History /

Biographical:

The Brandon University Student's Union (BUSU), Local 37 of the Canadian Federation of Students, was incorporated in 1969 as the students' organization of Brandon University. Its predecessor was the Brandon College Students' Association, which was established in 1899. BUSU is a not-for-profit society that serves to represent the students of Brandon University; all regular full and part-time students at Brandon University are members of the Students' Union.

BUSU has several broad functions: they are a service provider that offers programs and support services to students throughout the year; they act as lobbyists on behalf of the student body at the local, provincial and federal levels, working with the other member locals of the Canadian Federation of Students, Canada's national and provincial student movement; they represent the student body within the important, decision-making bodies at BU, such as the Board of Governors and Senate; and they provide funding for student clubs and organizations. BUSU is bound legally to the Brandon University Students' Union Constitution and Bylaws and the Universities Act of Manitoba.

BUSU draws on collected student fees to operate. Its administrative structure consists of a board of directors consisting of 11 voting members. Students elect representatives to relay their issues and concerns to the University community, the community at large, and all levels of government. A democratically elected council, made up of members from various constituencies on campus, oversees the work of the Students' Union. The council includes four executive officers (the President and three Vice Presidents – Academic, Finance, and Student Activities), numerous commissioners, and one liaison. The work of the Students' Union is also powered by the efforts and dedication of countless campus and community volunteers and staff. BUSU also has a voting student representative on the Board of Governors and Senate.

BUSU holds annual and semi-annual general meetings, full council meetings, and council committee meetings throughout the year. All meetings are broadly advertised to the membership and are open to students. As BUSU members, students have full speaking rights at any meeting of the Union, as well as voting rights at general meetings.

History /

Biographical:

The Office of the Bursar was created in 1910. As head of financial affairs, a Bursar was more compatible to the administrative framework of other universities in Canada. The initial duties of the Bursar were the collection of all fees, control of funds and disbursements, donations, purchasing, supervision of grounds, and progressive measures in the investment of funds and the enlargement of finances. By 1913, the Bursar was also in charge of the book department, boarding, grounds and gardens, buildings and heating plant.

By 1924, the Bursar had become so involved in the management of College affairs that the Board established a committee to examine the functions of the President and the Bursar "with a view to readjustment for efficiency." The committee presented its report later that year, clearly defining nine functions of the Bursar. These functions were the keeping of books, banking, general handling of student fees and accounts, general handling of all trade accounts, handling of maintenance and extension movement pledge cards and receipts, general responsibility for the purchase of all supplies, supervision of fireman and janitor, supervision of buildings and grounds and the submission of a monthly report to the Secretary of the Executive. In 1929, the Bursar took on the role of Secretary to the Executive.

At several times during the history of Brandon College the Bursar and the Registrar were combined into one job.

History /

Biographical:

The structure of the Manitoba Pool Elevators from its beginning in 1925 until its restructuring in 1968 placed importance in the principle of democracy. The company was run from the local associations, the central office acting as a hub that facilitated communication between all the locals and between the locals and the selling agencies. The central office was not powerless, but important decisions or by-laws could not be made without the consent of the majority of the locals.

After the restructuring of MPE in 1968 the central office took on more responsibilities. It became the top of the administrative structure and instead of members belonging to their local elevator, they were now direct members of MPE. This administrative structure continued until the 1998 merger with the Alberta Wheat Pool to form Agricore.

Scope and Content:

Series B consists of an artificially assembled collection of Central Office records. Biographical:

The Office of the President of Brandon College was established in 1899 under the title of Principal. The Principal was the head of the Academic Department and the Administrative body. In 1910, the position of Principal was changed to the position of President. There is no documented reason given for this change, but it was consistent with other universities and colleges at the time. When the institution was first organized in 1899, the role of the Principal was quite varied. It was the Principal who acted as both Registrar and Bursar, in addition to his duties as head of administration. The Principal also acted as a professor. It was the Principal who kept the college in contact with the Baptist Union. The Principal also acted as the liaison between the Board of Directors and the Senate, being an ex-officio member of both. In 1910, the roles of Registrar and Bursar were no longer the responsibility of the President. In the 1920's the President became increasingly involved with fundraising and traveled extensively in search of financial support.

In 1938, following the "Act to Incorporate Brandon College Incorporated," the Board of Directors, under by-law #1, assigned the President with "the internal management of the business of the Corporation insofar as it relates to the students, teaching and office staff shall be under the direct supervision of the President, subject to the order of the Board." In 1965 the President's Office was created, consisting of the President, Executive Assistant to the President (later Deputy to the President), and Secretary to the President who was also the Public Relations Assistant. From 1899 until 1967 the Office of the President was administered by six different men.

History /

Biographical:

The Brandon College Dean was the head of the College in the absence of the President. It was created in 1925 after the sudden passing of Dr. Sweet. Dr. Harris MacNeill, who had been Dean in Arts up until that time assumed the position of College Dean. The duties of the College Dean were as follows:

1. In the absence of the President of the College he shall exercise the functions of the President in relation to all "inside" College matters; it being understood that frequently it may be necessary for him to exercise his personal judgment apart from anything that may be specified in this memorandum.
2. With respect to matters of special importance arising unexpectedly he shall consult with the Chairman of the Board, or by telegram with the President, or both.
3. All questions arising that have a direct connection with the "business" aspects of College affairs shall naturally be referred to the Chairman of the Board, or the President, or both.
4. In the absence of the President he shall preside at all Faculty meetings, Committee meetings of which the President is Chairman, and shall attend meetings of Committees of which the President is an ex-officio member.
5. In the President's absence he shall preside at the regular Chapel Exercises and at special College gatherings in the Chapel at which the President would naturally be expected to preside.
6. He shall also keep in touch with the work of the several departments of the College and shall consult frequently with the Heads of such departments.
7. While the Lady Principal and the Resident Master are responsible for the detailed administration and discipline of the College life and activities of Clark Hall and Brandon College respectively, the College Dean shall have the absent President's responsibility for the general discipline of the College in respect of the students' relation to Courses of Study, Corridor, Campus, etc.
8. That the President when absent may be kept in touch with the work of the Institution it is desirable that the College Dean keep him informed of the more important happenings and problems with College life.
9. Throughout the Session the College Dean shall be Registering Head of the Arts Department.

The position of College Dean continued until 1952. In 1952 the position became known as the Dean of Arts and Science. In 1963, another change occurred, with the two departments going separate ways. From that time on there was both a Dean of Arts and a Dean of Science.

BRANDON COLLEGE DEANS:

HARRIS LACHLAN MACNEILL (1925, 1926-1928)

Dr. MacNeill was born in Paisley, ON on November 29 or 30, 1871, the son of Rev. Donald and Amanda (Hemenway) MacNeill. He received his B.A. from McMaster University in 1894. He was also educated at the Ontario College of Pedagogy and the University of Toronto. From 1895 until 1898 he was a teacher at Woodstock College. In 1899 he married Anne Hatch. From 1899 until 1903 he was a professor of Latin at Washburn College in Topeka, Kansas. In

1903 he accepted an offer to teach Latin and German at Brandon College. In 1909 he was a Professor of the New Testament, Language and Literature, as well as Resident Master. Dr. MacNeill was the Academy Principal for two years. He then received his Ph.D. from the University of Chicago in 1911. MacNeill acted as the Dean of Arts from 1912 until 1930. Dr. MacNeill was the central figure in the scandal involving Brandon College in the early 1920's. The Fundamentalists accused Brandon College, and Dr. MacNeill especially, of teaching Modernist views. He was absolved of any charges at the 1924 Baptist Convention in Chicago.

Dr. MacNeill was Acting President of Brandon College after Dr. Sweet died for the period from January 1925 until Dr. Bovington was hired in August 1925. After Dr. Bovington resigned in May of 1926, Dr. MacNeill again accepted the position of Acting President from May 1926 until April 3, 1928, when he retired as College Dean. Dr. MacNeill taught Latin and Greek for two more years then retired from Brandon College in 1930. He accepted a position at Fairview Church in Vancouver, B.C. where he remained until 1932. In 1932 he was offered a teaching position at McMaster University. He married his second wife, Vera Leech, in 1939. He remained at McMaster teaching New Testament Interpretation until 1943 when he retired. Dr. MacNeill was the first person to receive an honorary degree from Brandon University in 1967. He continued to do religious research until his eyesight failed at age 97. On January 15, 1974, Dr. MacNeill died at the Chedoke Hospital at the age of 102.

History /

Biographical:

The offices of the President and General Manager were established in 1896 with the creation of A. E. McKenzie Seed Co. Ltd. These positions were held jointly by the one officer of company until 1975, when the Board of Directors of the Company divided the two positions, thereby relieving the President from management of plant operations.

Under the General By-Laws of the Company, the President, when present, presided over all Board of Directors meetings. He also signed all documents that may have required his signature and performed any other duties assigned to him by the board. The President exercised general supervision and control over the business of the Company and performed such duties as are usually associated with the office of President or Chief Executive officer of a company.

The General Manager had full power and authority to manage and direct the business and affairs of the Company. He was also responsible for employing and discharging agents and employees of the Company. After A.E. McKenzie gifted the majority of his company shares to the Government of Manitoba in 1945, the General Manager remained responsible for all operations of the Company. However, the General Manager found himself accountable to a Board of Directors comprised mainly of government appointees.

A. E. McKenzie held the offices of President/General Manager from 1896 until his death in 1964, at which time J. Lasby Lowes succeeded him. Following Lowes' retirement in 1968, A.R. Swanson was appointed by the government to fill the positions. Anthony J. Maruca became President of A.E. McKenzie Co. Ltd. in 1972. In 1975, the Board of Directors appointed William Moore the first individual to hold the position of General Manager without also occupying the President's office. At the same time, Mr. Pat Kelleher was named the new interim President. Following Kelleher's resignation, Moore was appointed President of the company. Keith Guelpa became President around 1984 following Moore's departure from the company to face criminal charges arising from his activities as an officer of the company. Raymond West assumed the position after Guelpa's departure.

Description Level: sub sub sub series
Series Number: 7.1.4.1
Accession Number: 15-1997
GMD: textual records
Date Range: 1913-1987 (predominant 1929-1939)
Physical Description: 1.2 m
Physical Condition: The records are in excellent condition, but the extensive use of photocopying of available records occasionally leads to difficulty in clarity of content.

History /

Biographical:

The project originated in the summer of 1987 at Brandon University. It was undertaken by several Brandon University students under the guidance of Dr. William R. Morrison and Dr. Ken Coates, both professors in the Department of History. From the perspective of all involved, research and future publication were the original aims of the project. The intention was to produce a combination of documentary and oral history of the Brandon region during the Great Depression, including an extensive study of Brandon College. Initially, an outline and project summary was presented to Manitoba Heritage Grants Program for consideration and after being chosen as a recipient for the grant, regular reports on research progress were submitted. The project was discontinued at the end of the summer due to a lack of funding and availability of the researchers.

Custodial History:

The records were held in the custody of Dr. Morrison until his departure from Brandon University in 1989. At this time, the records were given to Tom Mitchell, who donated the entire project to the McKee Archives, where they were accessioned in 1997.

Scope and Content:

The sub sub sub series consists of textual records relating to Brandon and the surrounding area during the years of the Great Depression, predominantly 1929-1939. Of particular interest are four papers written by Brandon University students and six years of the Henderson Directory. BC 5: Brandon College Senate

GMD:	textual records
Date Range:	1900-1967
Physical Description:	60 cm

The Brandon College Senate was created in 1900 under "An Act to Incorporate Brandon College." At the time, however, the Senate was not given a clear policy mandate. The Act stated: The Professors in said College, together with three members of the Board of Directors nominated by the said Board for that purpose, shall constitute the Senate, to whom shall be entrusted the reception, academical superintendence and discipline of the students and of all other persons within the said College.

Despite general authority over the discipline of students, measures to enforce discipline and the power to appoint or remove professors rested with the Baptist Convention. As a result, the Senate remained largely ineffective until 1910 when the Board re-defined their function as follows: The Senate be composed of the Council of the College together with three members appointed by the Board of Directors. That this body shall be responsible for all matters that concern the determination of the curriculum, the recommendations to the Board regarding appointments of instructors in subjects otherwise specifically assigned to individual members of the several faculties.

These new powers provided the Senate with a rational boundary of authority including some control over the curriculum, but its main function was still recommendations to the Board on matters concerning faculty. There are no known documents regarding the Brandon College Council, which existed from 1910 to 1915. Affiliation with McMaster was a contentious issue with faculty. Courses had to correspond with those in McMaster, effectively eliminating the Brandon College Senate from its authority over academic matters.

In 1915 the Senate was re-organized following the "Act to Amend An Act to Incorporate Brandon College." With this reorganization the Senate assumed a more direct role in the selection of faculty and tutors. As well, the Senate became a stronger advisory body of the faculty.

The Brandon College Senate remained relatively unchanged until 1939 when, under by-law 1, the Board defined the Senate functions as:

Power to regulate instructions and to determine the methods and limits of instructors.

To prepare a calendar of the College for publication.

To recommend to the Board the establishment or abolition of, or any changes in departments, chairs, lecture-ships, bursaries, scholarships and prizes, and generally have charge of all matters of an academic character, but shall not have any power to incur any expenditures or liabilities on behalf of the Corporation until specifically authorized by resolution of the Directors, nor shall their powers be construed as authority to engage teachers for the Corporation.

Along with these functions the Senate was also the body that possessed the binding authority to deal with all academic grievances.

The Senate under the new Charter and by-law 1, consisted of the President, Chairman of the Board, seven members from the faculty (including President and Registrar), and six members from the Alumni. The Registrar was to act as Secretary.

The Senate was changed once more in 1959. This change led to a more significant role in the administration of Brandon College.

Scope and Content:

These records consist mainly of minutes from various faculty council and executive meetings from 1900 to 1942 including Arts, Science and Theology faculties. Included as well are Minutes of the Ministerial Committee of the Baptist Union of Western Canada As well, there are University of Manitoba Senate Minutes dating from 1950 to 1958.

McKenzie Building in 1960 came a permanent resting place for the Brandon College Library.

Scope and Content:

The records include a 3 cm book of Library of Congress Card Orders of Recent Publications from 1957 to 1960.
