History /

Biographical:

The offices of the President and General Manager were established in 1896 with the creation of A. E. McKenzie Seed Co. Ltd. These positions were held jointly by the one officer of company until 1975, when the Board of Directors of the Company divided the two positions, thereby relieving the President from management of plant operations.

Under the General By-Laws of the Company, the President, when present, presided over all Board of Directors meetings. He also signed all documents that may have required his signature and performed any other duties assigned to him by the board. The President exercised general supervision and control over the business of the Company and performed such duties as are usually associated with the office of President or Chief Executive officer of a company.

The General Manager had full power and authority to manage and direct the business and affairs of the Company. He was also responsible for employing and discharging agents and employees of the Company. After A.E. McKenzie gifted the majority of his company shares to the Government of Manitoba in 1945, the General Manager remained responsible for all operations of the Company. However, the General Manager found himself accountable to a Board of Directors comprised mainly of government appointees.

A. E. McKenzie held the offices of President/General Manager from 1896 until his death in 1964, at which time J. Lasby Lowes succeeded him. Following Lowes' retirement in 1968, A.R. Swanson was appointed by the government to fill the positions. Anthony J. Maruca became President of A.E. McKenzie Co. Ltd. in 1972. In 1975, the Board of Directors appointed William Moore the first individual to hold the position of General Manager without also occupying the President's office. At the same time, Mr. Pat Kelleher was named the new interim President. Following Kelleher's resignation, Moore was appointed President of the company. Keith Guelpa became President around 1984 following Moore's departure from the company to face criminal charges arising from his activities as an officer of the company. Raymond West assumed the position after Guelpa's departure.

The series also contains marketing documents, including catalogues and sales literature, as well as a reference library comprised of twenty titles dealing with business and the seed industry and some records dealing with the President/General Managers following Lowes' retirement.
