History /

Biographical:

The forerunner of Manitoba Pool Elevators (MPE), the Manitoba Wheat Pool was created in 1924 as a mechanism to allow for the co-operative marketing of wheat by Manitoba producers by the United Farmers of Manitoba. The Manitoba Wheat Pool was initially intended to be a provisional organization until the establishment of an interprovincial Pool, but when Alberta and Saskatchewan established their own permanent Pools the United Farmers decided to do the same. The Manitoba Pool was different from the SK and AB Pools in that the municipality was the primary unit of organization; members belonged to their municipal Pool associations first, rather than having direct membership with the central Manitoba Wheat Pool. Manitoba Pool Elevators was established in 1925 as a subsidiary of the Pool in response to local members complaints about the unfair business practices of privately owned elevators. The private elevators also slowed up the shipment of grain to the Central Selling Agency employed by the Wheat Pool, acting as a barrier between the local Pools and the Manitoba Wheat Pool. Once established MPE quickly began to build new elevators and acquire privately owned elevators.

MPE's approach to marketing grain promised to stabilize the market price of grain and ensure a fair market price to producers. Initially the Manitoba Wheat Pool was very successful. However, in 1930, the Manitoba Wheat Pool found itself burdened with an unsold surplus from the preceding year that had been bought from the farmers at a price that was significantly higher than any possible return during the Depression. As a result, in 1931 the Manitoba Wheat Pool's Central Selling Agency defaulted on its bank loans. Despite attempts to save the organization, it was forced to declare bankruptcy in November 1932. The financial difficulties of the Wheat Pool had little to no effect on the Pool Elevators, and so this former subsidiary organization became the main Manitoba Pool organization. This change meant MPE had to reorganize, which they were able to do with funds from the provincial government. The company was successful enough in subsequent years that it was able to finish repaying the Manitoba government a full year early in 1949.

MPE did not limit itself to grain handling; they wished to enrich the lives of rural families through education and to provide economic stability through diversification.

MPE established a lending reference library for members and a traveling library for rural families in 1926. With the passing of the Public Libraries Act in 1948, the province took over

responsibility for providing rural families with books. MPE decided that since their traveling library would no longer be needed when rural libraries were established, the best course of action was to donate their library to the Provincial government. They also established and supported programs that educated young people about agriculture and ag business.

Subsidiary companies that dealt with course grains, livestock, packing and fertilizer were established by MPE to streamline and stabilize business for its members.

1961 marked the high water mark for the number of local associations within Manitoba Pool Elevators with 225 local associations. After this date the associations began to amalgamate and consolidate. Improvements in rural roads and rail systems and increases in the size of farms and mechanization of farm labour meant that fewer elevators were needed to service all members and regions. These changes led to an organizational restructuring of Manitoba Pool Elevators in 1968. Membership became direct, and the main unit of organization became the central office. The central office administrated the Pool through districts, which were further subdivided into sub-districts. The locals which were formally the main organizational unit came under the immediate direction of the sub-district they were located in. Local association could opt out of this system if they wished, but by 1975 all but 29 associations had become part of the new structure.

In 1998 Manitoba Pool Elevators merged with the Alberta Wheat Pool to form Agricore Co-operative, Ltd. In 2001 this organization merged with the United Grain Growers to become Agricore United, and in 2007 AU was taken over by the Saskatchewan Wheat Pool; the new company is currently known as Viterra.

Custodial History:

The bulk of this fonds was accessioned in 1975, when the forerunner to the McKee Archives at Brandon University, the Rural Resource Center, was founded. The original mandate of the Rural Resource Center was to house the records of the Manitoba Pool Elevators. Previous to this, most of the fonds was stored at MPE's head office in Winnipeg. Many accruals to this collection have since taken place, with some of the larger ones being received in 1997, 2001, and 2002.

History /

Biographical:

Ruth Alverda Wade was born July 11, 1912 in Brandon, MB to James and Etta Alverda. She had two younger siblings: sister Gwen and brother Sherry. The Wade family resided at 1837 Princess Avenue, Brandon, MB. Ruth graduated from Brandon College with the Class of 1933.

During her time at Brandon College Ruth met Archie MacLachlan. Archibald James MacLachlan was born in Sault Ste. Marie, Michigan in 1907. He had four brothers: Howard, Edgar, Bruce, Curly and Stirling. When Archie was quite young the MacLachlan family moved to Alberta. Archie came to Brandon c. 1930 to attend Brandon College. During the summers of his years at Brandon College Archie held pastoral charges in Alberta. The first two summers were spent in the Peace River Country and the second two in Etzikom in Southern Alberta. This is the period during which the letters in the fonds were written.

Ruth Wade married Archie MacLachlan on September 19, 1934 in Brandon, MB. Following the wedding the couple moved to Hamilton, ON. Archie graduated from McMaster University with his Bachelor of Divinity degree in 1937. During this period their daughter Joann Ruth was born. After his ordination as a Baptist Minister the family moved to North Bay where Archie was minister for four years. The next six years were spent in Vancouver as Archie worked as minister at Fairview Baptist Church in Vancouver. The couple's sons Archibald James and Lachlan Wade were also born during this period.

At the end of the Second World War Archie decided to go back to school. The family travelled to Brandon, where Ruth and the children remained for part of a year while Archie went ahead to Andover Newton to enroll and find a parish that would support him while he went to school. The family was reunited in Penacook, New Hampshire; they lived there for two years while Archie completed his Masters in Sacred Theology. After a brief additional period of study at Harvard University, the MacLachlan family returned to Canada, settling in Toronto while Archie finished his second Masters degree (Psychology) and held positions as interim minister and then assistant minister at York Minster Church. Following the two years in Toronto they moved to Winnipeg.

Eventually Archie left the church ministry and became Chaplain at the Hamilton Psychiatric Hospital. He also continued to train students in Pastoral Education through the courses he had begun at the Divinity College of McMaster University. He remained at the Hospital until his retirement.

During their married life Ruth was kept busy raising the couple's children and with her work as a minister's wife, particularly her work in the community. She sat on a number of community boards, including positions as President of the Baptist Convention of Ontario and Quebec and a member of the Board of Governors for McMaster University's Divinity School.

Ruth MacLachlan died on October 29, 1983 in Mississauga, ON.

Archie married Kathleen Marie (Green) French (b. January 22, 1908, d. June 1, 1998) on June 20, 1987. Archie MacLachlan died in December 1997.

Custodial History:

Records were in the possession of Ruth and Archie MacLachlan until their deaths. At that time the records were inherited by their daughter Joann. Joann MacLachlan donated the records to the McKee Archives on October 24, 2009 at a donation event held as part of Homecoming 2009.

Scope and Content:

Fonds consists of approximately 197 letters written by Ruth and Archie to each other during the spring and summers of 1932, 1933 and 1934. The letters were written during the courtship of the couple and contain details not only on about their lives in Brandon and Alberta but also more personal information about their relationship, families and future plans. Because Ruth and Archie were students at Brandon College during this period the letters also often reflect on events and personalities related to the College, as well as their own personal studies.

Fonds also contains a scrapbook compiled by Ruth during her Brandon College years. It includes photographs, newspaper clippings, graduation cards, event programs, place cards and other ephemera. There are also a few miscellaneous documents - McMaster University examination papers, handwritten sheet music, postcards - that appear to have belonged to Archie. Fonds also contains a graduation photograph of Ruth.

For preservation purposes photographs in the scrapbook have been removed and placed in photograph storage, with their corresponding scrapbook page number noted on the back. Because of the fragile condition of the scrapbook a note has been made concerning the original location of many items that have become detached from their original location in the scrapbook. These items remain with the remnants of the scrapbook in one archival housing. Note that Ruth did not place items on every page so the numbering is not sequential for scrapbook items. Some items were loose at the back of the scrapbook and therefore have no corresponding page number.</p>
