Physical Description: 2.37 m (not including The Quill)

History /

Biographical:

The Brandon University Student's Union (BUSU), Local 37 of the Canadian Federation of Students, was incorporated in 1969 as the students' organization of Brandon University. Its predecessor was the Brandon College Students' Association, which was established in 1899. BUSU is a not-for-profit society that serves to represent the students of Brandon University; all regular full and part-time students at Brandon University are members of the Students' Union.

BUSU has several broad functions: they are a service provider that offers programs and support services to students throughout the year; they act as lobbyists on behalf of the student body at the local, provincial and federal levels, working with the other member locals of the Canadian Federation of Students, Canada's national and provincial student movement; they represent the student body within the important, decision-making bodies at BU, such as the Board of Governors and Senate; and they provide funding for student clubs and organizations. BUSU is bound legally to the Brandon University Students' Union Constitution and Bylaws and the Universities Act of Manitoba.

BUSU draws on collected student fees to operate. Its administrative structure consists of a board of directors consisting of 11 voting members. Students elect representatives to relay their issues and concerns to the University community, the community at large, and all levels of government. A democratically elected council, made up of members from various constituencies on campus, oversees the work of the Students' Union. The council includes four executive officers (the President and three Vice Presidents – Academic, Finance, and Student Activities), numerous commissioners, and one liaison. The work of the Students' Union is also powered by the efforts and dedication of countless campus and community volunteers and staff. BUSU also has a voting student representative on the Board of Governors and Senate.

BUSU holds annual and semi-annual general meetings, full council meetings, and council committee meetings throughout the year. All meetings are broadly advertised to the membership and are open to students. As BUSU members, students have full speaking rights at any meeting of the Union, as well as voting rights at general meetings.

History /

Biographical:

Brandon University received its charter on June 5, 1967, on the occasion of the visit of Her Royal Highness Princess Alexandra and the Honourable Angus Ogilvie. The institution has its roots in Brandon College, which was established in 1899, by the Baptist Convention of Manitoba and the Northwest Territories and was administered by that authority until 1938. During these years it was an affiliate, first of the University of Manitoba and, from 1911 to 1938, of McMaster University. In 1938, it became a non-denominational affiliate of the University of Manitoba, under a board of directors elected by the Brandon College Corporation, and it continued as such until it was made a provincial university in 1967.

1967-1968 was the first year of operation as Brandon University.

The University is a co-educational, non-denominational, government-supported institution within the Province of Manitoba. It is a member of the Association of Universities and Colleges of Canada (AUCC) and the Association of Commonwealth Universities (ACU).

As stated in The Brandon University Act (1998), the purposes and objects of the university are: (a) the advancement of learning and the creation, preservation and dissemination of knowledge; and (b) the intellectual, social, ethical and physical development and improvement of its students and employees and of society. To further its purposes and objects the university may: (a) establish and maintain such colleges, faculties, schools, institutes, departments, chairs and courses of instruction as the board considers appropriate; (b) give instruction and training in all branches of learning; (c) grant degrees, including honorary degrees, diplomas and certificates of proficiency; (d) provide facilities for original research in every branch of learning, and conduct or facilitate the conducting of such research; and (e) generally promote and carry on the work of a university.

The mission statement of the University is to shape the whole person and enable students to make a positive difference as citizens and leaders. In a welcoming and supportive setting, the University emphasizes research, scholarship, critical thinking, performance, artistic creation, communication and participation, as a means of imparting value and meaning to society and contributing to the public good. The University nurtures and develops excellence in its programs, attracts an outstanding faculty, defends academic freedom, preserves knowledge and sustains a scholarly community where cultural differences are valued. History /
Biographical:

The first organization involving the students of Brandon College was created in 1899 or 1900. It was entitled the Literary Society. This society was run by students and faculty to cultivate literary and musical gifts and to provide training in public speaking and in the transaction of business. In 1901, a College branch of the Y.W.C.A. was formed as well as a Students' Missionary organization. A College branch of the Y.M.C.A. followed in 1902. The Brandon College Athletic Association was created in 1904 to direct the affairs of the various athletic games.

The first idea of a Student Council-type organization began in 1906 with the creation of the Students' Committee. This committee was created in order to develop a worthy College spirit and to promote a worthy College life.

"A committee of five students shall be appointed annually early in the college session whose office it shall be to confer with the Resident Master on matters pertaining to residential life, and with the Faculty on matters pertaining to the general life of the College. This committee shall consist of five members, three resident and two non-resident. In matters relating to the residence the three resident students alone shall act. This committee shall represent the Student Body in any matters in which that body may wish to confer with the Faculty, or may of its own motion confer with the faculty on any subject thought to be of interest in promoting proper College life."

In 1909 the Debating Society was created for training in public speaking. A Publications Committee was created in 1910 to publish the new student magazine, The Quill. The Students' Committee became known as the Student Council in 1915. Also in 1915, a Committee on College Activities was formed. This consisted of the President, two faculty members and two students. It was appointed by arrangement of the College Council each year to regulate the various activities of College life. It became known as the Functions Committee in 1921.

The 1920-1921 College Calendar is the first calendar that mentions the Brandon College Students Association. It states under the heading of Student Organizations that:

"The Literary and Debating Societies, the Athletic Association, the Y.M.C.A. and the Y.W.C.A. are integral parts of the Brandon College Students' Association, and are managed by committees appointed by the Association."

1921 saw the formation of the Students' Christian Movement which replaced the Y.M.C.A. and the Y.W.C.A. Under the Students' Christian Movement group, students held weekly devotional and educational services, and conducted Bible and mission study classes.

The 1936-1937 College Calendar shows that a change took place that year in the student council. Instead of just five students of the College being elected to the Council, there are now two separate councils. The calendar states that:

"The students of the men's and of the womens' residences appoint annually a representative

committee of five, whose function it is to consider the interests of College life from the point of view of the residence body, conferring with the Faculty when necessary."

Although these groups of five were known as the student council, there was a Student Executive of the Brandon College Students Association that was a separate entity. It consisted of the Senior Stick, the Lady Stick (since 1923), the heads of various boards, and the class presidents. This governing student body continued until 1966 when it underwent an extensive reorganization. During that year, the positions of Senior and Lady Sticks were abolished so that the elected student president could be a man or a woman. This president would be assisted by elected 'sticks' from each faculty of Arts, Science, Education and Music. This form of government continued until 1967, when Brandon College became Brandon University.

Scope and Content:

The Student Association files cover a wide variety of topics and consist mainly of minutes from various student groups and clubs on the Brandon College campus. The records are a first hand look at how student governments were run during the Brandon College era.

The Brandon College/Brandon University Women's Auxiliary was founded on February 17, 1955, with the purpose of a) foster[ing] good public relations between the university and the community, and to stress the importance of Brandon University to Western Manitoba; b) to gain a better knowledge of the functioning of Brandon University and; c) to improve the surroundings of the College/University's students and the university at large. They were to hold four regular meetings per annum, with an annual meeting in April, and one fund-raising tea a year. The organization raised money through these teas, as well as through receptions, with the intention of donating to the college/university and surrounding community, contributing to the furnishing of residences and offices at teh college/ university, as well as facilitating an annual community visitation day for the public to tour the university. The organization's name was change from the Brandon College Women's Auxiliary to the Brandon University Women's Auxiliary along with the renaming of the school itself on July 1, 1967. The organization was sometimes referred to simply as the Women's Auxiliary.

The Auxiliary was run by an elected President and Board of Executives. Its members, who were all mothers of Brandon College/Brandon University students, paid an annual membership fee. Subcommittees within the organization included those in charge of social organization, membership management, program management, phoning management, press and publicity management and project management; all of these were fronted by their own individual leaders from within the members, under the board of executives. History /

Biographical:

BUFA was formed in 1957 as an academic organization with its primary aim the entrenchment and protection of academic freedom.

In subsequent years, BUFA became more involved in promoting the economic, social and general interests of its members. This process culminated in 1971 when BUFA obtained voluntary recognition as bargaining agent for its members from the University. The relationships between the Faculty and the university were governed by the "Faculty-Administration Brief" (the precursor to the present Collective Agreement).

A dispute arose between BUFA and the University in 1976, when BUFA requested that Instructional Associates be included in the bargaining unit and that the University deduct union dues. The University rejected BUFA's request. BUFA applied to the Manitoba Labour Board for resolution of the dispute. A Board hearing was held in Brandon on May 31, 1977.

At this hearing the Labour Board determined that, since the University had rejected BUFA's contention that it was a union, it would first have to answer the question: Is BUFA a union? In a decision dated June 16, 1977, the Board ruled "that BUFA is not a union; that following therefrom the faculty administration brief is not a collective agreement."

Following this ruling, BUFA launched a certification drive in September 1977. Application for certification was filed with the Labour Board October 17, 1977. In anticipation of a favorable certification ruling, Dennis Olson and Gerald Neufeld collected existing collective agreements from other universities across Canada. They attempted to incorporate the best features from the old Faculty-Administration Brief and these other agreements into the first draft of the proposed collective agreement.

Certification was confirmed January 1978. The bargaining unit defined in the Certificate included: all full-time and part-time members of the academic, instructional and related staff at Brandon University including laboratory instructors, cartographers, counsellors, professional librarians, continuing education specialists and all other staff directly related to the teaching process. It also included sessional instructors.

Since certification in 1978, BUFA has attempted to function as a principled and effective union. These efforts have included: establishing links with other unions and progressive organizations in the community; participating in the Manitoba Organization of Faculty Associations; vigorously pursuing member and union grievances through to arbitration; advancing the rights and interests of members at the bargaining table; and promoting and protecting academic freedom.

The most recent chapter in BUFA's history was a successful strike in 1998, which started November 9th and ended at midnight November 11th.

The general objectives of BUFA are the advancement of higher education through the protection of the freedom that is necessary to it, and the improvement of the standards of the profession of University teaching. Its members include all full and part-time instructional staff of Brandon University and professional librarians.

Officers of BUFA include the: President, Past President, Vice-President, Secretary and Treasurer. Elected by the General Body at the annual meeting in March. Associate members are not eligible to serve as officers.

Executive - officers and four members elected by the General Body to represent the Faculties of Arts, Science, Education and Music. Four elected at annual meeting. Acts as liaison between BUFA and the University Administration. May appoint committees chosen from the General Body to carry on routine affairs and to act in areas of special interest as directed by

the General Body of by the Executive. The Standing Committee of BUFA is the Salary and Faculty-Administration Relations Committee - its duties are to represent the interests of BUFA in negotiating the salary schedule and other benefits and the Faculty-Administration Brief with the Board of Governors or its representatives. The Vice-President of BUFA is to be the Chairman.

McS 4 Seed Marketing Co.

Part Of: RG 3 A.E. McKenzie Company fonds

Description Level: Series

Series Number: McS 4

Date Range: 1933-1965
Physical Description: 7 cm

History /

Biographical:

The Seed Marketing Company Ltd. was located at P. O. Drawer 1885, Winnipeg, Manitoba, and, later, at 382 Maryland Street, Winnipeg. Created by the A. E. McKenzie Co. Ltd., this company was incorporated under Dominion Charter by Federal Letters Patent, dated March 18, 1930. As well, the company was registered only in Manitoba under the provisions of the Manitoba Companies Act.

A. E. McKenzie made the application for the charter under the name A. E. McKenzie Co. Ltd. and, from 1933, the Board of Directors was made up of employees of A. E. McKenzie Co. Ltd. Although the authorized capital stock of the company was 500 no par value shares, only 50 of these were issued and allotted at a price of \$10 per share.

According to a letter written by A. E. McKenzie to the Acting Director, Department of the Secretary of State, Companies Division, Ottawa, Ontario, the company was created with a specific purpose in mind. During the years 1930-1933, A. E. McKenzie Co. Ltd. accumulated a large quantity of oats for seeding purposes, at a time when crops were generally poor due to extended drought. These seeds, as well as wheat, barley and flax were supplied to farmers on a signed order in the name of Seed Marketing Co. Ltd. Parties, either individuals or municipalities, took a "Seed Grain Mortgage" from the Seed Marketing Co. as a method of payment. This enabled the farmers, who had little or no money, to plant crops. Presumably following harvest the mortgage was paid off.

On the whole the idea of supplying distressed farmers with seed through a Seed Grain Mortgage was fairly successful. In addition to selling the seed directly to the farmers, seed was also sold to rural municipalities, from whom payments were assured. The municipalities, in turn, assumed responsibility for payment from the farmers to whom they had supplied the seed purchased from the Seed Marketing Company.

The original Board of Directors was as follows: A. B. Downing, J. L. Lowes, F. B. Roberts, F. C. Thompson, and J.A. Young. Each received 1 share each in the company. H. J. Morden, a former member of the Corporation, held the other 45 shares from Winnipeg.

From 1933-1936, J. A. Young was President of the company. Following his death in 1936, the position was given to A. B. Downing, who acted as President of the Seed Marketing Company until illness forced him to step down in 1959. In 1960, J. L. Lowes became President, and the following members of A. E. McKenzie Co. Ltd. became Directors: R. R. West, Miss E. A. Yeo and J. R. McPhail.

The Seed Marketing Company had been kept alive under its original charter in case A. E. McKenzie Co. Ltd. might have cause to use it for some other purpose. Eventually, the company was considered in default by the federal government for neglecting to fill Annual Returns for the year 1962. At that time, the company was informed that it was no longer considered a subsisting corporation, and, as such, was no longer entitled to the sole use of its corporate name. That same year, A.E. McKenzie Co. Ltd. relinquished interest in the Seed Marketing Company Ltd., and the remaining Directors resigned their positions.

The name "Seed Marketing Co. Ltd." was also used by A. E. McKenzie Co. Ltd. on two other occasions. Around 1948, the name was used in Ontario under authority of an Extra Provincial License from the Province of Ontario, especially in labeling cartons of a Lawn Grass mixture to meet price competition in Quebec, the Maritimes and Towers Discount Department Stores.

Prior to 1948 the name was used to in the purchase of Forage Crop Seeds in northern Manitoba, Saskatchewan and Alberta.
