History /

Biographical:

James Gordon Lindsay was born June 16, 1925 in Minneapolis, Minnesota where his father, James Lindsay, a Brandon pioneer from Northern Ireland, had been working for the Coca Cola Bottling Company. In November 1925, the Lindsay family moved back to Brandon where they lived at 547 16th Street.

Lindsay attended Park School, Earl Oxford Junior High School and Brandon Collegiate. In September 1943, he entered 2nd Year at Brandon College, joining the Class of 1946. Due to past experience in publishing the BCI yearbook, he was drafted into The Board of Publications and named Co-editor of the Quill along with third year student Genevieve Fuloski. Lindsay and Fuloski held their positions for two years. Because of the war, money and supplies were in short supply and the Quill at one point was reduced to mimeographed pages. While Editor Lindsay wrote The eggshell-Slightly Cracked column.

Lindsay was named Senior Stick in 1945 and graduated from Brandon College with a B.Sc. in 1946. He obtained both his MSc (1948) and PhD (1951) in Physical Chemistry from McMaster University.

During his time in Hamilton, Lindsay met Shirley Woolmer and the couple married on September 2, 1950. They moved to Arvida, Quebec in 1951 where Lindsay accepted an offer from Aluminium Laboratories Limited, the research arm of Alcan Aluminium Ltd. The couple remained in Arvida for twenty-two years, during which time they had four children: Sharon, Heather, Geoffrey and David.

In 1973, Lindsay was transferred to Alcan's head office in Montreal where he spent the next three years co-ordinating alumina research in Alcan plants around the world. In 1976, he accepted a transfer to Alcan Jamaica as Chief Technical Officer and Manager of Technical Development. He and Shirley spent nearly eight years in Jamaica before returning to Canada in 1984. After a year at Alcan's Research Centre in Kingston, ON Lindsay took early retirement.

During their years in Jamaica Lindsay had been introduced to Rotary and he continued his association with the organization in Kingston where for fifteen years he was Bulletin editor of the Kingston-Frontenac Rotary Club. In addition to Rotary, Lindsay (along with his wife) took up genealogy in his retirement and after fifteen years of extensive travel and research he became his Lindsay family's historian and author of *The Lindsays of Dundonald*.

For three years in the late 1980s Lindsay served as a representative on the Brandon University Alumni Executive for Eastern Canada. Along with his wife he attended two class reunions at Brandon University including his 50th Re-convocation in 1996.

At present (June 2010) Gordon Lindsay continues to live in Kingston, ON with his wife.

She took her early education in Pierson, then moved to Brandon to take her Grade XI course in 1919. The following year, Kathleen moved to the Clark Hall Annex on Louise and 11th, in order to attend Brandon College (B.C.) as a student in the Music Department. In the fall of 1921, she entered the Arts Department of Brandon College. During her time at the college, Kathleen was very involved with student life. She was elected Lady Stick for the school year 1924-1925, the highest position in student government that a woman could attain. In the spring of 1925, she graduated with her B.A., then began studies in the Faculty of Education at the University of Toronto.

Kathleen taught school in Melfort, Saskatchewan from approximately 1930-1949, and for several years after that was an instructor at the Saskatchewan Government Correspondence School. Sometime during this period, Kathleen left to serve in the Air Force during the Second World War.

Kathleen Kenner married William A. Kennedy in 1950, and through marriage she gained one son, John Kennedy, and two daughters, Mrs. Claire H. A. Still and Mrs. Janet Sheridan. Custodial History:

This fonds was accessioned by the McKee archives in 1997. Prior custodial history is unknown.

Scope and Content:

The Kathleen Kenner Fonds are organized in three series:

Series 1 – scrapbook (6.5 cm.)

Series 2 - file of correspondence (8 mm.)

Series 3 - newspaper clippings (1 mm.)

The scrapbook contains pictures of Kathleen's life and times at Brandon College and the University in Toronto. There are pictures of students and friends, Brandon College, the University of Toronto, Victoria College, Toronto City Hall, Grandpa Ewing's Farm in Ontario, grad pictures, a train station, and much more. The pictures show dress, women's activities, the ladies' Basketball team, and what Brandon itself looked like in the 1920's. She also included personal notes, cards, invitations to dinners, dances, and luncheons, poems, dance cards, hockey tickets, and various other university mementos.

There are numerous newspaper clippings. One file contains poetry, mainly from her friend Mary McLaughlin MacDonald, letters from her father and mother, a list of College yells, and a copy of "Hail Our College". Kenner has various excerpts from The Quill, letters from former students, and a grapho-analyst report (1933) that she received. An interesting possession in this collection are two speeches that Kenner delivered and kept originals of. The first is her reply to being nominated for Lady Stick in 1924. The second is a speech that she made when she invested her duties of Lady Stick to the new Lady Stick, Rose Vasey in 1925.

Keystone Centre development and construction fonds

<http://archives.brandonu.ca/en/permalink/descriptions4854>

Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Collection
Accession Number: 22-1998
GMD: textual records
Date Range: 1957-1974; predominant 1970-1974
Physical Description: 36 cm

History /

Biographical:

The idea of the Keystone Centre was first mentioned in 1958, at a meeting of the board of directors of the Manitoba Winter Fair. The Manitoba Winter Fair wanted a new facility because the old Wheat City Arena had a leaking roof and a deteriorating west wall. The old facility also had limited space and the Winter Fair felt it needed more space for expansion. The Provincial Exhibition of Manitoba also had problems with their facilities, such as old barns and poor display areas. The idea of the Keystone Centre was put on hold until 1969, when the boards of the Provincial Exhibition and the Manitoba Winter Fair joined together as the Provincial Exhibition Association of Manitoba and the Wheat City Arena was sold and demolished. The original estimate for the cost of the Keystone Centre facilities was \$4.5 million and funding would be proportioned so that the federal and provincial governments would each put in one-third of the money, with the rest coming from local donations. The financial campaign for the Keystone Centre began in 1970, and construction began in November 1970. The grand opening of the Centre was in March 1973, and coincided with the Royal Manitoba Winter Fair of that year.

Custodial History:

This fonds was accessioned by the McKee Archives in 1998. Prior custodial history is unknown.

Scope and Content:

Fonds contains many folders full of correspondence, financial statements, meeting minutes and other documents relating to the development and construction of the Keystone Centre from 1970-1974, including those from the Keystone Executive Committee, as well as the Building Committee. Fonds also contains one folder that pertains to the Brandon Area Agricultural Development Survey from 1959. This folder contains the names and locations of all farmers in the Brandon area in 1959. The Brandon Area Agricultural Development Survey was created in 1959, in order to make farming in the Brandon area more profitable. The survey was aided by Doane Agricultural Service from St. Louis, Missouri, who had success creating agricultural development programs in the United States. Fonds also contains folders from the Provincial Exhibition with correspondence, pamphlets, estimates, and studies from the 1960's. There is also one folder belonging to the Manitoba Winter Fair, which contains correspondence and financial statements relating to the Wheat City Arena. Fonds also contains information pertaining to the proposals made in the 1960's, for the building of the Keystone Centre, as well as one folder about the Keystone campaign from 1970-73. There is also one folder about the opening of the Keystone Centre, which contains newspaper clippings and guest lists. Finally, the fonds contains information about a court case involving Albert Bobyk and Robert Stewart. Stewart was the project manager for the Building Committee and Bobyk worked on the Keystone Center. The fonds includes a report about the trial of the two men who were charged with fraud involving their work on the Keystone Centre.
