History /

Biographical:

Aerial photographs of the campus were generally commissioned by the College/University to record important milestones, such as centennials, changes in status, and building projects. The general campus photographs were placed in this sub-series because the composition of the images made it difficult to place them with individual buildings.

Scope and Content:

Sub-series consists of photographs of the Brandon College and Brandon University campus.

Name Access: Flora Cowan Residence

Subject Access: Aerial views Brandon College
