authors circa 1988. The Archives accessioned the records in 2008.

Scope and Content:

The subseries consists of textual records, created and collected during the production of the monograph *Pride of the Land*. It includes research cards created by the research team, copies of newspaper articles from very early editions of Brandon newspapers (such as the *Brandon Sun*, *Brandon Daily Sun*, *Western Sun*, and *The Independent*), copies of fair/organizational minutes, photocopies of photographs used in the publication, and chapter drafts. Of particular interest are the detailed summaries of Provincial Exhibition minutes that were specifically produced for each book chapter.

Notes: Information in the history/biography was taken from a Brandon University press release dated June 1985, about the *Pride of the Land* Project (see file 64)

History /
Biographical:

Samuel James McKee was born near Wellesley, Ontario on July 17, 1849. By 1872, he had graduated from Toronto University. That same year he accepted a position at the Canadian Literary Institute in Woodstock, Ontario. Although he accepted this post with reservation, McKee soon found himself converted to the Baptist faith and was a true believer. In 1881, his doctor advised him to move West because of his poor health. He and his wife Laura moved to Rapid City, Manitoba and established a farm there. His brother-in-law, Rev. Davis was busy establishing the Rapid City Academy during this time, and when Davis had the chance to move to Moose Jaw, he prevailed upon McKee to take over the Academy. Under McKee's guidance the Academy flourished. By 1890, he decided that he could reach more people if he relocated the school Brandon, Manitoba, which was located on the C.P.R. line. The S.J. McKee Academy did quite well in Brandon, although it had trouble finding a permanent home. By 1899, the school was located in the Stewart Block on Ninth Street and Rosser Avenue. McKee's wife taught music, and there were always potential ministry students in his classes.

In 1899, the Baptists finally decided that they wanted a College in Manitoba that would help prepare students for potential ministry service. It was decided to locate the school in Brandon, as McKee, a staunch Baptist, already had a flourishing Academy there. The Baptists and McKee amalgamated and Brandon College was created. When the school opened in October 1899, McKee was on the Board of Directors as well as teaching Classics, Mental Science and French. He also acted as the unofficial Vice-principal of the school. McKee taught several different subjects during the next few years, and in 1910 accepted the newly created post of Registrar. He retained this position for the next decade. As well, McKee acted as the Bursar in 1911-1913, 1914-1915, and 1919-1920. He retired in 1920 and moved to Vancouver. McKee was given the title Professor Emeritus in Philosophy. He was made an honorary member of the Board of Directors in 1925.

McKee and his wife had five daughters and three sons. Three daughters that died soon after the move from Rapid City due to a typhoid epidemic. His son, George Eugene, graduated from Brandon College in 1902. A son, John Harris McKee, became the Bursar of Brandon College in 1915 after obtaining his B.A. in 1914. Another son, William Carey McKee, graduated from Brandon College in 1914, and received his M.A. in 1915. He was studying Law in Calgary when he enlisted with the Army. Carey McKee was killed in action on August 26, 1918. A fourth son, Robert Allan also attended Brandon College. He enlisted when Carey did, but he was declared medically unfit for service in Winnipeg in 1917. He eventually returned to Brandon, but was sick for a very long time. He died on February 13, 1919, from a growth on his brain that had weakened him greatly. McKee's daughter Mildred also attended Brandon College. After her husband was killed in action in November of 1918, she returned home to her parents. Eventually she obtained a degree in Household Science. There is another daughter mentioned, Lydia. McKee also states in a tax return form that he has a permanently epileptic child in a home. It is not known if this child was Lydia or not. S.J. McKee died in September 1937 at the age of 88.

Custodial History:

To commemorate the move of the McKee Academy to Brandon, Manitoba in 1890, Brandon University renamed the Brandon University Archives the S.J. McKee Archives in the fall of 1990. At that time, the McKee family was represented by S.J. McKee's grandson William, who donated the S.J. McKee papers to the Archives. Up until 1990, the records had been in his custody, having passed from S.J. at the time of his death to William's father.

Scope and Content:

S.J. McKee's files are very unique. He has records detailing many aspects from Rapid City Academy and the desire for educating the West. He has a lengthy document entitled "The Beginning of our Educational Work in the West" in his records. It details the creation of Prairie College, its demise, and the building of the Rapid City Academy. There is a lot of correspondence, not just to and from S.J. McKee, but to and from his children as well. There are Land Titles papers, Mortgages, Last Will and Testaments, and various other legal documents dealing with the McKee family. There is a ninety page paper that his son, Carey, wrote in 1915 entitled "Immigrants and Their Assimilation." There are several files dealing with Carey McKee, and also with the death of Midred's husband, Robert Alexander Cunningham. The Minute Book of the Brandon College Literary Society from 1903-1905 is located in the McKee files. McKee also kept various newsclippings and certain issues of "The Western Baptist," "The Northwest Baptist" and "The Sunday School Times." As well, there are some used account and receipt books.

His records are extremely interesting in that McKee was really one of the founding fathers of Brandon College. The documentation that still exists with regard to Rapid City Academy is quite astounding, down to the legal agreement he and G.B. Davis made with Duncan L. McLaren regarding using some of his land to build the school on. His recollections on the beginnings of education in the west are clear and concise. As well, the sense of family and devotion to God are evident in almost all of the letters between family members.
