Part Of: RG 6 Brandon University fonds

Description Level: Series

Series Number: 14

GMD: textual records

Date Range: 1907-2006  
Physical Description: 2.37 m (not including The Quill)  
History /  
Biographical:

The Brandon University Student's Union (BUSU), Local 37 of the Canadian Federation of Students, was incorporated in 1969 as the students' organization of Brandon University. Its predecessor was the Brandon College Students' Association, which was established in 1899. BUSU is a not-for-profit society that serves to represent the students of Brandon University; all regular full and part-time students at Brandon University are members of the Students' Union.

BUSU has several broad functions: they are a service provider that offers programs and support services to students throughout the year; they act as lobbyists on behalf of the student body at the local, provincial and federal levels, working with the other member locals of the Canadian Federation of Students, Canada's national and provincial student movement; they represent the student body within the important, decision-making bodies at BU, such as the Board of Governors and Senate; and they provide funding for student clubs and organizations. BUSU is bound legally to the Brandon University Students' Union Constitution and Bylaws and the Universities Act of Manitoba.

BUSU draws on collected student fees to operate. Its administrative structure consists of a board of directors consisting of 11 voting members. Students elect representatives to relay their issues and concerns to the University community, the community at large, and all levels of government. A democratically elected council, made up of members from various constituencies on campus, oversees the work of the Students' Union. The council includes four executive officers (the President and three Vice Presidents – Academic, Finance, and Student Activities), numerous commissioners, and one liaison. The work of the Students' Union is also powered by the efforts and dedication of countless campus and community volunteers and staff. BUSU also has a voting student representative on the Board of Governors and Senate.

BUSU holds annual and semi-annual general meetings, full council meetings, and council committee meetings throughout the year. All meetings are broadly advertised to the membership and are open to students. As BUSU members, students have full speaking rights at any meeting of the Union, as well as voting rights at general meetings.

## BU 15: Brandon University Faculty Association (BUFA)

<http://archives.brandonu.ca/en/permalink/descriptions4048>

Part Of: RG 6 Brandon University fonds

Description Level: Series

Series Number: 15

Accession Number: 25-2003 (files 1-105)

GMD: textual records

Date Range: 1957-1995

Physical Description: 1.25 m

History /

Biographical:

BUFA was formed in 1957 as an academic organization with its primary aim the entrenchment and protection of academic freedom.

In subsequent years, BUFA became more involved in promoting the economic, social and general interests of its members. This process culminated in 1971 when BUFA obtained voluntary recognition as bargaining agent for its members from the University. The relationships between the Faculty and the university were governed by the "Faculty-Administration Brief" (the precursor to the present Collective Agreement).

A dispute arose between BUFA and the University in 1976, when BUFA requested that Instructional Associates be included in the bargaining unit and that the University deduct union dues. The University rejected BUFA's request. BUFA applied to the Manitoba Labour Board for resolution of the dispute. A Board hearing was held in Brandon on May 31, 1977.

At this hearing the Labour Board determined that, since the University had rejected BUFA's contention that it was a union, it would first have to answer the question: Is BUFA a union? In a decision dated June 16, 1977, the Board ruled "that BUFA is not a union; that following therefrom the faculty administration brief is not a collective agreement."

Following this ruling, BUFA launched a certification drive in September 1977. Application for certification was filed with the Labour Board October 17, 1977. In anticipation of a favorable certification ruling, Dennis Olson and Gerald Neufeld collected existing collective agreements from other universities across Canada. They attempted to incorporate the best features from the old Faculty-Administration Brief and these other agreements into the first draft of the proposed collective agreement.

Certification was confirmed January 1978. The bargaining unit defined in the Certificate included: all full-time and part-time members of the academic, instructional and related staff at Brandon University including laboratory instructors, cartographers, counsellors, professional librarians, continuing education specialists and all other staff directly related to the teaching process. It also included sessional instructors.

Since certification in 1978, BUFA has attempted to function as a principled and effective union. These efforts have included: establishing links with other unions and progressive

union. These efforts have included establishing links with other unions and progressive organizations in the community; participating in the Manitoba Organization of Faculty Associations; vigorously pursuing member and union grievance through to arbitration; advancing the rights and interests of members at the bargaining table; and promoting and protecting academic freedom.

The most recent chapter in BUFA's history was a successful strike in 1998, which started November 9th and ended at midnight November 11th.

The general objectives of BUFA are the advancement of higher education through the protection of the freedom that is necessary to it, and the improvement of the standards of the profession of University teaching. Its members include all full and part-time instructional staff of Brandon University and professional librarians.

Officers of BUFA include the: President, Past President, Vice-President, Secretary and Treasurer. Elected by the General Body at the annual meeting in March. Associate members are not eligible to serve as officers.

Executive - officers and four members elected by the General Body to represent the Faculties of Arts, Science, Education and Music. Four elected at annual meeting. Acts as liaison between BUFA and the University Administration. May appoint committees chosen from the General Body to carry on routine affairs and to act in areas of special interest as directed by the General Body or by the Executive. The Standing Committee of BUFA is the Salary and Faculty-Administration Relations Committee - its duties are to represent the interests of BUFA in negotiating the salary schedule and other benefits and the Faculty-Administration Brief with the Board of Governors or its representatives. The Vice-President of BUFA is to be the Chairman.

Scope and Content:

Series contains minutes, collective agreements, reports, recommendations, correspondence, memos, newsletters, reference materials and various other documents.

Notes: BUFA is a separate corporate entity, but for administration purposes it has been incorporated into RG 6 Brandon University fonds. History/Bio information taken from BUFA promotional materials (File 37) and provided by Bruce Forrest (BUFA Executive) with the return of the signed donation form. Files 106-116 were extracted from the BUFA records and are in the possession of Ms. Eileen McFadden.

## BC 11: Brandon College military training programs

<http://archives.brandonu.ca/en/permalink/descriptions4278>

Part Of: RG 1 Brandon College fonds

Description Level: Series

Series Number: 11

GMD: textual records

Date Range: 1915-1960

Physical Description: 45 cm

In 1914 World War I broke out in Europe. As soon as Britain became involved in the war, Canada, as part of the British Empire, was involved. As soon as Canada became involved in the war, Brandon College became involved. In keeping with the patriotism of the time, Brandon College organized a Canadian Officers Training Corps in 1915. It was soon a common sight to see students drilling several times a week in every type of weather. Often the women of the college would offer food and drink after the more grueling experiences. In 1916, a Brandon College platoon was organized under J.R.C. Evans. When he was declared medically unfit to go overseas, the command went to Lieutenant William Carey McKee. Carey was the son of S.J. McKee. He had graduated from Brandon College in 1914, and secured his M.A. in 1915. The Brandon College platoon joined up with the Western Universities Battalion, the 196th. The men went overseas in 1916, most remained there until after the war. Sadly, their admired leader, Carey McKee, was killed on August 26th, 1918 at Arras, just months before the end of the war.

Over thirty other Brandon College men failed to return home from the war. Remaining students immediately began planning for a memorial gymnasium to honour their fallen friends. They eventually raised over \$20 000 towards the gym, but the money was given as a gift to the administration during the late 1920's and early 1930's when the College was in dire need of money. Although the Students' Memorial Gymnasium Fund went on for several years, due to lack of money and rising building costs, the memorial gymnasium was never built.

The C.O.T.C. remained on the campus, but it was not as integral a part of daily routine until the late 1930s. Once again, hostilities broke out in Europe. This time, however, Canada did not automatically become involved in the war when Britain did. In an attempt to show the world its independence, Canada waited five days before officially declaring war. By 1940, the C.O.T.C. was in full swing again. As well, part of Brandon College was given to the Royal Canadian Air Force for use as classrooms and accommodations.

After the cessation of World War II, the C.O.T.C. remained on campus. The S.J. McKee Archives has records of the organization up until 1960. The 1951 Brandon College Calendar describes the University of Manitoba contingent of the C.O.T.C., so at some point the two organizations were amalgamated. The 1954 Brandon College Calendar describes the R.C.A.F. (Reserve) University of Manitoba Squadron that students can apply for. Finally, the 1957 Brandon College Calendar contains a description on the Regular Officers Training Plan, which students could apply for. All of these programs were still in effect when the College was granted its University Charter in 1967.

#### Scope and Content:

The first member of Brandon College to join up was a professor, Philippe Louys. He happened to be visiting his father in France when hostilities broke out. He joined the French Army, and was almost immediately taken prisoner. For several years he tried to escape, finally being successful on his fourth try. Louys immediately began retraining in the French Army, but as soon as he was ready to fight again, the war ended. Philippe Louys' story is not uncommon in the history of Brandon College. The professors and students felt it was their duty to join the ranks and fight along with the rest of the British Empire. Most of them left the halls of the College, and many never returned.

The records consist mainly of correspondence having to do with the Canadian Officers Training Corps. There are also letters referring to Brandon College students who served in the World Wars. As well, there are lists of Unit Orders and Syllabii for the instructors of the C.O.T.C. There are also files regarding the War Maintenance Fund from 1918 and 1919. These records are a good source of material for studying how Brandon College viewed the outbreak of hostilities in Europe, and how the College responded to the crisis. Also, they show how attitudes changed about war and the college's role in it from the period of 1915 to 1960. The Presidents' files also have information on the role the military played at Brandon College. Finally, the series contains attestation and application for military training forms (1941-1943).

#### DIRECTORS OF EXTENSION:

R.B. INCH - Extension (1967-1969) and Extension (Non-Credit) (1970-1971)

George Robert Boyer Inch, more commonly known as R.B. Inch, was born in 1903 in Oak Point, New Brunswick. His father, James Nathaniel Inch, was a local shopkeeper and served as town postmaster. James Inch married Phoebe Elizabeth Inch (nee Boyer), a native of Hartland, New Brunswick. While working in Ontario between 1939 and 1939, R.B. Inch met and married Elizabeth Gowling of Ottawa. The couple had two children; a son named George and a daughter named Jeanne. Elizabeth Inch (nee Gowling) passed away in 1956.

R.B. Inch was educated first at Mount Allison Academy in Sackville, New Brunswick. He later went on to study at Mount Allison University, where he earned a Bachelor of Arts degree in 1924. After graduating, Inch traveled to western Canada looking for employment in his chosen field of journalism. From 1924-1926 Inch was unable to find a job in the newspapers so he subsisted by teaching classes at Mount Royal College in Calgary and attending lessons at the Calgary Normal School. In June 1926, the Calgary Herald, then known as the Calgary Albertan, hired Inch as a regular journalist. He stayed in that position in Calgary for two years. Inch later accepted a job with the Winnipeg Free Press, where he worked from 1928-1929.

In 1929, Inch accepted a position with the National Research Council in Ottawa as Secretary to the President and information officer. Between 1929 and 1933 he also volunteered as editor of the magazine "Interdependence," the official publication of the League of Nations Society in Canada. In 1935, Inch resigned his post at the National Research Council to become the National Secretary of the League of Nations Society in Canada. There he served until the collapse of the League at the outbreak of World War II in 1939.

In 1942, Inch was commissioned by the Canadian Broadcasting Corporation (CBC) to prepare a series of programs entitled "Of Things to Come - Inquiry on the Post-War World." In 1943, Inch joined the Royal Canadian Army Service Corps, but never saw action in Europe. After the war, Inch was hired by his alma mater, Mount Allison University, to serve as Director of Alumni and Public Relations. He remained in Sackville from July 1945 through to 1967. In July 1967, Inch was hired by Brandon University as the Director of Extension and as a political science lecturer.

After retiring in 1972, Inch was active in the formation of the Canadian branch of Amnesty International. He would later become National Director Emeritus of the organization.

History /

Biographical:

The Brandon College Senate was created in 1900 under "An Act to Incorporate Brandon College." At the time, however, the Senate was not given a clear policy mandate. The Act stated: The Professors in said College, together with three members of the Board of Directors nominated by the said Board for that purpose, shall constitute the Senate, to whom shall be entrusted the reception, academical superintendence and discipline of the students and of all other persons within the said College.

Despite general authority over the discipline of students, measures to enforce discipline and the power to appoint or remove professors rested with the Baptist Convention. As a result, the Senate remained largely ineffective until 1910 when the Board re-defined their function as follows: The Senate be composed of the Council of the College together with three members appointed by the Board of Directors. That this body shall be responsible for all matters that concern the determination of the curriculum, the recommendations to the Board regarding appointments of instructors in subjects otherwise specifically assigned to individual members of the several faculties.

These new powers provided the Senate with a rational boundary of authority including some control over the curriculum, but its main function was still recommendations to the Board on matters concerning faculty. There are no known documents regarding the Brandon College Council, which existed from 1910 to 1915. Affiliation with McMaster was a contentious issue with faculty. Courses had to correspond with those in McMaster, effectively eliminating the Brandon College Senate from its authority over academic matters.

In 1915 the Senate was re-organized following the "Act to Amend An Act to Incorporate Brandon College." With this reorganization the Senate assumed a more direct role in the selection of faculty and tutors. As well, the Senate became a stronger advisory body of the faculty.

The Brandon College Senate remained relatively unchanged until 1939 when, under by-law 1, the Board defined the Senate functions as:

Power to regulate instructions and to determine the methods and limits of instructors.

To prepare a calendar of the College for publication.

To recommend to the Board the establishment or abolition of, or any changes in departments, chairs, lecture-ships, bursaries, scholarships and prizes, and generally have charge of all matters of an academic character, but shall not have any power to incur any expenditures or liabilities on behalf of the Corporation until specifically authorized by resolution of the Directors, nor shall their powers be construed as authority to engage teachers for the Corporation.

Along with these functions the Senate was also the body that possessed the binding authority to deal with all academic grievances.

The Senate under the new Charter and by-law 1, consisted of the President, Chairman of the Board, seven members from the faculty (including President and Registrar), and six members from the Alumni. The Registrar was to act as Secretary.

The Senate was changed once more in 1959. This change led to a more significant role in the administration of Brandon College.

Scope and Content:

These records consist mainly of minutes from various faculty council and executive meetings from 1900 to 1942 including Arts, Science and Theology faculties. Included as well are Minutes of the Ministerial Committee of the Baptist Union of Western Canada As well, there are University of Manitoba Senate Minutes dating from 1950 to 1958.
