History /

Biographical:

The Office of the President of Brandon College was established in 1899 under the title of Principal. The Principal was the head of the Academic Department and the Administrative body. In 1910, the position of Principal was changed to the position of President. There is no documented reason given for this change, but it was consistent with other universities and colleges at the time. When the institution was first organized in 1899, the role of the Principal was quite varied. It was the Principal who acted as both Registrar and Bursar, in addition to his duties as head of administration. The Principal also acted as a professor. It was the Principal who kept the college in contact with the Baptist Union. The Principal also acted as the liaison between the Board of Directors and the Senate, being an ex-officio member of both. In 1910, the roles of Registrar and Bursar were no longer the responsibility of the President. In the 1920's the President became increasingly involved with fundraising and traveled extensively in search of financial support.

In 1938, following the "Act to Incorporate Brandon College Incorporated," the Board of Directors, under by-law #1, assigned the President with "the internal management of the business of the Corporation insofar as it relates to the students, teaching and office staff shall be under the direct supervision of the President, subject to the order of the Board." In 1965 the President's Office was created, consisting of the President, Executive Assistant to the President (later Deputy to the President), and Secretary to the President who was also the Public Relations Assistant. From 1899 until 1967 the Office of the President was administered by six different men.
