Accession Number: 8-2002
GMD: textual records

Physical Description: 64 cm

History /

Biographical:

The first Women's Institute in Canada was created by Mrs. Adelaide Hunter Hoodless in Stoney Creek, Ontario, on February 19, 1897. The Women's Institute was created to unite rural women with the hopes that this would help women improve their homes and communities. The motto of the Women's Institute became, "a nation could not rise above the level of its homes." The group was to be non-partisan and non-sectarian to allow for maximum participation. The Women's Institute became one of the very few ways for rural women to meet and share ideas and problems with others. The Women's Institute spread throughout Canada and reached Manitoba in 1910, when Morris and Valley River, Manitoba, formed Women's Institute branches. The Women's Institute branches in Manitoba were known as Home Economics Societies until 1919, when they became branches of the Manitoba Women's Institute. The Home Economics Societies specialized in community service work. At first, the groups concentrated on home management and child care, and eventually they became involved with social and political issues. In addition to community work, the Women's Institute branches also invited many guest speakers to their meetings and promoted education and the dissemination of information to rural women on subjects such as canning, growing fruits and vegetables, dental hygiene and rural electrification. The Manitoba Women's Institute continues its work today.

William Wallace fonds

<http://archives.brandonu.ca/en/permalink/descriptions4801>

Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Collection
Accession Number: 47-1997
GMD: textual records
Date Range: 1881-1904
Physical Description: 30 cm

History /

Biographical:

William Wallace was born in Scotland around 1859. In 1881, when William was twenty-two, he emigrated to Canada with his father and brother. Once here they settled near what is today Forrest, Manitoba. The following spring they moved to the northwest margin of settlement in Manitoba, homesteading in the Shellmouth area. Wallace remained a resident of the region for the rest of his life. William Wallace was active in community affairs. He was appointed to the post of Secretary-Treasurer of the Shellmouth Municipality in 1887, and he held the position until 1904. In 1909, Wallace was injured in a railway accident, and he had to give up farming. He moved to Shellmouth and took up the position of postmaster, which he held for twenty-seven years. He died in 1945, and is buried at Shellmouth cemetery, Manitoba.

Custodial History:

The letters contained in the fonds remained in the possession of Margaret Wallace, who was the original recipient of the correspondence. She emigrated to Canada in 1904. At some point the letters passed to William Wallace who kept them in his possession in Shellmouth. In 1941, William contacted Professor E. J. Westcott of Brandon College regarding the fonds. He offered it to the College for safekeeping. Westcott accepted the letters. Westcott passed the letters on to various officers and staff at Brandon College and then Brandon University. Since 1982, the collection has resided in the S. J. McKee Archives at Brandon University.

Scope and Content:

Fonds consists of hundreds of letters that William Wallace and his brother, Andrew, wrote to their sister, Maggie, from 1881 until 1904. The first letter, dated 22 March 1881, was written by both William and Andrew aboard the S.S. Prussia as they sailed to North America from Scotland. The last letter was written on 4 January 1904 by William. It was written to inform Maggie and her husband that William had reserved a homestead in their name. This letter marks the end of the fonds. Later that spring Maggie and John emigrated to Canada to be with her family.

William was keenly interested in everything going on around him; his letters and Andrew's reveal what life was like for inexperienced settlers on the Canadian agricultural frontier in the last years of the nineteenth century. Fonds touches on a variety of social, political and economic themes.

Kodaly in Manitoba fonds

<http://archives.brandonu.ca/en/permalink/descriptions4882>

Part Of: RG 5 Western Manitoba Manuscript Collection
Description Level: Collection
Accession Number: 7-2006
GMD: textual records
Date Range: 1982-2004
Physical Description: 25 cm

History /

Biographical:

Zoltan Kodaly was a philosopher and musicologist who introduced new ideas about teaching music in his native Hungary during the 1950's. In 1964 in Budapest, Kodaly addressed the International Symposium of Music Educators and his ideas were introduced to the world

Canadian music educators were made aware of the Kodaly approach primarily through the work of Richard Johnson who taught music theory at the University of Toronto. He brought method classed to the Royal Conservatory of Music, Toronto, summer school in 1965 and also integrated principles from the method into sight-singing class at the Faculty of Music there.

Edna Knock, an Associate Professor of music education and musicianship, brought the Kodakly approach to Brandon University music educators in the 1980's. She was introduced to Kodaly methods in her studies at the University of Toronto and the Royal Conservatory of Music, Toronto and also trained at the Kodaly Musical Training Institute in Wellesley, Mass., and in Hungary.

The Kodaly approach to teaching music presents concepts of rhythm, melody and written symbols in structured, developmental sequence using familiar, quality music from the folk culture of the students being taught.

In the early 80's a group of music education students at Brandon University were studying classroom methods with Edna Knock. These musicians quickly realized how well the new ideas worked for their classrooms and for their own musicianship.

The first meeting of these nine enthusiasts was held in September, 1982, at Edna's home. They decided to become a formal group to promote Kodaly in Manitoba in five ways:

- 1.Lobby MMEA to include Kodaly clinicians at the Provincial Music Educators Conference, SAG. They accomplished this in 1983, and there has been a Kodaly clinician at SAG ever since.

- 2.Sponsor regular Kodaly workshops based on practical demonstrations for classroom teachers, private music teachers, and specialists. A yearly workshop in January was established in Brandon and continued until the mid 90's.

3. Initiate study sessions for Professional Development and musicianship. The first meetings of the group included solfege exercises, canon singing and sight-singing. Later, KIM was active in promoting Summer School classes at BU and offered scholarships to students in these classes.

- 4.Share pedagogical material with all music educators in the province. A NEWSLETTER was produced twice a year for distribution to members, and articles were placed in other music education publications.

- 5.Provide a connection to the national Kodaly organization, Kodaly in Canada (now called Kodaly Society of Canada) to advertise national and provincial meetings, courses and events.The group was accepted as a branch of Kodaly in Canada in 1985 and went on to host the National Kodaly Convention in Winnipeg called SPECTRUM in 1988.

By February, 1984, at the first Annual General Meeting, the founding group had a constitution, eighteen members, and an executive elected to a two year term. By the second AGM in 1985, eight students had completed Level III training at Summer School, and KIM membership totaled 28 music educators across the province. Membership continued to increase to 36 by 1990.

During its 22 years of operation, KIM continued to sponsor highly trained clinicians at SAG in October and in Brandon in January. A Kodaly for Kids day was introduced to have a more direct reach into classrooms and give experience to students as well as teachers. KIM actively promoted Summer School courses and provided scholarships to students attending these sessions. The last Level III graduating class of 1992 formed the core of KIM executive for the last 10 years of operation.

In the new millenium, plagued by budget cutbacks in arts education and devaluation of music as an essential component of public education, declining membership and executive burnout, KIM had to face the reality of disbanding the organization.

On August 24, 2004, the executive voted to end the organization on October 31, 2004, the end of the membership year. Financial assets from the organization were placed in a designated fund at Brandon University School of Music to be used to promote Kodaly course in education and provide seed money to reinstate the organization. Historical documents were placed in the Brandon University archives and working files were left with Brandon Kodaly advocate and past president of KIM, Elizabeth Grant. It is thus hoped that the strong and vibrant role of KIM in music education in Manitoba will be remembered and available for future generations.

Custodial History:

Records were in the possession of Kodaly in Manitoba until their donation to the McKee Archives in December 2005.

Scope and Content:

Fonds consists of minutes, reports, correspondence, membership lists, financial statements, the KIM constitution, newsletters, Spectrum '88, teacher workshops and Kodaly for Kids.

The Manitoba Action Committee on the Status of Women (MACSW) was formed by a group of women who had participated in the preparation of a comprehensive brief to the Royal Commission on the Status of Women in 1967. The Manitoba Volunteer Committee, formed in 1967, then went on to hold its first public meeting in 1970, adopt its constitution in 1973, and build up a membership of over 400 women by 1981. Until its demise in 2000, MACSW was the only feminist lobby group in Manitoba. Nothing has since taken its place.

MACSW was run by the membership and a Provincial Coordinating Committee (composed of members and staff), which met at least three times annually in various parts of the province. This made the workings of the Provincial organization more accessible for women throughout the province. Feminist process was used in all meetings and decisions were made by consensus. During the 1980s and 1990s, there were four MACSW branches: one each in Brandon, Winnipeg, Dauphin (Parkland Status of Women) and Thompson (Thompson Action Committee on the Status of Women). There were individual members in all areas of Manitoba, and for a few years in the 1990s, a Rural Coordinator networked with individual members outside of the four branch locations and helped coordinate provincial activities.

From the beginning, funding was short-term. Operations were run on a shoe-string and with the help of dedicated volunteers. The funding allowed for wages was poverty-level, forcing the organization to operate only part-time with part-time staff in order to provide staff with a reasonable salary.

As governments changed their funding objectives and methods, it became harder and harder for MACSW to maintain its presence as the only feminist lobby within Manitoba. When Status of Women Canada stopped funding core operations and only allowed for "project funding," the job became impossible to do. Projects meant research and the publication of a document each year, and the work was to be coordinated among the various branches. Work on the project was necessarily additional to the daily tasks of the coordinators of the various offices. It became impossible to operate four branches, a provincial coordinating function and prepare a publication in conjunction with an annual project--all with a total budget of approximately \$120,000.00 per year. Although an astonishing amount of work was accomplished by dedicated women under these circumstances, MACSW was unable to continue. MACSW closed its doors in Winnipeg in 1998, Brandon in 1999, and then throughout the province.

The primary activities of MACSW were political action (working for legislative change), public education about women's issues, and providing resources, referrals and advocacy services to women in need of such support. Where possible, joint actions were planned with other groups in the community sharing similar concerns. The Coordinating Committee met quarterly, including representatives of three standing committees (finance, communications and membership) and up to ten members-at-large. Other committees were set up as members showed an interest in particular issues. At various times, there were committees on media monitoring, political action, labour, day care, education and so on. Branches had their own "mini-committees," which worked with the Provincial committees on issues in common. Consultation between the branches, between Quarterly Meetings, was done by phone, mail or e-mail.

MACSW strove to advise women on issues of interest through films, guest speakers, speaking engagements, information tables, and working with other groups to present conferences and seminars, public meetings and so on. They also lobbied all levels of government and researched and wrote position papers and briefs for commissions and hearings.

MACSW members also liaised and networked by sharing their resources and working with other women's groups, such as (in the Brandon area) Women for Equality, The Westman Coalition for Equality Rights, and The Western Manitoba Women's Resource Centre. They organized and responded to government and public requests for input through research,

conferences and the actions of their sub-committees. The media sought out MACSW for comment upon issues of the day.

Throughout the approximate 30 years of its existence, MACSW was respected as an informed and highly effective organization working on behalf of women. No other feminist organization has taken the place of MACSW. However, lobbying and education on behalf of women continues on an ad hoc basis through former MACSW members who have been empowered through their experiences in MACSW to speak up for change and improvement in the status of women in Manitoba, Canada and the world.

Custodial History:

The Manitoba Action Committee on the Status of Women disbanded during the mid 1990s, due to lack of funding. Acting on behalf of the organization, Paula Mallea donated the records to the McKee Archives in 2003.
