History /

Biographical:

The Franklin Cooperative Elevator Association Ltd was located in Franklin, Manitoba. The association was formed and incorporated on May 19, 1927 under certificate # 68 of the Cooperative Association Act. The first provisional meeting was held on June 27, 1927 with R.A Storey as Chairman and O. Douglas as Secretary. There was a meeting held after the incorporation meeting and the first board of directors was elected on June 28, 1927 with R. A Storey as Chairman and E.A White as Secretary. The cooperative was run by an elected board of directors.

The Franklin Cooperative Elevator Association was a part of the Manitoba Pool Elevators Ltd which was a subsidiary elevator company of the Manitoba Wheat Pool. Manitoba Pool Elevators was incorporated on April 9, 1925 with 1,000 000 capitol stocks being sold for \$1.00 per share. Manitoba Pool elevators ran on the principal of local ownership through the cooperatives.

The Franklin Cooperative Elevator Association was involved in issues on a local and provincial scale. An example of local concerns was that in October 1948, it is on record that it was a bad crop year with a delayed harvest because of inclement weather. The elevators become plugged up and as a result grain had to be shipped to oppositional elevators. In 1952 the Franklin Cooperative Elevator Association built a forty five thousand bushel annex building and later that year issues arose over cost overages in its construction. The cooperative was also concerned about provincial matters such as on Sept 18, 1952 a strike was arranged by the workers of Manitoba Pool. It was averted when a settlement was reached in Winnipeg.

Custodial History:

Records in accession 10-2013, were delivered to the Archives of Manitoba on March 20, 1970 by Bob Douglas, son of Oliver Douglas. Those records were deaccessioned by the Archives of Manitoba in January 2012 and transferred to the McKee Archives later that year. All other records were donated to the McKee Archives by Manitoba Pool Elevators.

Scope and Content:

Fonds consists of ledger books containing minutes of monthly meetings as well as annual general meetings for the Franklin Co-operative Elevator Association. The first meeting had thirty members in attendance. From incorporation the cooperative had a list of objectives they wanted to accomplish including building or acquiring, and payment of a grain elevator and building documentation. They also needed to be licensed under the Canadian Grain Act. The ledger books also contains a list of bylaws. Records also included membership rosters and contract numbers for shipping grain. Auditor's year-end financial records are also included in the fonds. Attendance records from 1958 to 1963 have been recorded.

Date Range: [1940] - July 1999

Physical Description: 12 cm

History /

Biographical:

Manitoba Pool Elevators was established in 1925 as a subsidiary of the Pool in response to local member complaints about the unfair business practices of privately owned elevators. The Katrime Elevator appears to have been established in 1940; no records in the Manitoba Pool Elevator fonds mention the Katrime elevator before 1940. In 1969 the Katrime Pool joined the Manitoba Pool.

The Katrime local was operated by a board of directors elected from the members of the Katrime elevator. Regular meetings took place sporadically throughout the year, often before and after harvest. An annual meeting for the local took place every November, at which members were chosen for the board of directors and members were selected to attend the annual Manitoba Pool convention. Occasionally in October or in the Annual meetings in November the board of directors would ask the head office to compose a letter to the rail companies to thank them for keeping the elevator supplied with cars throughout the harvest season. This would change through the 1970's and into the 90's as congestion became a problem for the railcars.

In 1998 Manitoba Pool Elevators merged with the Alberta Wheat Pool to form Agricore Co-operative Ltd. In 2001, this organization merged with the United Grain Growers to become Agricore United, and in 2007, Agricore United was taken over by the Saskatchewan Wheat Pool; the new company was known as Viterra. The fate of the Katrime elevator is unclear. There is no mention in the included records regarding the merger to Agricore or the closing of the elevator.

Custodial History:

Records in accession 9-2013, were deposited at the Archives of Manitoba in 1971, with a fourth minute book being deposited in 2011. The records were deaccessioned by the Archives of Manitoba in January 2012 and transferred to the McKee Archives later that year.

Scope and Content:

Fonds consist of the minutes of the board of directors of the Katrime elevator. Meetings discussed pool business, including membership into the Katrime elevator co-operation and a list of new members is usually included in the minutes. In addition to membership another main topic of the meetings was the salary of the agent including the agents home and expenses. In 1953, the building of a new elevator, which eventually expanded to include new offices and storage sheds was a topic of discussion. Local annual meetings generally discussed the report of the auditor and any unsold surplus, but no details were recorded. A note on the content of the minutes: there is generally mention of a lengthy discussion of a topic but there is no explanation of what was discussed. Also, at each annual meeting there is a discussion of the annual convention and the resolutions adopted from this convention, however there are no details on what the resolutions were.

Katrime Co-operative Elevator Association Limited Organizational papers: 1961 Directors' Resolution, 18 October 1961 Corporate Name: Rural Municipality of Westbourne.

History /

Biographical:

A commission to inquire into the formation and operation of the Manitoba Pool up until 1931. Charges were brought against the Pool by J.R. Murray, then Assistant General Manager of UGG. The four charges were, briefly: (1) producers had been misled into forming elevator associations, (2) members are bound by contract to the association, (3) financial statements sent out to associations are inaccurate, (4) Pool members are not getting as good a deal as they would on the free market.

The first two charges were deemed provable by the commission, while the last two were not. It was noted by the commissioner that no pool members had come forward with complaints.

These records were produced between 1986 and 1987, the researching and writing period for the book *Manitoba: The Province & The People*. Published in 1987 by Hurtig Publishers (Edmonton), *Manitoba* is a 203-page hard cover book, containing 2 maps, and 58 images.

BU faculty members Dr. Kenneth "Ken" Stephen Coates, Assistant Professor of History, and Mr. Fred McGuinness, Lecturer in Journalism, authored the book. Assisting the writers was a research team of three BU history students: Diane Fowler, Rob McGarva, and Bruce Stadfeld. All three students were former research assistants for *The Pride of the Land* monograph.

History /

Biographical:

These records appear to have been produced between 1986 and 1987, the researching and writing period for another monograph, *Manitoba: The Province & The People*. Published in 1988 by Windsor Publications (Burlington, Ontario), *The Keystone Province: An Illustrated History of Manitoba Enterprise* is a 184-page hard cover book, containing 250 black-and-white illustrations and 40 colour photographs.

The authors cover 378 years of Manitoba entrepreneurial history, starting with the Aboriginal Peoples and the early fur trade, ensuing Red River settlement, followed by the war years, and emerging Manitoba economies. The final chapter of the book contains select profiles of Manitoba businesses, many of which were acknowledged as financial contributors to the project.

BU faculty members Dr. Kenneth "Ken" Stephen Coates, Assistant Professor of History, and Mr. Fred McGuinness, Lecturer in Journalism, authored the book. Dr. Coates accepted a position as an assistant professor of Canadian History at the University of Victoria during the book's production. BU Professor of History, Dr. William R. Morrison, was credited as the picture researcher for the publication. Free-lance writer Roger Newman was responsible for preparing the Manitoba business biographies in the final chapter. The book was produced in co-operation with the Manitoba Chamber of Commerce.

Custodial History:

Records were collected and created by McGuinness and Coates during the creation of the monographs *Manitoba: The Province & The People* and *The Keystone Province: An Illustrated History of Manitoba Enterprise*.
