History /

Biographical:

The Chater Protestant School District was established in 1883, with the arrival of settlers in southwestern Manitoba. In 1890, it became the Chater School District following school reform in Manitoba. The original Protestant District school was a wooden structure constructed in the village of Chater a few miles east of Brandon, Manitoba. In 1906, funds were raised for the building of a cement structure to replace the original wooden one. The Chater School District was dissolved in 1966, but the school house continued to serve as a community center until 1973, when it was demolished.

This fonds was accessioned by the McKee Archives in 1997. Prior custodial history is unknown.
