History /

Biographical:

In addition to his personal library, Fred McGuinness maintained extensive files on numerous topics/subjects containing newspapers clippings, magazine and journal articles, letters of correspondence, photographs, pamphlets, etc. He accumulated his local history materials by personally collecting newspaper, books, and magazine articles; by readers' forwarding materials for his interest; and from workshop participants submitting memoirs and personal narratives for his interest, review and feedback. McGuinness continued to add to his "topic" files throughout his lifetime.

Usually McGuinness kept his research materials and communications together for his respective writing assignments, however, he would often use the same research materials to write on similar topics that appeared in a number of different publications. McGuinness likely used his local history research materials for his Brandon Sun Sunbeams and Diary columns, his monographs, and possibly for his Local History Style Guide (1984), as well as in his memoir writing workshops. For his column writing, particularly for Neighborly News, McGuinness created file folders on particular topics. These held newspaper clippings collected from the prairie weeklies and once a folder was full, he wrote about the subject.

Custodial History:

Accession 1-2015 contains records created and collected over the course of McGuinness' career as a newspaper journalist and freelance writer. The Estate of Fred McGuinness donated the materials to the SJ McKee Archives circa 2011. The Archives accessioned the records in 2015.

Scope and Content:

The series consists of records created and collected by Fred McGuinness during his time as a journalist, editor, and freelance writer. The series has been divided into two subseries, including: (1) Local history research and (2) Newspaper clippings.

Local history materials consist of newspaper clippings, correspondence, biographical documents and memoirs, obituaries, and manuscript drafts on Brandon (Manitoba) topics including: origins, anniversaries, centennial, reunions, early pioneers/families, historic buildings and streets, businesses, museums, local newspapers, prominent citizens, military units, and politicians. McGuinness also maintain files on the local history of surrounding communities, including: Birtle, Beresford, Camp Hughes, Hartney, Kemnay, Russell, and Souris.

Notes: Information in the history/biography was taken from Neighborly News column (#934, November 10, 1997). Items dating to the 1880s are photocopies and transcripts of original materials

In the file level inventories, square brackets at the end of file names reference the original location of the file in the unprocessed Fred McGuinness collection. The original location is also noted on the front of each file folder

MPE A Local Association Records

<http://archives.brandonu.ca/en/permalink/descriptions8214>

Part Of: RG 4 Manitoba Pool Elevator fonds

Description Level: Series

Series Number: MPE A

GMD: textual records

Date Range: 1924-1998

Physical Description: 43 m

Scope and Content:

Series A is comprised of the records of the local co-operative elevator association as established in the period 1925 - 1968 under the Co-operative Associations Act. Until 1968 the local associations were the main administrative unit of Manitoba Pool Elevators. Subsequent to 1968 Pool Elevators became a direct membership top down organization. The central office was at the top, and the province was divided into seven administrative districts, which were in turn each divided into six sub-districts. Each sub-district would usually contain approximately five "locals". Please note that local associations were not obliged to become part of the new structure of Manitoba Pool Elevators, and as late as 1975 there were still 29 locals that did not belong to a sub-district. The records of each local within the Series may, but do not necessarily, contain the following: organizational papers, minutes of executive board, minutes of shareholders annual meeting, financial statements, correspondence, membership lists, miscellaneous. Series has been divided into 233 sub-series.

Notes:

This series contains records for both local associations and for sub-districts. Item number does not correspond to sub-district number, so an item number and sub-district number may be the same and correspond to two separate records.
