History /

Biographical:

The Toal Commission was a Commission of Inquiry conducted by James Toal at the Prince Edward Hotel in Brandon, MB from 1971-1972. The purpose of this inquiry was to investigate a report published by the Brandon Police Department entitled, "Problem Metis Families, City of Brandon," as well as allegations of police harassment in the City of Brandon from January 1, 1970, onward. The report was prepared by the Brandon Police Department following a petition submitted to Mayor Wilton. The petition, signed by approximately thirty residents of Brandon's East End, requested that the city prohibit the sale of homes in their neighborhood to Native families. A copy of the report was obtained by the Brandon Sun, which generated a considerable public response that resulted in the investigation in question.

Custodial History:

Records were ordered from the Archives of Manitoba by Brandon University Archivist Tom Mitchell and Brandon University history professor Jim Naylor in 2013.

Scope and Content:

Fonds consists of records created over the course of the Toal Commission. It includes copies of verbatim transcripts of the Toal Commission hearings, as well as a commission of inquiry, a report on the commission, and indexes, which list the witnesses and evidence presented for each day of the hearings.

History /

Biographical:

The idea of the Keystone Centre was first mentioned in 1958, at a meeting of the board of directors of the Manitoba Winter Fair. The Manitoba Winter Fair wanted a new facility because the old Wheat City Arena had a leaking roof and a deteriorating west wall. The old facility also had limited space and the Winter Fair felt it needed more space for expansion. The Provincial Exhibition of Manitoba also had problems with their facilities, such as old barns and poor display areas. The idea of the Keystone Centre was put on hold until 1969, when the boards of the Provincial Exhibition and the Manitoba Winter Fair joined together as the Provincial Exhibition Association of Manitoba and the Wheat City Arena was sold and demolished. The original estimate for the cost of the Keystone Centre facilities was \$4.5 million and funding would be proportioned so that the federal and provincial governments would each put in one-third of the money, with the rest coming from local donations. The financial campaign for the Keystone Centre began in 1970, and construction began in November 1970. The grand opening of the Centre was in March 1973, and coincided with the Royal Manitoba Winter Fair of that year.

Custodial History:

This fonds was accessioned by the McKee Archives in 1998. Prior custodial history is unknown.

Scope and Content:

Fonds contains many folders full of correspondence, financial statements, meeting minutes and other documents relating to the development and construction of the Keystone Centre from 1970-1974, including those from the Keystone Executive Committee, as well as the Building Committee. Fonds also contains one folder that pertains to the Brandon Area Agricultural Development Survey from 1959. This folder contains the names and locations of all farmers in the Brandon area in 1959. The Brandon Area Agricultural Development Survey was created in 1959, in order to make farming in the Brandon area more profitable. The survey was aided by Doane Agricultural Service from St. Louis, Missouri, who had success creating agricultural development programs in the United States. Fonds also contains folders from the Provincial Exhibition with correspondence, pamphlets, estimates, and studies from the 1960's. There is also one folder belonging to the Manitoba Winter Fair, which contains correspondence and financial statements relating to the Wheat City Arena. Fonds also contains information pertaining to the proposals made in the 1960's, for the building of the Keystone Centre, as well as one folder about the Keystone campaign from 1970-73. There is also one folder about the opening of the Keystone Centre, which contains newspaper clippings and guest lists. Finally, the fonds contains information about a court case involving Albert Bobyk and Robert Stewart. Stewart was the project manager for the Building Committee and Bobyk worked on the Keystone Center. The fonds includes a report about the trial of the two men who were charged with fraud involving their work on the Keystone Centre.

History /

Biographical:

The first Women's Institute in Canada was created by Mrs. Adelaide Hunter Hoodless in Stoney Creek, Ontario, on February 19, 1897. The Women's Institute was created to unite rural women with the hopes that this would help women improve their homes and communities. The motto of the Women's Institute became, "a nation could not rise above the level of its homes." The group was to be non-partisan and non-sectarian to allow for maximum participation. The Women's Institute became one of the very few ways for rural women to meet and share ideas and problems with others. The Women's Institute spread throughout Canada and reached Manitoba in 1910, when Morris and Valley River, Manitoba, formed Women's Institute branches. The Women's Institute branches in Manitoba were known as Home Economics Societies until 1919, when they became branches of the Manitoba Women's Institute. The Home Economics Societies specialized in community service work. At first, the groups concentrated on home management and child care, and eventually they became involved with social and political issues. In addition to community work, the Women's Institute branches also invited many guest speakers to their meetings and promoted education and the dissemination of information to rural women on subjects such as canning, growing fruits and vegetables, dental hygiene and rural electrification. The Manitoba Women's Institute continues its work today.

History /

Biographical:

John C. Cousins was the son of Thomas Cousins (b. August 17, 1882 in Truro, Nova Scotia - d. March 5, 1914) and Mary Margaret Craig (b. April 14, 1824 - d. April 25, 1903). Custodial History:

Record was accessioned in 2007 by the McKee Archives. Prior custodial history unknown.

Scope and Content:

This document is a rambling memoir of John C. Cousins' recollections of life in the Rural Municipality of Daly from the settlement era in the early 1880s, through to the 1940s. He touches on various themes, including: his family history; the activities of the R.M. of Daly and his role as Reeve; the history of school districts in the municipality (lists names of first teachers and early students); the history of churches in the municipality; tragedies in the municipality; lists members of the Council of the municipality for the years 1885-1946; and the devastating impact of the Spanish Influenza on Aboriginal people in the municipality.

In addition, the memoir includes documentary records, such as minutes and copies of letters. There are also many photographs of both events and individuals (virtually all of the photographs are labelled and names are provided). The memoir goes beyond a simple recounting of facts. Cousins is discursive and thoughtful, often making references to developments happening in other parts of North America and Canada. There is also a link to the Maritimes, from which his family originated.
