Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Collection

Accession Number: 22-1998

GMD: textual records

Date Range: 1957-1974; predominant 1970-1974

Physical Description: 36 cm

History /

Biographical:

The idea of the Keystone Centre was first mentioned in 1958, at a meeting of the board of directors of the Manitoba Winter Fair. The Manitoba Winter Fair wanted a new facility because the old Wheat City Arena had a leaking roof and a deteriorating west wall. The old facility also had limited space and the Winter Fair felt it needed more space for expansion. The Provincial Exhibition of Manitoba also had problems with their facilities, such as old barns and poor display areas. The idea of the Keystone Centre was put on hold until 1969, when the boards of the Provincial Exhibition and the Manitoba Winter Fair joined together as the Provincial Exhibition Association of Manitoba and the Wheat City Arena was sold and demolished. The original estimate for the cost of the Keystone Centre facilities was \$4.5 million and funding would be proportioned so that the federal and provincial governments would each put in one-third of the money, with the rest coming from local donations. The financial campaign for the Keystone Centre began in 1970, and construction began in November 1970. The grand opening of the Centre was in March 1973, and coincided with the Royal Manitoba Winter Fair of that year.

Custodial History:

This fonds was accessioned by the McKee Archives in 1998. Prior custodial history is unknown.

Scope and Content:

Fonds contains many folders full of correspondence, financial statements, meeting minutes and other documents relating to the development and construction of the Keystone Centre from 1970-1974, including those from the Keystone Executive Committee, as well as the Building Committee. Fonds also contains one folder that pertains to the Brandon Area Agricultural Development Survey from 1959. This folder contains the names and locations of all farmers in the Brandon area in 1959. The Brandon Area Agricultural Development Survey was created in 1959, in order to make farming in the Brandon area more profitable. The survey was aided by Doane Agricultural Service from St. Louis, Missouri, who had success creating agricultural development programs in the United States. Fonds also contains folders from the Provincial Exhibition with correspondence, pamphlets, estimates, and studies from the 1960's. There is also one folder belonging to the Manitoba Winter Fair, which contains correspondence and financial statements relating to the Wheat City Arena. Fonds also contains information pertaining to the proposals made in the 1960's, for the building of the Keystone Centre, as well as one folder about the Keystone campaign from 1970-73. There is also one folder about the opening of the Keystone Centre, which contains newspaper clippings and guest lists. Finally, the fonds contains information about a court case involving Albert Bobyk and Robert Stewart. Stewart was the project manager for the Building Committee and Bobyk worked on the Keystone Center. The fonds includes a report about the trial of the two men who were charged with fraud involving their work on the Keystone Centre.

William Wallace fonds

<http://archives.brandonu.ca/en/permalink/descriptions4801>

Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Collection

Accession Number: 47-1997

GMD: textual records

Date Range: 1881-1904

Physical Description: 30 cm

History /

Biographical:

William Wallace was born in Scotland around 1859. In 1881, when William was twenty-two, he emigrated to Canada with his father and brother. Once here they settled near what is today Forrest, Manitoba. The following spring they moved to the northwest margin of settlement in Manitoba, homesteading in the Shellmouth area. Wallace remained a resident of the region for the rest of his life. William Wallace was active in community affairs. He was appointed to the post of Secretary-Treasurer of the Shellmouth Municipality in 1887, and he held the position until 1904. In 1909, Wallace was injured in a railway accident, and he had to give up farming. He moved to Shellmouth and took up the position of postmaster, which he held for twenty-seven years. He died in 1945, and is buried at Shellmouth cemetery, Manitoba.

Custodial History:

The letters contained in the fonds remained in the possession of Margaret Wallace, who was the original recipient of the correspondence. She emigrated to Canada in 1904. At some point the letters passed to William Wallace who kept them in his possession in Shellmouth. In 1941, William contacted Professor E. J. Westcott of Brandon College regarding the fonds. He offered it to the College for safekeeping. Westcott accepted the letters. Westcott passed the letters on to various officers and staff at Brandon College and then Brandon University. Since 1982, the collection has resided in the S. J. McKee Archives at Brandon University.

Scope and Content:

Fonds consists of hundreds of letters that William Wallace and his brother, Andrew, wrote to their sister, Maggie, from 1881 until 1904. The first letter, dated 22 March 1881, was written by both William and Andrew aboard the S.S. Prussia as they sailed to North America from Scotland. The last letter was written on 4 January 1904 by William. It was written to inform Maggie and her husband that William had reserved a homestead in their name. This letter marks the end of the fonds. Later that spring Maggie and John emigrated to Canada to be with her family.

William was keenly interested in everything going on around him; his letters and Andrew's reveal what life was like for inexperienced settlers on the Canadian agricultural frontier in the last years of the nineteenth century. Fonds touches on a variety of social, political and economic themes.

Kodaly in Manitoba fonds

<http://archives.brandonu.ca/en/permalink/descriptions4882>

Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Collection
Accession Number: 7-2006
GMD: textual records
Date Range: 1982-2004
Physical Description: 25 cm

History /

Biographical:

Zoltan Kodaly was a philosopher and musicologist who introduced new ideas about teaching music in his native Hungary during the 1950's. In 1964 in Budapest, Kodaly addressed the International Symposium of Music Educators and his ideas were introduced to the world

Canadian music educators were made aware of the Kodaly approach primarily through the work of Richard Johnson who taught music theory at the University of Toronto. He brought method classed to the Royal Conservatory of Music, Toronto, summer school in 1965 and also integrated principles from the method into sight-singing class at the Faculty of Music there.

Edna Knock, an Associate Professor of music education and musicianship, brought the Kodakly approach to Brandon University music educators in the 1980's. She was introduced to Kodaly methods in her studies at the University of Toronto and the Royal Conservatory of Music, Toronto and also trained at the Kodaly Musical Training Institute in Wellesley, Mass., and in Hungary.

The Kodaly approach to teaching music presents concepts of rhythm, melody and written symbols in structured, developmental sequence using familiar, quality music from the folk culture of the students being taught.

In the early 80's a group of music education students at Brandon University were studying classroom methods with Edna Knock. These musicians quickly realized how well the new ideas worked for their classrooms and for their own musicianship.

The first meeting of these nine enthusiasts was held in September, 1982, at Edna's home. They decided to become a formal group to promote Kodaly in Manitoba in five ways:

1.Lobby MMEA to include Kodaly clinicians at the Provincial Music Educators Conference, SAG. They accomplished this in 1983, and there has been a Kodaly clinician at SAG ever since.

2.Sponsor regular Kodaly workshops based on practical demonstrations for classroom teachers, private music teachers, and specialists. A yearly workshop in January was established in Brandon and continued until the mid 90's.

3. Initiate study sessions for Professional Development and musicianship. The first meetings of the group included solfege exercises, canon singing and sight-singing. Later, KIM was active in promoting Summer School classes at BU and offered scholarships to students in these classes.

4.Share pedagogical material with all music educators in the province. A NEWSLETTER was produced twice a year for distribution to members, and articles were placed in other music education publications.

5.Provide a connection to the national Kodaly organization, Kodaly in Canada (now called Kodaly Society of Canada) to advertise national and provincial meetings, courses and events.The group was accepted as a branch of Kodaly in Canada in 1985 and went on to host the National Kodaly Convention in Winnipeg called SPECTRUM in 1988.

By February, 1984, at the first Annual General Meeting, the founding group had a constitution, eighteen members, and an executive elected to a two year term. By the second AGM in 1985, eight students had completed Level III training at Summer School, and KIM membership totaled 28 music educators across the province. Membership continued to increase to 36 by 1990.

During its 22 years of operation, KIM continued to sponsor highly trained clinicians at SAG in October and in Brandon in January. A Kodaly for Kids day was introduced to have a more direct reach into classrooms and give experience to students as well as teachers. KIM actively promoted Summer School courses and provided scholarships to students attending these sessions. The last Level III graduating class of 1992 formed the core of KIM executive for the last 10 years of operation.

In the new millenium, plagued by budget cutbacks in arts education and devaluation of music as an essential component of public education, declining membership and executive burnout, KIM had to face the reality of disbanding the organization.

On August 24, 2004, the executive voted to end the organization on October 31, 2004, the end of the membership year. Financial assets from the organization were placed in a designated fund at Brandon University School of Music to be used to promote Kodaly course in education and provide seed money to reinstate the organization. Historical documents were placed in the Brandon University archives and working files were left with Brandon Kodaly advocate and past president of KIM, Elizabeth Grant. It is thus hoped that the strong and vibrant role of KIM in music education in Manitoba will be remembered and available for future generations.

Custodial History:

Records were in the possession of Kodaly in Manitoba until their donation to the McKee Archives in December 2005.

Fonds consists of minutes, reports, correspondence, membership lists, financial statements, the KIM constitution, newsletters, Spectrum '88, teacher workshops and Kodaly for Kids.

Description Level: Collection
Accession Number: 68-1997
GMD: textual records
Date Range: 1890-1944
Physical Description: 2 cm

History /

Biographical:

Hector Ross Hume was born on December 8, 1902, in the R.M. of Glenwood to John Hume and Jean Gordon. He grew up on the family farm, section 29-7-22, later known as Abergeldie Stock Farm, and attended Whitefield School and then Souris High School. Along with his father, Ross operated the 640-acre farm near Souris, Manitoba, where they sold purebred Angus cattle, shopshire sheep, Yorkshire swine, seed grain and had a government approved flock of hens. John Hume retired in 1947, and died in January 1953.

Ross married Mina Radcliffe on December 20, 1929. Together they had one daughter, Margaret (b. April 11, 1932). In the fall of 1953, Ross lost part of his right arm in a farming accident; he continued to operate the farm with the help of his wife for an additional year before the couple sold the farm to Henry Gordon and moved to Souris where Ross obtained a job as Business Manager of the Souris Hospital.

Mina Hume died on February 14, 1960, and shortly thereafter Ross enrolled in a correspondence course in accounting with the Central School of Chicago and in a two year course in Hospital Administration, with the University of Saskatchewan. Upon graduation in 1962, Ross became the Administrator of Souris and Hartney hospitals, a position he held until 1972. Following his retirement, Ross wrote two books - "The Hospital Tree Grows Tall" and "Tale Wagging By and Old Time" - which he published and sold locally.

During his time on the farm, Ross was a member of the Manitoba Cattle Breeders Association and a member of the local Agricultural Society. He was also secretary of the latter organization. From 1968-1981, Ross was on the Board of Directors for Victoria Park Lodge, and for a while in the 1970s, he was on the Board of Directors for the Souris Hospital.
