Westman Recycling Council fonds

<http://archives.brandonu.ca/en/permalink/descriptions12346>

Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Fonds

Accession Number: 14-2011

GMD: textual records

Date Range: November 15, 1989 - March 26, 2009

Physical Description: 90 cm

History /

Biographical:

The Westman Recycling Council was started by a small group of avid recyclers with financial and volunteer help from the Kiwanis Club of Brandon, among others. Volunteers organized the first outdoor recycling depots in June and October 1989. The first event with recorded minutes was the first annual meeting, November 15, 1989.

The organization was incorporated in February 1990, and became a registered charity in 1995. The Mission Statement was: "to support and promote the reduction, re-use, and recycling of material resources for the benefit of Westman's environment and future generations."

The major partner in the work of the organization was the City of Brandon. In 2003, Westman Recycling, in partnership with the City, built a Material Recovery Facility (MRF) at the Brandon Landfill; Westman Recycling owned the building on the City-owned land. It was a \$4 million structure - financed by federal and provincial grants (about one-quarter of the total) and a mortgage (about three-quarters). Details are in the Board and other Committee minutes and agreements.

In late 2005, Westman Recycling faced a severe cash crunch - as a result of poor markets for recyclables, changes in support funding from the Manitoba Product Stewardship Corporation (MPSC), and a drop in public recycling levels. In February 2006, the City decided to sign a contract with another organization to operate the MRF; after that there appeared to be no role for Westman Recycling.

A general meeting on September 22, 2008 voted to dissolve the organization. At that meeting, the suggestion was made (agreed to by consensus) that the files of the organization be donated to Brandon University to be made available for researchers. A Board of Directors meeting on the same date voted to donate all remaining funds to a perpetual "Westman Recycling" fund with the Brandon Area Community Foundation.

A final wind-up meeting was held on March 26, 2009

Custodial History:

The organization was overseen by volunteers / volunteer Board of Directors. The files were first held by volunteers / Board members in their homes. In May 1991, the organization hired David McConkey as Coordinator / General Manager, who was directed by the Board to manage the files on a daily basis from that date forward.

The files were kept in the organization's rented office space in the 1300 block of Pacific Avenue from May 1991 to September 1992, and then in the rented space in the Massey building at 6th Street and Pacific Avenue. The files were kept at the new facility at the landfill from April 2003 to February 2006. They were then stored in the basement of the Marquis Project, 912 Rosser Avenue, until August 2011 when they were donated to the S.J. McKee Archives, Brandon University.

Some files (e.g. minutes from 1995-96) were found to be missing entirely. Other files were disposed of by recycling and/or shredding as they were judged to be confidential (e.g. personnel), of an ordinary business nature only (e.g. invoices), or not useful for future research (e.g. extra copies, routine correspondence, building and equipment plans and other arrangements).

Scope and Content:

Fonds consists of records that document the origin, activities, demise, and legacy of the Westman Recycling Council. Records include minutes, financial summaries, scrapbooks, newsletters, brochures, media clippings, photographs and miscellaneous documents related to the construction in collaboration with the City of Brandon of Brandon's principal recycling facility.

History /

Biographical:

In 1965, Chris Verhoef, member of the Overture Concert Association, Allied Arts Centre, and Brandon Citizens' Committee for the Performing Arts, called for a meeting of Western Manitoba citizens interested in the prospect of a Philharmonic Choir for the region. The meeting took place on 26 May 1965; the steering committee that gathered, led by Margaret Goodman, undertook the formation of the Choir. The Choir would have an Executive consisting of at least four members, and a committee consisting of a minimum seven members. Each executive member would be elected on an annual basis. The Choir's executive, in collaboration with the conductor, would determine the choir's repertoire for the year. The establishment of the Western Manitoba Philharmonic Choir (WMPC) sought to encourage amateurs to sing for enjoyment, provide the opportunity for a choir to perform choral compositions in collaboration with a symphony orchestra and promote and sponsor the musical arts in the Western Manitoba region. Membership to the choir would be open to all citizens of the region, and members would be accepted based on the discretion of the conductor. The first meeting of prospective members took place on 27 September 1965 in St. Matthews Cathedral parish Hall where more than 90 people gathered and registered to become a member of the WMPC.

Chris Verhoef led the Western Manitoba Philharmonic Choir into its first season as President of the choir's Executive Committee. For the organization's first season, the WMPC hired two members of the Brandon College School of Music: Lucien Needham for the position of conductor and Louise Chapman for the position of accompanist. Brandon College, as well as other donors sponsored the choir for its first season. The Choir held its debut performance in collaboration with the Winnipeg Symphony Orchestra (WSO) on 12 March 1966, and the Choir's performance of Vivaldi's Gloria and Handel's Dettingen te Deum attracted an audience of more than 1400 people. The performance was well received by the public. The debut

performance's success earned the Choir a recommendation for a grant from the Manitoba Centennial Corporation that would sponsor a special concert during the centennial year. Furthermore, the Canada Council supported the Winnipeg Symphony Orchestra, by the means of special funds, to make the Symphony's appearance with the Philharmonic Choir possible.

For the WMPC's second season, membership rose to 111 amateur singers. Verhoef remained as President of the Executive, while the Brandon Citizens' Committee for the Performing Arts provided sponsorship. Following the Choir's performance of Schubert's Mass in E-flat Major on 17 November 1966, the membership increased to 132 singers. On 20 January 1967, the WMPC's first taped broadcast was released over CBC and CKX. The broadcast's success resulted in an offer from CBC to record another broadcast for a similar release. The Kiwanis Club of Rivers invited the Choir to perform in Rivers on 25 January 1967. On 7 April 1967, the Choir performed Haydn's oratorio, *The Creation*, in the Brandon College Gymnasium.

The choir elected Murray Ames as President to lead it through its third and fourth seasons. In its third season, the WMPC, conducted by Leonard Mayoh, performed Handel's *Messiah* on 22 November 1967 in the Brandon University Gymnasium. The Choir's spring concert, named the "Chris Verhoef Memorial Concert," in honour of Chris Verhoef who had passed away December 1967, featured works by Bach, Brahms and Perry. Held on 9 March 1968, in the Brandon University Gymnasium, the concert featured Brandon University student James Stewart as soloist and was received with great praise. In addition to the memorial concert, the WMPC also established a \$500 scholarship for a Brandon University music student to honour Verhoef's substantial contribution to the community.

The first concert of the Western Manitoba Philharmonic Choir's fourth season was held on 10 December 1968, in the J.R.C. Evans Lecture Theatre at Brandon University and featured selections from Handel's *Messiah*. A piano trio comprised of Francis Chaplin (violin), Malcolm Tait (cello) and Gordon Macpherson (piano), as well as a brass trio, also performed at the choir's winter concert. In its fourth season, the WMPC performed two concerts in the second half of its season. On 15 February 1969, in cooperation with CKX Radio and Television, the choir performed works by Mozart, Hindemith, and Mahler in collaboration with the Winnipeg Symphony Orchestra conducted by George Cleve. Later in the season, the choir performed Brahms' *Requiem Mass*, once again in collaboration with the Winnipeg Symphony Orchestra.

Dr. R. Parker filled the position of President of the Executive for the duration of the Choir's fifth, sixth and seventh seasons. The fifth season saw the WMPC performing four concerts. Conducted by Leonard Mayoh, it opened its season on 11 October 1969 with a performance at the Grand Finale of the Grand Opening of the Western Manitoba Centennial Auditorium, performing the overture to Mozart's *The Magic Flute* and Beethoven's *Symphony No. 9*. Their Christmas concert, also conducted by Mayoh, took place on 10 December 1969. The Choir's third concert of its fifth season was held on 31 January 1970, in cooperation with CKX Radio and Television, and featured works by Mendelssohn, Ravel, and Schubert, in collaboration with the WSO under the direction of conductor George Cleve. The season concluded with another concert in collaboration with the WSO on 7 March 1970, conducted by Leonard Mayoh. This concert featured works by Vaughan Williams, Handel and Poulenc.

Seasons six and seven consisted of two concerts each. The Choir held its fifth annual Christmas Concert on 5 December 1970. Led by Leonard Mayoh, it performed its spring concert on 10 April 1971 in collaboration with members from the Winnipeg Symphony, featuring selections by Bach and Mozart in the Western Manitoba Centennial Auditorium. In its seventh season, the Choir performed Bach's *Christmas Oratorio* on 4 December 1971 in the Central United Church. For its final concert of the year, the WMPC revisited a piece that had been the main focus of its second season: Haydn's oratorio, *The Creation*. The Choir performed this Haydn masterwork on 8 April 1972 under the direction of Piero Gamba.

Helen Riesberry led the choir through its eighth and ninth seasons as President of the

Leonard Mayoh led the choir through its eighth and ninth seasons as President of the Executive. In its eighth season, the WMPC held its annual Christmas concert on 12 December 1972 in collaboration with the Winnipeg Symphony Orchestra in the style of a sing-along led by Mitch Miller. The choir's spring concert featured another masterwork, Beethoven's *Missa Solemnis*, conducted by Piero Gamba. The WMPC and members of the WSO performed the Requiem Mass on 28 April 1973 at the Western Manitoba Centennial Auditorium. Despite the lack of attendance at rehearsals since the Christmas concert, the WMPC presented an overall effective performance of the challenging Requiem Mass.

In its ninth season, Derek Morphy took over the position of conductor from Leonard Mayoh. Morphy had his debut performance as conductor with the WMPC at the annual Christmas concert on 17 December 1973. In March 1974, in collaboration with members from the WSO, Morphy led the Choir in its performance of Mendelssohn's oratorio, *Elijah*, in the Western Manitoba Centennial Auditorium. Later in the season, the choir performed a concert entitled "Reflections," a choral programme for Lent and Easter, accompanied by organist Arthur Bower.

Nearing the end of its ninth season, the Philharmonic Choir encountered severe financial challenges. The Choir released a notice in the newspaper that the anticipated \$3000 grant from the Manitoba Arts Council had been cut to \$1000, leaving the Choir \$3100 in debt. The notice explained that the Choir needed funds in order to enable operation and continue hiring the WSO for concerts. The WMPC executive and committee held a Leonard Mayoh Night in an attempt to gain funds and donations. Although the Manitoba Arts Council raised the grant to \$2000 and the City of Brandon contributed \$500, the Choir's financial situation remained in a dire state as its ninth season came to a close.

The Choir elected Edith Hayden to lead it through its tenth and eleventh seasons as President of the Executive. The opening of the tenth season challenged the WMPC. In addition to its financial woes, the Choir's Executive struggled to overcome the lack of attendance at rehearsals and the shortage of male voices. The WMPC had experienced membership issues in earlier seasons as well. In its third season, despite a membership of 130 individuals, the choir had struggled to create a balanced sound due to a lack of male membership and therefore a lack of lower voices. In its sixth season, the Choir opened their concert year with an appeal for members. In an effort to improve the choir's financial affairs, the Choir Executive and conductor decided against hiring the Winnipeg Symphony Orchestra for the time being. In an attempt to improve the situation, Derek Morphy wrote a letter to the members of the Choir outlining his concern that he may not be meeting their expectations as a conductor but hoped to generate positive and hopeful prospects for the future of music-making together.

The Choir's annual Christmas concert featured a collaboration with the Brandon School Division Music Department and Brandon School Orchestra and Band Association, as well as dancers choreographed by Barbra Enhes. The WMPC performed Haydn's Mass in D minor at its spring concert on 27 April 1975, accompanied by Arthur Bower. By the end of the season, the Western Manitoba Philharmonic Choir's financial situation had begun to improve.

The WMPC hired conductor Peter Allen to lead the Choir through its final season of operation. The Choir held its annual Christmas concert in the Central United Church on 7 December 1975, and featured Vivaldi's *Gloria*, accompanied by pianist Barry Anderson. The choir performed Deller's Psalm 148, Telemann's Cantata for the Fourth Sunday after the Feast of the Three Kings, and Dvorak's *Stabat Mater* at its spring concert held at the Central United Church on 25 April 1976.

Despite its best efforts, the Western Manitoba Philharmonic Choir's first rehearsal of its twelfth season saw just 26 members in attendance. As a result of lack of membership, the Choir Executive decided to disband the WMPC for its 1976/1977 season, with plans to reassess the situation in September of 1977 for the prospect of a 1977/1978 season. Matters were further complicated by financial considerations; by June 1977 the choir's financial situation had worsened as a result of the administrative fees that the WMPC covered for the duration of its

worsened as a result of the administrative fees that the WMPC covered for the duration of its unexpected inactive 1976/1977 season. Unlike past years, there were not any ticket sales to cover such expenses.

Following its year off, membership interest in the Western Manitoba Philharmonic Choir did not increase and the decision was made not to return for another season. In 1980, the WMPC revoked its registration as an organization and officially ceased to exist.

Custodial History:

Records in the 8-2001 accession were donated to the McKee Archives in 2001, by three representatives of the Philharmonic Choir: Dr. Bill Paton, Botany Department, Brandon University; Mrs. Edith Hayden, WMPC President; and Mary Davidson WMPC Archives Committee. Records in accession 13-2016 were given to Terry Stamper in the School of Music by Marilyn Hayden and then transferred to the McKee Archives on September 21, 2015.

Scope and Content:

Fonds consists of records that document the origin, activities, and ultimate disbandment of the Western Manitoba Philharmonic Choir. These records were created and accumulated during the eleven year existence of the WMPC.

Records include: the organization's constitution and history from 1965-1968; financial records, which include grants received from the Manitoba Arts Council, Canada Council, and City of Brandon, as well as materials documenting the organization's financial struggles from 1974-1976; minutes from executive and committee meetings from 18 June 1973 to 24 June 1974; correspondence in the form of letters between the president of the executive and the choir members, and between the conductor of the choir and its members; membership lists from each season of the WMPC; and concert programmes from every major Christmas and Spring concert that the organization performed. Fonds also contains newspaper notices, advertisements and reviews of various performances, as well as posters advertising performances of the WMPC in the 1967/68, 1970/71, 1971/72 and 1973/74 seasons; the posters advertise the choir, collaborators, patrons and featured works.

Also included in the fonds is a scrapbook detailing the choir's history. Each page of the scrapbook is decorated with hand painted images of plants native to the southwestern Manitoba region. The scrapbook includes concert programs and photographs of the choir from all years of the organization's operation. The scrapbook also contains an assortment of informal photographs from various WMPC events. There are also six black and white group photos of the WMPC from various seasons.

Finally, the fonds contains one artifact, a leather bag/zippered file folder with "WMPC" printed on it.

History /

Biographical:

The Toal Commission was a Commission of Inquiry conducted by James Toal at the Prince Edward Hotel in Brandon, MB from 1971-1972. The purpose of this inquiry was to investigate a report published by the Brandon Police Department entitled, "Problem Metis Families, City of Brandon," as well as allegations of police harassment in the City of Brandon from January 1, 1970, onward. The report was prepared by the Brandon Police Department following a petition submitted to Mayor Wilton. The petition, signed by approximately thirty residents of Brandon's East End, requested that the city prohibit the sale of homes in their neighborhood to Native families. A copy of the report was obtained by the Brandon Sun, which generated a considerable public response that resulted in the investigation in question.

Custodial History:

Records were ordered from the Archives of Manitoba by Brandon University Archivist Tom Mitchell and Brandon University history professor Jim Naylor in 2013.

Scope and Content:

Fonds consists of records created over the course of the Toal Commission. History /

Biographical:

The Brandon College/Brandon University Women's Auxiliary was founded on February 17, 1955, with the purpose of a) foster[ing] good public relations between the university and the community, and to stress the importance of Brandon University to Western Manitoba; b) to gain a better knowledge of the functioning of Brandon University and; c) to improve the surroundings of the College/University's students and the university at large. They were to hold four regular meetings per annum, with an annual meeting in April, and one fund-raising tea a year. The organization raised money through these teas, as well as through receptions, with the intention of donating to the college/university and surrounding community, contributing to the furnishing of residences and offices at the college/ university, as well as facilitating an annual community visitation day for the public to tour the university. The organization's name was change from the Brandon College Women's Auxiliary to the Brandon University Women's Auxiliary along with the renaming of the school itself on July 1, 1967. The organization was sometimes referred to simply as the Women's Auxiliary.

The Auxiliary was run by an elected President and Board of Executives. Its members, who were all mothers of Brandon College/Brandon University students, paid an annual membership fee. Subcommittees within the organization included those in charge of social organization, membership management, program management, phoning management, press and publicity management and project management; all of these were fronted by their own individual leaders from within the members, under the board of executives. The organization ceased meeting in 1975; the minutes from the final meeting reference difficulties filling executive offices before a motion was carried to disband.

Custodial History:

Records were created and held by the Brandon College/Brandon University Women's Auxiliary until their dissolution on October 23, 1975, when a motion was passed to move the records to the McKee Archives.

Scope and Content:

Fonds consists of records that relate to the organization of and activities coordinated by the Women's Auxiliary, as well as records detailing the contribution that the organization made to the university and community of and around Brandon. The records span the entire existence of the Women's Auxiliary from 1955 to 1975.

Records include meeting minutes, treasurers' statements, financial bookkeeping, correspondence, a copy of the constitution, records of members, members' addresses and phone numbers, lists of members' children attending school and their respective degree, lists of council members, event memorabilia, organization letter heads, donation receipts, newspaper clippings, advertisements, publicity reports, meeting reports, visitation records, scrapbooks and scrapbook inventories.

History /

Biographical:

Valleyview Leisure Club (VLC) began in April 1978 as a senior's activity group in conjunction with Valleyview Community Centre. The impetus for the creation of the group was a meeting between John Svenson, Regional Director for Westman Seniors, and seniors in the Valleyview area who met to discuss the organization of a seniors club. At the time the club was established, space was limited at the Community Centre because some school classes were held there during the construction of Riverheights School. However, a New Horizons grant enabled the VLC to remodel and furnish the basement area of the Valleyview Community Centre for the Leisure Club. A Grand Opening of the space was held in May of 1980; there was a special luncheon and the official ribbon was cut by Hon. Ed McGill.

The Valleyview Leisure Club was run by a board and its associated committees and governed by a constitution. Members were charged an annual membership fee, as well as user fees for the various activities. In the early years, the Club had monthly membership business meetings in conjunction with an evening meal and entertainment. The use of the basement area was varied and included: cards; shuffleboard and other games; craft activities; fundraisers; raffles; dances; and luncheons, dinners and potlucks. The space was also rented out for private functions, particularly special birthdays and anniversary's of community members. The Club made annual contributions to the parent Community Centre, as well as helping the Community Centre functions (winter carnival etc.)

In the course of time, the activities of the VLC became more focused on cribbage and bridge, with several regular groups scheduled at regular weekly time slots. At the time of the organization's disbanding, the following groups were active: Friday afternoon contract bridge - the "original" bridge group at the Centre; Tuesday afternoon cribbage; Thursday afternoon "Retired Educators" contract bridge - this group had played in vacant space at Neelin School up until around 1989. Its membership was eventually opened up to anyone who wanted to play in that time slot; Wheat City Duplicate Bridge Club - formed in the City as a sanctioned club and had a number of locations around town. When it moved to the Leisure Club, it came as a

and had a number of locations around town. When it moved to the Leisure Club, it came as a renter only, but chose in 2012 to join as VLC members; and Monday afternoon duplicate bridge - in an effort to increase the number of duplicate bridge plays, a "beginners" duplicate group was established with lessons, which proved to be a popular decision. The group thrived and most of the Thursday evening player began to play at this time also/or instead.

The VLC hosted a Spring and a Fall Bridge Tournament each year, open to anyone, with invitations going to surrounding areas. As well as cash prizes, a cash donation was given to a local charity. In latter years these donations were \$500 per tournament. An annual Christmas Dinner was another popular event. It was a catered event, at least in the later years, and was offered at a subsidized price to members. The club also made a donation to Christmas Cheer at this time.

At some point in the organization's history the VLC came to be seen as a tenant of the Valleyview Community Centre, paying a rent of \$3000 per year for its use of the basement space, as well as some maintenance expenses. When the Valleyview Community Centre voted to raise the rent to \$12,000 per year within two years, the VLC sought other options.

The VLC settled on Prairie Oasis Senior Centre for a number of reasons. First, it offered to provide space for each of the club's existing card groups at the same time slots with no membership fees. Second, the move would also eliminate the increasingly difficult task of fielding a board of directors to run the club. Finally, the Prairie Oasis location offered the advantage of level access; the basement location of the VLC had excluded several of the club's former members with mobility issues.

Effective September 1, 2014, the Valleyview Leisure Club was dissolved. The club disposed of equipment either by donating it to Prairie Oasis or to Valleyview Community Centre. Once all debts were cleared the Board voted to distribute the cash assets to the following local charities: Big Brothers and Sisters; Food For Thought; Humane Society; Prairie Oasis Senior Centre/Meals on Wheels; Salvation Army; Samaritan House; Seniors For Seniors Co-op Inc.; The Soup Kitchen; Westman Regional Hospital; Westman Hospice; and Y Kids.

History /

Biographical:

Born Daniel Milton Kaufman in the Chicago area and a veteran of the Second World War, Kingsley completed his undergraduate degree at the University of Chicago and later his M. Sc. from Northwestern University before coming to Brandon College for the 1928-1929 academic year. Hired on a temporary basis to teach chemistry to replace a Mr Elsey, Kingsley came with good recommendations from Northwestern University in both teaching and laboratory management (The Quill, Sept. 27th, 1928).

In May 1929, Kingsley returned to the University of Chicago to continue his graduate studies (Brandon Daily Sun, May 21st, 1929). Following the completion of his M.D., Kingsley taught at LSU Medical School, Tulane University Medical School and Columbia-Presbyterian Medical Centre, New York City.

Moving to Alexandria, Louisiana in 1939, Kingsley's practice thrived as he was the only bone doctor in Central Louisiana at the time. Kingsley was known for operating free clinics at Huey P. Long Hospital and served as the orthopaedist for 35 years for the Louisiana Special Education Centre. For almost 50 years, Kingsley operated on children without charging for his services.

Kingsley helped found a non-profit rehabilitation centre for post-operative therapy for children with disabilities, called the Rapides Rehabilitation Centre, and served on its board for several years. He also served as president of the Rapides Parish Medical Society, chairman of the Rapides Parish Medical Society Medico-Legal Committee for 30 years, second vice-president of the Louisiana State Medical Society and president of the Louisiana Orthopaedic Association. Other organizations Kingsley was involved with include the American Academy of Orthopaedic Surgeons, Clinical Orthopaedic Society, American Association of Anatomists, American Academy for Cerebral Palsy, American Medical Association, Louisiana Orthopaedic Association, Rapides Parish Medical Society, the Southern Medical Association and as a founding member of the International Arthroscopy Association.

Dr. Daniel Kingsley passed away in June 1992 in Alexandria, Louisiana, and was survived by his wife, Mrs. Helen Wilson Kingsley, their two daughters Ann Lange and Katherine Kingsley, and their son Lawrence Kingsley.

Others records show images of the City of Brandon at this time, including various street images, Dr. Kingsley's accommodations, the Brandon Mental Hospital and the Assiniboine River. The photographs provide insight into the life of a temporary faculty member at Brandon College during this period.

The scrapbook also contains many assorted photographs and clippings from his travels and life following his departure from the College. The majority of the fonds contains photographs and clippings from 1928-1932, with others being undated.

Music in the Brandon Community was created by Brandon University student Richard Bee for the course Advanced Topics in Oral History. The project was conducted under advisement from Dr. Rhonda Hinthier, BU History Department. Interviews were conducted by Bee with members of the Brandon community - Bill Campbell, Elizabeth Grant, Bill and Sue-On Hillman, Ian Robinson and Bill Turner - between June 9-July 7, 2015, about their experiences in the local musical community.

Following the completion of the interviews, Bee created a transcript of the Hillman interview, at their request. Interview logs were created for all other interviews. Bee used the interviews to write an essay titled "Oral History and Community Music: A Case Study of Brandon, MB," which he submitted to Hinthier to meet course requirements.

As part of the ethics approval for the project, records created were slated for donation to the SJ McKee Archives. Bee donated the materials to the McKee Archives in July 2015.

Scope and Content:

The collection consists of consent forms, interview logs, one interview transcript, a copy of Bee's case study and the six audio recordings of interviews conducted with community members.

All of the interviews detail the interviewee's experiences in and around Brandon regarding music in the community: Brent Campbell's interview discusses his life as a music teacher in Brandon, his life, and his participation in Brandon Jazz; Dr. Elizabeth Grant's interview discusses her life, her teaching career at Brandon University and her musical career, including the Brandon Conservatory Chorale, which she founded; Bill and Sue-On Hillman's interview discusses their lives individually and together, their careers, and how music influenced their lives; Ian Robinson's interview discusses the operation of Ted Good Music, his life and performances in Brandon; and Bill Turner's interview discusses his life, radio career, and the Brandon community.

History /

Biographical:

Beverley Clare Hicks (nee Williams) was born in New Zealand in 1938. At the age of sixteen she began working as a nurse's aide at the Mater Misericordiae Hospital in Auckland. From here, she began training at the same hospital and attained her Registered Nurse Diploma, after which she obtained her maternity nursing diploma from the National Women's Hospital in Auckland.

Hicks came to Canada in 1962, and began to work at the Toronto General Hospital in the cardiac care unit. After returning to New Zealand to complete her midwifery training at St. Helens Hospital, she returned to Canada in 1964. She then completed Canadian university entrance equivalency courses in Vancouver while working at the Vancouver General Hospital emergency department. Because her nursing transcript included no psychiatric nursing, she travelled to Brandon in 1967 to participate in a six-month post-diploma course in psychiatric nursing.

Hicks' passion was teaching, and after her six-month course was completed, she spent her time at the School of Nursing at the Brandon Mental Health Centre (BMHC), after which she was offered the opportunity to attend McGill University to obtain a Bachelor of Nursing degree with a psychiatric nursing specialty. Upon her return to Brandon, Hicks developed an in-service education program at the Brandon Mental Health Centre and began training psychiatric nurses to upgrade their skills, particularly in group therapy. She was also the first in Manitoba to train new community health workers. This community education sector of her career lasted nearly 20 years; she was responsible for travelling around Westman to deliver programs in suicide prevention, stress management along with other mental health topics.

As an educator, Hicks taught Family Life Education at Brandon University, Gerontology courses at Assiniboine Community College (ACC), and Counselling for the University of Manitoba Extension Department.

In the later part of her career, Hicks was responsible for resource and housing development for the final phase of the closure of the BMHC. While doing this, Hicks obtained a Masters Degree in Health Education in 1986 from the University of Manitoba.

The final stage of her education career consisted of being hired by Brandon University to teach in Canada's first baccalaureate psychiatric nursing education program. Being in the education setting allowed Hicks to pursue further education at the doctorate level. Once she completed the required courses, Hicks retired from Brandon University to write her dissertation, "From Barnyards, to Bedsides to Books and Beyond: The Evolution and Professionalization of Psychiatric Nursing in Manitoba 1955-1980."

In 2020, with Lesley Peterson, Hicks published "Politics, Personalities, and Persistence: One Hundred Years of Psychiatric Nursing Education in Manitoba."

Beverley Hicks continues to live in Brandon, MB.

Custodial History:

These records were in the possession of Beverley Hicks until she donated them to the S.J. McKee Archives at Brandon University in December 2013.

Scope and Content:

Collection consists of transcripts of interviews conducted by Hicks as part of the research for her PhD dissertation. The interviews were conducted with a variety of former psychiatric nurses, directors, educators and other ward staff regarding their experiences working at the Brandon Mental Health Centre and related groups and organizations. All of the interviews took place between March 2002 and October 2007, and all of the participants were over 65 years of age and had worked or trained between the 1940s and 1980s. The interviews conducted were not formal in nature, rather they were intended to be a casual conversation between

were not formal in nature, rather they were intended to be a casual conversation between Hicks and the interviewee. Each interview begins with a brief biography of the interviewee written by Hicks.

Each interviewee was interviewed once, except for Jack Holleman and Elinor Samuels. Hicks interviewed Hollman three times over the course of approximately a year. Samuels was interviewed twice.

Below is a brief account of specific topics and subjects discussed during each interview. This does not include the standard topics discussed in each interview (schooling, experiences, etc.):

Myrtle Barnett – Barnett was the wife of the first president of the Registered Psychiatric Nurses Association of Manitoba, Alf Barnett. During the interview, she discusses when the association began, and how Alf went to war from 1942 to 1945. It was during this time, Barnett claims, that her husband began to question why men could not be formally trained as psychiatric nurses. Barnett comments on how her husband treated the patients like human beings and discusses his relationship with the Association. She also talks about her husband's time in World War II as well as their relationship.

Remi Beaudette – Beaudette was a long-time attendant/psychiatric nurse at the Brandon Mental Health Centre. His interview describes his participation in the association as well as what duties he conducted through his many years working at the centre. Beaudette goes into detail about the various wards he worked on and what his duties were on each specific ward.

Marlene Brichon – Brichon was one of the first psychiatric nurses to graduate under the first legislation of 1960. During her interview, she discusses the changes in medication and treatments during her time working as a psychiatric nurse, some of the incidents that occurred between nurses and patients, patients with schizophrenia (and what the nurses did to treat it), and her feelings towards the textbooks used in her schooling.

Jack Holleman – During Holleman's interview, they discuss the association, his presidency, how he commissioned the Breen Report and how much he paid for it, as well as the report itself.

John Martyniw – During his interview he discussed his presidency of the Registered Psychiatric Nurses Association of Manitoba, the different locations he worked at (Selkirk Mental Hospital, Misericordia Hospital) as well as his teaching jobs (Selkirk as per the Province of Manitoba). Martyniw discussed his displeasure with how they treated him when he first came to Canada – as an attendant rather than a registered psychiatric nurse, as he was trained. They also discussed the textbooks used during his time as a teacher.

Annette Osted – During Osted's interview, they discuss the Breen Report, a quote from Dr. Tavener, what patients should be called, Challenge and Change, The Task Force, and changes in legislation.

Shirley-Jo Paine – During Paine's interview, they discuss her role in proposing the program for registered nurses and registered psychiatric nurses to Brandon University. They also discuss how supportive surrounding universities and colleges were of the new program at Brandon University.

Gerald Pronyk – Pronyk did not actively practice clinical psychiatric nursing, he focused his attention on the administrative and education side of nursing. The interview discusses his positions as the Director of Nursing Education in Selkirk, the Senior Nursing Administrative Officer, and a mental health program specialist in the mental health directorate in Winnipeg.

Janissa Read – During her interview, they discuss how she became interested in psychiatric

nursing, how spirituality relates to psychiatric nursing, the distinction between a Registered Nurse and a Registered Psychiatric Nurse, and how others felt about the profession of a registered psychiatric nurse.

Elinor Samels – The interview begins with them discussing her achievements at the beginning of her career, after she finished school post-World War II. They follow up by discussing some of the patients she had to deal with, her participation in the Association, her coworkers and how they treated her, and how the new changes affected their day-to-day work.

Walter Tetzlaff – In addition to being a psychiatric nurse, Tetzlaff was also a vocational rehabilitation counselor. He discusses how much he got paid at the beginning of his career, how much his room and board cost during school, what school was like for him, the kinds of things he did after he got his degree, and the textbooks he needed for class. They also discussed what he did as a vocational counselor.

Tom Street – Street was the fifth president of the Registered Psychiatric Nurses Association of Manitoba and graduated from the Portage la Prairie School of Psychiatric Nursing in 1967. During his interview they talk about how he became interested into psychiatric nursing, where he did his schooling, how he was involved with the union and how he didn't like it.
