## History /

### Biographical:

The Brandon University Student's Union (BUSU), Local 37 of the Canadian Federation of Students, was incorporated in 1969 as the students' organization of Brandon University. Its predecessor was the Brandon College Students' Association, which was established in 1899. BUSU is a not-for-profit society that serves to represent the students of Brandon University; all regular full and part-time students at Brandon University are members of the Students' Union.

BUSU has several broad functions: they are a service provider that offers programs and support services to students throughout the year; they act as lobbyists on behalf of the student body at the local, provincial and federal levels, working with the other member locals of the Canadian Federation of Students, Canada's national and provincial student movement; they represent the student body within the important, decision-making bodies at BU, such as the Board of Governors and Senate; and they provide funding for student clubs and organizations. BUSU is bound legally to the Brandon University Students' Union Constitution and Bylaws and the Universities Act of Manitoba.

BUSU draws on collected student fees to operate. Its administrative structure consists of a board of directors consisting of 11 voting members. Students elect representatives to relay their issues and concerns to the University community, the community at large, and all levels of government. A democratically elected council, made up of members from various constituencies on campus, oversees the work of the Students' Union. The council includes four executive officers (the President and three Vice Presidents – Academic, Finance, and Student Activities), numerous commissioners, and one liaison. The work of the Students' Union is also powered by the efforts and dedication of countless campus and community volunteers and staff. BUSU also has a voting student representative on the Board of Governors and Senate.

BUSU holds annual and semi-annual general meetings, full council meetings, and council committee meetings throughout the year. All meetings are broadly advertised to the membership and are open to students. As BUSU members, students have full speaking rights at any meeting of the Union, as well as voting rights at general meetings.

## BU 15: Brandon University Faculty Association (BUFA)

<http://archives.brandonu.ca/en/permalink/descriptions4048>

Part Of: RG 6 Brandon University fonds

Description Level: Series

Series Number: 15

Accession Number: 25-2003 (files 1-105)

GMD: textual records

Date Range: 1957-1995

Physical Description: 1.25 m

History /

Biographical:

BUFA was formed in 1957 as an academic organization with its primary aim the entrenchment and protection of academic freedom.

In subsequent years, BUFA became more involved in promoting the economic, social and general interests of its members. This process culminated in 1971 when BUFA obtained voluntary recognition as bargaining agent for its members from the University. The relationships between the Faculty and the university were governed by the "Faculty-Administration Brief" (the precursor to the present Collective Agreement).

A dispute arose between BUFA and the University in 1976, when BUFA requested that Instructional Associates be included in the bargaining unit and that the University deduct union dues. The University rejected BUFA's request. BUFA applied to the Manitoba Labour Board for resolution of the dispute. A Board hearing was held in Brandon on May 31, 1977.

At this hearing the Labour Board determined that, since the University had rejected BUFA's contention that it was a union, it would first have to answer the question: Is BUFA a union? In a decision dated June 16, 1977, the Board ruled "that BUFA is not a union; that following therefrom the faculty administration brief is not a collective agreement."

Following this ruling, BUFA launched a certification drive in September 1977. Application for certification was filed with the Labour Board October 17, 1977. In anticipation of a favorable certification ruling, Dennis Olson and Gerald Neufeld collected existing collective agreements from other universities across Canada. They attempted to incorporate the best features from the old Faculty-Administration Brief and these other agreements into the first draft of the proposed collective agreement.

Certification was confirmed January 1978. The bargaining unit defined in the Certificate included: all full-time and part-time members of the academic, instructional and related staff at Brandon University including laboratory instructors, cartographers, counsellors, professional librarians, continuing education specialists and all other staff directly related to the teaching process. It also included sessional instructors.

Since certification in 1978, BUFA has attempted to function as a principled and effective union. These efforts have included: establishing links with other unions and progressive organizations in the community; participating in the Manitoba Organization of Faculty Associations; vigorously pursuing member and union grievances through to arbitration;

advancing the rights and interests of members at the bargaining table; and promoting and protecting academic freedom.

The most recent chapter in BUFA's history was a successful strike in 1998, which started November 9th and ended at midnight November 11th.

The general objectives of BUFA are the advancement of higher education through the protection of the freedom that is necessary to it, and the improvement of the standards of the profession of University teaching. Its members include all full and part-time instructional staff of Brandon University and professional librarians.

Officers of BUFA include the: President, Past President, Vice-President, Secretary and Treasurer. Elected by the General Body at the annual meeting in March. Associate members are not eligible to serve as officers.

Executive - officers and four members elected by the General Body to represent the Faculties of Arts, Science, Education and Music. Four elected at annual meeting. Acts as liaison between BUFA and the University Administration. May appoint committees chosen from the General Body to carry on routine affairs and to act in areas of special interest as directed by the General Body or by the Executive. The Standing Committee of BUFA is the Salary and Faculty-Administration Relations Committee - its duties are to represent the interests of BUFA in negotiating the salary schedule and other benefits and the Faculty-Administration Brief with the Board of Governors or its representatives. The Vice-President of BUFA is to be the Chairman.

Scope and Content:

Series contains minutes, collective agreements, reports, recommendations, correspondence, memos, newsletters, reference materials and various other documents.

Notes: BUFA is a separate corporate entity, but for administration purposes it has been incorporated into RG 6 Brandon University funds. History/Bio information taken from BUFA promotional materials (File 37) and provided by Bruce Forrest (BUFA Executive) with the return of the signed donation form. Files 106-116 were extracted from the BUFA records and are in the possession of Ms. Eileen McFadden.

## BC 9: Clark Hall women's residence

Part Of: RG 1 Brandon College fonds

Description Level: Series

Series Number: 9

GMD: textual records

Date Range: 1906-1953

Physical Description: 51.5 cm

History /

Biographical:

Clark Hall was built in 1906 as a women's residence. The name comes from Dr. C.W. Clark, a physician who believed that women should be as highly educated as possible. To that end, he donated \$30 000 of the \$40 000 dollars needed to construct the building. The residence opened on October 18, 1906 with Miss Ernestine R. Whiteside presiding as Lady Principal.

With the building of Clark Hall came new departments geared towards young women. A Music and Arts department was started, as was a Physical Culture and Expression department. The residence was soon full, and in 1911 the first Clark Hall Annex was created to house 25 women who could not get into Clark Hall proper. This annex was located at 1335 Lorne Ave., and it is still in existence today. The second Clark Hall Annex, that replaced the first, was located on Louise Ave. It is also still standing, and is now an apartment building.

Scope and Content:

The records from this series are mainly concentrated in the early years of Clark Hall. Miss Whiteside kept several journals that depict a very in-depth look at college life for young women in the early twentieth century. These records include: a Commonplace book, in which Miss Whiteside kept detailed accounts of the resident women and what was happening in Clark Hall; a "Saturday" book, which describes what she discussed at the meeting she held with the resident women every Saturday; Scrapbooks, which have programs and pictures detailing the everyday life of a College woman. These records are an invaluable source of information on the education of young women at the turn of the century. As well, Mrs. Wilkins files located in the Brandon College Teaching and Learning files give an excellent account of life at Clark Hall.

The series also contains copies of Clark Hall calendars for 1909-1925. There is also one undated calendar, which may be from 1911-1912.

Notes: The original accession number for the Clark Hall calendars is RP80-45. A copy of the program for the memorial service held at First Baptist Church October 1974 for Sarah Persis Darrach is located in her biography file in the Reading Room.

The Brandon College Senate was created in 1900 under "An Act to Incorporate Brandon College." At the time, however, the Senate was not given a clear policy mandate. The Act stated: The Professors in said College, together with three members of the Board of Directors nominated by the said Board for that purpose, shall constitute the Senate, to whom shall be entrusted the reception, academical superintendence and discipline of the students and of all other persons within the said College.

Despite general authority over the discipline of students, measures to enforce discipline and the power to appoint or remove professors rested with the Baptist Convention. As a result, the Senate remained largely ineffective until 1910 when the Board re-defined their function as follows: The Senate be composed of the Council of the College together with three members appointed by the Board of Directors. That this body shall be responsible for all matters that concern the determination of the curriculum, the recommendations to the Board regarding appointments of instructors in subjects otherwise specifically assigned to individual members of the several faculties.

These new powers provided the Senate with a rational boundary of authority including some control over the curriculum, but its main function was still recommendations to the Board on matters concerning faculty. There are no known documents regarding the Brandon College Council, which existed from 1910 to 1915. Affiliation with McMaster was a contentious issue with faculty. Courses had to correspond with those in McMaster, effectively eliminating the Brandon College Senate from its authority over academic matters.

In 1915 the Senate was re-organized following the "Act to Amend An Act to Incorporate Brandon College." With this reorganization the Senate assumed a more direct role in the selection of faculty and tutors. As well, the Senate became a stronger advisory body of the faculty.

The Brandon College Senate remained relatively unchanged until 1939 when, under by-law 1, the Board defined the Senate functions as:

Power to regulate instructions and to determine the methods and limits of instructors.

To prepare a calendar of the College for publication.

To recommend to the Board the establishment or abolition of, or any changes in departments, chairs, lecture-ships, bursaries, scholarships and prizes, and generally have charge of all matters of an academic character, but shall not have any power to incur any expenditures or liabilities on behalf of the Corporation until specifically authorized by resolution of the Directors, nor shall their powers be construed as authority to engage teachers for the Corporation.

Along with these functions the Senate was also the body that possessed the binding authority to deal with all academic grievances.

The Senate under the new Charter and by-law 1, consisted of the President, Chairman of the Board, seven members from the faculty (including President and Registrar), and six members from the Alumni. The Registrar was to act as Secretary.

The Senate was changed once more in 1959. This change led to a more significant role in the administration of Brandon College.

History /

Biographical:

The "Act to Incorporate Brandon College" was assented to on June 1, 1900 and specified that the Board of Directors would consist of 21 members. The Board was to control all financial matters of the College, though all decisions had to meet the approval of the Baptist Convention.

The first officers of the Board were a Chairman, a Treasurer and a Secretary. The minutes also refer to a "President," separate from the Principal, but does not define the President's duties.

The Principal was a member ex-officio of the Board. The first duty of the Board was to create an executive consisting of all Brandon members of the Board. The main function of the executive was the operation of the College and transaction of all business arising between Board meetings.

In pursuit of a separate university charter, the Board reorganized its affairs in 1910, appointing an investment committee, a Bursar and a Registrar. The Principal was renamed "President," and was appointed Chairman of the Executive. The university charter was denied, leading the Board to seek affiliation with McMaster University. The Board of Directors during this time was forced to take a more active role in directing college affairs. In November 1910, the Board moved: ...that the officers of the Board be authorized to make such application for such amendments to the Charter as seem necessary and advisable.

This decision led the Board to draw up the Act to Amend An Act to Incorporate Brandon College which, by 1915, granted the Board authority over all College affairs, following the stated direction of the Baptist Convention.

On May 5, 1916 a nominating committee was struck to name the persons and mandate of all new committees.

During the existence of the Board prior to 1967 the following committees were created:

#### EXECUTIVE COMMITTEE

In 1918, the Board defined the functions of the Executive Committee as:

The Board of Brandon College shall at its organization meeting each year appoint from among its members an Executive of not less than seven in number. The Executive shall be responsible to the Board and shall exercise all the powers usually incidental to an Executive other than those delegated to the Finance Committee and Endowment Fund Committee, which two Committees shall also be responsible to the Board direct.

#### FINANCE COMMITTEE, 1918-1926

The Finance Committee was to consist of no fewer than seven members which:

...shall be responsible to the Board and shall under the Board have the general oversight and control of the financial policy of the College insofar as the raising of funds is concerned. The Finance Committee shall not have the power to make any expenditures except such as it may deem necessary to incur in connection with its efforts in raising funds. The Finance Committee shall report to the Board of the College at each meeting of the Board and for the purpose of keeping the Executive in close touch with its activities and of enabling the two committees to work in closest cooperation shall transmit to the Executive a copy of the minutes of each of its meetings to be read at the regular meetings of the Executive and shall give account of the progress made by the Finance Committee and generally of its plans for the future. Members of the Finance Committee shall not all necessarily be members of the Board.

#### ENDOWMENT FUND COMMITTEE, 1918-1926

The Endowment Fund Committee was created by the following resolution:

The Board of Brandon College shall at its Organization Meeting each year appoint an Endowment Fund Committee which shall under the Board manage the Endowment Fund and direct the re-investment of its principal. The Endowment Fund Committee shall consist of not less than three members who shall not all necessarily be members of the Board.

The creation of the latter two committees was significant because it was the first time that

Brandon citizens, not necessarily Baptists, were brought into the administration.

HOUSE AND GROUNDS COMMITTEE, 1923-1926

NEW INSTRUCTORS COMMITTEE, 1923-1936

ADVERTISING COMMITTEE, 1923-1936

BUSINESS ADMINISTRATION AND ENDOWMENT COMMITTEE, 1926-1936

TEACHERS COMMITTEE, 1929-1936

GENERAL PUBLICITY COMMITTEE, 1930-1936

By 1936, however, all Committees were abandoned as Brandon College struggled for its financial survival. After the Baptist Convention withdrew all of its support in 1938, a Provisional Board was established through the Brandon Board of Trade to negotiate with the government for the transfer of Brandon College to the Government of Manitoba. The provisional board succeeded in gathering the needed support for government intervention, and resurrected the College under "An Act to Incorporate Brandon College Incorporated."

The new Board of Directors was appointed October 11, 1939 during a general shareholders meeting. The officers of the Board were a Chairman, a Secretary and a Treasurer. There were also six new standing committees appointed, with mandates listed under clause 16 of by-law 1:

FINANCE COMMITTEE, 1939-1967

... whose duty it shall be to oversee the finances of the Corporation and make recommendations to the Board as to investments of Monies received for endowment or scholarship purposes, and to prepare and submit the annual budget.

PROPERTY COMMITTEE, 1939-1967

... who shall have general supervision of the real and personal property of the Corporation.

ENROLLMENT COMMITTEE, 1939-1967

... whose duty shall be to obtain a student body for the College, to co-operate with the President and Faculty for such purpose and report to the Board as may be required from time to time.

FACULTY COMMITTEE, 1939-1967

... whose duty shall be to make preliminary arrangements for the engagement of teachers and who shall make recommendations to the Board for consideration in the engagement of such teachers.

MEMBERSHIP COMMITTEE, 1939-1967

... whose duty shall be to maintain the membership of the Corporation and see that proper records of the same are maintained.

ENDOWMENT COMMITTEE, 1939-1967

... whose duty shall be to obtain endowments for the future operation of the College and to obtain gifts for scholarship purposes

examined for ownership purposes.

In 1942 the Public Relations and Progress Committee was established and a Public Relations Officer was hired. A Consultant Committee was appointed in 1948 with the sole purpose of overseeing the transfer of McKenzie Seeds to the provincial government for financial support through the McKenzie Foundation.

History /

Biographical:

The Brandon College Alumni Association was created in the spring of 1912. The Arts Class of 1912, the Theological graduates and also the Ad Eundem graduates met together with old graduates who were in the city. It was decided to form an Alumni Association of Brandon College open to all Arts and Theological graduates, past, present and future, as well as those admitted Ad Eundem. An executive was elected, Reverend J.C. Bowen of Winnipeg being appointed President, and J. Dempsey, Class of 1912, Secretary. The matter of drawing up a constitution was left to the executive.

A meeting was held by the executive on November 21, 1912 in order to discuss membership into the Association. A resolution was eventually passed that approved the basis set down the previous spring: All Arts, Theological and Ad Eundem graduates were to be admitted into the Association.

The Alumni Association was created by students in order for graduates and former students of Brandon College to maintain contact with the College and each other and to promote the College's interests.

The Alumni Association's activities included: publication of the quarterly Alumni News, mailed to all members and associate members; administration of the Alumni-contributed \$17 000 J.R.C. Evans (Memorial) Student Loan Fund, providing interest free loans to worthy students; representation on Brandon College Board of Directors; contributions to College expansion; organization of Association branches in major cities and of social events for Alumni members.

## Biographical:

The first organization involving the students of Brandon College was created in 1899 or 1900. It was entitled the Literary Society. This society was run by students and faculty to cultivate literary and musical gifts and to provide training in public speaking and in the transaction of business. In 1901, a College branch of the Y.W.C.A. was formed as well as a Students' Missionary organization. A College branch of the Y.M.C.A. followed in 1902. The Brandon College Athletic Association was created in 1904 to direct the affairs of the various athletic games.

The first idea of a Student Council-type organization began in 1906 with the creation of the Students' Committee. This committee was created in order to develop a worthy College spirit and to promote a worthy College life.

"A committee of five students shall be appointed annually early in the college session whose office it shall be to confer with the Resident Master on matters pertaining to residential life, and with the Faculty on matters pertaining to the general life of the College. This committee shall consist of five members, three resident and two non-resident. In matters relating to the residence the three resident students alone shall act. This committee shall represent the Student Body in any matters in which that body may wish to confer with the Faculty, or may of its own motion confer with the faculty on any subject thought to be of interest in promoting proper College life."

In 1909 the Debating Society was created for training in public speaking. A Publications Committee was created in 1910 to publish the new student magazine, *The Quill*. The Students' Committee became known as the Student Council in 1915. Also in 1915, a Committee on College Activities was formed. This consisted of the President, two faculty members and two students. It was appointed by arrangement of the College Council each year to regulate the various activities of College life. It became known as the Functions Committee in 1921.

The 1920-1921 College Calendar is the first calendar that mentions the Brandon College Students Association. It states under the heading of Student Organizations that:

"The Literary and Debating Societies, the Athletic Association, the Y.M.C.A. and the Y.W.C.A. are integral parts of the Brandon College Students' Association, and are managed by committees appointed by the Association."

1921 saw the formation of the Students' Christian Movement which replaced the Y.M.C.A. and the Y.W.C.A. Under the Students' Christian Movement group, students held weekly devotional and educational services, and conducted Bible and mission study classes.

The 1936-1937 College Calendar shows that a change took place that year in the student council. Instead of just five students of the College being elected to the Council, there are now two separate councils. The calendar states that:

"The students of the men's and of the womens' residences appoint annually a representative committee of five, whose function it is to consider the interests of College life from the point of view of the residence body, conferring with the Faculty when necessary."

Although these groups of five were known as the student council, there was a Student Executive of the Brandon College Students Association that was a separate entity. It consisted of the Senior Stick, the Lady Stick (since 1923), the heads of various boards, and the class presidents. This governing student body continued until 1966 when it underwent an extensive reorganization. During that year, the positions of Senior and Lady Sticks were abolished so that the elected student president could be a man or a woman. This president would be assisted by elected 'sticks' from each faculty of Arts, Science, Education and Music. This form of government continued until 1967, when Brandon College became Brandon University.

#### Scope and Content:

History /

The Ministerial Committee was created with the purpose of discovering prospective students for the Baptist ministry. To become recognized as a student in Theology, a student had to be examined by the Ministerial Committee. The committee looked at the student's intellectual, moral and spiritual fitness for the work of the ministry. He was then graded on his chances at entering the ministry. The committee could tell him that he was not suitable for ministerial work, or they could put him on the "encouraged" list. After repeated meetings with the Committee, a student could be voted as "accepted" as a prospective Baptist ministerial student.

Scope and Content:

These records consist of a book from the Ministerial Committee. It contains the records of prospective theological students, including comments on their spirituality, morality and intellect. It records which students were rejected, encouraged and accepted into the program. Some notable students interviewed in this collection are: J.R.C. Evans, John Hart, Charles Stone, H. Friend, J. Church, and Tommy Douglas.

The Brandon College Expansion Fund was created by the Board of Directors in the late 1950s in order to raise money for Brandon College. This money would help with the much needed expansion of Brandon College. The school's physical facilities had become inadequate for the number of students enrolled and the variety of courses offered. The Expansion Fund, with the initial goal of raising one million dollars, would enable Brandon College to provide students with adequate space to learn. The Fund was very successful, as the 1960s were defined by the sound of construction at Brandon College. In 1960, a new Arts and Library Building and Lecture Theatre were built. A Men's Residence and Dining Hall arrived soon after. A Gymnasium was built, as well as a Women's Residence and Music Building. By the time that Brandon College received its university charter an Education Building was just being completed.

Scope and Content:

The Expansion Fund records contain information regarding the Fund raising campaign during the late 1950s and early 1960s. There are Daily Reports, Situation Reports, and Purchase Orders. As well, there are mailing lists, canvasser lists and division lists. The records contain several Canvasser's Kits, as well as a booklet entitled "Brandon College Looks Ahead". There are various reports from 1958 and 1959. The files include Corporate Donor cards, Alumni Addresses, Reference cards, Eastern Canada business contacts, lists of former students, and obituaries of alumni. There are official receipts, newsletters and some correspondence. There is also correspondence dealing with the fundraising campaign for a Centennial Auditorium.

In 1914 World War I broke out in Europe. As soon as Britain became involved in the war, Canada, as part of the British Empire, was involved. As soon as Canada became involved in the war, Brandon College became involved. In keeping with the patriotism of the time, Brandon College organized a Canadian Officers Training Corps in 1915. It was soon a common sight to see students drilling several times a week in every type of weather. Often the women of the college would offer food and drink after the more grueling experiences. In 1916, a Brandon College platoon was organized under J.R.C. Evans. When he was declared medically unfit to go overseas, the command went to Lieutenant William Carey McKee. Carey was the son of S.J. McKee. He had graduated from Brandon College in 1914, and secured his M.A. in 1915. The Brandon College platoon joined up with the Western Universities Battalion, the 196th. The men went overseas in 1916, most remained there until after the war. Sadly, their admired leader, Carey McKee, was killed on August 26th, 1918 at Arras, just months before the end of the war.

Over thirty other Brandon College men failed to return home from the war. Remaining students immediately began planning for a memorial gymnasium to honour their fallen friends. They eventually raised over \$20 000 towards the gym, but the money was given as a gift to the administration during the late 1920's and early 1930's when the College was in dire need of money. Although the Students' Memorial Gymnasium Fund went on for several years, due to lack of money and rising building costs, the memorial gymnasium was never built.

The C.O.T.C. remained on the campus, but it was not as integral a part of daily routine until the late 1930s. Once again, hostilities broke out in Europe. This time, however, Canada did not automatically become involved in the war when Britain did. In an attempt to show the world its independence, Canada waited five days before officially declaring war. By 1940, the C.O.T.C. was in full swing again. As well, part of Brandon College was given to the Royal Canadian Air Force for use as classrooms and accommodations.

After the cessation of World War II, the C.O.T.C. remained on campus. The S.J. McKee Archives has records of the organization up until 1960. The 1951 Brandon College Calendar describes the University of Manitoba contingent of the C.O.T.C., so at some point the two organizations were amalgamated. The 1954 Brandon College Calendar describes the R.C.A.F. (Reserve) University of Manitoba Squadron that students can apply for. Finally, the 1957 Brandon College Calendar contains a description on the Regular Officers Training Plan, which students could apply for. All of these programs were still in effect when the College was granted its University Charter in 1967.

#### Scope and Content:

The first member of Brandon College to join up was a professor, Philippe Louys. He happened to be visiting his father in France when hostilities broke out. He joined the French Army, and was almost immediately taken prisoner. For several years he tried to escape, finally being successful on his fourth try. Louys immediately began retraining in the French Army, but as soon as he was ready to fight again, the war ended. Philippe Louys' story is not uncommon in the history of Brandon College. The professors and students felt it was their duty to join the ranks and fight along with the rest of the British Empire. Most of them left the halls of the College, and many never returned.

The records consist mainly of correspondence having to do with the Canadian Officers Training Corps. There are also letters referring to Brandon College students who served in the World Wars. As well, there are lists of Unit Orders and Syllabii for the instructors of the C.O.T.C. There are also files regarding the War Maintenance Fund from 1918 and 1919. These records are a good source of material for studying how Brandon College viewed the outbreak of hostilities in Europe, and how the College responded to the crisis. Also, they show how attitudes changed about war and the college's role in it from the period of 1915 to 1960. The Presidents' files also have information on the role the military played at Brandon College. Finally, the series contains attestation and application for military training forms (1941-1943).

Description Level:      Series

Series Number:          13

Date Range:              1899-1967

Physical Description:   1.89 m

History /

Biographical:

These files were created from 1899-1967. They include almost all of the financial records from this time. Before the creation of the Bursar position in 1910, the files were probably created by Dr. McDiarmid and Dr. McKee. After 1910, it is assumed that it was primarily the Bursar's responsibility to update the ledgers. As well, various committees were involved in the creation of these ledgers, such as the Refund Committee and the Library Committee.

#### Scope and Content:

Many of the Ledgers in this collection contain clear information about how Brandon College raised and spent its money. There are General Accounts Ledgers that give an overall view of the College's finances, as well as Financial Reports from 1910 through to 1969. There are several ledgers entitled Cash Receipts and Disbursements and Petty Cash.

Some interesting files from a researcher's point of view are the Student Accounts Ledgers. Dating from 1899, these ledgers contain information regarding each student that attended Brandon College. The ledgers record the tuition, board and other students expenses, how it was paid and who it was for. There are also Book Accounts. These two books describe the books students had to buy for their classes. There is a book of room deposits, as well as a list of students by their hometown and denomination.

The Miscellaneous file is probably the most interesting one in the collection. There is a ledger created by Sadie Northam in 1898. The book contains expenses from what was possibly the Dining Room, as the purchases are mainly large amounts of groceries. The collection also includes the minute book from the Refunds Committee from 1914 to 1923. This committee heard appeals from students who desired some or all of their money back from the College. A very intriguing article in the miscellaneous file is that of the COTC Day Sheets. This ledger runs from March through April of an unknown year, although it most likely was 1915 or 1916. It has a list of students that were in the COTC and has columns for each day that they had drill practice. They COTC drilled twice a day, and the Day Sheets mark if the student was present for drill, and if he was not, what his reason for being absent was. It also contains a list of duties for the duty officer, as well as some memorandums.

There are two books in this series that record the Staff salaries from 1918 to 1921 and 1926 to 1928. There is also a ledger from the Brandon College Institute, Session 08. There is no date on this ledger, and it is not quite certain what the Institute was, as there is no other mention of it. Although the collection has been divided under various headings, it must be noted that there is considerable overlap, especially between the General Accounts, Cash Receipts and Disbursements, and the Student Accounts Ledgers.

The series has been divided into six sub-series, including: (1) General accounts ledgers; (2) Financial reports; (3) Cash receipts and disbursements ledgers; (4) Petty cash ledgers; (5) Student accounts ledgers; and (6) Miscellaneous ledgers and minute books.
