## Lawrence Stuckey photograph collection - unsorted materials

<http://archives.brandonu.ca/en/permalink/descriptions8622>

Part Of: RG 11 Lawrence Stuckey fonds

Creator: Clark J. Smith  
Lawrence Stuckey

Description Level: Sub-series

Series Number: 3.9

Accession Number: 1-2002

GMD: graphic

History /

Biographical:

Stuckey left a variety of materials in his collection in an unsorted state. Rather than allocate those materials to one of the existing sub-series, the McKee Archives chose to artificially create this sub-series, which has been designated "unsorted materials."

For history/bio information for Lawrence Stuckey see the collection level description of the Lawrence Stuckey collection.

Custodial History:

For custodial history see the collection level description of the Lawrence Stuckey collection.

Scope and Content:

Sub-series consists of photographic prints, photograph albums, postcards and negatives covering a variety of subjects including Brandon, ships, boats, threshermens' reunions, and rural Manitoba. Some of the prints correspond with negatives held in other sub-series in the Stuckey collection. If possible, the connection between the print and negative has been made at the item level. Some of the items are original and quite rare.

The dates given for many of the prints in this sub-series refer to the date the photograph was taken and not the date the print was made from the original negative.

Notes: Unidentifiable photographs not taken by Lawrence Stuckey and redundant prints were culled.

Repro Restriction: The McKee Archives is the copyright holder for the Stuckey materials.

Storage Location: Lawrence Stuckey collection

## Lawrence Stuckey photograph collection - Brandon history

<http://archives.brandonu.ca/en/permalink/descriptions9030>

Part Of: RG 11 Lawrence Stuckey fonds

Creator: Many of the images presented were captured by Mr. Stuckey himself. However being a well known and accomplished photographer and amateur historian, he also bought, sold and traded negatives with other collectors. Therefore the viewer is reminded that many images, although part of his collection, were created and/or provided for Mr. Stuckey by other collectors. In addition, it is believed that some images contained within his collection were created by photographing a pre-existing negative or print. We have attempted to note the authorship of all images when possible.

Description Level: Sub-series

Series Number: 3.1

Accession Number: 1-2002

GMD: graphic

History /

Biographical:

For history/bio information see the collection level description of the Lawrence Stuckey collection.

Custodial History:

For custodial history see the collection level description of the Lawrence Stuckey collection.

Scope and Content:

This sub-series consists of photographic negatives related to the history of Brandon, Manitoba.

All of the images contained within this sub-series were part of Mr. Stuckey's lifelong personal collection of photographic negatives and prints. Images include those related to people, street scenes, buildings, various city departments and so forth.

Notes: All of the images from Mr. Stuckey's collection of negatives and prints were reproduced and digitized using an Epson scanner and software suite. All attempts have been made to reproduce the images in such a manner that balances our desire to portray the negatives and photographs as they originally appear, with the need to create an optimal digital image for viewing. Therefore it is noted that minor alterations to image size and contrast have occurred.

With few exceptions, all digitizing and database entry of images and descriptions was conducted during the summer of 2009 at Brandon University by Patrick Elves.

Repro Restriction: The McKee Archives is the copyright holder for the Stuckey materials.

Storage Location: Lawrence Stuckey collection

#### Arrangement:

Unless otherwise noted, the arrangement of these images was drawn from the original classification scheme used by Mr. Stuckey.

The information specific to each image, for the most part, was gained from Mr. Stuckey's personal notes regarding that particular photograph or similar photograph. Observations or notes contained within square brackets are explanatory or missing materials that have been added by someone other than Mr. Stuckey.

We have attempted to present the information that accompanies each image in the same format as was used by Mr. Stuckey himself.

In 1900, Bert Goodland became Farm Manager at the Brandon Indian Residential School. He also taught Agriculture; a position he held until 1922. Goodland married Marjory Broughton in 1903, and they had one daughter, Dorothy, in 1908.

In 1922, the family moved to Alberta, where Goodland took on a similar job at an Indian Residential School near Edmonton. After his retirement in the 1940's, he and Marjory moved to Chilliwack, BC, where Marjory died in 1955. Herbert Goodland's last years were spent in Ontario and he died there in 1970.

## Alf Fowler collection

<http://archives.brandonu.ca/en/permalink/descriptions4794>

Part Of: RG 5 Western Manitoba Manuscript Collection  
Creator: Davidson & Gowen  
Description Level: Fonds  
Accession Number: 6-1999  
GMD: graphic  
Date Range: 1912  
Physical Description: 105 b/w photographs

### History /

#### Biographical:

Alfred Fowler was born in 1903, in Toronto, Ontario. At the age of 23 he began working for Canadian National Railways (C.N.R.) in the company's telegraph accounting department. He remained employed there for 45 years, with the exception of the years 1940-45 when he served with the Royal Canadian Artillery during World War II. During his service he was stationed at Shilo, Manitoba, where he met his future wife, Elsie Bowen. They were married late in 1944, and in 1945 returned to Toronto. Fowler remained in Toronto until his death in 1969. Throughout his life, Mr. Fowler was an ardent amateur photographer.

#### Custodial History:

All 105 prints in this collection were created by Davidson & Gowen, a photography business located in Brandon. It seems likely that they were created for display and/or for commercial sale as part of the November 7, 1912 "Harvest" edition of The Brandon Sun. Alfred Fowler acquired a copy of the Davidson and Gowen prints during his stay at C.F.B. Shilo during the Second World War. In 1946 Alfred Fowler left Brandon returning to his home in Toronto. With the death of Alfred in 1969 the collection passed to his wife, Elsie Fowler. Elsie died in 1987, also in Toronto. Her estate passed to her nephew, Byron Forsyth, a Brandon resident. Byron brought the collection back to Brandon and in 1999 donated it to the McKee Archives.

#### Scope and Content:

The prints concern various subjects in Brandon, Manitoba c. 1911-1912 including Brandon residences, store fronts/businesses, streetscapes, churches, the Brandon Fair, parks, hotels, institutional structures (ie hospitals, City Hall) and rail yards (both Canadian Northern and Canadian Pacific) in the city. These images provide a visual record of Brandon in the years just before the Great War.
