### History /

### Biographical:

The Brandon College Dean was the head of the College in the absence of the President. It was created in 1925 after the sudden passing of Dr. Sweet. Dr. Harris MacNeill, who had been Dean in Arts up until that time assumed the position of College Dean. The duties of the College Dean were as follows:

1. In the absence of the President of the College he shall exercise the functions of the President in relation to all "inside" College matters; it being understood that frequently it may

be necessary for him to exercise his personal judgment apart from anything that may be specified in this memorandum.

2. With respect to matters of special importance arising unexpectedly he shall consult with the Chairman of the Board, or by telegram with the President, or both.

3. All questions arising that have a direct connection with the "business" aspects of College affairs shall naturally be referred to the Chairman of the Board, or the President, or both.

4. In the absence of the President he shall preside at all Faculty meetings, Committee meetings of which the President is Chairman, and shall attend meetings of Committees of which the President is an ex-officio member.

5. In the President's absence he shall preside at the regular Chapel Exercises and at special College gatherings in the Chapel at which the President would naturally be expected to preside.

6. He shall also keep in touch with the work of the several departments of the College and shall consult frequently with the Heads of such departments.

7. While the Lady Principal and the Resident Master are responsible for the detailed administration and discipline of the College life and activities of Clark Hall and Brandon College respectively, the College Dean shall have the absent President's responsibility for the general discipline of the College in respect of the students' relation to Courses of Study, Corridor, Campus, etc.

8. That the President when absent may be kept in touch with the work of the Institution it is desirable that the College Dean keep him informed of the more important happenings and problems with College life.

9. Throughout the Session the College Dean shall be Registering Head of the Arts Department.

The position of College Dean continued until 1952. In 1952 the position became known as the Dean of Arts and Science. In 1963, another change occurred, with the two departments going separate ways. From that time on there was both a Dean of Arts and a Dean of Science.
