History /

Biographical:

In the summer of 1986, faculty members at Brandon University developed a project aimed at identifying the archival records that existed in public and private collections throughout western Manitoba. A grant was secured from the Manitoba Heritage Federation, and researchers were employed to travel throughout the region to identify and record the wide variety of records. The results of their work was a four volume set of inventories.

Custodial History:

W.R. Morrison left the university in 1991. At the time he gave Tom Mitchell copies of volumes 1-3. In 2006, John Everitt provided the archives with a copy of volume 4.

Scope and Content:

Fonds consists of four volumes: 1987, 1988, 1989 and 1991. The inventories were generated through extensive research at various centres throughout western Manitoba. Each inventory contains a record of archival materials held by individuals, organizations and/or municipalities throughout the region.
