FORWARD-ALL TOGETHER

It is longer need the Manitoba farmer complain that he has nothing to say in the price which he receives for the product of his farm.

Operating in the Province since 1923 he has the Manitoba Co-operative Elevator with 2,110 member, The Cattle Pool operating for over seven with 1,000 Manitoba sheeping, The Manitoba Co-operative Poultry Marketing Association operating since 1921, now having 1,000 members. The Co-operative Elevator Company, now years old, with 100 Manitoba sheeping out of 1,000 sheepmen in Manitoba, The Wheat Pool with 1,210 members, operating over 10 other kinds other grain.

Every one of these co-operative organizations has been successful in getting the better price for the product which he has marketed. They all work more united to make that they may be able to give him still better service. We believe that the Wheat Pool Elevator will be a better co-operative, a better service and a better price. If he demands the wheat, sheep, poultry, eggs and wool through his own organizations. We have enough co-operative theory. Let's have more co-operative action.
