History /

Biographical:

The Motor Mart Building in Sioux City, Iowa, is listed on the United States National Park Service's National Register of Historic Places. The State Historical Society of Iowa submitted the application in 1993. The building is an architectural example of the Commercial Style of the late 19th and early 20th Century American Movement designed by E.J. Henriques and C.F. Lytle Co. The building has a concrete foundation, brick walls, and a concrete roof. The Turner Mushroom System, a patented structural system involving a poured reinforced concrete framed, was used in the construction of the building.
