Part Of:	RG 6 Brandon University fonds
Description Level:	Series
Series Number:	14
GMD:	textual records
Date Range:	1907-2006
Physical Description:	2.37 m (not including The Quill)

History /

Biographical:

The Brandon University Student's Union (BUSU), Local 37 of the Canadian Federation of Students, was incorporated in 1969 as the students' organization of Brandon University. Its predecessor was the Brandon College Students' Association, which was established in 1899. BUSU is a not-for-profit society that serves to represent the students of Brandon University; all regular full and part-time students at Brandon University are members of the Students' Union.

BUSU has several broad functions: they are a service provider that offers programs and support services to students throughout the year; they act as lobbyists on behalf of the student body at the local, provincial and federal levels, working with the other member locals of the Canadian Federation of Students, Canada's national and provincial student movement; they represent the student body within the important, decision-making bodies at BU, such as the Board of Governors and Senate; and they provide funding for student clubs and organizations. BUSU is bound legally to the Brandon University Students' Union Constitution and Bylaws and the Universities Act of Manitoba.

BUSU draws on collected student fees to operate. Its administrative structure consists of a board of directors consisting of 11 voting members. Students elect representatives to relay their issues and concerns to the University community, the community at large, and all levels of government. A democratically elected council, made up of members from various constituencies on campus, oversees the work of the Students' Union. The council includes four executive officers (the President and three Vice Presidents – Academic, Finance, and Student Activities), numerous commissioners, and one liaison. The work of the Students' Union is also powered by the efforts and dedication of countless campus and community volunteers and staff. BUSU also has a voting student representative on the Board of Governors and Senate.

BUSU holds annual and semi-annual general meetings, full council meetings, and council committee meetings throughout the year. All meetings are broadly advertised to the membership and are open to students. As BUSU members, students have full speaking rights at any meeting of the Union, as well as voting rights at general meetings.

## History /

### Biographical:

Ruth Alverda Wade was born July 11, 1912 in Brandon, MB to James and Etta Alverda. She had two younger siblings: sister Gwen and brother Sherry. The Wade family resided at 1837 Princess Avenue, Brandon, MB. Ruth graduated from Brandon College with the Class of 1933.

During her time at Brandon College Ruth met Archie MacLachlan. Archibald James MacLachlan was born in Sault Ste. Marie, Michigan in 1907. He had four brothers: Howard, Edgar, Bruce, Curly and Stirling. When Archie was quite young the MacLachlan family moved to Alberta. Archie came to Brandon c. 1930 to attend Brandon College. During the summers of his years at Brandon College Archie held pastoral charges in Alberta. The first two summers were spent in the Peace River Country and the second two in Etzikom in Southern Alberta. This is the period during which the letters in the fonds were written.

Ruth Wade married Archie MacLachlan on September 19, 1934 in Brandon, MB. Following the wedding the couple moved to Hamilton, ON. Archie graduated from McMaster University with his Bachelor of Divinity degree in 1937. During this period their daughter Joann Ruth was born. After his ordination as a Baptist Minister the family moved to North Bay where Archie was minister for four years. The next six years were spent in Vancouver as Archie worked as minister at Fairview Baptist Church in Vancouver. The couple's sons Archibald James and Lachlan Wade were also born during this period.

At the end of the Second World War Archie decided to go back to school. The family travelled to Brandon, where Ruth and the children remained for part of a year while Archie went ahead to Andover Newton to enroll and find a parish that would support him while he went to school. The family was reunited in Penacook, New Hampshire; they lived there for two years while Archie completed his Masters in Sacred Theology. After a brief additional period of study at Harvard University, the MacLachlan family returned to Canada, settling in Toronto while Archie finished his second Masters degree (Psychology) and held positions as interim minister and then assistant minister at York Minster Church. Following the two years in Toronto they moved to Winnipeg.

Eventually Archie left the church ministry and became Chaplain at the Hamilton Psychiatric Hospital. He also continued to train students in Pastoral Education through the courses he had begun at the Divinity College of McMaster University. He remained at the Hospital until his retirement.

During their married life Ruth was kept busy raising the couple's children and with her work as a minister's wife, particularly her work in the community. She sat on a number of community boards, including positions as President of the Baptist Convention of Ontario and Quebec and a member of the Board of Governors for McMaster University's Divinity School.

Ruth MacLachlan died on October 29, 1983 in Mississauga, ON.

Archie married Kathleen Marie (Green) French (b. January 22, 1908, d. June 1, 1998) on June 20, 1987. Archie MacLachlan died in December 1997.

### Custodial History:

Records were in the possession of Ruth and Archie MacLachlan until their deaths. At that time the records were inherited by their daughter Joann. Joann MacLachlan donated the records to the McKee Archives on October 24, 2009 at a donation event held as part of Homecoming 2009.

#### Scope and Content:

Fonds consists of approximately 197 letters written by Ruth and Archie to each other during the spring and summers of 1932, 1933 and 1934. The letters were written during the courtship of the couple and contain details not only on about their lives in Brandon and Alberta but also more personal information about their relationship, families and future plans. Because Ruth and Archie were students at Brandon College during this period the letters also often reflect on events and personalities related to the College, as well as their own personal studies.

Fonds also contains a scrapbook compiled by Ruth during her Brandon College years. It includes photographs, newspaper clippings, graduation cards, event programs, place cards and other ephemera. There are also a few miscellaneous documents - McMaster University examination papers, handwritten sheet music, postcards - that appear to have belonged to Archie. Fonds also contains a graduation photograph of Ruth.

Notes: Description by Christy Henry. History/Bio information taken from Joann MacLachlan's book Ruth and Archie: Brandon and Brandon College 1932-1934.

A copy of the book is located in the Rare Book collection of the John E. Robbins Library, Brandon University. William Ridley Sheridan Wade collection (28-2007)
Arrangement:	<p>The letters are arranged in chronological order with all of Archie's letters to Ruth for a particular year grouped together, followed by Ruth's letters to Archie for that same year. For preservation purposes photographs in the scrapbook have been removed and placed in photograph storage, with their corresponding scrapbook page number noted on the back. Because of the fragile condition of the scrapbook a note has been made concerning the original location of many items that have become detached from their original location in the scrapbook. These items remain with the remnants of the scrapbook in one archival housing. Note that Ruth did not place items on every page so the numbering is not sequential for scrapbook items. Some items were loose at the back of the scrapbook and therefore have no corresponding page number.</p>

Part Of: RG 1 Brandon College fonds

Description Level: Series

Series Number: 3

GMD: textual records

Date Range: 1910-1967

Physical Description: 2.03 m

History /

Biographical:

The Office of the Bursar was created in 1910. As head of financial affairs, a Bursar was more compatible to the administrative framework of other universities in Canada. The initial duties of the Bursar were the collection of all fees, control of funds and disbursements, donations, purchasing, supervision of grounds, and progressive measures in the investment of funds and the enlargement of finances. By 1913, the Bursar was also in charge of the book department, boarding, grounds and gardens, buildings and heating plant.

By 1924, the Bursar had become so involved in the management of College affairs that the Board established a committee to examine the functions of the President and the Bursar "with a view to readjustment for efficiency." The committee presented its report later that year, clearly defining nine functions of the Bursar. These functions were the keeping of books, banking, general handling of student fees and accounts, general handling of all trade accounts, handling of maintenance and extension movement pledge cards and receipts, general responsibility for the purchase of all supplies, supervision of fireman and janitor, supervision of buildings and grounds and the submission of a monthly report to the Secretary of the Executive. In 1929, the Bursar took on the role of Secretary to the Executive.

At several times during the history of Brandon College the Bursar and the Registrar were combined into one job.

History /

Biographical:

The structure of the Manitoba Pool Elevators from its beginning in 1925 until its restructuring in 1968 placed importance in the principle of democracy. The company was run from the local associations, the central office acting as a hub that facilitated communication between all the locals and between the locals and the selling agencies. The central office was not powerless, but important decisions or by-laws could not be made without the consent of the majority of the locals.

After the restructuring of MPE in 1968 the central office took on more responsibilities. It became the top of the administrative structure and instead of members belonging to their local elevator, they were now direct members of MPE. This administrative structure continued until the 1998 merger with the Alberta Wheat Pool to form Agricore.

Scope and Content:

Series B consists of an artificially assembled collection of Central Office records. It has been divided into the following sub-series: (1) Central Office minute books; (2) Documents; (3) Local Association Minutes; (4) Local association financial statements; (5) District and Sub-district records; (6) Circulars; (7) Annual reports; (8) Speeches & Addresses; (9) Correspondence; (10) Broadcasts; (11) General Reports; (12) Indexes; (13) Summary of Association Operations; (14) Acquisitions; (15) Inter-provincial Committees; (16) Historical Topics.

Date Range: 1899-1967

History /

Biographical:

The Office of the President of Brandon College was established in 1899 under the title of Principal. The Principal was the head of the Academic Department and the Administrative body. In 1910, the position of Principal was changed to the position of President. There is no documented reason given for this change, but it was consistent with other universities and colleges at the time. When the institution was first organized in 1899, the role of the Principal was quite varied. It was the Principal who acted as both Registrar and Bursar, in addition to his duties as head of administration. The Principal also acted as a professor. It was the Principal who kept the college in contact with the Baptist Union. The Principal also acted as the liaison between the Board of Directors and the Senate, being an ex-officio member of both. In 1910, the roles of Registrar and Bursar were no longer the responsibility of the President. In the 1920's the President became increasingly involved with fundraising and traveled extensively in search of financial support.

In 1938, following the "Act to Incorporate Brandon College Incorporated," the Board of Directors, under by-law #1, assigned the President with "the internal management of the business of the Corporation insofar as it relates to the students, teaching and office staff shall be under the direct supervision of the President, subject to the order of the Board." In 1965 the President's Office was created, consisting of the President, Executive Assistant to the President (later Deputy to the President), and Secretary to the President who was also the Public Relations Assistant. From 1899 until 1967 the Office of the President was administered by six different men.

Scope and Content:

Series consists of records generated and collected by various presidents. The series has been divided into six sub-series, including: (1) Dr. Archibald P. McDiarmid; (2) Dr. Howard Primrose Whidden; (3) Dr. Franklin W. Sweet; (4) Dr. David Bovington; (5) Dr. John Robert Charles Evans; and (6) Dr. John E. Robbins.

History /

Biographical:

The Brandon College Dean was the head of the College in the absence of the President. It was created in 1925 after the sudden passing of Dr. Sweet. Dr. Harris MacNeill, who had been Dean in Arts up until that time assumed the position of College Dean. The duties of the College Dean were as follows:

1. In the absence of the President of the College he shall exercise the functions of the President in relation to all "inside" College matters; it being understood that frequently it may be necessary for him to exercise his personal judgment apart from anything that may be specified in this memorandum.
2. With respect to matters of special importance arising unexpectedly he shall consult with the Chairman of the Board, or by telegram with the President, or both.
3. All questions arising that have a direct connection with the "business" aspects of College affairs shall naturally be referred to the Chairman of the Board, or the President, or both.
4. In the absence of the President he shall preside at all Faculty meetings, Committee meetings of which the President is Chairman, and shall attend meetings of Committees of which the President is an ex-officio member.
5. In the President's absence he shall preside at the regular Chapel Exercises and at special College gatherings in the Chapel at which the President would naturally be expected to preside.
6. He shall also keep in touch with the work of the several departments of the College and shall consult frequently with the Heads of such departments.
7. While the Lady Principal and the Resident Master are responsible for the detailed administration and discipline of the College life and activities of Clark Hall and Brandon College respectively, the College Dean shall have the absent President's responsibility for the general discipline of the College in respect of the students' relation to Courses of Study, Corridor, Campus, etc.
8. That the President when absent may be kept in touch with the work of the Institution it is desirable that the College Dean keep him informed of the more important happenings and problems with College life.
9. Throughout the Session the College Dean shall be Registering Head of the Arts Department.

The position of College Dean continued until 1952. In 1952 the position became known as the Dean of Arts and Science. In 1963, another change occurred, with the two departments going separate ways. From that time on there was both a Dean of Arts and a Dean of Science.

## History /

### Biographical:

The offices of the President and General Manager were established in 1896 with the creation of A. E. McKenzie Seed Co. Ltd. These positions were held jointly by the one officer of company until 1975, when the Board of Directors of the Company divided the two positions, thereby relieving the President from management of plant operations.

Under the General By-Laws of the Company, the President, when present, presided over all Board of Directors meetings. He also signed all documents that may have required his signature and performed any other duties assigned to him by the board. The President exercised general supervision and control over the business of the Company and performed such duties as are usually associated with the office of President or Chief Executive officer of a company.

The General Manager had full power and authority to manage and direct the business and affairs of the Company. He was also responsible for employing and discharging agents and employees of the Company. After A.E. McKenzie gifted the majority of his company shares to the Government of Manitoba in 1945, the General Manager remained responsible for all operations of the Company. However, the General Manager found himself accountable to a Board of Directors comprised mainly of government appointees.

A. E. McKenzie held the offices of President/General Manager from 1896 until his death in 1964, at which time J. Lasby Lowes succeeded him. Following Lowes' retirement in 1968, A.R. Swanson was appointed by the government to fill the positions. Anthony J. Maruca became President of A.E. McKenzie Co. Ltd. in 1972. In 1975, the Board of Directors appointed William Moore the first individual to hold the position of General Manager without also occupying the President's office. At the same time, Mr. Pat Kelleher was named the new interim President. Following Kelleher's resignation, Moore was appointed President of the company. Keith Guelpa became President around 1984 following Moore's departure from the company to face criminal charges arising from his activities as an officer of the company. Raymond West assumed the position after Guelpa's departure.

History /

Biographical:

See RG 6, series 9 (Department of Extension) for biographical information on R.B. Inch.

Custodial History:

R.B. Inch's records were passed on to the McKee Archives following his death. It is presumed that the executor of his estate donated the collection after his passing in 1983.

#### Scope and Content:

This collection is heavily influenced by Inch's professional and organizational life. Most heavily represented is literature associated with Inch's involvement with the League of Nations Society in Canada during the 1930s. It also appears that Inch paid close attention to United Nations' policy following World War II, from ca. 1945-1970. There are numerous items devoted to both Canadian and international political and diplomatic issues, with particular emphasis on British politics in the immediate post-war period. As one would expect from his involvement in the National Research Council and League of Nations Society, the core of the fonds is a study in two major themes. The first theme is of the post-WWII policy pursued by Canada and Britain and, secondly, the growth and development of United Nations' policy following the collapse of the League of Nations. There is some periphery material of general interest to Canadian history and Canadian university publications, but for the most part the material can be classified into one of the two preceding themes.

The collection includes a manuscript prepared by R.B. Inch entitled "Parliament Will Decide: A Chronicle of the Drift to War and of an Effort to Help Avert it" (1947). The manuscript is edited but out of order.

The balance of the collection consists of accumulated documents gathered over the course of Inch's lifetime from outside sources. These include: newspaper clippings and whole newspapers from publications in Winnipeg, Brandon, Toronto, Calgary and London; United Nations' pamphlets concerning a broad range of issues, ranging from the question of East Indian independence to annual policy directives of the organization; various magazines including copies of "Interdependence," which Inch once edited; articles taken from the publication "Life" concerning important figures of the time period; numerous books and textbooks concerning the political formation of post-war Europe; quarterlies from academic institutions, such as the University of Toronto; some material, primarily pamphlets, concerning R.B. Inch's involvement in Amnesty International after his retirement; and documents relating to post-war reconstruction in Britain.

Notes:	Finding aid for the R.B. Inch fonds was prepared for the McKee Archives by Matthew Palmer (2003). The majority of the boxes in the collection contain a typewritten inventory detailing the contents of each container. As well, the preponderance of the files within the boxes are further subdivided by either a typewritten inventory itemizing the material contained within each dossier or a handwritten note on the outside of the folder describing the contents.
