History /

Biographical:

Artifacts in this series were collected by Fred McGuinness during the course of his lifetime as a community volunteer and newspaperman. Beginning in the mid-1930s through the Second World War, McGuinness worked with the Canadian Pacific Telegraph service in Brandon and Winnipeg. McGuinness frequently wrote about those early experiences in his newspaper columns, journals, and monographs.

In the early 1950s, while McGuinness worked as a publicist with the Unemployment Insurance Commission in Winnipeg, he volunteered with community organizations such as the Winnipeg Community Chest Drive. From 1953 to 1955, McGuinness worked as an organizer for the Province of Saskatchewan's 1955 Golden Jubilee.

After the Saskatchewan Jubilee, McGuinness worked with The Medicine Hat News as a journalist and publisher from 1955 to 1965. During that time, McGuinness became heavily involved with the Medicine Hat Chamber of Commerce. His community and business connections resulted in his appointment as a fundraiser for the Medicine Hat Junior College Library, a building project intended to see the City established with its own college.

After his work with the Saskatchewan Jubilee, McGuinness was asked to be a Regional Director for the Canadian Centennial Commission from 1965 to 1967. During that time, McGuinness returned to his hometown of Brandon in 1966, to start a 20-year career with the Brandon Sun as a publisher and vice-president. McGuinness' interest in local history, of which he often wrote, made him the recipient of local ephemera from his readers.

Custodial History:

Accession 1-2015 contains records created and collected over the course of McGuinness' career as a newspaper journalist and freelance writer. The Estate of Fred McGuinness donated the materials to the SJ McKee Archives circa 2011. The Archives accessioned the records in 2015.

Scope and Content:

This series contains artifacts collected by Fred McGuinness during the course of his lifetime as a community volunteer and newspaperman. The artifacts include one telegraph sounder, four letterpress blocks, five typesetter rulers, two patches, two buttons, one token, one tin box, and ten sound recordings.

The telegraph sounder and relay system was possibly a gift from Bill Flett, a CPR superintendent. In his story "Canadian Pacific" published in *Letters from Section 17* (1999), McGuinness mentions receiving a package containing telegraph equipment while he was working at the *Brandon Sun*. The tin box in McGuinness' collection contained copies of telegraphs announcing the end of the war.

Two letterpress type blocks have the letters "WM" which may represent the initials of Fred McGuinness' father William McGuinness. J.R. Langford donated the "Colquhoun and Beattie" type plate to McGuinness, a known collector of Brandon local history. Mr. Beattie had gifted the plate to Lanford's father who worked as a barber in Brandon in 1906. The *Brandon Sun* letterpress is likely from the period when McGuinness worked at the *Brandon Sun*.

The five typesetter rulers come from a variety of typesetter and newspaper companies and include Teletypesetter (Chicago, IL), 6 Cutting Limited (Montreal, Toronto, Winnipeg), Mergenthaler Linotype Company (Brooklyn, NY), and *The Edmonton Journal*.

The two buttons in the collection come from McGuinness' time as a community-volunteer in Winnipeg, Manitoba. One button is from the Community Chest Drive, the other button is a guest badge from the 1953 Provincial Exhibition of Manitoba.

The two patches are from the Saskatchewan Golden Jubilee (1955). Photographs of Saskatchewan Jubilee events and participants wearing the patch on their blazers can be found in the McGuinness photograph collection.

McGuinness saved a Medicine Hat College Official Opening Token from October 3, 1971. McGuinness was likely at the opening as he was originally involved in the establishment of the junior college in the 1960s.

The sound recordings in McGuinness' collection largely pertain to centennial events, which McGuinness helped organize. There is one box set containing four records of the Saskatchewan Golden Jubilee Choir. Tucked in this volume is an additional record of the Choir recorded at CKCK, Regina, Saskatchewan. Also stored within the box set was a copy "Canada, A Centennial Song."

History /

Biographical:

The publications in this series were collected by Fred McGuinness during the course of his career as a newspaperman. McGuinness' personal library contained over 500 volumes pertaining to local history. He regularly consulted these materials when writing his radio broadcasts, newspaper columns, and monographs. McGuinness was known to file related materials (e.g., correspondence, newspaper clippings, invitations) between book covers of various titles.

McGuinness donated a substantial portion of his personal library to Brandon University's John E. Robbins Library when he moved to River Heights Terrace (Brandon, Manitoba). That collection can be found in BU's library catalogue under the McGuinness local history collection. The titles McGuinness retained upon his move were donated to the McKee Archives by his estate in 2011.

Custodial History:

Accession 1-2015 contains records created and collected over the course of McGuinness' career as a newspaper journalist and freelance writer. The Estate of Fred McGuinness donated the materials to the SJ McKee Archives circa 2011. The Archives accessioned the records in 2015.

Accession 20-2009 contain records created and collected by Fred McGuinness over the course of his career as a newspaper journalist and during the research and writing period of the Brandon history book, *The Wheat City*. Records remained in his possession at his home until their transfer to the McKee Archives on July 28, 2009.

Accession 6-2008 contains records created and collected during the writing of the Provincial Exhibition book, *Pride of the Land*. Fred McGuinness, who co-authored the book with Ken Coates, donated these records to the McKee Archives circa 1988. The materials relating to Souris, Manitoba, were given to McGuinness by Kay Sullivan in August 2007, and were subsequently deposited in the Archives.

Scope and Content:

This series contains publications collected by Fred McGuinness during the course of his lifetime as a newspaperman. McGuinness was a well-known local history enthusiast and frequently wrote about Brandon's local history. Many of his readers forwarded booklets and pamphlets for his consideration and review.

Materials in this series include books, booklets pamphlets, periodicals, newspapers and maps. Subjects include, but are not exclusive to: the city of Brandon, the town of Souris, memoirs, family histories, Canadian Pacific Railway, and local businesses.

History /

Biographical:

The chancellor is the titular head of the university and confers all degrees. Where possible the Chancellor also attends official functions on behalf of the University and may take on special projects keeping with the goals of the University. According to "The Brandon University Act 1998," there is to be a chancellor of the university elected by the senate for a term of three years; the chancellor continues to hold office after his or her term expires until re-elected or until a successor is elected; the chancellor is eligible for re-election; and if a vacancy occurs in the office of chancellor before the end of the term, the successor elected to replace the incumbent chancellor is to hold office for the remainder of the incumbent's term.

BRANDON UNIVERSITY CHANCELLORS:

MAITLAND B. STEINKOPF (1967-1970)

Maitland B. Steinkopf (September 10, 1912 - 1970) was born in Winnipeg, Manitoba. He was educated at the University of Manitoba, and was called to the Manitoba Bar in December 1936. He served in the Canadian armed forces in World War Two, as a Private in the Queen's Own Cameron Highlanders and a Lieutenant Colonel with the R.C.O.C. He later founded the Canada West Shoe Manufacturing Company, and was a president of several companies including Bonded Investments Ltd., L.H. Packard Co. Ltd., Dayton Shoe Mfg. Co. Ltd., and the Tel Aviv Hilton Hotel. Steinkopf was a member of the Canada Israel Development Corporation,

and served as chairman of State of Israel bonds in Manitoba. He was also an honorary counsel with the government of Czechoslovakia until 1948. Prior to his election, he assisted the Roblin government in land-development for cultural projects.

Steinkopf was elected to the Manitoba legislature in the 1962 provincial election as a member of Dufferin Roblin's Progressive Conservative government and was appointed to cabinet on June 12, 1963, as Provincial Secretary and Minister of Public Utilities. He later resigned his position and his seat in the legislature as a result of being implicated in a controversial land assembly payment. He was re-elected and re-appointed to the Cabinet in 1964. Steinkopf did not run for re-election in 1966. He later served as chair of the Manitoba Centennial Centre Corporation, which established a Maitland Steinkopf Youth Fund in 1972 for students in the arts.

Steinkopf married Helen Katz of Chicago and they had six children. He died suddenly in 1970 of a heart attack.

THE HONOURABLE STANLEY HOWARD KNOWLES (November 1970 - November 1990)

Stanley Knowles (June 18, 1908 - June 9, 1997) graduated from Brandon College in 1930, received his B.Div. from the University of Winnipeg in 1933, and was ordained by the United Church of Canada. Until 1940, he was a minister in Winnipeg churches. He organized public forums and created radio programs on social themes. He spoke for the Co-operative Commonwealth Federation (CCF), becoming its chairman, then provincial secretary, for Manitoba.

In 1942, Knowles was elected to the House of Commons as MP for Winnipeg North Centre. He was an MP from 1942 until 1958, was re-elected in 1962 and served until 1984. Throughout his political career, he struggled for a decent life and income for older people. He was instrumental in amending the industrial relations bill so that legal strikes did not interfere with employee pension rights, eliminating the "means test" from the Old Age Security Act and indexing the Canadian Pension Plan and Civil Security Pensions. He played a major role in creating the New Democratic Party in 1961, presiding over the founding convention. He was the Deputy Leader of that party from 1962-84.

In 1970, Knowles became Chancellor of Brandon University and in 1990, was designated Chancellor emeritus. He became an honorary member of Canada's Privy Council in 1979, and was awarded the Order of Canada in 1984.

THE HONOURABLE JUDGE RONALD D. BELL (1990 - October 1996)

Ronald Dean Bell was born in Deloraine, Manitoba and graduated from Brandon College in 1951. He received his law degree from the University of Manitoba in 1955. Bell worked for several years as a solicitor for the Department of National Revenue, Taxation Division and as a partner in the Calgary law firm Fenerty & Co. He was appointed Queen's Counsel in 1976, and in 1978, he formed Bell Felesky Flynn, a law practice focusing on taxation. In 1991, Bell was appointed Judge of the Tax Court of Canada.

Throughout his distinguished career, Bell has continued to support Brandon University. In addition to his duties as Chancellor, he has also served on various BU boards and worked tirelessly to promote the institution. He also made significant financial contributions to improve physical structures, programs and student scholarships, including the establishment of the R.D. Bell Scholarship and the R.D. Bell String Scholarships. The R.D. Bell Hall in the Queen Elizabeth II music building was named in his honour, as was the Bell Tower atop the original Brandon College building, which is now part of Clark Hall. Justice Bell received an Honorary Degree from Brandon University at the spring 2006 convocation and is presently Chancellor emeritus.

DR. KEVIN KAVANAGH (November 1996 - October 2002)

Born and raised in Brandon, Kevin Kavanagh graduated from Brandon Collegiate Institute in 1950, and completed his commerce degree at the University of Manitoba in 1953. That same year he joined the Group Insurance Division of the Great-West Life Assurance Company. From 1978-1992, he served as president and CEO of that organization. During his career, Kavanagh has also served on various provincial and national boards, including the Royal Winnipeg Ballet, National Leasing Group, Winnipeg Airports authority, the Conference Board of Canada, the Crown Corporations Council and the Canadian Life and Health Insurance Association Inc. Kavanagh was also a member of the Roblin Commission. In 1996, he was named the fourth Chancellor of Brandon University, and in addition to his duties as Chancellor, he has been involved with the university as a member of the Brandon University Foundation and as a member of the Corporate Challenge Campaign. In September 2006, the courtyard between Clark Hall and the George T. Richardson building was renamed The Kavanagh Courtyard in honour of Kavanagh and his wife in recognition of their vision and leadership with Brandon University and their dedication to the advancement of post-secondary education.

In 1963, Kavanagh married his wife Els, and together they had two children: Jennifer and Sean. At present, (July 2007), Kevin Kavanagh is Chancellor Emeritus of Brandon University.

THE RIGHT HONOURABLE EDWARD R. SCHREYER (November 1, 2002 - present)

Edward Schreyer was born on December 21, 1935 in Beausejour, Manitoba. He studied at United College, St. John's College and the University of Manitoba, receiving a Bachelor of Pedagogy in 1959, a Bachelor of Education in 1962, a Master of Arts in International Relations and a second Master of Arts in Economics in 1963. From 1962 to 1965, Schreyer taught International Relations at St. Paul's College. On June 30, 1960, Schreyer married Lily Schulz. The couple had two daughters, Lisa and Karmel, and two sons, Jason and Tobin.

Schreyer was elected to the Legislative Assembly of Manitoba in 1958, as a member of the Manitoba Co-operative Commonwealth Federation, representing the rural constituency of Brokenhead. In 1965 he resigned to run successfully for the House of Commons. In 1969, Schreyer returned to provincial politics as leader of the New Democratic Party of Manitoba. He led his party to victory in the 1969 provincial election, and served as Premier of Manitoba from 1969 until 1977.

Schreyer was appointed Governor General in 1979 by Pierre Trudeau. That same year, he was made a Companion of the Order of Canada along with his wife Lily Schreyer. As Governor General, Schreyer championed women's issues, the environment, and official bilingualism. He established the Governor General's Award in Commemoration of the "Persons Case," instituted the Governor General's Conservation Awards (1981), and presided over the first Governor General's Canadian Study Conference. Schreyer retired as Governor General in 1984.

Later in 1984, Schreyer was sworn into the Privy Council and was subsequently appointed Canadian High Commissioner to Australia, Papua New Guinea, and the Solomon Islands, and as ambassador to Vanuatu. He held those positions until 1988. Returning to Manitoba, Schreyer worked as a national representative of Habitat for Humanity. In 2006, he was acclaimed as the NDP candidate in Selkirk-Interlake for the 2006 federal election.

Edward Schreyer became Chancellor of Brandon University in November 2002, and his term was extended in 2005 until October 31, 2008.

HENRY CHAMP (November 1, 2008 - October 31, 2011)

Henry Champ was born in Brandon, Manitoba in 1939. He attended Brandon College in 1957 and 1958.

and 1998.

The Board of Governors of Brandon University is a body established by the Brandon University Act (1998), a statute of the Province of Manitoba. The Act vests in the Board the authority for governing Brandon University. The members of the Board of Governors, as trustees, hold the University in trust for the people of the Province of Manitoba. Responsibilities for maintaining this trust include: selection of a president, monitoring his/her performance, providing guidance to the University via its policies, and often delegating authority to the administration.

The Board of Governors is a collective representing the entire community (both internal and external of the University). As a collective, the Board of Governors is responsible for ensuring the financial stability of the institution and for seeing that the overall plans of the institution are consistent with the institution's philosophy, goals, and financial resources.

Biographical:

In 1970, the Department of Extension was divided into the Department of Extension (Non-Credit) and the Department of Extension (Credit). In 1974, the two departments were amalgamated into the Department of Extension (Credit and Non-Credit). The department's name was changed again in 1977, when it became the Department of Continuing Education (Credit and Non-Credit).

In 1986, the Office of Continuing Education and Summer Session was renamed the Office of Extension with responsibility for non-credit offerings, distance education and off-campus credit courses. From 1999 to the 2001-2003 calendar, Kathleen Matheos, the last Director of Extension, is listed as the Director of the Education Technology Unit. After the 2001-2003 calendar, the Department of Extension became part of Campus Manitoba.

DIRECTORS OF EXTENSION:

R.B. INCH - Extension (1967-1969) and Extension (Non-Credit) (1970-1971)

George Robert Boyer Inch, more commonly known as R.B. Inch, was born in 1903 in Oak Point, New Brunswick. His father, James Nathaniel Inch, was a local shopkeeper and served as town postmaster. James Inch married Phoebe Elizabeth Inch (nee Boyer), a native of Hartland, New Brunswick. While working in Ontario between 1939 and 1939, R.B. Inch met and married Elizabeth Gowling of Ottawa. The couple had two children; a son named George and a daughter named Jeanne. Elizabeth Inch (nee Gowling) passed away in 1956.

R.B. Inch was educated first at Mount Allison Academy in Sackville, New Brunswick. He later

went on to study at Mount Allison University, where he earned a Bachelor of Arts degree in 1924. After graduating, Inch traveled to western Canada looking for employment in his chosen field of journalism. From 1924-1926 Inch was unable to find a job in the newspapers so he subsisted by teaching classes at Mount Royal College in Calgary and attending lessons at the Calgary Normal School. In June 1926, the Calgary Herald, then known as the Calgary Albertan, hired Inch as a regular journalist. He stayed in that position in Calgary for two years. Inch later accepted a job with the Winnipeg Free Press, where he worked from 1928-1929.

In 1929, Inch accepted a position with the National Research Council in Ottawa as Secretary to the President and information officer. Between 1929 and 1933 he also volunteered as editor of the magazine "Interdependence," the official publication of the League of Nations Society in Canada. In 1935, Inch resigned his post at the National Research Council to become the National Secretary of the League of Nations Society in Canada. There he served until the collapse of the League at the outbreak of World War II in 1939.

In 1942, Inch was commissioned by the Canadian Broadcasting Corporation (CBC) to prepare a series of programs entitled "Of Things to Come - Inquiry on the Post-War World." In 1943, Inch joined the Royal Canadian Army Service Corps, but never saw action in Europe. After the war, Inch was hired by his alma mater, Mount Allison University, to serve as Director of Alumni and Public Relations. He remained in Sackville from July 1945 through to 1967. In July 1967, Inch was hired by Brandon University as the Director of Extension and as a political science lecturer.

After retiring in 1972, Inch was active in the formation of the Canadian branch of Amnesty International. He would later become National Director Emeritus of the organization.

R.B. Inch died in Brandon, Manitoba on January 7, 1983.

H.S. PERDUE - Extension (Credit) (1970-1971)

Dr. Henry Stewart Perdue was born in 1904 near Souris, Manitoba. He graduated from Souris Collegiate in 1920. After working several odd jobs, Perdue entered Brandon College in 1924. He graduated with his B.A. in 1928. After graduation, Perdue was hired as a teacher in the Academic Department. He received his M.A. in 1930, and went on to receive his Ph.D. in Geology from the University of Chicago. In 1930, Perdue became the Director of the Matriculation Department, as well as an Instructor in Geology. In 1931, he took over the position of Resident Master. In 1937, he married Ella May Higgins, who was the Resident Nurse. From 1938 until 1948, Perdue acted as Registrar of Brandon College.

In 1947, Perdue accepted the position on College Dean. This position ran until 1952, when it was changed to the position of Dean of Arts and Science. Perdue also held this position until 1962, when the office separated into the Dean of Arts and the Dean of Science. Perdue continued in the position of Dean of Science until 1967. After Dr. Evans' death in July of 1959, Perdue became acting President. He held this position from August 1959 until August 1960, when Dr. Robbins was appointed President. Perdue held the position of Director of Extension (Credit) from 1970-1971. He retired from teaching Geology in 1973. Dr. Perdue died on December 22, 1979 at the age of 75.

EVAN H. PEPPER - Extension (Credit) (1972-1974)

Evan H. Pepper was born in Windsor, Ontario. He received his BSc in Biology and Chemistry from the University of Detroit and his MSc and PhD from Michigan State University in the same fields. Pepper also attended the Henry Ford Trade School, the United States Brewer's Academy (Brewing Technology) and the Ryerson Institute (Instructional Technology). In 1945-1946 he served in the U.S. Merchant Marine, and from 1954-1956, in the U.S. Army.

From 1960-1962 Pepper was a technical coordinator for Ladish Malting Co. He began his

From 1960-1962, Pepper was a technical coordinator for Eastern Illinois Co. He began his academic career in 1962 as an Assistant Professor in the Department of Plant Pathology at North Dakota State University, leaving that position in 1967. From 1967-1988, he was an Associate Professor, and later a Professor (1971-1988) in the Department of Botany at Brandon University.

While at Brandon University, Pepper served on the Brandon University Senate, the Senate Executive Committee, the Extension Committee, the University Act Committee and the Senate By-Laws Revision Committee. He was also assigned as a liaison to Inter-Universities North (IUN) and helped to design the RN/RPN program (1970). Pepper's administrative duties included Director of Credit Extension, Director and designer of the FOCUS program and Chair of the Botany Department. In addition, he also taught, designed and developed several courses for the Biology and Botany Departments at Brandon University.

Evan Pepper retired in 1988. He died on March 27, 2013.

R. BRUCE MCFARLANE - Extension (Non-Credit) (1972-1973); Extension (Credit and Non-Credit) (1974-1976); Continuing Education (Credit and Non-Credit) (1977-1986); and Extension - acting (1990)

No biographical information yet.

B. WESTFALL - Extension (1987-1989)

Beth Westfall was born in Birmingham, England. Her undergraduate degree in European Studies was obtained from the University of Sussex; she received her Master's Degree in German from the University of British Columbia and her Ed.D. in adult education from Nova University.

Westfall came to Brandon University in January 1987, as the Director of Extension. Prior to that time she was a director on a regional campus on the College of New Caledonia in British Columbia. She also had extensive experience in teaching basic adult education and English as a second language, and in facilitating women's support groups and communication skills workshops.

In September 1989, Westfall became Brandon University's Dean of Student Services. See RG 6, series 12 (Student Services) for additional biographical information.

K. MATHEOS (1990 - 1997/1998)

Kathleen Matheos was appointed Director of the Office of Extension for a five year term effective September 1, 1990. Prior to coming to Brandon University, she was the Agricultural Distance Education Coordinator/Community Programs Division at Assiniboine Community College. In 1999, Matheos' title was changed to Director of the Education Technology Unit and ca. 2003 the Office of Extension was absorbed into Campus Manitoba. Matheos left Brandon University some time thereafter, and currently (January 2006) works for the Department of Extension at the University of Saskatchewan.

Scope and Content:

The series is divided into four sub series, including: (1) General files; (2) FOCUS; (3) Brandon University Art Exhibition Committee; and (4) Publications.

Notes: History/Bio information was taken from Brandon University calendars and an article in "The Quill" (January 9, 1986). Biographical information on R.B. Inch was taken from the finding aid for the R.B. Inch collection written by Matthew Palmer (2003). Biographical information on H.S. Perdue was taken from the "Brandon College finding aid" prepared by Karyn Riedel for McKee Archives in 1998. Biographical information for Evan H. Pepper was taken from his resume (given to the Archives in 2006). History/Bio information for Kathleen Matheos was taken from Campus News - July/August 1990.

ARCH 2: North Lauder Locale

The North Lauder locale has a long archaeological and geological history that is important for understanding the forces that shaped the region. Archaeological research in the locale shows that the area has been occupied by humans for at least the past 6,500 years. Environmental forces provided an area of diverse resources that attracted early peoples.

Environment of the Lauder Sandhills

The North Lauder locale is part of the greater Lauder Sandhills area. The glaciers that covered this region began to recede approximately 11,000 years ago leaving a large lake known as glacial Lake Hind. The Souris River, the Lauder Sandhills and the Oak Lake Aquifer are remnants of the environmental and geological forces that shaped the region.

The Lauder Sandhills region is characterized by a landscape of sand sheets and stabilized sand dunes interspersed with a variety of wetlands. This complex topographic and hydrological situation favoured the development of an island mosaic of mixed forest, wetland and meadow, surrounded by mixed grass prairie. The result was a large, isolated ecotone which provided a rich variety of subsistence resources for hunter-gatherers.

Research in the Lauder Sandhills

Archaeologists from Brandon University have been conducting research in the Lauder Sandhills since 1991. Research in the North Lauder locale has focused on the Atkinson site, a 6,500 year old hunter-gatherer site and Flintstone Hill.

The Atkinson site

The Atkinson site is one of the oldest excavated sites in Manitoba and has been Radiocarbon dated to 6,500 years before present. The Atkinson site is located on the bank of the Souris

River and was discovered when a hearth (fire pit) was seen eroding out of the bank. Based on the date of the site and the kind of lithics (stone tools) present it is considered a Gowen occupation. The Atkinson site is evidence that bison hunters were active on the northern plains at a very early date. Similar sites have also been found on the High Plains in the U.S. and are referred to as the Mummy Cave Complex.

The Atkinson Site is of great importance as it is the first undisturbed site of this type to be excavated in Manitoba and extends the range of these sites south and east from the type-sites in central Saskatchewan.

Flintstone Hill

The geomorphology of the glacial Lake Hind Basin over the past 11,000 years is known primarily through the study of a cut bank along the Souris River. Flint Stone Hill contains the most complete stratigraphic record for the post-glacial period on the northern plains. The site has been extensively studied by geoarchaeologists, geologists and paleoenvironmentalists over many years and their findings have contributed to our understanding of the region.

The North Lauder locale Borden designations of Atkinson site DiMe-27 and Flintstone Hill site DiMe-26.

Borden System

Archaeological sites in Canada are identified by the Borden system, which is a uniform site designation system. The country is divided into grids based on latitude and longitude in blocks of 10 x 20 minutes. The first 4 letters indicate the block and the following numbers indicate the actual site. For example the area of the Lauder Sandhills in southwestern Manitoba is identified by the letters DM and the North Lauder locale within that area is DiMe. The Atkinson site is DiMe-27 and the Flintstone Hill site DiMe-26. As new sites are discovered they will be numbered sequentially.

ARCH 3: Lovstrom locale

<http://archives.brandonu.ca/en/permalink/descriptions12406>

Part Of: RG 7 Beverley Nicholson fonds
Description Level: Series
Series Number: 3
Accession Number: 1-2010
GMD: multiple media
Date Range: 1985 to 1991

History /

Biographical:

The Lovstrom locale first came to the attention of Dr. Nicholson through conversations with landowners Mr. and Mrs. Herb Lovstrom in 1985. Lovstrom is a multi-component

archaeological locale located 25km south of Brandon overlooking the Souris River channel. The landowner's surface collection and the presence of bone and artifacts in a cultivated field indicated the presence of one or more sites.

Limited testing was conducted in 1985 and 1986, followed by major excavations in 1987, 1988 and 1991. Eight sites of block excavations with a total of 132 1m² excavation units were completed. The locale area extends approximately 500m north from the edge of the Souris Valley escarpment and over 200m east from the Jock's Creek escarpment.

Physical and biological environment As has been noted above, the locale is bounded on the south by the Souris channel and on the west by the incised channel of Jock's Creek and a till plain extends to the north and the east. This plain is characterized by buff colored glacial till with numerous rocks embedded in the surface. Surrounding these rocky knolls are dark-soil hollows where the various cultural occupations are found. The depth of the topsoil layer suggests a long term grassland cover with the present oak forest likely developing in historic times due to the elimination of bison grazing and the controlling of prairie fires in late historic times. A small cleared patch of farmland is found within the boundaries of the locale area. This area has provided a substantial surface collection of artifacts.

Present vegetation in the area is a mosaic of aspen/oak forest groves and mesic grass prairie that includes introduced species such as brome grass. In poorly drained areas, willow and red osier dogwood are present. The Lovstrom locale is found in a forested area dominated by oak with an under story of saskatoon, chokecherry, pin cherry, and hazelnut brush. Poison ivy is abundant as well as sarsaparilla.

The major faunal resources in Precontact times would have been bison, with elk and mule deer playing a minor role. Antelope may have been present also. Small animals included snowshoe hare, cottontails, porcupines and beaver. Canids, including wolf, coyote, fox and domesticated dog were present, as well as mustelids such as badger, mink, and weasel. Fragments from a fisher were also recovered in the excavations.

Summation.

The Lovstrom locale has eight sites. The sites were designated and excavated as Blocks A, B, C, D, E, F, G and H. Many of the sites are multi-occupations.

The Vickers materials are primarily confined to Blocks D, E, F, G and H. Vickers Focus materials overlie Blackduck/Duck Bay materials. Blackduck and Duck Bay materials are found in the lower levels of all excavation blocks and in most test units. The Vickers occupations at the Lovstrom locale, based upon ceramic wares and an overlapping of C14 dates, appear to have been contemporary with the Lowton type site to the east, near Belmont. A small protohistoric occupation was identified overlying part of Block D. Faunal remains are abundant with bison clearly dominating the assemblages. Lesser amounts of canid are present as well as small mammals including beaver, hare and mustelids. Small amounts of avian species are also present.

Introduction

Information on archaeological materials in this locale first came to the attention of Dr. Nicholson through Doug Jackson, a local artifact collector from Souris. Doug had observed archaeological materials that included bone, ceramics and lithic material that had been exposed by municipal road building activity, northwest of Lauder Manitoba

Environment

The Makotchi-Ded Dontipi locale is located among stabilized sand dunes in the Lauder Sandhills in Southwestern Manitoba, northwest of the village of Lauder. The area is a mosaic of medium grass prairie and copses of aspen poplar and aspen-oak, together with intermittent sedge grass marshes and small ponds. These wetlands are bordered with balsam poplar, water birch, willows and red osier dogwood.

The well-drained upland forest also contains saskatoon, chokecherry, wild current, hazelnut bushes and occasional wild plums. Lowland areas have nannyberries and high-bush cranberry. Wild strawberries grow in lightly shaded areas along trail margins and in open patches in aspen forest.

History of Excavations

The Makotchi-Ded Dontipi locale is a virtual "island" of forest and marshlands in a vast expanse of mixed grass prairie. This archaeologically and environmentally rich area was given the Dakota name Makotchi-Ded Dontipi, meaning "the place where we live".

Summation

Prior to European settlement, the area was a rich environment for hunter-gatherer people. Archaeological investigations from 1992 to 2002 have revealed numerous sites within the locale. Some of these sites have been extensively excavated while others have been identified or tested.

Seven sites that have been identified in this locale range in age from the historic through protohistoric periods and extend into the middle precontact period. The major sites are the initial Middle Missouri Duthie site, the late precontact Jackson, Bradshaw sites and the protohistoric Twin Fawns, Schuddemat and Hollow B sites. The multi-component Vera site includes historic Métis, late precontact Vickers Focus, and middle precontact Besant, Pelican Lake, McKean Complex and Oxbow occupations. Over 230 units were excavated as well as numerous test pits and several extensive surveys.
