Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Collection

Accession Number: 22-1998

GMD: textual records

Date Range: 1957-1974; predominant 1970-1974

Physical Description: 36 cm

History /

Biographical:

The idea of the Keystone Centre was first mentioned in 1958, at a meeting of the board of directors of the Manitoba Winter Fair. The Manitoba Winter Fair wanted a new facility because the old Wheat City Arena had a leaking roof and a deteriorating west wall. The old facility also had limited space and the Winter Fair felt it needed more space for expansion. The Provincial Exhibition of Manitoba also had problems with their facilities, such as old barns and poor display areas. The idea of the Keystone Centre was put on hold until 1969, when the boards of the Provincial Exhibition and the Manitoba Winter Fair joined together as the Provincial Exhibition Association of Manitoba and the Wheat City Arena was sold and demolished. The original estimate for the cost of the Keystone Centre facilities was \$4.5 million and funding would be proportioned so that the federal and provincial governments would each put in one-third of the money, with the rest coming from local donations. The financial campaign for the Keystone Centre began in 1970, and construction began in November 1970. The grand opening of the Centre was in March 1973, and coincided with the Royal Manitoba Winter Fair of that year.

Custodial History:

This fonds was accessioned by the McKee Archives in 1998. Prior custodial history is unknown.

#### Scope and Content:

Fonds contains many folders full of correspondence, financial statements, meeting minutes and other documents relating to the development and construction of the Keystone Centre from 1970-1974, including those from the Keystone Executive Committee, as well as the Building Committee. Fonds also contains one folder that pertains to the Brandon Area Agricultural Development Survey from 1959. This folder contains the names and locations of all farmers in the Brandon area in 1959. The Brandon Area Agricultural Development Survey was created in 1959, in order to make farming in the Brandon area more profitable. The survey was aided by Doane Agricultural Service from St. Louis, Missouri, who had success creating agricultural development programs in the United States. Fonds also contains folders from the Provincial Exhibition with correspondence, pamphlets, estimates, and studies from the 1960's. There is also one folder belonging to the Manitoba Winter Fair, which contains correspondence and financial statements relating to the Wheat City Arena. Fonds also contains information pertaining to the proposals made in the 1960's, for the building of the Keystone Centre, as well as one folder about the Keystone campaign from 1970-73. There is also one folder about the opening of the Keystone Centre, which contains newspaper clippings and guest lists. Finally, the fonds contains information about a court case involving Albert Bobyk and Robert Stewart. Stewart was the project manager for the Building Committee and Bobyk worked on the Keystone Center. The fonds includes a report about the trial of the two men who were charged with fraud involving their work on the Keystone Centre.

History /

Biographical:

Lawrence Adne Stuckey was born in Brandon, Manitoba in 1921 to Adne and Catherine Stuckey, and was the grandson of a Brandon pioneer family, the Gilmours. Stuckey attended both Fleming and Earl Oxford schools, as well as the Brandon Collegiate Institute. In May 1941, he began working for the CPR as a wiper/fireman. In October of the following year he joined the RCAF. During World War II, Stuckey served overseas as a Navigator/Bomb Aimer and was promoted to the rank of Flight Sergeant. He continued his work with the CPR after the war, and was promoted to fireman/engineer in 1950. Stuckey left the CPR in January of 1958 to purchase Clark-Smith Photo Studio in Brandon.

Stuckey and his wife Mavis, whom he married in 1946, ran the studio until their retirement in the mid 1980s. Throughout his life Stuckey pursued a number of interests, such as botany, history, photography and politics and was active in many local, provincial and national organizations. He was a member of the Brandon Stamp Club, the Allied Arts Council, Brandon Horticultural Society, Brandon Model Railroad Club, the Brandon Historical Society, and the Fort Whyte Centre. Stuckey was also the author of four books, as well as numerous articles on horticulture, railways, and Brandon area history. In 1987 he received the Manitoba Order of the Buffalo Hunt and in 1997 he was awarded an honorary Doctorate of Laws Degree from Brandon University. Lawrence Stuckey passed away on June 13, 2001.

Custodial History:

The entire collection was housed in Mr. Stuckey's residence at 658 11th St. Brandon, Manitoba, prior to its transfer to the McKee Archives. A portion of the stamp collection was donated to the Archives in August 2001. The balance of the materials were deposited in the Archives following Mr. Stuckey's death.

#### Scope and Content:

Collection consists of a variety of materials, both textual and graphic.

The philately collection is the largest part of the Stuckey Collection and covers a wide geographical and temporal range. The majority of the stamps are from the United States, the British Commonwealth, France and the French Empire. There are also a number of stamps portraying animals, art and flowers.

The slide collection includes approximately 10,000 images of various topics, such as landscapes, flora and fauna of North America and Expo 1967.

The Stuckey photograph collection is perhaps the best collection of Brandon and Southwestern Manitoba photographs in one place. Images include grain elevators and historical buildings of the northern United States and western Canada, railways, the City of Brandon, as well as ships and boats, sporting activities, portraits, animals, flora and fauna, landscapes and farming/homestead photographs. This series also includes a large number of negatives, including glass plate negatives.

The textual materials within the collection include personal journals written by Stuckey covering the years 1935-2001. These journals are autobiographical and act as a key to the rest of the collection in that they provide general time frames and the motivations behind Stuckey's activities. In addition to the journals, the collection consists of copies of Stuckey's four books and a few papers he wrote for the committees and clubs he belonged to. Other textual materials included are a small amount of personal correspondence, and research materials on a number of topics such as the CPR and Brandon area history. There are also three scrapbooks created by Stuckey dealing with his various interests. The collection also contains certificates presented to Stuckey by a number of the organizations he belonged to, as well as his honorary degree from Brandon University and his Order of the Buffalo Hunt award. A number of books, newspapers and articles on various topics, such as stamp collecting and horticulture are included in the collection.

History /

Biographical:

The forerunner of Manitoba Pool Elevators (MPE), the Manitoba Wheat Pool was created in 1924 as a mechanism to allow for the co-operative marketing of wheat by Manitoba producers by the United Farmers of Manitoba. The Manitoba Wheat Pool was initially intended to be a provisional organization until the establishment of an interprovincial Pool, but when Alberta and Saskatchewan established their own permanent Pools the United Farmers decided to do the same. The Manitoba Pool was different from the SK and AB Pools in that the municipality was the primary unit of organization; members belonged to their municipal Pool associations first, rather than having direct membership with the central Manitoba Wheat Pool. Manitoba Pool Elevators was established in 1925 as a subsidiary of the Pool in response to local members complaints about the unfair business practices of privately owned elevators. The private elevators also slowed up the shipment of grain to the Central Selling Agency employed by the Wheat Pool, acting as a barrier between the local Pools and the Manitoba Wheat Pool. Once established MPE quickly began to build new elevators and acquire privately owned elevators.

MPE's approach to marketing grain promised to stabilize the market price of grain and ensure a fair market price to producers. Initially the Manitoba Wheat Pool was very successful. However, in 1930, the Manitoba Wheat Pool found itself burdened with an unsold surplus from the preceding year that had been bought from the farmers at a price that was significantly higher than any possible return during the Depression. As a result, in 1931 the Manitoba Wheat Pool's Central Selling Agency defaulted on its bank loans. Despite attempts to save the organization, it was forced to declare bankruptcy in November 1932. The financial difficulties of the Wheat Pool had little to no effect on the Pool Elevators, and so this former subsidiary organization became the main Manitoba Pool organization. This change meant MPE had to reorganize, which they were able to do with funds from the provincial government. The company was successful enough in subsequent years that it was able to finish repaying the Manitoba government a full year early in 1949.

MPE did not limit itself to grain handling; they wished to enrich the lives of rural families through education and to provide economic stability through diversification.

MPE established a lending reference library for members and a traveling library for rural families in 1926. With the passing of the Public Libraries Act in 1948, the province took over responsibility for providing rural families with books. MPE decided that since their traveling library would no longer be needed when rural libraries were established, the best course of action was to donate their library to the Provincial government. They also established and supported programs that educated young people about agriculture and ag business.

Subsidiary companies that dealt with course grains, livestock, packing and fertilizer were established by MPE to streamline and stabilize business for its members.

1961 marked the high water mark for the number of local associations within Manitoba Pool Elevators with 225 local associations. After this date the associations began to amalgamate and consolidate. Improvements in rural roads and rail systems and increases in the size of farms and mechanization of farm labour meant that fewer elevators were needed to service all members and regions. These changes led to an organizational restructuring of Manitoba Pool Elevators in 1968. Membership became direct, and the main unit of organization became the central office. The central office administrated the Pool through districts, which were further

subdivided into sub-districts. The locals which were formally the main organizational unit came under the immediate direction of the sub-district they were located in. Local association could opt out of this system if they wished, but by 1975 all but 29 associations had become part of the new structure.

In 1998 Manitoba Pool Elevators merged with the Alberta Wheat Pool to form Agricore Co-operative, Ltd. In 2001 this organization merged with the United Grain Growers to become Agricore United, and in 2007 AU was taken over by the Saskatchewan Wheat Pool; the new company is currently known as Viterra.

#### Custodial History:

The bulk of this fonds was accessioned in 1975, when the forerunner to the McKee Archives at Brandon University, the Rural Resource Center, was founded. The original mandate of the Rural Resource Center was to house the records of the Manitoba Pool Elevators. Previous to this, most of the fonds was stored at MPE's head office in Winnipeg. Many accruals to this collection have since taken place, with some of the larger ones being received in 1997, 2001, and 2002.

#### Scope and Content:

Fonds contains records dealing with every aspect of the Manitoba Pool Elevators organization, from the events leading to its formation in the 1920's, to its amalgamation as part of Agricore beginning in the late 1990's.

Fonds includes records of the local co-operative elevator associations established in the period 1925 - 1968 under the Co-operative Associations Act including: organizational papers; minutes of executive boards; minutes of shareholders annual meetings; financial statements; correspondence; membership lists; and miscellaneous documents.

Also to be found are: documents related to the Royal Commission re the Manitoba Pool Elevators Limited ca. 1931; miscellaneous reports and submissions documents (1925 -1952); central office papers consisting of annual reports, circulars to local co-operative elevator associations and documents related to various other activities of the Manitoba Pool Elevators organization. Fonds also contains documents pertaining to the Manitoba Co-operative Poultry Marketing Association Limited and its successor, the Manitoba Dairy and Poultry Co-operative Limited, and related agencies.

Other items in the fonds (dating from the 1890's to 2001) include: books acquired for the Manitoba Pool Elevator Library, including a complete run of both the Scoop Shovel (MPE's first newspaper) and the Manitoba Cooperator; photographs; slides; audiotapes; and reel-to-reel videos.

Finally, the fonds contains a small number of miscellaneous items such as banners, and company issued briefcases.

This fonds is organized into four series, (A) Local Association records, (B) Central Office Records, (C) Subsidiary Companies and Co-operatives, (D) Commissions, Committees and Inquiries

## Provincial exhibition of Manitoba minutes

Description Level: Series

Fonds Number: RG2SF1

Series Number: 1.2

GMD: textual records

Date Range: 1903-1981

Physical Description: 1.17 m

History /

Biographical:

The minutes were created by the summer fair Board of Directors and the various committees and sub-committees associated with the Board.

There is ample evidence in the minutes of the Provincial Exhibition of Manitoba that the administrative structure was largely one by committee. By 1903, there were at least nine separate committees. These committees were Grounds and Buildings, Sports and Attractions, Public Comfort, Advertising and Printing, Privileges, Gates, Finance, Excursion and Transportation, and Prize List. Of these committees only Public Comfort, Privileges, and Excursion and Transportation were comparatively short-lived. These committees are not mentioned after 1903, 1920, and 1925, respectively. The remaining six committees all survive

in various forms to this day.

In 1908 there is mention of a Speed committee, which dealt with the racetrack at the fairgrounds. This committee was in existence until the early 1970s, when racing, along with the condemned grandstand, was discontinued. By 1915 there is mention of a Reception committee that continues on until the mid-1970s.

In the 1920 minutes several committees are mentioned. The committees included Concessions, Grandstand, Accommodation, Police/Security, and Wild Birds and Animals. The Wild Birds and Animals is not mentioned in further minutes, but Grandstand and Accommodation are mentioned into the mid 1950s. Both the Concessions and Police/Security are mentioned until the late 1970s.

In 1925, there are several new committees mentioned. They include Heavy Horse, Light Horse, Beef Cattle, Dairy Cattle, Sheep, Swine, Farm Boy's Camp, Poultry, Grains and Grasses, Horticulture, Dairy Competition, Machinery Row, Natural History, Fine Arts and School Exhibits, and Livestock Parade. The enormous expansion of committees is a reflection of the expansion of the exhibition. Almost all aspects of farming now had its own committee, and an effort to help young people continue in farming was made with the forming of camps for farm boys. All of these committees were long lived, although not necessarily with the original title. From approximately 1930 to 1940, all of the Cattle were lumped together, but by 1950 a Commercial Cattle committee was mentioned, and by 1974 there was also a Special Agriculture Display and Exotic Breeds. By 1979 there were Steer Show and Bull Sale committees. Around 1930, a Calf and Colt Competition committee was also added.

In 1930 there is mention of a Dining Room committee, but it is not mentioned again. In response to changing society, a Car Parking committee was created around 1935. This committee remained under various titles through to today. Another short-lived committee, Grandstand Gates, is mentioned from about 1935 to 1940. For some time there was also a Band Competition committee. It is mentioned from 1940 to 1945, and then not again until 1979.

In 1950 there was a Dogs committee, but no further mention is made of this committee. From 1955 to 1960 there was a separate Fire committee, until it was amalgamated with Police/Security. In 1955 two new committees are mentioned. These are the Trade Fair and Homecraft committees. While the Trade Fair is not mentioned after about 1960, the Homecraft committee seems to have been in existence until the mid 1970s.

A 4-H and Junior Activities committee was formed around 1960 to take the place of the Farm Boy's Camp. This committee continued the exhibition's attempts to keep young rural people interested in farming.

In the minutes for 1970, two more committees are mentioned. They are the Food and Beverage and the Bees and Honey committees. While one would suppose that the Food and Beverage Services committee was a new title for the Concessions committee, the Concessions committee is also mentioned. The Bees and Honey committee is mentioned until about 1974 in committee minutes.

By 1974 three more committees are mentioned in the minutes. They were the Baby Fair committee, which was a petting zoo, the Expansion, Project and Grants committee and the Midway committee. While the Midway and Baby Fair committees lasted until at least the late 1970s, the Expansion, Projects and Grants committee is not mentioned past the mid 1970s. Also mentioned in 1979 are the Pork Congress, Family Fair, Entertainment, and Exhibitor's Lounge committees.

## History /

### Biographical:

Many of these records were donated to the Board by exhibitors and participants in the fairs. Some are advertisements sent to the Provincial Exhibition Board by businesses such as Conklin Shows. Professional photographers, who were likely hired by the Board, generated others. As well, Brandon Sun photographers took a large number of the photos throughout the century. In the 1980s, the Sun photos were reprinted and then the reprints were added to the Exhibition's collection. Privately owned photos were also reprinted and added. Publishing houses generated some photographs, probably as services to participants and organizers of the fairs. Finally, the Canadian and Manitoba governments created a few of the photos.

### Custodial History:

Exhibitors and participants in activities at the summer fair donated many of these records to the Provincial Exhibition Board. The Manitoba Provincial Archives in Winnipeg housed other records, of which the McKee Archives acquired copies. Most of the records were stored in the offices of the Provincial Exhibition Association of Manitoba until they were brought to the McKee Archives ca. 1986.

### Scope and Content:

Series consists primarily of black and white photographs pertaining to the Provincial Exhibition. Subjects of the records vary over the century, but overall subjects included are buildings and grounds, horses, livestock, exhibits, youth activities, entertainment, and dignitaries. Almost all of the materials are in excellent condition.

## BUILDINGS AND GROUNDS

The graphics that depict the buildings and grounds of the summer fair are both ground and aerial photos. From the records generated between 1900 and 1930, there are pictures of the Crystal Palace, the Wheat City Arena, the Experimental Farm, the horse barns, the racetrack, and the grandstand. The pictures dating from the forties through the sixties are of the racetrack, the grandstand, the Provincial Display Building, the Trade Fair Building, and the Main Gate. The records from the 1970s and the 1980s feature the Keystone Centre, cattle buildings, and horse stables.

## HORSES

Graphics from the 1890s through the 1980s feature various light and heavy horses, from single horses to eight-horse teams. Pictures dating from the first fifty years of the fair are of stallion and purebred shows. Also depicted are racing events such as chuck wagon, bike, and single rider races. Graphics of equestrian events like jumping and hackney classes date from World War II until the 1980s. Dating from the fifties to the seventies are photos of children's events like costume classes and pony competitions. Finally, pictures of barrel racing and horse pulling competitions date from the 1970s and 1980s.

## LIVESTOCK

Livestock photos, which date throughout the twentieth century, are mostly of cattle and swine, but there are a few pictures of buffalo and sheep. Cattle photos depict purebreds such as Holstein, Jersey, Hereford, and Angus. Swine pictures are of Yorkshire sows and boars, as well as of market hogs.

## POULTRY AND EGGS

Graphics depicting poultry and egg shows date between 1950 and 1985.

## EXHIBITS

Photos of exhibits taken throughout the century feature home craft displays such as clothes

Photos or exhibits taken throughout the century feature home-craft displays such as clothes and quilts. Tack rooms, farm implement shows, and club displays, like those of the Brandon Lion's Club, are also consistent throughout the period. Other graphics of exhibits are particular to certain years: in the late 1940s through the 1950s auto shows are featured; and from the fifties to the eighties commercial exhibits are prominent.

#### YOUTH ACTIVITIES

Graphics of children and teens' activities form a large part of MG 1. From the 1920s and 1930s, there are pictures of boys and teens who attended the Farm Boys' Camp. Photos taken at the Agricultural and Homemaking School in the late 1940s and early 1950s depict male teens learning about mechanics, welding, and electricity. Photos of female teens at the camp depict weaving, sewing, and cooking classes. In the records dating from 1957 to the 1980s, photos feature both pig and calf scrambles. As well, some pictures are of male teens participating in seed, poultry, and judging courses. Photos of female teens during these years show them participating in such activities as clothes-making, 4-H Queen contests, and fashion shows.

#### ENTERTAINMENT

Entertainment pictures include graphics of the midway, the carnival and travelling acts, parades, and miscellaneous events. Pictures of the midway are both aerial and ground photos, and date from 1913 to the 1970s. Ferris wheels and carousels are the main rides featured until the 1960s, after which many motorized rides like the Wild Mouse and the Tidal Wave are prominent.

Carnival pictures throughout the century include shots of aisles along which several attractions are set up. Photos of clowns and other costumed people are numerous. Graphics of travelling acts depict parachutists (1920s), follies (1950s), exotic dancers (1950s), trained animals (1950s-1970s), singers and bands (1970s-1980s), and trapeze artists (1970s).

Parade photos date throughout the century, and feature pipers, horses pulling carriages, people riding horses, clowns, soldiers, floats, and members of various clubs.

Miscellaneous events graphics include pictures of horseshoe throwing competitions, square dancing shows (1950s), fiddling contests (1970s), smash-up derbies (1980s), and tractor pulls (1980s).

#### FIRST NATIONS PEOPLE

There are seven photos of First Nations people at the summer fair. In all but one of the pictures, they are in traditional costume. Depicted are pow-wows, parades, a female teen sewing a mukluk, and tee-pees. These records date from 1914 to 1969.

#### DIGNITARIES

Pictures of dignitaries are of members of the Provincial Exhibition committees and boards; federal, provincial, and municipal politicians who attended the summer fair; and various business, medical, and judicial representatives. Especially notable are the group photos of the Board of Directors for the years 1894, 1900, 1941, 1949, 1951, 1952, and 1968.

The graphic materials of RG2SF1 are useful for many purposes. For one, they offer a rich visual history of the fair. Agricultural historians will find poultry, horse, livestock, horticultural, and farm implement images informative. Such images describe how farming has changed through the last century. The records offer many clues into the cultural history of Brandon and surrounding area. The nature of the carnival, for instance, changes. At the turn of the century, attractions of various booths were not advertised overtly; one had to pay before they were

given hints as to what they were going to view. By the Second World War, however, attractions' exteriors were more garish. Because the carnival was more open in its advertisements, one can determine that the boundaries between the private and public shifted in the first forty years of the twentieth century.

The pictorial history of the exhibits at the fair reveals much about the city's culture. The pictures from the post-World War II era, for example, are indicative of the period's climate of consumerism: a commercial display building was built and commercial exhibits were added to the displays of the fair. Also signified in the postwar photos is the emphasis upon family values that pervaded the fifties; for instance displays of home-crafts became prominent in these years.

Social historians will find in these records a vibrant portrait of the social composition of twentieth-century Brandon. The community's leaders, for example, are represented in the pictures of the Boards of Directors. From these photos, one can ascertain the social characteristics of Board members: white, male, and middle class. Parade photos are also indicative of social composition, as organizations from all classes of society participated in parades. Agricultural clubs, unions, women's organizations, and church groups are just a few of the entries featured in the parade pictures.

Historians of gender will find that throughout the fairs' years definitions of femininity changed. In the early fairs, women are shown in their booths at home shows, demonstrating their association with the private sphere. During the Second World War, some photos start to appear of women doing secretarial work. After World War II, however, gender norms constricted. Pictures of female teens taking classes at the Agricultural and Homemaking School depict them learning about how to run a well maintained home: they learn about sewing, cooking, and weaving. In the seventies, gender boundaries again shifted: for example, female teens began to participate in the previously male-only calf scramble events.

Finally, these records are useful for any historian of Brandon and area history. There are thousands of people from the region featured in these records. Different places and buildings in Brandon are also a prominent part of the collection. Together, the pictures of RG2SF1 offer a vivid history of both Brandon and the Provincial Exhibition.

History /

Biographical:

The Brandon Art Club was founded in November 1907, and operated in an art studio on the top floor of the Brandon College Women's Residence. The club appears to have been the creation of Miss. H. Hancock, who became the Director of the Department of Art at Brandon College c. 1907. The club moved to larger facilities made available at the First Methodist Church; the organization remained there until sometime during the Great War when the club relocated to St. Paul's Presbyterian Church and then in 1921, to the Prince Edward Hotel. The club's first public art exhibitions were held at the Prince Edward Hotel. Art classes were held for the first time in 1928. In 1968, the Brandon Art Club merged with the Allied Arts Center, which had been formed in 1959. The Allied Arts Center was located at 1036 Louise Avenue. In April 1984, the Allied Arts Center was moved to new facilities at the Arts Center of Western Manitoba located at 638 Princess Avenue. In 1989, it was renamed the Art Gallery of Southwestern Manitoba, and began to function as a "professional, regional art gallery." The Art Gallery of Southwestern Manitoba relocated to 2-710 Rosser Ave. c. 2001.
