History /

Biographical:

Inter-Universities North (IUN) began under a mandate established by the Committee of Presidents of Universities in Manitoba to coordinate delivery of degree credit courses from all three Manitoba universities to students living in communities north of the 53rd parallel.

Emily Sawicki became the first person to complete an entire degree program exclusively in the north through IUN in 1979.

Originally the Office of Extension was responsible for the logistics of compiling lists of candidates, arranging interviews and identifying instructors. Student Services provided study skills kits and the Library provided a library skills kit. Library services for IUN students have been available from Brandon University since the early 1970s.

The five First Year by Distance Education (FYDE) communities were Flin Flon, The Pas, Thompson, Dauphin and Russell.
