History /

Biographical:

Brandon College established a Canadian Officer Training Corps (COTC) program in 1916 and had enough students for a platoon that would join the 196th Western Universities Battalion's B Company. COTC logs for in the SJ McKee Archives show that at least 40 men regularly attended classes on campus during the 1916 winter term.

The Brandon Daily Sun published the names of 60 potential platoon recruits before they headed to Camp Hughes to train in the summer of 1916. Although Lt. J.R.C. Evans spearheaded the training of the COTC enlistees at Brandon College, he was found medically unfit for overseas service. In his stead, the son of the college's founder, Lt. William Carey McKee, lead the platoon to Camp Hughes where they joined the 196th Battalion. Of the 60 recruits identified in the local paper, 20 would not survive the war, including Lt. McKee.

History /

According to Stuckey and Bain (1996), "The Brandon, Saskatchewan & Hudson's Bay Railway was built and operated as a totally owned subsidiary of the Great Northern Railway. Construction commenced in late 1905 and by the end of 1905, less than a mile of track had been laid north of the boundary at St. John. In 1906, the remaining 68.6 miles to Brandon were laid and service commenced that year. During the Depression of the 1930s, traffic declined significantly and the entire branch was abandoned in 1936. Over much of the branch's length, the ties and rails were laid on the prairie without ballast and today little remains of the line apart from traces where there were cuts and bridges." (p. 18)
