A Magazine of Agricultural Co-operation, Formerly The Swamp Shore
No. IX, FEBRUARY, 1933

Now is the Time

Co-operation has a hundred years to go before it will be the backbone of the world. It has to be built on the basis of the present, and the present is not a very promising one. It is a time when the world is in a state of confusion and the people are in a state of despair. It is a time when the world is in a state of confusion and the people are in a state of despair. It is a time when the world is in a state of confusion and the people are in a state of despair.
