History /

Biographical:

Thomas Hector MacDonald McLeod (Tommy) was born in Weyburn, Saskatchewan in August 1918. During his youth in Weyburn, McLeod was a member of Tommy Douglas' Baptist congregation; it was Douglas who encouraged McLeod to attend Brandon College. McLeod attended Brandon College from 1937 to 1940. While there, he received scholarships in Bible, Economics, and General Efficiency, as well as receiving the Medal in Sociology during his final year. Following graduation in 1940, McLeod studied economics at the University of Indiana, receiving his M.A. in 1941. Later that year he returned to Brandon College to teach economics and sociology. From 1941 until 1944, he also acted as the Resident Master. He remained at Brandon College for three years. McLeod married Beryl (Pentland) Thompson c. 1943 and together they had five children: Beth, Ellen, Ian, Brian and Morna.

Following the election of Tommy Douglas as Premier of Saskatchewan, McLeod was employed in a variety of senior positions in the Saskatchewan civil service. In 1952, McLeod was named the Dean of Commerce at the University of Saskatchewan, Regina Campus.

In 1961, he served as the Chief Consultant (Ford Foundation) to the Turkish Government. In 1962, McLeod was the supervisor of an eight man team advising the Iranian government on Economic Planning Activities. He has also served as a Special Advisor in Public Administration and Higher Education for the Canadian Development Agency.

In 1963, he became the chairman of the Saskatchewan Royal Commission on Taxation. McLeod accepted the position of Dean of the College of Arts and Science, Regina Campus at the University of Saskatchewan on May 15, 1964. In May 1965, he became Vice-Principal of the University of Saskatchewan, Regina Campus.

McLeod had a Ph.D. in Government and Economics from Harvard. As well, he was a past recipient of the Vanier Medal (1971) for outstanding contribution to public administration in Canada. In 1987, McLeod wrote a book entitled "Tommy Douglas: the Road to Jerusalem." Also in 1987, McLeod was awarded an honorary degree from Brandon University. In 2003, McLeod was awarded the Order of Canada.

Thomas Hector MacDonald McLeod died on January 1, 2008 in Victoria, BC.

Custodial History:

McLeod donated a copy of the paper, subsequently published in Manitoba History, to the McKee Archives c. 1995.

Scope and Content:

Thomas McLeod's records consist of a paper written in 1995, entitled "S.J. McKee of Brandon College: A Biographical Note on a Man and an Institution." This paper is a brief history of Brandon College and S.J. McKee's role in the formation of it. Beginning with the foundation of the short-lived Canada Baptist College, as well as the foundation of the Canadian Literary Institute, McLeod traces the history of Baptists and higher education. The paper is a fairly good guide to researchers wanting to know a bit of the background behind Brandon College. The bibliography in the back also gives researchers several ideas on where to look for additional information.

Notes:	Obituary is in the January 5, 2008 Globe and Mail. H. Clare Pentland and Tommy McLeod studied economics together at Brandon College under W.T. Easterbrook, who later taught at the University of Toronto.

History /

Biographical:

This wedge-shaped tract of woodland was located west of 34th Street on the south side of the Canadian Pacific Railway. It was formerly owned by the Great Northern Railway, and was acquired by the CPR when the GN line was abandoned in 1936. In 1978 Marathon Realty (CPR) sold this 7 acre property to a developer who planned to build condominiums. However this residential development was objected to for two reasons: [The proposed location] was home to many species of flora & fauna, and it was too close to the CPR mainline. Local residents took out a petition against the development. [Mr. Stuckey] wrote a letter to the editor of the Brandon Sun, [expressing the] attitudes of CPR officials, and read a statement to the Provincial Planning Board suggesting development be refused and the area become an undeveloped park. These efforts would prove successful - see file on same.

History /

Biographical:

The Snye was a former channel (oxbow lake) of the Assiniboine River. It was located south of the Assiniboine between about 14th and 24th Streets, and during high water in the spring it carried overflow. For many years it was used as a log storage area for Hanbury's Mill. I remember there being bridges over it at 18th & 22nd Streets. It was dammed with a one way flipper valve at 14th Street that allowed water to flow out to the river, but prevented river water backing into it. Water within the Snye became stagnant in summer and formed a breeding area for mosquitoes. It was deemed a health hazard and the river was gradually filled in. LAS.
