Description Level: Collection
Accession Number: 68-1997
GMD: textual records
Date Range: 1890-1944
Physical Description: 2 cm

History /

Biographical:

Hector Ross Hume was born on December 8, 1902, in the R.M. of Glenwood to John Hume and Jean Gordon. He grew up on the family farm, section 29-7-22, later known as Abergeldie Stock Farm, and attended Whitefield School and then Souris High School. Along with his father, Ross operated the 640-acre farm near Souris, Manitoba, where they sold purebred Angus cattle, shopshire sheep, Yorkshire swine, seed grain and had a government approved flock of hens. John Hume retired in 1947, and died in January 1953.

Ross married Mina Radcliffe on December 20, 1929. Together they had one daughter, Margaret (b. April 11, 1932). In the fall of 1953, Ross lost part of his right arm in a farming accident; he continued to operate the farm with the help of his wife for an additional year before the couple sold the farm to Henry Gordon and moved to Souris where Ross obtained a job as Business Manager of the Souris Hospital.

Mina Hume died on February 14, 1960, and shortly thereafter Ross enrolled in a correspondence course in accounting with the Central School of Chicago and in a two year course in Hospital Administration, with the University of Saskatchewan. Upon graduation in 1962, Ross became the Administrator of Souris and Hartney hospitals, a position he held until 1972. Following his retirement, Ross wrote two books - "The Hospital Tree Grows Tall" and "Tale Wagging By and Old Time" - which he published and sold locally.

During his time on the farm, Ross was a member of the Manitoba Cattle Breeders Association and a member of the local Agricultural Society. He was also secretary of the latter organization. From 1968-1981, Ross was on the Board of Directors for Victoria Park Lodge, and for a while in the 1970s, he was on the Board of Directors for the Souris Hospital.

Ross Hume died on January 9, 1986 at Victoria Park Lodge in Souris, Manitoba.

Keystone Centre development and construction fonds

<http://archives.brandonu.ca/en/permalink/descriptions4854>

Part Of:	RG 5 Western Manitoba Manuscript Collection
Description Level:	Collection
Accession Number:	22-1998
GMD:	textual records
Date Range:	1957-1974; predominant 1970-1974
Physical Description:	36 cm

History /

Biographical:

The idea of the Keystone Centre was first mentioned in 1958, at a meeting of the board of directors of the Manitoba Winter Fair. The Manitoba Winter Fair wanted a new facility because the old Wheat City Arena had a leaking roof and a deteriorating west wall. The old facility also had limited space and the Winter Fair felt it needed more space for expansion. The Provincial Exhibition of Manitoba also had problems with their facilities, such as old barns and poor display areas. The idea of the Keystone Centre was put on hold until 1969, when the boards of the Provincial Exhibition and the Manitoba Winter Fair joined together as the Provincial Exhibition Association of Manitoba and the Wheat City Arena was sold and demolished. The original estimate for the cost of the Keystone Centre facilities was \$4.5 million and funding would be proportioned so that the federal and provincial governments would each put in one-third of the money, with the rest coming from local donations. The financial campaign for the Keystone Centre began in 1970, and construction began in November 1970. The grand opening of the Centre was in March 1973, and coincided with the Royal Manitoba Winter Fair of that year.

Custodial History:

This fonds was accessioned by the McKee Archives in 1998. Prior custodial history is unknown.

Scope and Content:

Fonds contains many folders full of correspondence, financial statements, meeting minutes and other documents relating to the development and construction of the Keystone Centre from 1970-1974, including those from the Keystone Executive Committee, as well as the Building Committee. Fonds also contains one folder that pertains to the Brandon Area Agricultural Development Survey from 1959. This folder contains the names and locations of all farmers in the Brandon area in 1959. The Brandon Area Agricultural Development Survey was created in 1959, in order to make farming in the Brandon area more profitable. The survey was aided by Doane Agricultural Service from St. Louis, Missouri, who had success creating agricultural development programs in the United States. Fonds also contains folders from the Provincial Exhibition with correspondence, pamphlets, estimates, and studies from the 1960's. There is also one folder belonging to the Manitoba Winter Fair, which contains correspondence and financial statements relating to the Wheat City Arena. Fonds also contains information pertaining to the proposals made in the 1960's, for the building of the Keystone Centre, as well as one folder about the Keystone campaign from 1970-73. There is also one folder about the opening of the Keystone Centre, which contains newspaper clippings and guest lists. Finally, the fonds contains information about a court case involving Albert Bobyk and Robert Stewart. Stewart was the project manager for the Building Committee and Bobyk worked on the Keystone Center. The fonds includes a report about the trial of the two men who were charged with fraud involving their work on the Keystone Centre.
