History /

Biographical:

The Brandon College Dean was the head of the College in the absence of the President. It was created in 1925 after the sudden passing of Dr. Sweet. Dr. Harris MacNeill, who had been Dean in Arts up until that time assumed the position of College Dean. The duties of the College Dean were as follows:

1. In the absence of the President of the College he shall exercise the functions of the President in relation to all "inside" College matters; it being understood that frequently it may be necessary for him to exercise his personal judgment apart from anything that may be specified in this memorandum.
2. With respect to matters of special importance arising unexpectedly he shall consult with the Chairman of the Board, or by telegram with the President, or both.
3. All questions arising that have a direct connection with the "business" aspects of College affairs shall naturally be referred to the Chairman of the Board, or the President, or both.
4. In the absence of the President he shall preside at all Faculty meetings, Committee meetings of which the President is Chairman, and shall attend meetings of Committees of which the President is an ex-officio member.
5. In the President's absence he shall preside at the regular Chapel Exercises and at special College gatherings in the Chapel at which the President would naturally be expected to preside.
6. He shall also keep in touch with the work of the several departments of the College and shall consult frequently with the Heads of such departments.
7. While the Lady Principal and the Resident Master are responsible for the detailed administration and discipline of the College life and activities of Clark Hall and Brandon College respectively, the College Dean shall have the absent President's responsibility for the general discipline of the College in respect of the students' relation to Courses of Study, Corridor, Campus, etc.
8. That the President when absent may be kept in touch with the work of the Institution it is desirable that the College Dean keep him informed of the more important happenings and problems with College life.
9. Throughout the Session the College Dean shall be Registering Head of the Arts Department.

The position of College Dean continued until 1952. In 1952 the position became known as the Dean of Arts and Science. In 1963, another change occurred, with the two departments going separate ways. From that time on there was both a Dean of Arts and a Dean of Science.

BRANDON COLLEGE DEANS:

#### HARRIS LACHLAN MACNEILL (1925, 1926-1928)

Dr. MacNeill was born in Paisley, ON on November 29 or 30, 1871, the son of Rev. Donald and Amanda (Hemenway) MacNeill. He received his B.A. from McMaster University in 1894. He was also educated at the Ontario College of Pedagogy and the University of Toronto. From 1895 until 1898 he was a teacher at Woodstock College. In 1899 he married Anne Hatch. From 1899 until 1903 he was a professor of Latin at Washburn College in Topeka, Kansas. In 1903 he accepted an offer to teach Latin and German at Brandon College. In 1909 he was a Professor of the New Testament, Language and Literature, as well as Resident Master. Dr. MacNeill was the Academy Principal for two years. He then received his Ph.D. from the University of Chicago in 1911. MacNeill acted as the Dean of Arts from 1912 until 1930. Dr. MacNeill was the central figure in the scandal involving Brandon College in the early 1920's. The Fundamentalists accused Brandon College, and Dr. MacNeill especially, of teaching Modernist views. He was absolved of any charges at the 1924 Baptist Convention in Chicago.

Dr. MacNeill was Acting President of Brandon College after Dr. Sweet died for the period from January 1925 until Dr. Bovington was hired in August 1925. After Dr. Bovington resigned in May of 1926, Dr. MacNeill again accepted the position of Acting President from May 1926 until April 3, 1928, when he retired as College Dean. Dr. MacNeill taught Latin and Greek for two more years then retired from Brandon College in 1930. He accepted a position at Fairview Church in Vancouver, B.C. where he remained until 1932. In 1932 he was offered a teaching position at McMaster University. He married his second wife, Vera Leech, in 1939. He remained at McMaster teaching New Testament Interpretation until 1943 when he retired. Dr. MacNeill was the first person to receive an honorary degree from Brandon University in 1967. He continued to do religious research until his eyesight failed at age 97. On January 15, 1974, Dr. MacNeill died at the Chedoke Hospital at the age of 102.

Date Range: 1903-1981

Physical Description: 1.17 m

History /

Biographical:

The minutes were created by the summer fair Board of Directors and the various committees and sub-committees associated with the Board.

There is ample evidence in the minutes of the Provincial Exhibition of Manitoba that the administrative structure was largely one by committee. By 1903, there were at least nine separate committees. These committees were Grounds and Buildings, Sports and Attractions, Public Comfort, Advertising and Printing, Privileges, Gates, Finance, Excursion and Transportation, and Prize List. Of these committees only Public Comfort, Privileges, and Excursion and Transportation were comparatively short-lived. These committees are not mentioned after 1903, 1920, and 1925, respectively. The remaining six committees all survive

in various forms to this day.

In 1908 there is mention of a Speed committee, which dealt with the racetrack at the fairgrounds. This committee was in existence until the early 1970s, when racing, along with the condemned grandstand, was discontinued. By 1915 there is mention of a Reception committee that continues on until the mid-1970s.

In the 1920 minutes several committees are mentioned. The committees included Concessions, Grandstand, Accommodation, Police/Security, and Wild Birds and Animals. The Wild Birds and Animals is not mentioned in further minutes, but Grandstand and Accommodation are mentioned into the mid 1950s. Both the Concessions and Police/Security are mentioned until the late 1970s.

In 1925, there are several new committees mentioned. They include Heavy Horse, Light Horse, Beef Cattle, Dairy Cattle, Sheep, Swine, Farm Boy's Camp, Poultry, Grains and Grasses, Horticulture, Dairy Competition, Machinery Row, Natural History, Fine Arts and School Exhibits, and Livestock Parade. The enormous expansion of committees is a reflection of the expansion of the exhibition. Almost all aspects of farming now had its own committee, and an effort to help young people continue in farming was made with the forming of camps for farm boys. All of these committees were long lived, although not necessarily with the original title. From approximately 1930 to 1940, all of the Cattle were lumped together, but by 1950 a Commercial Cattle committee was mentioned, and by 1974 there was also a Special Agriculture Display and Exotic Breeds. By 1979 there were Steer Show and Bull Sale committees. Around 1930, a Calf and Colt Competition committee was also added.

In 1930 there is mention of a Dining Room committee, but it is not mentioned again. In response to changing society, a Car Parking committee was created around 1935. This committee remained under various titles through to today. Another short-lived committee, Grandstand Gates, is mentioned from about 1935 to 1940. For some time there was also a Band Competition committee. It is mentioned from 1940 to 1945, and then not again until 1979.

In 1950 there was a Dogs committee, but no further mention is made of this committee. From 1955 to 1960 there was a separate Fire committee, until it was amalgamated with Police/Security. In 1955 two new committees are mentioned. These are the Trade Fair and Homecraft committees. While the Trade Fair is not mentioned after about 1960, the Homecraft committee seems to have been in existence until the mid 1970s.

A 4-H and Junior Activities committee was formed around 1960 to take the place of the Farm Boy's Camp. This committee continued the exhibition's attempts to keep young rural people interested in farming.

In the minutes for 1970, two more committees are mentioned. They are the Food and Beverage and the Bees and Honey committees. While one would suppose that the Food and Beverage Services committee was a new title for the Concessions committee, the Concessions committee is also mentioned. The Bees and Honey committee is mentioned until about 1974 in committee minutes.

By 1974 three more committees are mentioned in the minutes. They were the Baby Fair committee, which was a petting zoo, the Expansion, Project and Grants committee and the Midway committee. While the Midway and Baby Fair committees lasted until at least the late 1970s, the Expansion, Projects and Grants committee is not mentioned past the mid 1970s. Also mentioned in 1979 are the Pork Congress, Family Fair, Entertainment, and Exhibitor's Lounge committees.

## History /

### Biographical:

Many of these records were donated to the Board by exhibitors and participants in the fairs. Some are advertisements sent to the Provincial Exhibition Board by businesses such as Conklin Shows. Professional photographers, who were likely hired by the Board, generated others. As well, Brandon Sun photographers took a large number of the photos throughout the century. In the 1980s, the Sun photos were reprinted and then the reprints were added to the Exhibition's collection. Privately owned photos were also reprinted and added. Publishing houses generated some photographs, probably as services to participants and organizers of the fairs. Finally, the Canadian and Manitoba governments created a few of the photos.

### Custodial History:

Exhibitors and participants in activities at the summer fair donated many of these records to the Provincial Exhibition Board. The Manitoba Provincial Archives in Winnipeg housed other records, of which the McKee Archives acquired copies. Most of the records were stored in the offices of the Provincial Exhibition Association of Manitoba until they were brought to the McKee Archives ca. 1986.

### Scope and Content:

Series consists primarily of black and white photographs pertaining to the Provincial Exhibition. Subjects of the records vary over the century, but overall subjects included are buildings and grounds, horses, livestock, exhibits, youth activities, entertainment, and dignitaries. Almost all of the materials are in excellent condition.

## BUILDINGS AND GROUNDS

The graphics that depict the buildings and grounds of the summer fair are both ground and aerial photos. From the records generated between 1900 and 1930, there are pictures of the Crystal Palace, the Wheat City Arena, the Experimental Farm, the horse barns, the racetrack, and the grandstand. The pictures dating from the forties through the sixties are of the racetrack, the grandstand, the Provincial Display Building, the Trade Fair Building, and the Main Gate. The records from the 1970s and the 1980s feature the Keystone Centre, cattle buildings, and horse stables.

## HORSES

Graphics from the 1890s through the 1980s feature various light and heavy horses, from single horses to eight-horse teams. Pictures dating from the first fifty years of the fair are of stallion and purebred shows. Also depicted are racing events such as chuck wagon, bike, and single rider races. Graphics of equestrian events like jumping and hackney classes date from World War II until the 1980s. Dating from the fifties to the seventies are photos of children's events like costume classes and pony competitions. Finally, pictures of barrel racing and horse pulling competitions date from the 1970s and 1980s.

## LIVESTOCK

Livestock photos, which date throughout the twentieth century, are mostly of cattle and swine, but there are a few pictures of buffalo and sheep. Cattle photos depict purebreds such as Holstein, Jersey, Hereford, and Angus. Swine pictures are of Yorkshire sows and boars, as well as of market hogs.

## POULTRY AND EGGS

Graphics depicting poultry and egg shows date between 1950 and 1985.

## EXHIBITS

Photos of exhibits taken throughout the century feature home craft displays such as clothes

Photos or exhibits taken throughout the century feature home-craft displays such as clothes and quilts. Tack rooms, farm implement shows, and club displays, like those of the Brandon Lion's Club, are also consistent throughout the period. Other graphics of exhibits are particular to certain years: in the late 1940s through the 1950s auto shows are featured; and from the fifties to the eighties commercial exhibits are prominent.

#### YOUTH ACTIVITIES

Graphics of children and teens' activities form a large part of MG 1. From the 1920s and 1930s, there are pictures of boys and teens who attended the Farm Boys' Camp. Photos taken at the Agricultural and Homemaking School in the late 1940s and early 1950s depict male teens learning about mechanics, welding, and electricity. Photos of female teens at the camp depict weaving, sewing, and cooking classes. In the records dating from 1957 to the 1980s, photos feature both pig and calf scrambles. As well, some pictures are of male teens participating in seed, poultry, and judging courses. Photos of female teens during these years show them participating in such activities as clothes-making, 4-H Queen contests, and fashion shows.

#### ENTERTAINMENT

Entertainment pictures include graphics of the midway, the carnival and travelling acts, parades, and miscellaneous events. Pictures of the midway are both aerial and ground photos, and date from 1913 to the 1970s. Ferris wheels and carousels are the main rides featured until the 1960s, after which many motorized rides like the Wild Mouse and the Tidal Wave are prominent.

Carnival pictures throughout the century include shots of aisles along which several attractions are set up. Photos of clowns and other costumed people are numerous. Graphics of travelling acts depict parachutists (1920s), follies (1950s), exotic dancers (1950s), trained animals (1950s-1970s), singers and bands (1970s-1980s), and trapeze artists (1970s).

Parade photos date throughout the century, and feature pipers, horses pulling carriages, people riding horses, clowns, soldiers, floats, and members of various clubs.

Miscellaneous events graphics include pictures of horseshoe throwing competitions, square dancing shows (1950s), fiddling contests (1970s), smash-up derbies (1980s), and tractor pulls (1980s).

#### FIRST NATIONS PEOPLE

There are seven photos of First Nations people at the summer fair. In all but one of the pictures, they are in traditional costume. Depicted are pow-wows, parades, a female teen sewing a mukluk, and tee-pees. These records date from 1914 to 1969.

#### DIGNITARIES

Pictures of dignitaries are of members of the Provincial Exhibition committees and boards; federal, provincial, and municipal politicians who attended the summer fair; and various business, medical, and judicial representatives. Especially notable are the group photos of the Board of Directors for the years 1894, 1900, 1941, 1949, 1951, 1952, and 1968.

The graphic materials of RG2SF1 are useful for many purposes. For one, they offer a rich visual history of the fair. Agricultural historians will find poultry, horse, livestock, horticultural, and farm implement images informative. Such images describe how farming has changed through the last century. The records offer many clues into the cultural history of Brandon and surrounding area. The nature of the carnival, for instance, changes. At the turn of the century, attractions of various booths were not advertised overtly; one had to pay before they were

given hints as to what they were going to view. By the Second World War, however, attractions' exteriors were more garish. Because the carnival was more open in its advertisements, one can determine that the boundaries between the private and public shifted in the first forty years of the twentieth century.

The pictorial history of the exhibits at the fair reveals much about the city's culture. The pictures from the post-World War II era, for example, are indicative of the period's climate of consumerism: a commercial display building was built and commercial exhibits were added to the displays of the fair. Also signified in the postwar photos is the emphasis upon family values that pervaded the fifties; for instance displays of home-crafts became prominent in these years.

Social historians will find in these records a vibrant portrait of the social composition of twentieth-century Brandon. The community's leaders, for example, are represented in the pictures of the Boards of Directors. From these photos, one can ascertain the social characteristics of Board members: white, male, and middle class. Parade photos are also indicative of social composition, as organizations from all classes of society participated in parades. Agricultural clubs, unions, women's organizations, and church groups are just a few of the entries featured in the parade pictures.

Historians of gender will find that throughout the fairs' years definitions of femininity changed. In the early fairs, women are shown in their booths at home shows, demonstrating their association with the private sphere. During the Second World War, some photos start to appear of women doing secretarial work. After World War II, however, gender norms constricted. Pictures of female teens taking classes at the Agricultural and Homemaking School depict them learning about how to run a well maintained home: they learn about sewing, cooking, and weaving. In the seventies, gender boundaries again shifted: for example, female teens began to participate in the previously male-only calf scramble events.

Finally, these records are useful for any historian of Brandon and area history. There are thousands of people from the region featured in these records. Different places and buildings in Brandon are also a prominent part of the collection. Together, the pictures of RG2SF1 offer a vivid history of both Brandon and the Provincial Exhibition.

Description Level: Series

Fonds Number: RG2SF2

Series Number: 2.2

GMD: textual records

Date Range: 1908-1932

Physical Description: 6.5 cm

## History /

### Biographical:

These minutes were created by the Board of Directors and the Shareholders at the meetings that they held from 1908 to 1932. The Board of Directors was created in 1908. While the collection currently houses minutes from 1908 to 1932, it is evident from Prize Lists and Programs that the Board of Directors structure evolved in the following way.

The structure of the winter fair was quite different from the summer fair. Instead of having a committee structure, the winter fair had both committees and representatives from various agricultural associations. The representatives were part of the Board of Directors. In 1908 these representatives included men from the Horse Breeders' Association, the Cattle Breeders' Association, the Sheep Breeders' Association, the Swine Breeders' Association, the Poultry Breeders' Association, the Brandon Winter Fair and Fat Stock Association, and the Manitoba Agricultural College. With the addition of representatives from the Manitoba Clydesdale Association, and the Manitoba Seed Growers' Association, these committees continued virtually without change until 1930.

By the 1930s, several more representatives joined the Board of Directors including the Winnipeg Livestock Exchange, the Manitoba Percheron Association, the Canadian Shorthorn Association, and the Hereford Association. By 1935 there were also representatives from the Prairie Thoroughbred and Racing Association, the Manitoba Boards of Trade, the Western Manitoba Board of Trade, the Aberdeen Angus Association, and the Canadian Percheron Association. The Canadian Clydesdale Association joined the Board by 1940.

By 1950, several more agricultural associations had joined the Board of Directors. They included the Brandon Light Horse Society, the Brandon Chamber of Commerce, the Manitoba Veterinary Association, the Minister of Agriculture, the Deputy Minister of Agriculture, and the Canadian Red Poll Association. By 1955, a representative from the City of Brandon rounded out the representatives on the Board of Directors.

The first committees of the Board of Directors began in 1908 with the formation of the Brandon Winter Fair and Fat Stock Association. The committees included an Executive, Horse, Livestock, Cattle, Sheep, Swine, Poultry and Seed. By 1915 there were also Program, Prize/Accounts, Carcass, Exhibits/Public Comfort, Building, and Provincial Government committees. Most of these later committees were not long lived, or were not mentioned much past 1915. A Judging Competition Committee was added in 1925 and lasted until sometime in the 1940s. In 1950 an official Finance committee was formed, as well as a Gates/Tickets committee. By 1955, three more committees had been added including 4-H/Junior Activities, Light Horse and Heavy Horse.

By the 1960s, a Publicity committee was also added. In 1965 there were several committees formed including Police/Traffic/Parking, Concessions, Calf/Pig Scrambles, Baby Fair, Flower Show and the Fall Feeder Show and Sale. A Fashion Show committee was added by 1970. In 1975 a Property committee is also mentioned.

The 1980s appear to have been a time of great growth for the winter fair, as there was a large increase in the number of committees. By 1985 the following committees had been formed: Dance, Hitching Ring, Steer Show, Bull Sale, Western Breakfast, Egg Show, Entertainment, Exhibitor's Lounge, VIP, Cattle Parade, Calcutta, Winter Fair Sponsors, Casino and Royal Manitoba Winter Fair. These committees continued for the most part through into the 1990s.

## History /

### Biographical:

Exhibitors and participants in the fairs donated many of these records to the Winter Fair Board. Professional photographers, hired by the Board, generated others. As well, Brandon Sun photographers took a large number of photos throughout the twentieth century. In the 1980s, the Board reprinted them and then added the reproductions to their own photograph collection. Publishing houses generated some photographs, probably as services to participants and organizers of the fairs. Finally, the Canadian government created a few of the photos.

### Custodial History:

Exhibitors and participants in activities at the winter fair donated many of these records to the Winter Fair Board. The Manitoba Provincial Archives housed other records and later transferred them to the McKee Archives. Most of the records were stored in the offices of the Provincial Exhibition Association of Manitoba until they were brought to the McKee Archives ca. 1986.

### Scope and Content:

Series consists primarily of black and white photographs either taken at the Winter Fair or owned by the Winter Fair Board. Subjects included are buildings and grounds, horses, livestock, poultry and eggs, exhibits, youth activities, entertainment, and dignitaries. Almost all of the materials have been excellently preserved.

## BUILDINGS AND GROUNDS

Several of the pictures of the buildings and grounds are aerial photos; these date from 1949 through the 1980s. Photos taken between 1908 and 1952 depict the winter fair building, the livestock arena, the Wheat City Arena, the horse barns, and the swine barn. Photos taken from the 1960s to the early 1980s show horse barns, the Keystone Centre, and quonsets.

## HORSES

Photos of horses and horse events comprise the largest number of the graphics of RG2SF2. Unlike other winter fair pictures, types of horse photos do not change throughout the twentieth century. There are many pictures of heavy horses, including Clydesdales, Belgians, and Percherons. They are usually in harness and in teams of two, four, six, and eight. They pull wagons, landaus, and carts. Heavy horses appear in photos of shows, sales, parades, ceremonies, and draft horse competitions.

Light horse photos are also numerous. There are many photos of owners and drivers with award-winning horses. Depictions of races form a prominent part of the light horse pictures; these include portrayals of chuck wagon, chariot, bike, and barrel races. Also featured are competitions like cutting, jumping, pole bending, western riding, musical chairs, hackney, costume, unicorn, and fault and out. Finally, there are many photos of ponies, including hackney, harness, and pleasure ponies.

## LIVESTOCK

There are three types of livestock shown in the photos of RG2SF2: cattle, swine, and sheep. Depicted are both sales and shows of these animals. As well, there are pictures of these animals' carcasses.

In the first forty years of the fair, people took few pictures of cattle, but after World War II, pictures of cattle became a prominent part of the Winter Fair Board's graphic records. Featured are purebred cattle such as Angus, Hereford, Shorthorn, and Simmental. Dairy cows like Jersey and Holstein-Friesian are also notable. Some pictures depict people grooming their cattle.

Photos of swine date from 1927 through the 1980s, and include Yorkshire sows and boars, as well as market hogs. Sheep are depicted throughout the twentieth century. While most sheep photos are of shows and sales, there are some photos of sheep-shearing contests taken in the 1950s.

#### POULTRY AND EGGS

Poultry photos date between the 1950s and the 1970s. Featured are both chickens and game birds. Pictures of egg shows and competitions date from 1966 through the 1980s.

#### EXHIBITS

There are four types of exhibit photos: commercial, award, seed, and Baby Fair. Commercial exhibits date from the 1940s through the 1980s. They feature agricultural implements made by Ford, John Deere, Massey Ferguson, and Case. Photos dating from the 1970s depict commercial booths owned by such companies as Badger and Sprayer Monitor.

Award exhibits date throughout the twentieth century, and feature ribbons, plaques, and trophies. Placed on tables, these awards are mostly for winners in horse and livestock competitions.

Seed exhibits date from the 1950s through the 1970s. Included in the seed exhibit pictures are prize-winning wheat, potato, and canola seed pictures.

Baby Fair, or petting zoo, photos comprise a large portion of the graphic records of MG 2. Dating primarily from the 1970s, Baby Fair pictures depict chicks, pups, lambs, piglets, and other baby animals.

#### YOUTH ACTIVITIES

Most of the youth activities' photos are of calf and pig scrambles, and date from the 1950s through the 1980s. 4-H Club activities are prominent, and include pictures of boys and male teens learning how to show and judge livestock and seed. Depicted also are fashion shows put on by female 4-H members. Finally, pictures of a hula-hoop competition dating from the 1950s are notable.

#### ENTERTAINMENT

Entertainment graphics date from the 1950s through the 1980s, and include ceremonies, rodeos, parades, and contests. Pictures of ceremonies depict the opening and closing ceremonies of the Winter Fair. Featured in these photos are winners of horse events, pipe and drum bands, and dignitaries giving speeches.

Rodeo pictures date only from the 1970s. Featured are men riding bucking broncos and cattle round-ups.

Parade photos, which date throughout the twentieth century, depict floats, six-horse teams pulling wagons, people riding horses, club entries—such as the Lions' Club and the Neat and Nifty Sewing Club, and marching bands.

Contest pictures include fiddling competitions and dog shows. The Winter Fair Board sponsored fiddling contests sporadically, and photos of such contests date from the 1950s through the 1970s. Dog show pictures also appear intermittently in the records, such as the Mutt Show photos of the 1950s.

#### DIGNITARIES

Photos of dignitaries, which date throughout the twentieth century, are mostly of men. Depicted both individually and severally are members of Winter Fair Boards, municipal and provincial politicians, and local professional and business representatives. In these pictures they are usually giving speeches, signing documents, and holding meetings. Notable are the pictures of members of associations that held meetings at the winter fairs, including the Cattle Breeders Association (1960s).

The graphic materials of RG2SF2 are useful for many purposes. For one, they offer a rich visual history of the Winter Fair. From these pictures, one can ascertain the ways in which the fair has changed and expanded throughout the twentieth century. By viewing the photos of newly built buildings, for instance, one can determine that the fair expanded in size over the years.

Also valuable is the history of western Canadian agriculture that is contained in these pictures. Over the years, the types of exhibits changed at the winter fair, thus indicating the changing nature of farming. Photos of cattle, for example, reflect the changes in types of breeds raised in the west. Exotics like Simmental only appear after the late 1960s, thus indicating that this breed began to flourish in western Canada only in the second half of the twentieth century.

The number of people contained in these pictures is formidable, and the pictures of people are valuable in many ways. By studying the pictures of dignitaries associated with the fair, one can determine who the leading agricultural personalities were over the twentieth century in Brandon. As well, the photos of exhibitors offer a wide cross section of the rural residents of southwestern Manitoba and southeastern Saskatchewan. From the pictures of exhibitors, one can establish who were the farmers and ranchers of this region, where they lived, and in what field they specialized.

The photographs of the Winter Fair, then, are valuable for many researchers. Not only do they offer a rich history of the fair, but they also offer a vivid history of the people and agriculture of southeastern Saskatchewan and southwestern Manitoba.
