FORWARD-ALL TOGETHER

16

It is longer now the Manitoba farmer complains that he has nothing to say in the price which he receives for the products of his farm.

Operating in this Province since 1920 he has the Manitoba Co-operative Elevator with 2,110 farmer members, The Grain Pool operating the two great wheat & flax elevators, The Manitoba Co-operative Poultry Marketing Association operating since 1922, now having 1,000 members. The Co-operative Wheat Elevator, which from 1914, sold 100 Manitoba shippings out of 1,000 shippings in Manitoba, The Wheat Pool with 1,110 members, operating now in the handling other grain.

Every one of these co-operative organizations has been successful in getting the farmer more for the products which he has produced. They all stand more united to make sure they are able to give him all better service. It is better that the Wheat Pool Elevator will be a better co-operative, a better service and a better outlet for the farmer's wheat, other products, eggs and wool through his own organizations. It is better enough co-operative theory. Let's have more co-operative action.

The Scoop Shovel
VOL. 1
WHEATPOOL MANITOBA ELEVATOR, 1925
NO. 9

The Ninety and Nine
ARTHUR G. CROWN

We have about the driver men, the men who lead
the line,
But seldom do we hear about the other ninety-nine.
The men who build the world of commerce,
Who form the stepping stones on which the driver
each day treads.

The wheel of life is not of cast-iron alone, but the
men
on which it rests; good depends on them, which leads
the driver home.
The water children may revel and gladden to the sun,
But it's the old manual boys beneath on which these
children run.

Cooperation is a word that's worthy of a thought,
It's that word that all men, with the driver, should
know.

Each man has got his part to play, each man has
his own share,
But the whole team really needs the other ninety-
nine.
