### History /

#### Biographical:

Brandon's City Hall and Opera House opened on New Year's Day 1892 with the Annual Fireman's Ball. The exterior of the building was designed by Brandon architect W.R. Marshall. At the south end was the Opera House, an auditorium formed by an internally exposed framework of delicate iron pillars and trusses. Demolished in 1971, the limestone rubble of the foundations were turned into a sunken garden located in Princess Park.
