Physical Description: 10.25" x 13.5" (b/w)

History /

Biographical:

Dr. Evans was born in Nanaimo, B.C. on March 15, 1891. In the fall of 1907, at the age of sixteen, Dr. Evans entered the Academic Department of Brandon College. He played an integral part at the College, participating in academics, sports, and various other college functions and organizations. In his final year he was Senior Stick, the highest position in the Student Government. In 1913, Dr. Evans graduated from Brandon College. Immediately after graduation he was hired to teach Science and Academic Mathematics. In 1917, he became Principal of the Academic Department, while continuing to teach Mathematics and Science. Dr. Evans took leave in 1920 to study post graduate work at the University of Chicago. During the summers, he was the Acting Dean of the Department of Geology in Chicago. He received his Ph.D. in Geology in 1923, and returned to Brandon College. His new positions at the college were of Professor of Geology and Resident Master. He also taught some Chemistry.

On August 1, 1927, Dr. Evans married Adelene M. Bailey (Class of 1921, Music 1924) at the Joseph Bond Chapel in Chicago. He took over as College Dean in 1928 after the position became vacant. In September of 1928, Dr. Evans accepted the position of President of Brandon College, thus becoming its fifth president since the college's inception. Dr. Evans was head of the college at a very difficult time. He guided the College through the Depression and repeated threats of closure from the Baptists. Dr. Evans resurrected the Department of Theology in the mid-1930's. He helped with the reorganization of Brandon College as a non-denominational college in 1938, and its new affiliation with the University of Manitoba. During World War II, Dr. Evans started a War Emergency Fund, aimed at keeping the College from sinking into debt during the war years as enrollment shrank. With increased financial support from the government, Dr. Evans began expansion plans for the College. In 1958, he created the Dr. J.R.C. Evans Student Loan Fund in conjunction with the Alumni Association in order to provide worthy students with interest-free loans. It was also in 1958 that Dr. Evans was awarded the Queen Elizabeth Coronation Medal for his outstanding contribution to education in the British Commonwealth.

On July 29, 1959, Dr. Evans died suddenly at his summer home in Robson, B.C.. On his desk was the programme for the sod-turning ceremony for the new Arts and Library Building and Lecture Theatre. When it was completed, the Lecture Theatre was christened the Dr. J.R.C. Evans Lecture Theatre on behalf of the man who had made sure that it would be built. The Theatre had been his dream, a place to hold Chapel and Assemblies, as the student body grew in number.
