History /

Kathleen Emily Kenner was born in Pierson, Manitoba on December 6, 1903. Her father, W.S. Kenner, was a General Merchant there. Kathleen had one brother, Ewing. She took her early education in Pierson, then moved to Brandon to take her Grade XI course in 1919. The following year, Kathleen moved to the Clark Hall Annex on Louise and 11th, in order to attend Brandon College (B.C.) as a student in the Music Department. In the fall of 1921, she entered the Arts Department of Brandon College. During her time at the college, Kathleen was very involved with student life. She was elected Lady Stick for the school year 1924-1925, the highest position in student government that a woman could attain. In the spring of 1925, she graduated with her B.A., then began studies in the Faculty of Education at the University of Toronto.

Kathleen taught school in Melfort, Saskatchewan from approximately 1930-1949, and for several years after that was an instructor at the Saskatchewan Government Correspondence School. Sometime during this period, Kathleen left to serve in the Air Force during the Second World War.

Kathleen Kenner married William A. Kennedy in 1950, and through marriage she gained one son, John Kennedy, and two daughters, Mrs. Claire H. A. Still and Mrs. Janet Sheridan. Around the same time, Kathleen and William moved to Winnipeg, Manitoba where Kathleen was very active in the church and the community. Kathleen Kenner Kennedy died suddenly on November 28, 1967 at the age of 61.

Custodial History:

This fonds was accessioned by the McKee archives in 1997. Prior custodial history is unknown.

Scope and Content:

The Kathleen Kenner Fonds are organized in three series:

Series 1 – scrapbook (6.5 cm.)

Series 2 - file of correspondence (8 mm.)

Series 3 - newspaper clippings (1 mm.)

The scrapbook contains pictures of Kathleen's life and times at Brandon College and the University in Toronto. There are pictures of students and friends, Brandon College, the University of Toronto, Victoria College, Toronto City Hall, Grandpa Ewing's Farm in Ontario, grad pictures, a train station, and much more. The pictures show dress, women's activities, the ladies' Basketball team, and what Brandon itself looked like in the 1920's. She also included personal notes, cards, invitations to dinners, dances, and luncheons, poems, dance cards, hockey tickets, and various other university mementos.

There are numerous newspaper clippings. One file contains poetry, mainly from her friend Mary McLaughlin MacDonald, letters from her father and mother, a list of College yells, and a copy of "Hail Our College". Kenner has various excerpts from The Quill, letters from former students, and a grapho-analyst report (1933) that she received. An interesting possession in this collection are two speeches that Kenner delivered and kept originals of. The first is her reply to being nominated for Lady Stick in 1924. The second is a speech that she made when she invested her duties of Lady Stick to the new Lady Stick, Rose Vasey in 1925.

History /

Biographical:

James Gordon Lindsay was born June 16, 1925 in Minneapolis, Minnesota where his father, James Lindsay, a Brandon pioneer from Northern Ireland, had been working for the Coca Cola Bottling Company. In November 1925, the Lindsay family moved back to Brandon where they lived at 547 16th Street.

Lindsay attended Park School, Earl Oxford Junior High School and Brandon Collegiate. In September 1943, he entered 2nd Year at Brandon College, joining the Class of 1946. Due to past experience in publishing the BCI yearbook, he was drafted into The Board of Publications and named Co-editor of the Quill along with third year student Genevieve Fuloski. Lindsay and Fuloski held their positions for two years. Because of the war, money and supplies were in short supply and the Quill at one point was reduced to mimeographed pages. While Editor Lindsay wrote The eggshell-Slightly Cracked column.

Lindsay was named Senior Stick in 1945 and graduated from Brandon College with a B.Sc. in 1946. He obtained both his MSc (1948) and PhD (1951) in Physical Chemistry from McMaster University.

During his time in Hamilton, Lindsay met Shirley Woolmer and the couple married on September 2, 1950. They moved to Arvida, Quebec in 1951 where Lindsay accepted an offer from Aluminium Laboratories Limited, the research arm of Alcan Aluminium Ltd. The couple remained in Arvida for twenty-two years, during which time they had four children: Sharon, Heather, Geoffrey and David.

In 1973, Lindsay was transferred to Alcan's head office in Montreal where he spent the next three years co-ordinating alumina research in Alcan plants around the world. In 1976, he accepted a transfer to Alcan Jamaica as Chief Technical Officer and Manager of Technical Development. He and Shirley spent nearly eight years in Jamaica before returning to Canada in 1984. After a year at Alcan's Research Centre in Kingston, ON Lindsay took early retirement.

During their years in Jamaica Lindsay had been introduced to Rotary and he continued his association with the organization in Kingston where for fifteen years he was Bulletin editor of the Kingston-Frontenac Rotary Club. In addition to Rotary, Lindsay (along with his wife) took up genealogy in his retirement and after fifteen years of extensive travel and research he became his Lindsay family's historian and author of *The Lindsays of Dundonald*.

For three years in the late 1980s Lindsay served as a representative on the Brandon University Alumni Executive for Eastern Canada. Along with his wife he attended two class reunions at Brandon University including his 50th Re-convocation in 1996.

At present (June 2010) Gordon Lindsay continues to live in Kingston, ON with his wife.

Robert Troy Blair fonds

<http://archives.brandonu.ca/en/permalink/descriptions13300>

Part Of: RG 1 Brandon College fonds

Description Level:	Sub-series
Accession Number:	18-2013
GMD:	multiple media
Date Range:	September 1950 - June 1954
Physical Description:	2 scrapbooks (7.5 cm)
Physical Condition:	Excellent

Robert (Bob) Troy Blair was born on March 11, 1930 in Brandon, MB. His first six years were spent in Alexander, MB, where his father and uncle operated a grocery store. In 1936, his family moved to Souris, MB, where his father ran a grocery store. Blair received his primary and high school education, with the exception of Grade 12, in Souris.

Blair remembers his school years in Souris as mainly happy years. He was involved with both piano and organ music lessons. He was never interested in physical sports with the exception of golf. World War II broke out in September of 1939. Souris became the site of #17 SFTS and home base for the British Commonwealth Air Training Plan. Many of the service men came from England, Australia and New Zealand. Blair's mother always entertained at least two for dinner every Sunday. Rationing of sugar, tea and coffee, butter and meat became a way of life. Blair had the job every Saturday of pasting the ration coupons into booklets. It was also when he was in Grade 6, that Blair realized he was more attracted to boys than to girls. Perhaps it was because so many attractive airmen surrounded him!

In November of 1947, the Blair family relocated to Alexander where Bob Blair finished his Grade 11. This was not a good year due to bullying. In September of 1948, Blair moved to Winnipeg to attend United College for his Grade 12. Upon completion of Grade 12, Blair remained in Winnipeg until June 1950. He worked at a number of businesses - Gestetner, Eaton's Mail Order shoe department, Maple Leaf Milling, and the drug store in the Medical Arts Building. In September 1950, he entered Brandon College. Blair was very active in extra-curricular affairs while at Brandon College; particularly drama. Following his B.A. he enrolled in the Education Faculty, having decided to become a teacher.

Blair's teaching career spanned 34 years. All but one year was spent in the Brandon School Division. On his first day of teaching in the Division he met the man with whom he would spend the next 46 years. He was primarily a teacher of English and Music. A highlight of his career was exchange teaching in Sacramento, California in 1961. Orientation for exchange took place in August in Washington, D.C., where Blair had the opportunity to meet President J.F. Kennedy. He vividly recalls the morning that JFK was assassinated on November 22, 1963. In September 1965, Blair assumed the principalship of Park School and in September of 1969, the same position at George Fitton School where he remained until his retirement in 1989. He was a member of the Brandon Principals' Association, the National Association of Elementary School Principals, and served as President of the Brandon Teachers' Association. Among his major accomplishments during his time as principal were the introduction of a centralized school library in both Park and George Fitton Schools and the integration of special needs students into regular classroom situations wherever possible. He was made a Life Member of the Manitoba Teachers' Society (Brandon) in June 1990. Following his retirement Blair worked as a Library Automation Consultant (1989-1993).

Blair also had numerous community involvements during his time in Brandon. He was active in the Brandon Little Theatre (Best Actor Award, Manitoba Drama Festival for One Act Plays in 1963), the Brandon Festival of the Arts, the Eckhardt-Grammatte National Music Competition, and Arm Industries to name a few.

Following the death of his partner in 2001, Blair moved to Saskatoon to live with a younger gay couple. He has been active in volunteerism: as an Ambassador for the Saskatoon Airport Authority, assistant with the Saskatoon Health Region's Immunization Clinics, information clerk for the Festival of Trees, data entry clerk for the Saskatoon Music Festival, on the Board of the Saskatoon Jazz Society, and Hospitality Coordinator for the Saskatoon Jazz Festival.

As of October 2013, Bob Blair continues to live in Saskatoon, SK.

Custodial History:

Records were in Blair's possession until he donated them to the McKee Archives on Homecoming weekend October 2013.

Scope and Content:

Fonds consists of two scrapbooks containing 145 photographs and ephemera (play and graduation programs, tickets, pins, newspaper clippings) documenting Bob Blair's days at Brandon College. Social events and extra-curricular activities are heavily featured in the two scrapbooks. Also included are graduation portraits for the Classes of 1951, 1952 and 1953. Of the 145 photographs all are black and white except for two photos of the Class of '53 reconconvocation (May 1993), and one from the Class of '53 reunion (2003).

History /

Biographical:

Thomas Russell Wilkins was born in Toronto in 1891. He received his B.A. from McMaster University in 1912, and became the Science Master at Woodstock College the following year. In 1916, he and his wife Olive moved to Chicago, where Wilkins was an instructor of Physics at the University of Chicago. The next year he served as a master signal electrician in the U.S. Signal Corps. During World War I, Wilkins completed pioneer research for the United States Navy, which led to the development of pulse sonar devices in the 1920s. He had also been researching the possibilities of a wireless telephone.

Wilkins and his wife moved to Brandon in 1918, where he took up the position of Professor of Physics. During his time at Brandon College, Wilkins introduced the latest technology to classrooms, designed the original Science Building, and along with the Brandon Citizen's Committee, secured building funds for the Citizen's Science Building.

Receiving his Ph.D. from the University of Chicago in 1921, Wilkins resigned from Brandon College in 1925 to pursue postgraduate study at Cambridge University. In 1926, he began research at the University of Rochester, where he also took up the position of Professor of Physics. From 1930 to 1938, he acted as the Director of the Institute of Optics.

Widely known for his work in the fields of cosmic rays and atomic disintegration, in April 1939, Wilkins announced the perfection of a camera that was able to record the "footprints" of invisible atoms after they collide. In October 1939, he received a medal from the Royal Photographic Society of Great Britain recognizing his work regarding the use of photographic emulsions in the study of radium. The following year, Wilkins perfected a camera that could determine the energy levels inside the nuclei of stable chemical elements. He received a grant from Sigma Xi, the National Society for the Promotion of Scientific Research, in November of 1940.

Wilkins married twice. The first marriage, to Olive Angles Cross took place on June 17, 1913. Olive Wilkins died suddenly on May 13, 1937, at the age of 45. Wilkins married Susan Gwendolyn Whidden, the daughter of former Brandon College president Dr. H.P. Whidden, in 1938.

Thomas Russell Wilkins died suddenly of a heart attack on December 10, 1940, on his way back to his laboratory after a faculty meeting. He was 49 years old.

Custodial History:

Records were accessioned by the McKee Archives in 1998. Prior custodial history is unknown.

Scope and Content:

T. Russell Wilkins' records contain correspondence between himself and Mrs. Wilkins and Dr. Whidden concerning their employment with Brandon College. There are letters between the two men regarding the building of the Science Building in 1920. There is also a copy of the Canadian Baptist. Besides programmes and a picture, there is also correspondence between various people. Dr. Wilkins kept the papers he had written for various classes at McMaster University in the years 1911 and 1912. There is a "toast to the ladies" that he delivered at a banquet of some sort, that gives an interesting view on how Wilkins, and possibly other men of his time, viewed women. There are numerous newspapers clippings, and several pages taken from journals such as Popular Mechanics, Popular Electricity and others. Dr. Wilkins was at the top of his field of study. He was an extremely bright man who managed to create some very useful tools of science. His papers are interesting and informative to read.

History /

Biographical:

George E. Thorman was born in Vancouver, British Columbia on September 17, 1913. His public school education began in Rivers, Manitoba and was completed, along with his high school and part of his university education in Brandon, Manitoba. After completing his Bachelor of Arts General at Brandon College, Thorman attended the College of Education in Toronto for one year before beginning his teaching career at Essex High School, Essex, Ontario in 1935. After four years in Essex, Thorman transferred to the St. Thomas Collegiate Institute (STCI) in St. Thomas, Ontario.

In 1941, Thorman joined the Canadian Army at Brandon as a gunner in the 59th Field Battery and after five years, having served in England, Italy and Western Europe, he retired with the rank of Captain. Following the Second World War, in 1945, Thorman taught in a high school for Fifth Division in Gronigen, Netherlands before moving on to teach first year university English at Kahki College in England in 1946. That same year he returned to Canada and rejoined the staff at STCI. Two years after his return George Thorman married the former Margaret Gliddon of St. Thomas and in 1953 returned to Europe where he taught in Scotland for one year on a teacher's exchange.

During the 1960's Thorman's career reached its peak. In 1964, he became the Vice-Principal

During the 1960's, Thorman's career reached its peak. In 1964, he became the vice-principal of STCI and in 1967, he attained the same position at Parkside Collegiate Institute before becoming its Principal in 1969. Three years later in 1972, Thorman retired as Principal of PCI and from his teaching career. Throughout his career Thorman's primary interests were in English and History, however he also taught Mathematics, Geography and Science. In addition to his classes following WWII, Thorman was an active instructor of the Cadet Corps, as well as a coach for various volleyball, basketball and track and field teams during his years at STCI.

Aside from being an educator, George Thorman had many other interests. He and his wife Margaret were active in the formation of the Elgin Theatre Guild in 1948 and together and separately they performed and directed several productions in the early years of that organization. Thorman was also largely responsible for the development of a local history course in the Elgin Secondary Schools in the early 1960's. In 1966, with his fellow history teacher Ralph Parker, he published a booklet to serve as an outline for teachers on the history of Elgin County.

That same year, 1966, Thorman, as the prime instigator in the re-formation of the Elgin Historical Society, became its first president and in 1971, he was elected Honorary President of the Society for life. This was followed by a further two-year term as elected president. The re-organization marked the beginning of Thorman's continuous active involvement with the EHS, including several lectures he presented to its members and many years as a Trustee. In 1985, he received the Ontario Volunteer Service Award for over 15 years of continuous service to the Society before retiring from the EHS in 1995.

In addition to the EHS, Thorman served on the St. Thomas Public Library Board from 1979 until 1991, and was a Chairman of the Board's Personnel Committee. He was also a member of the Ontario Historical Society. From 1975 to 1978, Thorman served as an elected member of the Elgin County Board of Education and in 1979, he received from the City of St. Thomas the St. Thomas Civic Award for outstanding citizens. George Thorman was also a life member (1936) of Central Lodge No. 402, A.F. and A.M. (Masonry) of Essex, Ontario and had been an active member of the St. Thomas Duplicate Bridge Club since 1985.

As an authority on historical research relating to The Hudson's Bay Company, Thorman gave lectures and printed articles on the topic in "The Beaver" publication of The Hudson's Bay Company. In regards to the HBC he also did excavation work at Fort Albany with Walter Kenyon during several summers in the 1960's and 1970's.

As well, George Thorman was a founding member and served on the executive committee of the Elgin Military Museum since its inception in 1982 until the late 1990's. He contributed greatly to the library and files of this museum, particularly in the field of the War of 1812 and the Fenian Raid. The reference library of this small museum rates high in this country, largely through the efforts of George Thorman. Thorman's book collection was one of the finest and most extensive in Western Ontario. His personal library contained a wealth of information with particular emphasis on material relating to Elgin County, the City of St. Thomas and The Hudson's Bay company. His G.A. Henty collection was nearly complete.

As an author Thorman contributed ten entries in The Dictionary of Canadian Biography on Aboriginal and Metis peoples, co-authored "St. Thomas 100 Years a City," the centennial history of the city of St. Thomas. In 1989, he edited "Frank Hunt, Essays on Elgin County" as well as wrote and privately printed "A Brief History of Secondary Education in St. Thomas" as his contribution to the STCI Reunion, at which he was one of the honorees. In the early 1990's, Thorman co-edited "Garret Oakes, Tales of a Pioneer," authored and privately printed "Letters and Petitions and other Papers Concerning the Militia Companies of Middlesex for 1839" and "The Chisholm Family in Elgin County: Myth and Reality."

For several years, ca. 1975 to the mid 1990's, Thorman hosted a TV talk show on local television interviewing persons connected to the history of St. Thomas and Elgin County. Many

older residents, who have since passed away, were interviewed and the resulting tapes are an invaluable source of historical information.

Thorman and his wife lived in the historic section of St. Thomas and in the summer months spent their time in Port Stanley. In addition, for several years in the early 1990's, Thorman traveled annually to England - each time visiting a different area of the country. As well, Thorman was also interested in the lives and activities of his former students and was available and eager to assist any student or former student who asked for his guidance. George E. Thorman passed away on January 11, 1997.

Custodial History:

The Order of the Sheaf and Thorman's Bachelor of Arts degree were transferred to the McKee Archives by Rudi Denham, Chief Librarian, St. Thomas Public Library in August 2007. George Thorman had placed his papers with the St. Thomas Public Library at some point prior to his death; the Library had decided to deaccession the records and offered them to interested institutions.

Scope and Content:

The collection consists of textbooks covering the subject areas of: Agriculture, Art, Business education, Economics, Composition, Grammar, Rhetoric, Literature, Plays, Poetry, Prose, Readers, Spelling, Phonics, Stories, Geography, Health, History, French, German, Greek, Italian, Latin, Algebra, Arithmetic, Geometry, Trigonometry, General mathematics, Music, Philosophy, Logic, Psychology, Religion, Research, Methods, Manuals, Astronomy, Botany Chemistry, Physics, General science, Zoology, Cooking and Gardening. It also includes two notebooks.

The works found in the collection were published primarily between 1880-1940, although they range from 1801-1967, with an emphasis on history, all areas of mathematics, research and topics related to english or language arts. There are a number of works published in the nineteenth century dealing with most of the collection's subject areas. The majority of the collection focuses on public and high school textbooks, particularly in relation to the province of Ontario, with some attention to university education.

Also included is George Thorman's Order of the Sheaf, Clark Hall Guild certificate awarded to him in recognition of his outstanding contribution toward the betterment of Brandon University and Thorman's Bachelor of Arts degree from Brandon College (McMaster University).

Notes:	An inventory of the collection has been created. Also, the items have been added to the Brandon University Library catalogue. Description and inventory by Christy Henry (1999).
