History /

Biographical:

Lawrence Adne Stuckey was born in Brandon, Manitoba in 1921 to Adne and Catherine Stuckey, and was the grandson of a Brandon pioneer family, the Gilmours. Stuckey attended both Fleming and Earl Oxford schools, as well as the Brandon Collegiate Institute. In May 1941, he began working for the CPR as a wiper/fireman. In October of the following year he joined the RCAF. During World War II, Stuckey served overseas as a Navigator/Bomb Aimer and was promoted to the rank of Flight Sergeant. He continued his work with the CPR after the war, and was promoted to fireman/engineer in 1950. Stuckey left the CPR in January of 1958 to purchase Clark-Smith Photo Studio in Brandon.

Stuckey and his wife Mavis, whom he married in 1946, ran the studio until their retirement in the mid 1980s. Throughout his life Stuckey pursued a number of interests, such as botany, history, photography and politics and was active in many local, provincial and national organizations. He was a member of the Brandon Stamp Club, the Allied Arts Council, Brandon Horticultural Society, Brandon Model Railroad Club, the Brandon Historical Society, and the Fort Whyte Centre. Stuckey was also the author of four books, as well as numerous articles on horticulture, railways, and Brandon area history. In 1987 he received the Manitoba Order of the Buffalo Hunt and in 1997 he was awarded an honorary Doctorate of Laws Degree from Brandon University. Lawrence Stuckey passed away on June 13, 2001.

Custodial History:

The entire collection was housed in Mr. Stuckey's residence at 658 11th St. Brandon, Manitoba, prior to its transfer to the McKee Archives. A portion of the stamp collection was donated to the Archives in August 2001. The balance of the materials were deposited in the Archives following Mr. Stuckey's death.

Scope and Content:

Collection consists of a variety of materials, both textual and graphic.

The philately collection is the largest part of the Stuckey Collection and covers a wide geographical and temporal range. The majority of the stamps are from the United States, the British Commonwealth, France and the French Empire. There are also a number of stamps portraying animals, art and flowers.

The slide collection includes approximately 10,000 images of various topics, such as landscapes, flora and fauna of North America and Expo 1967.

The Stuckey photograph collection is perhaps the best collection of Brandon and Southwestern Manitoba photographs in one place. Images include grain elevators and historical buildings of the northern United States and western Canada, railways, the City of Brandon, as well as ships and boats, sporting activities, portraits, animals, flora and fauna, landscapes and farming/homestead photographs. This series also includes a large number of negatives, including glass plate negatives.

The textual materials within the collection include personal journals written by Stuckey covering the years 1935-2001. These journals are autobiographical and act as a key to the rest of the collection in that they provide general time frames and the motivations behind Stuckey's activities. In addition to the journals, the collection consists of copies of Stuckey's four books and a few papers he wrote for the committees and clubs he belonged to. Other textual materials included are a small amount of personal correspondence, and research materials on a number of topics such as the CPR and Brandon area history. There are also three scrapbooks created by Stuckey dealing with his various interests. The collection also contains certificates presented to Stuckey by a number of the organizations he belonged to, as well as his honorary degree from Brandon University and his Order of the Buffalo Hunt award. A number of books, newspapers and articles on various topics, such as stamp collecting and horticulture are included in the collection.

History /

Biographical:

The forerunner of Manitoba Pool Elevators (MPE), the Manitoba Wheat Pool was created in 1924 as a mechanism to allow for the co-operative marketing of wheat by Manitoba producers by the United Farmers of Manitoba. The Manitoba Wheat Pool was initially intended to be a provisional organization until the establishment of an interprovincial Pool, but when Alberta and Saskatchewan established their own permanent Pools the United Farmers decided to do the same. The Manitoba Pool was different from the SK and AB Pools in that the municipality was the primary unit of organization; members belonged to their municipal Pool associations first, rather than having direct membership with the central Manitoba Wheat Pool. Manitoba Pool Elevators was established in 1925 as a subsidiary of the Pool in response to local members complaints about the unfair business practices of privately owned elevators. The private elevators also slowed up the shipment of grain to the Central Selling Agency employed by the Wheat Pool, acting as a barrier between the local Pools and the Manitoba Wheat Pool. Once established MPE quickly began to build new elevators and acquire privately owned elevators.

MPE's approach to marketing grain promised to stabilize the market price of grain and ensure a fair market price to producers. Initially the Manitoba Wheat Pool was very successful. However, in 1930, the Manitoba Wheat Pool found itself burdened with an unsold surplus from the preceding year that had been bought from the farmers at a price that was significantly higher than any possible return during the Depression. As a result, in 1931 the Manitoba Wheat Pool's Central Selling Agency defaulted on its bank loans. Despite attempts to save the organization, it was forced to declare bankruptcy in November 1932. The financial difficulties of the Wheat Pool had little to no effect on the Pool Elevators, and so this former subsidiary organization became the main Manitoba Pool organization. This change meant MPE had to reorganize, which they were able to do with funds from the provincial government. The company was successful enough in subsequent years that it was able to finish repaying the Manitoba government a full year early in 1949.

MPE did not limit itself to grain handling; they wished to enrich the lives of rural families through education and to provide economic stability through diversification.

MPE established a lending reference library for members and a traveling library for rural families in 1926. With the passing of the Public Libraries Act in 1948, the province took over responsibility for providing rural families with books. MPE decided that since their traveling library would no longer be needed when rural libraries were established, the best course of action was to donate their library to the Provincial government. They also established and supported programs that educated young people about agriculture and ag business.

Subsidiary companies that dealt with course grains, livestock, packing and fertilizer were established by MPE to streamline and stabilize business for its members.

1961 marked the high water mark for the number of local associations within Manitoba Pool Elevators with 225 local associations. After this date the associations began to amalgamate and consolidate. Improvements in rural roads and rail systems and increases in the size of farms and mechanization of farm labour meant that fewer elevators were needed to service all members and regions. These changes led to an organizational restructuring of Manitoba Pool Elevators in 1968. Membership became direct, and the main unit of organization became the central office. The central office administrated the Pool through districts, which were further

subdivided into sub-districts. The locals which were formally the main organizational unit came under the immediate direction of the sub-district they were located in. Local association could opt out of this system if they wished, but by 1975 all but 29 associations had become part of the new structure.

In 1998 Manitoba Pool Elevators merged with the Alberta Wheat Pool to form Agricore Co-operative, Ltd. In 2001 this organization merged with the United Grain Growers to become Agricore United, and in 2007 AU was taken over by the Saskatchewan Wheat Pool; the new company is currently known as Viterra.

Custodial History:

The bulk of this fonds was accessioned in 1975, when the forerunner to the McKee Archives at Brandon University, the Rural Resource Center, was founded. The original mandate of the Rural Resource Center was to house the records of the Manitoba Pool Elevators. Previous to this, most of the fonds was stored at MPE's head office in Winnipeg. Many accruals to this collection have since taken place, with some of the larger ones being received in 1997, 2001, and 2002.

Scope and Content:

Fonds contains records dealing with every aspect of the Manitoba Pool Elevators organization, from the events leading to its formation in the 1920's, to its amalgamation as part of Agricore beginning in the late 1990's.

Fonds includes records of the local co-operative elevator associations established in the period 1925 - 1968 under the Co-operative Associations Act including: organizational papers; minutes of executive boards; minutes of shareholders annual meetings; financial statements; correspondence; membership lists; and miscellaneous documents.

Fonds also contains documents pertaining to the Manitoba Co-operative Poultry Marketing Association Limited and its successor, the Manitoba Dairy and Poultry Co-operative Limited, and related agencies.

Other items in the fonds (dating from the 1890's to 2001) include: books acquired for the Manitoba Pool Elevator Library, including a complete run of both the Scoop Shovel (MPE's first newspaper) and the Manitoba Cooperator; photographs; slides; audiotapes; and reel-to-reel videos.

Finally, the fonds contains a small number of miscellaneous items such as banners, and company issued briefcases.

This fonds is organized into four series, (A) Local Association records, (B) Central Office Records, (C) Subsidiary Companies and Co-operatives, (D) Commissions, Committees and Inquiries

History /
Biographical:

The Provincial Exhibition of Manitoba has been an institution almost as long as Brandon has been a city, although under the guise of several different names. The idea of an exhibition came from Charles Whitehead, who was the founder and first president of the fair. Whitehead was one of the earliest and most prominent businessmen in Brandon. The first Brandon fair was organized in October of 1882, by the Brandon Agricultural Society (BAS). The Board of Directors of the BAS offered up two hundred dollars in prize money, but poor weather and a subsequently small turnout of people and exhibits to the downtown location caused the fair to do poorly. Undeterred, the Board of Directors began to make plans for the second fair, in what was to become an annual event. This time, due to generous grants from the city, district, and province, the Board of Directors was able to purchase land just south of the city to hold the fair on and built a Crystal Palace to hold exhibits in. In October 1883, there were seven hundred and thirty entries, and the fair, the first to be held on the new fair grounds, was considered successful.

The Brandon Exhibition was not financially sound however, and by 1888, the Directors knew that major changes had to be made if they wanted to continue the fair. It was decided that October was not the best time to hold an agricultural exhibition because most farmers were in the middle of harvesting and did not have time to leave their farms for an exhibition. A decision was made to move the exhibition to the summer, when most farmers could get away for a few days. In July 1889, the first Brandon summer fair was held. The Directors had managed to revamp the fair in order to appeal to the wider public. The fair was a huge success, with both city and rural people attending.

The Board of Directors formally established the Western Agricultural and Arts Association (WAAA) in 1892 to take over management duties of the fair from the BAS. However, the first meeting of the WAAA was not until 1897. There is no explanation for the five year delay. The WAAA received generous donations from the various governments, and the citizens of Brandon. In 1897, the Board of Directors purchased another 42 acres of land from the city that was located beside the fair grounds. They erected a grandstand and new stables. Prize money was increased, there were special prizes offered for the first time, and special exhibition trains were available to transport fair goers at a reduced rate.

The 1897 fair was the major turning point for the Brandon exhibition. The fair appealed to both urban and rural dwellers. The Board wanted to put Brandon on the map, and accordingly, they brought forward events and entertainment that would do so. The first Traveller's Day, still running strong today, was put on in 1912. The parade associated with it was unlike any Brandon had seen before. Despite the attractions, carnivals and midways that were beginning to dominate the fair, organizers insisted that it was still primarily an agricultural event. The promotion of agriculture was still prominent at the exhibition. As local historians have written, "the exhibition symbolized the accomplishments and potential of the region, and encouraged all agriculturists to strive towards higher standards."

By 1912, all outstanding loans had been paid off, and the Board of Directors could boast an eleven thousand dollar surplus in funds. As well, the physical assets available to the summer fair were expanded dramatically in 1913. In 1913, Brandon was granted the honour of hosting the Dominion Exhibition. From the funding that came in for this prestigious event the Board of Directors was able to build a new grandstand, erect new display buildings, replace the racetrack, and generally expand and improve the fair grounds. Another 80 acres of land was bought from the city for the summer fair. The Brandon Dominion Exhibition was declared open on 15 July 1913 by Manitoba Premier Rodmond Roblin. Although it was a resounding success, the Directors ended up having to pay for parts of it out of their own pockets.

Canada entered World War One in the late summer of 1914. The WAAA reached an agreement with the military that the army could use the fairgrounds during the year if they allowed the WAAA use of the grounds for the fair week. Because of limitations put on the fair because of the war, the Brandon exhibition became more involved with the Western Canada Fair Circuit. This organization enabled the summer fair to join in the exhibitions that worked

together to bring events like the midway to their exhibitions.

It was also during this time that moral reform became more prevalent in Canadian society. Due to this growing concern with moral purity and the desire for social reform, the Directors had to find ways to ensure that the summer exhibition did not cross the boundaries of good taste. There was a short-lived protest in 1913 against horseracing, but by 1916, then-president of the fair, R.M. Matheson, cast the tie breaking vote in favour of letting both the horseracing and the betting continue. By 1917, the Board had decided against allowing betting, but the horseracing was allowed to continue.

After the war ended, financial stress on the part of the winter fair brought forward a proposal to amalgamate the summer and winter fairs. The provincial government stated that they were interested in supporting an amalgamation, and the two fair boards resolved to consider the option. In spring of 1920, the winter fair backed out the deal because they felt they would lose out to the WAAA in the deal. Not to be deterred, the WAAA applied for incorporation with the provincial government. On 3 April 1920, the WAAA was incorporated as the Provincial Exhibition of Manitoba (PEM). In 1920, the official title of the summer fair was changed from the Inter-Provincial Exhibition to the Provincial Exhibition of Manitoba.

After incorporation the Board of Directors was increased to a membership of twenty. The provincial exhibition continued to increase and change with the times. The directors tried to make each fair interesting and stimulating for the people of Brandon and the surrounding areas. A Manitoba Government Building was opened in 1927, by Premier John Bracken, and an Automobile Building opened in 1927. By 1929, the Provincial Exhibition was one of the leading summer exhibitions in Western Canada. Unfortunately, 1929 was also the beginning of a decade-long Depression throughout Canada and the United States. The exhibition continued though, although at a less grandiose level. The exhibition was the site of some work relief programs throughout the thirties, but the grants were generally small.

It was also during the 1930s that people began wanting a change in the management of the Board. For many years, almost since the inception of the fair, the Board had been run by the same group of men who took turns in the various positions. In 1933, there were several men brought forward to run against the Directors at the annual general meeting. A total of forty four nominations went up for the twenty positions. After the dust had settled, seven new faces took seats around the Directors table.

During World War Two, the Provincial Exhibition managed to continue. The Board made an agreement with the military that while their buildings could be used by the military during the war, the fair would be able to take control of the buildings for fair week. While the fair remained open, its exhibits were hampered by the war. In 1942, for example, the Wartime Prices and Trades Board declared that farm machinery could not be exhibited for the duration. This was one of the fair's bigger draws, and its absence was felt greatly. As another concession to the war, the livestock show had to be reduced from five days to three, although this decision was met by protest from many of the directors. Despite these impediments, the entries into the agricultural exhibits continued to increase. Horse racing, long a bone of contention among members of the Board was almost eliminated in 1942, but a compromise was made and the Directors allowed one day of racing at the 1943 fair.

After the war, the prize money increased by up to twenty-five percent in an effort to increase the number of exhibitors. Many new events were added to the fair roster, including an annual 4-H show and farm camps for children. A Trade Show was added in 1952 and became a large success. The fair always enjoyed support from the City of Brandon, although there were the occasional tensions between the two. In 1955 the Board approved a proposal by R.A. Hodges to sponsor a Dream Home contest. While the attraction was a big success, the Directors evidently did not receive the cut of the proceeds that Hodges had promised them. The fair Board ended up fifty-five hundred dollars in debt.

In 1958 an attempt was made to break the all male hold on the directorate. While no women were elected to the Board itself, a Women's Advisory Committee was created to provide input into fair activities. The original committee was made up of Mrs. D. Elviss, Mrs. D. Graham, Mrs. G. McRae, and Mrs. F. Heeney.

It was also during this time that the Board began to face more direct competition from Winnipeg. The Red River Exhibition had been operating for several years, and its Board of Directors wanted their exhibition to be admitted into the Western Canadian Association of Exhibition. This would not have been particularly good for the Brandon Provincial Exhibition. Partly due to the Brandon Board's vigorous protests, Winnipeg was only granted an associate membership.

By the end of 1958, the Brandon fair was once again facing financial difficulties. The Provincial Exhibition was at its peak at the end of the 1950s. By 1961 the fair recorded a net loss of sixty-five hundred dollars. Because of financial problems, the fair Board had to mortgage its property for \$50 000. As well, the Royal American Shows left Brandon for Winnipeg in 1966, leaving the Directors scrambling to find another midway. It took several years and several different companies before the Directors settled on the Conklin Brothers Shows. To make matters worse, the grandstand was condemned in 1974, leaving the fair without a place to hold its grandstand show. This show was replaced by the Western Canada Rodeo Circuit, in an attempt to regain patrons.

By 1966 both the summer and winter fair Boards had decided that one facility could be used to house both the summer and winter fairs. Both financially and practically, it became an increasingly good idea to merge the two fairs together. In 1969, the Provincial Exhibition of Manitoba and the Manitoba Winter Fair were amalgamated to become the Manitoba Exhibition Association. Ground was broken a few years later on the summer fair grounds, and by 1972, the Keystone Centre was open for business. The official opening was at the 1973 Winter Fair. From then on, the Provincial Exhibition, Royal Manitoba Winter Fair and, later, AgEx, were housed in the same building, and run by the same board of directors.

History /

Biographical:

The Brandon Art Club was founded in November 1907, and operated in an art studio on the top floor of the Brandon College Women's Residence. The club appears to have been the creation of Miss. H. Hancock, who became the Director of the Department of Art at Brandon College c. 1907. The club moved to larger facilities made available at the First Methodist Church; the organization remained there until sometime during the Great War when the club relocated to St. Paul's Presbyterian Church and then in 1921, to the Prince Edward Hotel. The club's first public art exhibitions were held at the Prince Edward Hotel. Art classes were held for the first time in 1928. In 1968, the Brandon Art Club merged with the Allied Arts Center, which had been formed in 1959. The Allied Arts Center was located at 1036 Louise Avenue. In April 1984, the Allied Arts Center was moved to new facilities at the Arts Center of Western Manitoba located at 638 Princess Avenue. In 1989, it was renamed the Art Gallery of Southwestern Manitoba, and began to function as a "professional, regional art gallery." The Art Gallery of Southwestern Manitoba relocated to 2-710 Rosser Ave. c. 2001.

Custodial History:

These records were created at different times between 1907 and 1993, and remained in the possession of the administration of the above mentioned organizations until May 2001, when they were donated to the McKee Archives.

History /

Biographical:

In 1965, Chris Verhoef, member of the Overture Concert Association, Allied Arts Centre, and Brandon Citizens' Committee for the Performing Arts, called for a meeting of Western Manitoba citizens interested in the prospect of a Philharmonic Choir for the region. The meeting took place on 26 May 1965; the steering committee that gathered, led by Margaret Goodman, undertook the formation of the Choir. The Choir would have an Executive consisting of at least four members, and a committee consisting of a minimum seven members. Each executive member would be elected on an annual basis. The Choir's executive, in collaboration with the conductor, would determine the choir's repertoire for the year. The establishment of the Western Manitoba Philharmonic Choir (WMPC) sought to encourage amateurs to sing for enjoyment, provide the opportunity for a choir to perform choral

compositions in collaboration with a symphony orchestra and promote and sponsor the musical arts in the Western Manitoba region. Membership to the choir would be open to all citizens of the region, and members would be accepted based on the discretion of the conductor. The first meeting of prospective members took place on 27 September 1965 in St. Matthews Cathedral parish Hall where more than 90 people gathered and registered to become a member of the WMPC.

Chris Verhoef led the Western Manitoba Philharmonic Choir into its first season as President of the choir's Executive Committee. For the organization's first season, the WMPC hired two members of the Brandon College School of Music: Lucien Needham for the position of conductor and Louise Chapman for the position of accompanist. Brandon College, as well as other donors sponsored the choir for its first season. The Choir held its debut performance in collaboration with the Winnipeg Symphny Orchestra (WSO) on 12 March 1966, and the Choir's performance of Vivaldi's Gloria and Handel's Dettingen te Deum attracted an audience of more than 1400 people. The performance was well received by the public. The debut performance's asuccess earned the CHoir a rcommendation for a grant from the Manitoba Centennial Corporation that would sponsor a special concert during the centennial year. Furthermore, the Canada Council supported the Winnipeg Symphony Orchestra, by the means of special funds, to make the Symphony's appearance witht he Philharmonic Choir possible.

For the WMPC's second season, membership rose to 111 amateur singers. Verhoef remained as President of the Executive, while the Brandon Citizens' Committee for the Performing Arts provided sponsorship. Following the Choir's performance of Schubert's Mass in Eb Major on 17 November 1966, the membership increased to 132 singers. On 20 January 1967, the WMPC's first taped broadcast was released over CBC and CKX. The broadcast's success resulted in an offer from CBC to record another broadcast for a similar release. The Kiwanis Club of Rivers invited the Choir to perform in Rivers on 25 January 1967. On 7 April 1967, the Choir performed Haydn's oratorio, The Creation, in the Brandon College Gymnasium.

The choir elected Murray Ames as President to lead it through its thrid and fourth seasons. In its third season, the WMPC, conducted by Leonard Mayoh, performed Handel's Messiah on 22 November 1967 in the Brandon University Gymnasium. The Choir's spring concert, name the "Chris Verhoef Memorial Concert," in honour of Chris Verhoef who had passed away December 1967, featured works by Bach, Brahms and Perry. Held on 9 March 1968, in the Brandon University Gymansium, the concert featured Brandon university student James Stewart as soloist and was received with great praise. In addition to the memorial concert, the WMPC also established a \$500 scholarship for a Brandon University music student to honour Verhoef's substantial contribution to the community.

The first concert of the Western Manitoba Philharmonic Choir's fourth season was held on 10 December 1968, in the J.R.C. Evans Lecture Theatre at Brandon University and featured selections from Handel's Messiah. A piano trio comprised of Francis Chaplin (violin), Malcom Tait (cello) and Gordon Macpherson (piano), as well as a brass trio, also performed at the chori's winter concert. In its fourth season, the WMPC performed two concerts in the second half of its season. On 15 FEbruary 1969, in cooperation with CKX Radio and Television, the choir performed works by Mozart, Hindemith, and Mahler in collaboration with the Winnipeg Sympony Orchestra conducted by George Cleve. Later in the season, the choir performed Brahms' Requiem Mass, once again in collaboration with the Winnipeg Symphony Orchestra.

Dr. R. Parker filled the position of President of the Executive for the duration of the Choir's fifth, sixth and seventh seasons. The fifth season saw the WMPC performing four concerts. Conducted by Leonard Mayoh, it opened its season on 11 october 1969 with a performance at the Grand Finale of the Grand Opening of the Western manitoba Centennial Auditorium, performing theoverture to Mozart's The Magic Flute and Beethoven's Symphony No. 9. Their Christmas concert, also conduceted by Mayoh, took place on 10 December 1969. The Choir's third concert of its fifth season was held on 31 january 1970. in cooperation with CKX RADio

and concert of the first season was held on 1 January 1970, in cooperation with the WSO and Television, and featured works by Mendelssohn, Ravel, and Schubert, in collaboration with the WSO under the direction of conductor George Cleve. The season concluded with another concert in collaboration with the WSO on 7 March 1970, conducted by Leonard Mayoh. This concert featured works by Vaughn Williams, Handel and Poulenc.

Seasons six and seven consisted of two concerts each. The Choir held its fifth annual Christmas Concert on 5 December 1970. Led by Leonard Mayoh, it performed its spring concert on 10 April 1971 in collaboration with members from the Winnipeg Symphony, featuring selections by Bach and Mozart in the Western Manitoba Centennial Auditorium. Into its seventh season, the Choir performed Bach's Christmas Oratorio on 4 December 1971 in the Central United Church. For its final concert of the year, the WMPC revisited a piece that had been the main focus of its second season: Haydn's oratorio, *The Creation*. The Choir performed this Haydn masterwork on 8 April 1972 under the direction of Piero Gamba.

Helen Riesberry led the choir through its eighth and ninth seasons as President of the Executive. In its eighth season, the WMPC held its annual Christmas concert on 12 December 1972 in collaboration with the Winnipeg Symphony Orchestra in the style of a sing-along led by Mitch Miller. The choir's spring concert featured another masterwork, Beethoven's *Missa Solemnis*, conducted by Piero Gamba. The WMPC and members of the WSO performed the Requiem Mass on 28 April 1973 at the Western Manitoba Centennial Auditorium. Despite the lack of attendance at rehearsals since the Christmas concert, the WMPC presented an overall effective performance of the challenging Requiem Mass.

In its ninth season, Derek Morphy took over the position of conductor from Leonard Mayoh. Morphy had his debut performance as conductor with the WMPC at the annual Christmas concert on 17 December 1973. In March 1974, in collaboration with members from the WSO, Morphy led the Choir in its performance of Mendelssohn's oratorio, *Elijah*, in the Western Manitoba Centennial Auditorium. Later in the season, the choir performed a concert entitled "Reflections," a choral programme for Lent and Easter, accompanied by organist Arthur Bower.

Nearing the end of its ninth season, the Philharmonic Choir encountered severe financial challenges. The Choir released a notice in the newspaper that the anticipated \$3000 grant from the Manitoba Arts Council had been cut to \$1000, leaving the Choir \$3100 in debt. The notice explained that the Choir needed funds in order to enable operation and continue hiring the WSO for concerts. The WMPC executive and committee held a Leonard Mayoh Night in an attempt to gain funds and donations. Although the Manitoba Arts Council raised the grant to \$2000 and the City of Brandon contributed \$500, the Choir's financial situation remained in a dire state as its ninth season came to a close.

The Choir elected Edith Hayden to lead it through its tenth and eleventh seasons as President of the Executive. The opening of the tenth season challenged the WMPC. In addition to its financial woes, the Choir's Executive struggled to overcome the lack of attendance at rehearsals and the shortage of male voices. The WMPC had experienced membership issues in earlier seasons as well. In its third season, despite a membership of 130 individuals, the choir had struggled to create a balanced sound due to a lack of male membership and therefore a lack of lower voices. In its sixth season, the Choir opened their concert year with an appeal for members. In an effort to improve the choir's financial affairs, the Choir Executive and conductor decided against hiring the Winnipeg Symphony Orchestra for the time being. In an attempt to improve the situation, Derek Morphy wrote a letter to the members of the Choir outlining his concern that he may not be meeting their expectations as a conductor but hoped to generate positive and hopeful prospects for the future of music-making together.

The Choir's annual Christmas concert featured a collaboration with the Brandon School Division Music Department and Brandon School Orchestra and Band Association, as well as dancers choreographed by Barbra Enhes. The WMPC performed Haydn's Mass in D minor at its spring concert on 27 April 1975, accompanied by Arthur Bower. By the end of the season

its spring concert on 27 April 1975, accompanied by Arthur Bower. By the end of the season, the Western Manitoba Philharmonic Choir's financial situation had begun to improve.

The WMPC hired conductor Peter Allen to lead the Choir through its final season of operation. The Choir held its annual Christmas concert in the Central United Church on 7 December 1975, and featured Vivaldi's Gloria, accompanied by pianist Barry Anderson. The choir performed Deller's Psalm 148, Telemann's Cantata for the Fourth Sunday after the Feast of the Three Kings, and Dvorak's Stabat Mater at its spring concert held at the Central United Church on 25 April 1976.

Despite its best efforts, the Western Manitoba Philharmonic Choir's first rehearsal of its twelfth season saw just 26 members in attendance. As a result of lack of membership, the Choir Executive decided to disband the WMPC for its 1976/1977 season, with plans to reassess the situation in September of 1977 for the prospect of a 1977/1978 season. Matters were further complicated by financial considerations; by June 1977 the choir's financial situation had worsened as a result of the administrative fees that the WMPC covered for the duration of its unexpected inactive 1976/1977 season. Unlike past years, there were not any ticket sales to cover such expenses.

Following its year off, membership interest in the Western Manitoba Philharmonic Choir did not increase and the decision was made not to return for another season. In 1980, the WMPC revoked its registration as an organization and officially ceased to exist.

Records include: the organization's constitution and history from 1965-1968; financial records, which include grants received from the Manitoba Arts Council, Canada Council, and City of Brandon, as well as materials documenting the organization's financial struggles from 1974-1976; minutes from executive and committee meetings from 18 June 1973 to 24 June 1974; correspondence in the form of letters between the president of the executive and the choir members, and between the conductor of the choir and its members; membership lists from each season of the WMPC; and concert programmes from every major Christmas and Spring concert that the organization performed. Fonds also contains newspaper notices, advertisements and reviews of various performances, as well as posters advertising performances of the WMPC in the 1967/68, 1970/71, 1971/72 and 1973/74 seasons; the posters advertise the choir, collaborators, patrons and featured works.

The scrapbook includes concert programs and photographs of the choir from all years of the organization's operation. The scrapbook also contains an assortment of informal photographs from various WMPC events. There are also six black and white group photos of the WMPC from various seasons.

Finally, the fonds contains one artifact, a leather bag/zippered file folder with "WMPC" printed on it.

Notes: History/Bio information was provided by representatives of the Western Manitoba Philharmonic Choir. Copies of the history can be found in the fonds. Description by Jessi Gilchrist (October 2016).

A.E. McKenzie Seed Co. Ltd. fonds

<http://archives.brandonu.ca/en/permalink/descriptions4309>

Part Of: RG 3 A.E. McKenzie Company fonds

Description Level: Fonds
GMD: multiple media
Date Range: 1887-1996; predominantly 1910-1974
Physical Description: 7.47 m of textual records
500 photographs

History /
Biographical:

The A.E. McKenzie Seed Co. Ltd. originated with the McKenzie family Flour, Grain and Seed business, started by F. B. McKenzie in the early 1880's. When F. B. McKenzie passed away in 1896, his son, Albert Edward McKenzie, assumed control of the company, and renamed it The Brandon Seed House. With its main office and plant in Brandon, Manitoba, the company specialized in the production and sale of field seeds and service exclusively to seed buyers in the prairie provinces and British Columbia. In later years, a complete line of products including garden seeds, lawn grass, and other allied lines was developed for sale across Canada.

In 1906, the company underwent a change of name when A. E. McKenzie determined that the growth of the country demanded a larger seed institute than could be managed by one man. As a result, the company was incorporated under provincial statutes and the federal Joint Stock Companies Act as A. E. McKenzie Seed Co. Ltd., and new personnel were hired.

Under the Joint Stock Companies Act, A.E. McKenzie Seed Co. Ltd. was required to elect a Board of Directors of not less than three, and not more than nine individuals. Only shareholders of the company were eligible for election, and election was to take place yearly with each shareholder entitled to as many votes as shares owned in the company. The Act also dictated that the directors were, from time to time, to elect from among themselves, a president of the company. They were also able to appoint and remove all other officers of the company and to create company by-laws. The directors were not obliged to pay any dividend on shares if the company should become insolvent. Under the Act, the stock of the company was deemed a personal estate and was only transferable as such. In addition, the company could acquire, hold, and transfer real estate, and was required to submit annual statements.

A. E. McKenzie was elected President of the newly constituted company. For the remainder of his natural life he remained in this position and supervised the operation of the company. S. A. Bradford, who was given responsibility for various company departments, filled the position of General Manager. H. L. Patmore became the Vice-President, overseeing the nursery business, while W. A. McCracken was put in charge of the warehouse stock, and shipping department. McCracken also supervised the mail order department.

The Company was initially comprised of three divisions: The Brandon Seed House, Brandon Nurseries, and Brandon Greenhouses. Each division was registered under Dominion Patents. Later, the company was divided into Retail Mail Order, Wholesale and Commission Packet Trade divisions. It also undertook some export business.

By registering the divisions of the company under federal legislation affecting trademarks and industrial designs, McKenzie and the Board, were able to register both the company's trademarks and to protect the company's industrial techniques. The company could thus patent the methods and processes of its operations so that no other individual or business could duplicate them.

Located at 30 9th Street, the head office and plant of A.E. McKenzie Seed Co. Ltd. housed all the facilities and staff of the company, with the exception of the regional sales offices and warehouses. The business of the A. E. McKenzie Co. Ltd. was conducted from a frame warehouse until the current McKenzie building was constructed on the same site after a fire destroyed the original premises. Designed by architect Thomas Sinclair, and built by the Brandon Construction Company, the new building opened in 1911. In time, The A. E. McKenzie Co. Ltd. came to be known as Western Canada's Greatest Seed House.

McKenzie Co. Ltd. came to be known as Western Canada's Greatest Seed House.

During the 1930's, before a new building was erected in 1945, the A. E. McKenzie Co. occupied space at five different locations in Brandon, including the Massey Harris Building, the International Harvester Building and the Security Building. The last of these premises was destroyed by fire in 1972. As a result of its proximity to the Security Building, the main McKenzie Building also suffered heavy fire and water damage. A. E.

McKenzie Co. Ltd. also utilized a warehouse on the north side of Pacific Avenue alongside the Canadian Pacific Railway tracks between 5th and 6th streets. This building and its contents were destroyed by fire (1946). In May of 1949, the company purchased and erected a Quonset structure on the west side of 15th Street between Rosser and Pacific Avenues.

In 1908, the first branch of the A. E. McKenzie Seed Co. Ltd. was established at Calgary. In the following sixteen years, additional branches were established in Edmonton and Saskatoon (1923), Moose Jaw, Toronto (1934) and Winnipeg (1935). Both the Edmonton and Saskatoon branches were seasonal, operating for a four-month period, March to June inclusive. Business in the Maritime Provinces of Prince Edward Island, Nova Scotia and New Brunswick further extended the company's operations by the mid 1940's. In 1946, the company purchased property in Gilbert Plains, Manitoba, 120 miles north of Brandon. This purchase enabled the company to handle larger quantities of Sweet Clover, a popular crop that was grown in the surrounding area. Additional offices were opened in Vancouver and Quebec City in rented premises by the early 1960's.

In the years 1944-1945, the McKenzie Foundation was created. Through the Foundation, arrangements were put in place to transfer shares of the company to the Manitoba Government for the benefit of higher education, specifically Brandon College. In return for this gift, which included 90% of all capital resources of the company together with all of the income earned each year, except for the amount retained annually to ensure sufficient operating capital, the A.E. McKenzie Co. Ltd. received exemption from paying Corporate Tax.

Prior to the establishment of the McKenzie Foundation, in 1945, the National Trust for the benefit of the College held the shares of McKenzie Seeds. On April 7, 1945 the Manitoba Legislature passed legislation whereby A. E. McKenzie retained effective management control of his company, but 1031 shares out of 1145 issued shares were gifted to the Provincial Government. In return, the government agreed that all financial benefits from the shares would go to Brandon College through the A. E. McKenzie Foundation. When Mr. McKenzie passed away in 1964, the primary responsibility of appointing the Board of Directors for McKenzie Seeds passed to the Provincial government.

The remaining 114 shares of the Company were turned over to the Crown on July 16, 1975 in accordance with an agreement between Brandon University, A. E. McKenzie Co. Ltd. and the Manitoba government. The same agreement also turned the McKenzie Foundation over to Brandon University. Therefore, since 1975 the crown has held all shares of the McKenzie Co. through the Province of Manitoba.

A.E. McKenzie died on September 25, 1964 at the age of 94 and was succeeded as President of the company by J. Lasby Lowes. When Mr. Lowes retired in 1968, A. R. Swanson was appointed by the government to fill the position and was responsible for all operations of the company under a Board of Directors comprised mainly of appointees of the government. It has proven impossible to establish a complete list of those individuals who held the positions of President/General Manager of McKenzie Seeds after 1964. A partial account is as follows: Anthony J. Maruca became President of A. E. McKenzie Co. Ltd. in 1972. In 1975, the Board of Directors appointed William Moore General Manager, creating a new position to relieve the President of the company from management of plant operations. At the same time, Pat Kelleher was named new interim President. Following the resignation of Kelleher, William Moore assumed the role of President as well. Moore left the company in the early 1980s. He was later convicted of criminal misconduct as President of the company. Keith Guelpa

became President/General Manager in the mid 1980's; Raymond West was his successor.

Beginning in 1969, the A. E. McKenzie Seed Co. Ltd. began phasing out the Field Seed division of their company, including business related to forage crops and cereals. Seed cleaning equipment located in Brandon and the company's Calgary and Toronto cleaning plants was sold. The Company concentrated its resources on the production and sale of vegetable and flower seeds, and lawn and turf grasses. It acted as a wholesaler and conducted business through chain stores, grocery, hardware and general stores.

Late in 1971, A. E. McKenzie Co. Ltd. purchased its largest competition in packaged seeds - Steele Briggs Seed Co. from Maple Leaf Mills Inc. for two million dollars. At the time of the acquisition the company changed its name to A. E. McKenzie Co. - Steele Briggs Seeds, in order to benefit from the favorable reputation held by Steele Briggs Seeds across Canada. In the early 1970s, the acquisition of Brett-Young Seeds Ltd., a Winnipeg company that dealt exclusively in the production and sale of field seed, brought the A. E. McKenzie Co. back into the field seed market.

In 1994 the Manitoba Government sold the A.E. McKenzie Seed Co. Ltd. to Regal Greetings and Gifts, Canada's largest non-retail mail-order catalogue company, which is owned by MDC Corporation of Toronto.

In 2001, McKenzie Seeds is Canada's leading supplier of packaged seeds and related gardening products. It is divided into a Retail Consumer Products division which features well known seed brands including McKenzie Seeds, Pike Seeds and Thompson & Morgan Seeds from England. As well, this division also carries a complete range of lawn seeds and perishes. It also continues to ship the seed racks invented by A.E. McKenzie to numerous retail stores. The second division, Direct Mail, consists of the McFayden and McConnell catalogues which reach over 500,000 Canadian homes each year.

Custodial History:

Following the sale of the A.E. McKenzie Seed Co. Ltd. to Regal Greetings and Gifts, the records of McKenzie Seeds and its subsidiaries were retained in the McKenzie Plant on 9th Street. In April of 1997, the records were transferred to the McKee Archives at Brandon University. Because the company was a crown corporation, the records of McKenzie Seeds belonged to the Province of Manitoba and might have been placed in the Provincial Archives. However, Provincial Archivist Gordon Dodds permitted the retention of the records in Brandon at the S. J. McKee Archives. The minutes of the Board of Directors, previously transferred to the Provincial Archives, remain in Winnipeg. Until 1960 these minutes, by-laws of the Company, and the letters patent of incorporation (April 7, 1906) were in the possession of the Company's lawyers, Johnson, Garson, Forrester, Davidson, & Steen.

Scope and Content:

The fonds consists of textual records, photographs and artifacts from A.E. McKenzie Seed Co. Ltd. The textual records include minutes, documents, financial records, administrative records, by-laws, legal records, catalogues, sales literature, seed packets, newspaper clippings, appraisals, publications, scrapbooks and miscellaneous sections.

In addition, some of the records within the fonds relate to the operations of McKenzie subsidiaries -- Brett-Young Seeds, Steele-Briggs Seeds, Pike & Co. and McFayden Seeds -- and various properties owned by McKenzie Seeds.

Fonds contains approximately 500 photographs. These depict the operations and employees of McKenzie Seeds and the seed industry in general. Artifacts contained in the fonds include blueprints, newspaper clippings, copper printing plates, seed bags and plaques.

Fonds also includes an artificially created series of records dealing with Brandon College Inc., the A.E. McKenzie Foundation, the Brandon Allied Arts Council and the Brandon Board of Trade. These records stand outside the provenance of the McKenzie Seed Co.

Of particular interest within the textual records are the transcripts of various features of the company's history as dictated, researched and recalled by its second President/General Manager, J. Lasby Lowes. The fonds also contains a collection of company catalogue which is almost complete. Outside of the seed industry, the records dealing with both Brandon College Inc. and the McKenzie Foundation are significant records relating to the history of Brandon College/University and the City of Brandon.
