Brandon - Great Depression research project

<http://archives.brandonu.ca/en/permalink/descriptions4056>

Part Of: RG 6 Brandon University fonds

Description Level: sub sub sub series

Series Number: 7.1.4.1

Accession Number: 15-1997

GMD: textual records

Date Range: 1913-1987 (predominant 1929-1939)

Physical Description: 1.2 m

Physical Condition: The records are in excellent condition, but the extensive use of photocopying of available records occasionally leads to difficulty in clarity of content.

History /

Biographical:

The project originated in the summer of 1987 at Brandon University. It was undertaken by several Brandon University students under the guidance of Dr. William R. Morrison and Dr. Ken Coates, both professors in the Department of History. From the perspective of all involved, research and future publication were the original aims of the project. The intention was to produce a combination of documentary and oral history of the Brandon region during the Great Depression, including an extensive study of Brandon College. Initially, an outline and project summary was presented to Manitoba Heritage Grants Program for consideration and after being chosen as a recipient for the grant, regular reports on research progress were submitted. The project was discontinued at the end of the summer due to a lack of funding and availability of the researchers.

Custodial History:

The records were held in the custody of Dr. Morrison until his departure from Brandon University in 1989. At this time, the records were given to Tom Mitchell, who donated the entire project to the McKee Archives, where they were accessioned in 1997.

Scope and Content:

The sub sub sub series consists of textual records relating to Brandon and the surrounding area during the years of the Great Depression, predominantly 1929-1939. The material in the sub sub sub series falls generally into the following categories: city, provincial, and federal government documents and correspondence; newspaper articles and other publications, and statistical data. Of particular interest are four papers written by Brandon University students and six years of the Henderson Directory. Also included is a folder containing documents associated with the research project undertaken by Dr. Morrison et al. during the summer of 1987.

The sub sub sub series has been divided into four boxes:

Box 1 - Brandon City Council file index, City Council membership and minutes, relief regulations, proposals for burials and children's shelters, relief work projects reports, Brandon-Cornwallis Health Unit reports, correspondence between the City of Brandon and numerous levels of government, Brandon Public Health Nurse reports, farm reports, Brandon bank clearings, Provincial Election results, Employment Service of Canada documents, various published articles, Brandon University student papers.

Box 2 - Civic, provincial and federal documents related to various features of the Great depression and its impact on Brandon including lists of relief recipients and personal letters to the City, Brandon General Hospital reports. Some of these documents remain unsorted but clearly identified by title and archival institution of origin.

Box 3 - Censuses of Canada, Henderson Directory for Brandon, City of Brandon Property Address Listing, United Farmers of Manitoba documents, rural rehabilitation programs, Brandon by-law voting, Archives of Manitoba documents, Westman Municipal News articles, Economic Survey Board provincial data, project documents.

Box 4 - Brandon Sun articles including a file index to articles of interest.

Other records specifically relating to the Great Dpression in Brandon can be found in the Errol Black fonds and the Manitoba Pool Elevators fonds. All fonds are available at the McKee Archives.

If there is one subject that covers a number of years, each year will typically have a folder; however, in some cases, like the Brandon Sun articles, more than one folder was needed per year.
