Next is a book about the history of the town of Shoal Lake, Manitoba, which was published in 1959 on the 50th anniversary of the founding of the town of Shoal Lake in 1909. The last two books are the first and second volumes of Ripples on the Lake, which cover the history of the Shoal Lake municipality from 1884. The first volume covers the first 100 years of the history of the Shoal Lake region, being published in 1984. The second volume was published in 2007, covering the history of Shoal Lake since 1984, as well as including new information that was not published in the 1984 version of the book.

## Michael Blonar collection

<http://archives.brandonu.ca/en/permalink/descriptions13616>

Part Of: MG 3 Brandon University Teaching & Administration

Description Level: Collection

Accession Number: 15-2012

GMD: multiple media

Date Range: 1966 -1968

Physical Description: 7 cm textual records  
5 microfilm reels

### History /

#### Biographical:

See RG 6 Brandon University fonds, Series 7 Faculties and Schools, Sub-series 7.1 Faculty of Arts, Sub sub series 7.1.1 Dean of Arts for biographical information for Michael Blonar.

#### Custodial History:

Collection was in the possession of Dr. Michael Blonar until he donated the records to the S.J. McKee Archives in May 2002.

#### Scope and Content:

Collection consists of textual records and five microfilm reels related to Dr. Blanar's post-graduate research. It is assumed that the records were collected during the course of Blanar's research for his dissertation entitled "Early British Travellers in French Canada (1960)."

Textual records include three Dominion of Canada notebooks containing handwritten Saulteaux verbs, and animate nouns. Included is a dark red booklet titled "Ojibwe." The book contains Ojibwa translations of English words. The book comes from St. Peter Clavers Industrial School in Spanish, Ontario, and may have acted as an instructional book as it also contains French and English. Collection also contains a transcript of an Ojibwa dictionary and three file folders titled "Manuscripts," "John Long Research," and "Maps" which contain additional research material. Contents of "Manuscript" folder are original typed manuscripts. "John Long" and "Maps" file folders contain copies of materials held at Library and Archives Canada, as well as hand drawn documents and hand written documents detailing contents of folders.

In addition to the textual records there are five microfilm reels. Three microfilm cases are labeled "The British Reference Division," one case labeled "Public Archives Canada, central microfilm operations," and the last case is from an unidentified source labeled "Longs voyages and travels". Four of the five microfilm cases are also numbered. The British Reference Division microfilm case numbered "1346 i 43" contains a copy of a book titled "The Cacique of Ontario." British Reference Division microfilm case numbered "104706640" contains a copy of a book titled "The Four Kings of Canada." British Reference Division microfilm case numbered "9073279" contains a copy of a book titled "The Indians." The Public Archives Canada microfilm case numbered "c-3006" contains copies of original documents in French and English. Documents include letters, diary pages, maps, and business ledgers. Microfilm case labeled "Longs voyages and travels" contains a copy of a book written by John Long titled "Voyages and Travels of Indian Interpreter and Trader."

Notes: Description by Aaron McKay (October 2013). The Ojibwa language dictionary and notebook make references to Fredric Baraga (1797-1868), a missionary priest from Slovenia who recorded the Lake Superior Ojibwa language dialect. Baraga's findings were published into an Ojibwa language dictionary.

History /

Biographical:

For history/bio information see the fonds level description of the Lawrence Stuckey collection.

Custodial History:

The entire collection was housed in Mr. Stuckey's residence at 658 11th St. Brandon, Manitoba, prior to its transfer to the McKee Archives. The balance of the materials, including the photograph negative collection, was deposited in the Archives following Mr. Stuckey's death. Some of the negatives came into Mr. Stuckey's possession when he acquired the Clark J. Smith Studio, Brandon, Man.

Scope and Content:

Created by Lawrence A. Stuckey, the collection includes some of his own photography. Stuckey took many of the photos during his travels in Southwestern Manitoba and further afield. As well, he acquired copies of negatives that fit his interest from friends, contemporaries, and other professional photographers. The majority of these copies are of photographs that predate Stuckey's era.

The collection includes various subjects from Brandon's history (including people, buildings, transportation, railways, and institutions) 1879 to 1992; surrounding communities, railway lines and trains 1925 to 1989; agriculture ca. 1890 to 1983; railway photographs including the Prairie Dog Central, grain cars and various railways, including Canadian Pacific, Canadian National, Great Northern, and Brandon, Saskatchewan & Hudson's Bay, ca. 1900 to 1992; vehicles, planes, and ships ca. 1940 to 1981; personal photographs including friends, travel and other personal interests.

The series has been divided into nine sub-series, including: (1) Brandon history; (2) Westbran project parks; (3) Rural archives; (4) History - miscellaneous (including Walker collection); (5) Grain cars; (6) The prairie dog; (7) Personal interests; (8) Lawrence Stuckey; and (9) Unsorted.

Notes: Funding for series three level descriptions and digitizing of the Lawrence Stuckey fonds has been provided courtesy of a generous grant from the Heritage Grants Advisory Council of the Manitoba Government 2009.

Repro Restriction: The McKee Archives is the copyright holder for the Stuckey materials.

Finding Aid: A copy of the photograph inventory is in the blue binder on the reference shelf in the reading room.

## Lawrence Stuckey photograph collection - unsorted materials

Lawrence Stuckey

Description Level: Sub-series

Series Number: 3.9

Accession Number: 1-2002

GMD: graphic

History /

Biographical:

Stuckey left a variety of materials in his collection in an unsorted state. Rather than allocate those materials to one of the existing sub-series, the McKee Archives chose to artificially create this sub-series, which has been designated "unsorted materials."

For history/bio information for Lawrence Stuckey see the collection level description of the Lawrence Stuckey collection.

Custodial History:

For custodial history see the collection level description of the Lawrence Stuckey collection.

Scope and Content:

Sub-series consists of photographic prints, photograph albums, postcards and negatives covering a variety of subjects including Brandon, ships, boats, threshermens' reunions, and rural Manitoba. Some of the prints correspond with negatives held in other sub-series in the Stuckey collection. If possible, the connection between the print and negative has been made at the item level. Some of the items are original and quite rare.

The dates given for many of the prints in this sub-series refer to the date the photograph was taken and not the date the print was made from the original negative.

Notes: Unidentifiable photographs not taken by Lawrence Stuckey and redundant prints were culled.

Repro Restriction: The McKee Archives is the copyright holder for the Stuckey materials.

Storage Location: Lawrence Stuckey collection

## Lawrence Stuckey photograph collection - Brandon history

<http://archives.brandonu.ca/en/permalink/descriptions9030>

Part Of: RG 11 Lawrence Stuckey fonds

Creator: Many of the images presented were captured by Mr. Stuckey himself. However being a well known and accomplished photographer and amateur historian, he also bought, sold and traded negatives with other collectors. Therefore the viewer is reminded that many images, although part of his collection, were created and/or provided for Mr. Stuckey by other collectors. In addition, it is believed that some images contained within his collection were created by photographing a pre-existing negative or print. We have attempted to note the authorship of all images when possible.

History /

Biographical:

For history/bio information see the collection level description of the Lawrence Stuckey collection.

Custodial History:

For custodial history see the collection level description of the Lawrence Stuckey collection.

Scope and Content:

This sub-series consists of photographic negatives related to the history of Brandon, Manitoba.

All of the images contained within this sub-series were part of Mr. Stuckey's lifelong personal collection of photographic negatives and prints. Images include those related to people, street scenes, buildings, various city departments and so forth.

Notes: All of the images from Mr. Stuckey's collection of negatives and prints were reproduced and digitized using an Epson scanner and software suite. All attempts have been made to reproduce the images in such a manner that balances our desire to portray the negatives and photographs as they originally appear, with the need to create an optimal digital image for viewing. Therefore it is noted that minor alterations to image size and contrast have occurred.

With few exceptions, all digitizing and database entry of images and descriptions was conducted during the summer of 2009 at Brandon University by Patrick Elves.

Repro Restriction: The McKee Archives is the copyright holder for the Stuckey materials.

Storage Location: Lawrence Stuckey collection

Arrangement:

Unless otherwise noted, the arrangement of these images was drawn from the original classification scheme used by Mr. Stuckey.

The information specific to each image, for the most part, was gained from Mr. Stuckey's personal notes regarding that particular photograph or similar photograph. Observations or notes contained within square brackets are explanatory or missing materials that have been added by someone other than Mr. Stuckey.

We have attempted to present the information that accompanies each image in the same format as was used by Mr. Stuckey himself.
