FORWARD-ALL TOGETHER

—

—

It is longer now the Manitoba farmer complains that he has nothing to say in the price which he receives for the products of his farm.

Operating in this Province since 1920 he has the Manitoba Cooperative Elevator with 2,110 member farmers, The Grain Pool operating the two great wheat & barley elevators, The Manitoba Cooperative Poultry Marketing Association operating since 1922, now having 1,000 members. The Cooperative Wheat Elevator, which from 1916, with 100 members ships out of 1,000 bushels in Winnipeg, The Wheat Pool with 2,110 members, operating now in the hands of other grain.

Every one of these cooperative organizations has been successful in getting the farmer more for the products which he has produced. They all stand more united to make their farmers able to give him all better service. It is better that the Wheat Pool Elevator will be a better co-operative, a better service and a better effort. If he receives the same, better profits, eggs and wool through his own organizations. It is better enough cooperative theory. Let's have more cooperative action.

Vol. 2 WASHINGTON, DALLAS, HOUSTON, TEXAS

The Ninety and Nine

ARTHUR G. CROWN

We have about the driver man, the man who leads the team.

His uniform is so neat about the other ninety men.

The man who heavily loads in a world of carrying,

Who form the shipping stores on which the driver man ever relies.

The wheel of life is not of cast-iron from the mill,

It is cast, small part together, the wheel which turns the greater mill.

The water wheels may revolve and glide in the sea,

But it is the all-around gear beneath on which these gliding run.

Concentration is a word that's worthy of a thought,

That drives out all men from the fronted line of thought.

It is the man has and his part to play, each man his own.

But it is his leader that serves most the other ninety men.
