History /

Biographical:

William Wallace was born in Scotland around 1859. In 1881, when William was twenty-two, he emigrated to Canada with his father and brother. Once here they settled near what is today Forrest, Manitoba. The following spring they moved to the northwest margin of settlement in Manitoba, homesteading in the Shellmouth area. Wallace remained a resident of the region for the rest of his life. William Wallace was active in community affairs. He was appointed to the post of Secretary-Treasurer of the Shellmouth Municipality in 1887, and he held the position until 1904. In 1909, Wallace was injured in a railway accident, and he had to give up farming. He moved to Shellmouth and took up the position of postmaster, which he held for twenty-seven years. He died in 1945, and is buried at Shellmouth cemetery, Manitoba.

Custodial History:

The letters contained in the fonds remained in the possession of Margaret Wallace, who was the original recipient of the correspondence. She emigrated to Canada in 1904. At some point the letters passed to William Wallace who kept them in his possession in Shellmouth. In 1941, William contacted Professor E. J. Westcott of Brandon College regarding the fonds. He offered it to the College for safekeeping. Westcott accepted the letters. Westcott passed the letters on to various officers and staff at Brandon College and then Brandon University. Since 1982, the collection has resided in the S. J. McKee Archives at Brandon University.

Scope and Content:

Fonds consists of hundreds of letters that William Wallace and his brother, Andrew, wrote to their sister, Maggie, from 1881 until 1904. The first letter, dated 22 March 1881, was written by both William and Andrew aboard the S.S. Prussia as they sailed to North America from Scotland. The last letter was written on 4 January 1904 by William. It was written to inform Maggie and her husband that William had reserved a homestead in their name. This letter marks the end of the fonds. Later that spring Maggie and John emigrated to Canada to be with her family.

William was keenly interested in everything going on around him; his letters and Andrew's reveal what life was like for inexperienced settlers on the Canadian agricultural frontier in the last years of the nineteenth century. Fonds touches on a variety of social, political and economic themes.

History /
 Biographical:

The Business and Professional Women's Club of Brandon was created in November 1932. The club grew out of a meeting of business and professional women who were interested in forming an association. Guest speakers at the meeting were Miss Hilda Hesson, the Vice President of the Federation of Canadian Business and Professional Women's Clubs, and Miss F. Ingram, the President of the Winnipeg Business and Professional Women's Club. The objective of the Brandon club, according to its constitution, was the "promotion of educational, service, and social facilities for the business and professional women." The club consisted of active and associate members and belonged to the greater Canadian Federation of Business and Professional Women's Club. The first President of the club was Miss Margaret Gemmell, with approximately 80 women attended the club's first meeting. The club established sub-committees on a variety of subjects including current events, sports, bridge instruction, public speaking, dress making, photography, stitch craft, manual training, and physical culture. The club also put on exhibitions, participated in drama festivals, held rummage sales and an annual Christmas party. During the Second World War, it established a War Effort Department. This department organized activities such as sewing and knitting in support of the war effort. The War Effort Department also raised money for charities such as the Red Cross. During its meetings, the club often heard local and national speakers or watched films. Women of many different vocations joined the club including florists, teachers, salesclerks, nurses, and housewives. Over the years, additional departments were added to the club including those named poetry, pottery, woodcraft, and drama.

History /

Biographical:

The Toal Commission was a Commission of Inquiry conducted by James Toal at the Prince Edward Hotel in Brandon, MB from 1971-1972. The purpose of this inquiry was to investigate a report published by the Brandon Police Department entitled, "Problem Metis Families, City of Brandon," as well as allegations of police harassment in the City of Brandon from January 1, 1970, onward. The report was prepared by the Brandon Police Department following a petition submitted to Mayor Wilton. The petition, signed by approximately thirty residents of Brandon's East End, requested that the city prohibit the sale of homes in their neighborhood to Native families. A copy of the report was obtained by the Brandon Sun, which generated a considerable public response that resulted in the investigation in question.
