History /

Biographical:

The Pool livestock advisory boards and livestock markets were organized under the MPE when MPE merged with the Manitoba Co-operative Livestock Producers Ltd in 1948. The livestock pools operated in much the same way the grain pools did. The MPE Livestock Division was overseen by the Canadian Livestock Co-operative (Western) Limited (known as the C.L.C.). Local shipping associations shipped livestock to a central selling agency in St. Boniface, although this changed with the development of the rural highway system in Manitoba and the founding of Pool Packers.
